

Awards Day Program To Be Held May 16

The Central State Awards program will be held on Thursday, May 16, at the regular assembly time. All awards sponsored by campus organizations will be presented at that time.

The program, which was arranged by the Student Council assembly committee, will be opened with two selections by the Girls' Glee club, under the direction of Peter J. Michelsen.

To Give Speech Award

The forensic award will be given to the freshman boy and girl who have shown outstanding achievement in speech activity this year. The names of the winners are engraved on the cups, which remain in the college.

Sigma Tau Delta, national honorary English fraternity, for the first year is presenting an award to the outstanding Senior writer in the fraternity.

The men's athletic department will present awards to outstanding participants in the field of men's sports.

WAA awards will be given to outstanding members of the organization. The awards are purple and gold emblems bearing the letters, WAA.

Alpha Kappa Rho, honorary music fraternity, will present an award to the outstanding senior girl, judged upon qualities of leadership, scholarship and good sportsmanship. The award is a large trophy on which the winner's name for each year is engraved. This trophy is kept in the college, but a smaller one is presented to the winner.

Silver treble cleff pins will be

Senior Women To Be Honored at Tea

Seasonal flowers and pastel colors will create an atmosphere of spring in the Home Economics parlors where the Dean's tea will be held from 2:30 to 4:30 o'clock Saturday, May 18. This tea is given annually in honor of the senior women students of CSTC. In addition to the senior women, the women members of the faculty will be guests at the tea.

The Sophomore Home Economics class has complete charge of the plans, with Betty June Maki acting as general chairman.

Mrs. Elizabeth Pfiffner will preside as hostess, and assisting her during the first hour will be Mary Juetten, Monica Gill and Marjorie Hales. Lorraine Peters, Ruth Ruff and Lucille Tanner will act as assistant hostesses during the second hour.

Nelda Dopp and Carmen Vincent will pour from 2:30 to 3:30 o'clock, and Mrs. Quincy Doudna and Mrs. Raymond C. Gibson from 3:30 to 4:30 o'clock.

Music Groups Picnic

Members of the Band and Glee club, numbering about 85, joined together last Monday evening for a picnic held at Iverson Park. Those attending the picnic were served a lunch of potato salad, beans, hot dogs, cake, ice cream and pop. Before and after lunch several games of soft ball were played on the ball diamonds.

Guests at the picnic were Mr. and Mrs. Peter J. Michelsen, Mr. and Mrs. Gus Bentz (Mrs. Bentz was the former Ruth Michelsen), Mr. and Mrs. Quincy Doudna, Dr. Arthur S. Lyness, Dr. and Mrs. Nels O. Reppen, and Mr. and Mrs. Victor E. Thompson.

Dolores Cowles was general chairman of the picnic and Bess Jones was chairman of the food committee. Those working with Bess were Dorothy Severson, Monica Gill and Sylvia Horn.

Annual Time Test Winners Named

The five winners in the annual Time magazine current events test were announced by the history department last week. Frank Splitk won high honors, but was followed closely by John Steward, Warren Ruesch, Karl Paape, and Helen Wrolstad, in that order.

The winners, who competed in a group of approximately 180 history students, are awarded books by the publishers of Time magazine. The students were allowed to choose from a selection offered by the publishers and it is hoped that the books will arrive in time for Awards Day, May 16.

Of some significance is the fact that four of the five top scores were made by veterans. It would appear that the males, and especially veterans, have a greater interest in the news of the day. The winning of an award by Paape marks the second time he has won a Time contest prize at CSTC.

Receives Honor

Dearborn Spindler, graduate of CSTC, is the author of an article, "Anthropology May Be An Answer", which was published in the April issue of The Journal of Education. Mr. Spindler has been awarded a fellowship at the University of Wisconsin to work on the inclusion of anthropology in the secondary school curriculum. He is doing graduate work at the university and is assistant instructor in introductory anthropology there.

While attending CSTC, Mr. Spindler was assistant editor of the Pointer in 1937-38 and editor of the Iris in 1939.

Postwar Concert To Be Given By Men Bill Ritchay Named As Business Manager

The Men's Glee club will present their first postwar home concert at 8:15 o'clock tonight in the college auditorium. The program they will give presents a wide variety in musical talent, all of which promises to be enjoyable to those attending.

The first part of the program will consist of the following songs by the Glee club: "The Purple and the Gold", Prey-Pervical; "A Choral Prayer", Homier; "Prayer of Thanksgiving", Kremser; "Passing By", Purcell; "Just Singing Along", Moore.

For the second part of the concert, Wallace Bartosz will sing two tenor solos, "A Spirit Flower", by Campbell, and "The Blind Ploughman", by Coningsly-Clark. He will be accompanied by Miss Muriel Waid of Wisconsin Rapids in his second selection.

Duets by Elinore Bowman, soprano, and Don Mayek, baritone, of P.J. Jacobs High school will make up the next part of the program. They will sing two Victor Herbert compositions, "Moonbeams", and "Ah, Sweet Mystery of Life". It had been previously announced in the Pointer that Miss Dorothy Vetter of P.J. Jacobs High school would present a group of soprano solos, but plans were changed, and the numbers by Miss Bowman and Mr. Mayek will be given instead, under the supervision of Miss Vetter.

The fourth part of the program will be made up of the following (See CONCERT, page 3)

Sigma Tau Will Have Banquet On May 18

In an atmosphere of spring, Sigma Tau Delta, honorary English fraternity, will renew acquaintances and reminisce about past experiences at a homecoming banquet to be held on Saturday, May 18, at the Hotel Whiting. Alumni and faculty members have been invited to be guests of the student members.

During the evening a program will be presented by alumni, faculty and members, following a welcome by the chapter president, Eulah Walter. Norman E. Knutzen has been chosen as the guest speaker. Musical selections by Edward J. Plank and Eulah Walter will be other highlights of the evening.

Committees for the homecoming are: Doris Ubbelohde and Eulah Walter, co-chairmen; Eunice Goeler and Helen Firkus, program; Marjorie Stimm, Ruth Ruff and Helen Jacobson, decorations; Marion Hemmrich and Ellen Gordon, invitations.

Bess Jones will be editor and Bill Ritchay, business manager, of the 1946-47 Iris, college yearbook, according to announcement today by Dr. Harold M. Tolo and Miss Bertha Glennon, advisers for the Iris.

Bess, who was associate editor of the Iris this year, is a junior in the division of secondary education, with a major in Home Economics. She has been active on the campus during her three years in college, being a member of Sigma Zeta, honorary science fraternity, Sigma Tau Delta, honorary English fraternity, recent president of the Women's Athletic association and of the YWCA, vice-president of Tau Gamma Beta sorority, a member of the Girls Glee club, and newly elected president of the Home Economics club.

Bill, a returned veteran who saw four years of service in the South Pacific with the famed 32nd division, is a freshman who is taking a pre-law course. He was assistant business manager of the Iris this year, is a member of Phi Sigma Epsilon fraternity and is active in College Theater.

Foster Diley, also a returned veteran, who is a transfer from Milwaukee Teachers college and is a sophomore with a major in history will be assistant business manager of the yearbook.

If nothing unforeseen happens, the 1945-46 Iris, with Katherine Hope as editor and Dick Olk as business manager, will be distributed to students and faculty shortly before the end of school. Interesting pictures, an attractive cover, and short write-ups of campus activities promise to make this year's Iris a fitting souvenir of college life at CSTC.

Will Be Entertained By Faculty Members

Members of Omega Mu Chi and Tau Gamma Beta sororities are to be guests at a joint meeting to be held in the Training school library on Tuesday evening, May 21.

Hostesses at this meeting will be Mrs. Elizabeth Pfiffner, Miss Syble Mason, Miss Bertha Glennon, Miss Helen Meston, Mrs. Mildred Williams, Miss Gladys Van Arsdale and Mrs. Mary Samter.

Chester Rinka, supervisor in the Junior High school, will display and explain his many souvenirs of life in the armed service. Mr. Rinka was an officer in the Marine Corps before his discharge.

Under The Rug

with Dave

About this time every year we pipe the old question: "Got your date for the prom yet?" But the advance publicity is so excellent this spring that no doubt everyone is all set to go. (?) We still want to know who the professional sign painter is around here.

Happy-man-of-the-week is Ray Minton. He just got the glad news that his application as a student at the University of London has been accepted. (A little matter on the side, incidentally, is his English fiancée.)

We just got used to seeing Katy Hope and Allan Barrows beating it out on the tennis courts, when Katy ups and gets the measles. She's back this week again.

Gene Harrington kills two jobs with one stone; we saw him out playing tennis while small fry sunned in a buggy on the sideline.

Church isn't the only thing that gets people up early in the morning. Hear tell that a pair of Dormites arise at 6:30 and play tennis till 7:30. More power to 'em.

Another bunch of early risers went picnicking on Rib Mountain last week and came back raring to go—till about 3 p.m. Kay Prey still raves about the smell of bacon frying in the open spaces.

Did you know? Vi Lindow has set the day for her wedding—May 31. Vi, Pointer news editor last semester, ties the knot with Rudy Horn, who was a cadet here a few years back. The entire Pointer Staff is wailing because of the surplus of exams on that day.

Hey, why don't any of the gals gather to watch the baseball games that have been going full tilt? There seems to be only a small handful of spectators, and we know we would like to be on the sidelines—how about you? After all, such a display of masculinity is not for the viewing just any time!

Chosen President

Miss Syble Mason, who was first vice-president for the past year of the Business and Professional Women's club of Stevens Point, was elected president of the group at a meeting held last Thursday evening at the Hotel Whiting. Miss Mason is the assistant librarian at CSTC.

Installation services for the new officers of B.P.W. were conducted by Miss Bessie May Allen, who is also a member of the club.

took place at the Music dept. picnic Monday. Between the coaching of the Lees, the shouting of Mr. Doudna, and the squeeling of Marlys Reed (she caught a fly), who could help but slam a home run. And Ruth Wachholz really showed the fellas!

Of course you all know about the award assembly tomorrow at 10. What do you think of starting an award for the best all-round faculty member of the year? It could be determined by a student vote and include many of the merits students always seems to be discussing in regard to teachers. One organization is already considering such a project; what do you think about it?

Don't forget the Concert tonight. See you there. Adios.

To Have Banquet

Next week promises to be a busy week for the members of Leland M. Burroughs' Freshman Speech classes. The speech banquet on Monday, May 20, at the Frame Memorial Presbyterian church will be followed by the presentation of 15 one-act plays on Tuesday, Wednesday and Thursday evenings at 6:30 p.m. in the college auditorium.

George Whitney will be master of ceremonies and Fred Weller will be general chairman for the banquet which will be served at 6 p.m. by the Ladies Social Union of the Presbyterian church.

Guests who were invited to attend the banquet are: President and Mrs. William C. Hansen, Dr. and Mrs. Harold M. Tolo, Dr. and Mrs. Warren G. Jenkins, Miss Gertie Hanson, Mrs. Burroughs, Miss Susan Colman, Miss Bessie May Allen and Mr. and Mrs. Quincy Doudna.

The program will include after-dinner speeches presented by various members of the classes.

Home Ecs Elect

Bess Jones was recently elected president of the Home Economics club for the first semester of next year. Other officers chosen were Mary Murphy, vice-president; Betty June Maki, secretary; Pat Thorpe, treasurer; and Kathryn Peterson, press representative.

These officers were elected at a picnic held at Iverson Park on Monday evening, May 6. During the evening the group enjoyed a weiner roast.

Article Is Published Large Group Attends Playday on Saturday

Miss Gertie Hanson, director of Radio Workshop, and Jane Miller, producer, are the authors of an article published in the April issue of "See and Hear," a magazine dealing with audio-visual learning. Their article is entitled, "Teacher Training for Tomorrow."

In the article, Miss Hanson and Jane tell something of the history of the Radio Workshop of CSTC as it has operated since the college studios were opened in 1939. An interesting description of the radio programs now being offered by the Workshop is also given.

The conclusion to the article states, "Radio is a part of the modern classroom. Radio brings the world to the classroom. As beginning teachers, we have lived an experience in teaching with radio. We will go out into the classrooms of our state and continue to use it in helping our children to learn."

Win Little Brown Jug

The Chi Delts extended their winning streak to three straight games in the current Little Brown Jug series when they defeated the Phi Sigs 4-3 in a game played last Wednesday.

It was the Chi Delt's hardest won victory to date. The Chi Delts were leading in the sixth inning 3-0 when Sullivan of the Phi Sigs hit a home run with two men on base to tie the score. The game went into the eighth inning and ended when Louie Poslusny hit a double with McDonald on base. McDonald crossed the plate to end the dead lock and place the Chi Delts ahead 4-3.

If the Chi Delts can win the fourth game of the series scheduled for Monday, they will have won another series and the privilege to retain possession of the Little Brown Jug for another year.

A review of the history of the Little Brown Jug series shows that the first series was played in 1932 with the Phi Sigs gaining possession of the jug. The jug changed hands in 1933, with the Phi Sigs regaining possession in 1934. Since 1935 the Chi Delts have maintained a steady winning streak to keep the Little Jug in their possession. The Little Jug series was discontinued in 1943 because of the war. This year marks the resumption of the series.

Take Northern Trip

Forestry students conducted a two day field trip in the northern part of the state last Friday and Saturday. Stops were made at Merrill, Tomahawk, Trout Lake and Star Lake.

At Merrill, the first stop, the group visited the Forest Ranger Station and had an opportunity to see how the ranger lives and works and to examine the equipment he uses.

Next the class inspected the headquarters for forest fire supervision and direction at Tomahawk and witnessed a complete demonstration of all fire fighting equipment. Here they received instructions on forestry maps and their interpretation.

Trout Lake, the scene of the oldest State Tree Nursery, was of interest to the group. Here they saw the reforestation process from seed to ma-

Saturday, May 11, witnessed another successful Play Day at CSTC.

WAA girls, under the leadership of Miss Myrtle Spande, women's physical education instructor, had as guests 85 high school girls and their supervisors, who participated in a well-rounded program of sports.

Eight flowers were given the girls upon registration. Each of these flowers, tulips, daisies, petunias, cosmos, pansies, roses, zinnias, and lilies of the valley, then became the title of the eight playing squads. Throughout the day every team was given opportunity to participate in each activity.

Many Participate

Included on the roster were basketball in the Training school gym, where Pat Thorpe and Elaine Jensen, refereed, and Bertha Ernst and Jo Shanks were timekeeper and scorekeeper, and volley-ball in the College gym with Tonie Tushinski and Laverne Haskins as referees, and Helen Trewartha as scorekeeper.

Soft ball was played on Schmeckle Field with Ramona Putnam, Ruth Wachholz and Marge Schrader in charge. Track and field sports on Schmeckle Field were supervised by Bonnie Gabelson, Jean Neale, Margaret Roberts, and Dorothy Loberg. Tennis, an optional game, was directed by Alice Hetzer and Colleen Rybickie.

A tour of Central State's campus was conducted by Helen Trewartha, Jo Shanks, and Bonnie Gabelson, before games commenced in the morning. Some of the campus high spots included were WLBL studios, the Training School, Demonstration school, and various rooms in the main building.

Luncheon Served

Nelson Hall was the scene of a lovely mid-day banquet served to 115 persons. Plum blossoms, iris, and white tapers lent their loveliness to the dinner tables. Place cards carried out the flower motifs which had been used at registration. Miss Rose Barber, director of Nelson Hall, was in charge of dinner arrangements.

A program, with WAA president, Nelda Dopp, as toastmistress, included talks by Miss Spande and Mrs. William C. Hansen, and vocal solos by Alice Hetzer and Laverne Haskins.

After the final playing period, tired but happy girls were served refreshments in the women's Rec room. Social dancing for those not too worn and weary concluded the arrangements of the day.

ture timber and were instructed in valuation of forests and the use of the cruising stick.

At Star Lake they examined a forest planted approximately 30 years ago and now a flourishing woodlot as a result of the excellent care given it.

All was not work for the 24 men under the direction of Fred J. Schmeckle, forestry instructor, for they all enjoyed an outdoor picnic and some displayed their skill with the rod and reel.

Bows To Oshkosh In Dual Track Meet

An inexperienced CSTC track team lost its first dual track meet when it bowed to the Oshkosh Titans 91-40 at Oshkosh last Tuesday. The Point cindermen made a fine showing despite the fact that few of the trackmen have had any previous experience. Interest is at a high pitch, however, and all the men are anxious to participate and co-operate for team victory.

In the track event the Pointers got four firsts to Oshkosh's 11, four seconds to 10 for Oshkosh, and both teams tied for third with seven each. Central State's first place winners were Charles Lane in the pole vault with a mark of eight feet and eight inches, Art Crowns, high jump of six feet, John Jenkins, broad jump of 18 feet, two and one half inches, and Jack Judd in the 440 yard event in 57 seconds.

May Meet at Milwaukee

It is quite likely that Point will enter the state teachers college track meet at Milwaukee, May 18, but only men with near record marks will be sent to compete.

A golf meet between Point and Oshkosh was won by the latter, 9 1/2 to 2 1/2. Scores of the contestants: Hartman, Oshkosh, 37-41 for 78; Kwasigrah, Point, 39-42 for 81; Rothenback, Oshkosh, 40-40 for 80; Posluszny, Point, 40-38 for 78; Marquardt, Oshkosh, 45-43 for 88; Hansen, Point, 52-48 for 100; Luft, Oshkosh, 39-48 for 82; Harrington, Point, 46-55 for 101.
