Several Jobs Still Open on Iris Staff

Bess Jones, Iris editor, has chosen the following 12 people for the 1947-48 year book: Associate editors, Pat Byler, Anne Strother, and editor, Caroline Krogness; assistants, Phyllis Christensen, Barbara Jameson, and Beatrice Abraham, Naomi Barthels.

Reporters are Monica Gill, senior class president; Betty Stengl, sophomore class president; Carolyn Peterson, freshman class president; Pat Hansen, Jim Davis, sports; George Kosholl and Edmund McInerney, photographers.

This list is not at all complete. The Iris needs more writers and typists. Any volunteers will be gratefully accepted. Any pictures taken by college students or their friends will also be accepted for consideration in the forthcoming publication. The Iris office is on the first floor, next to the Pointer office.

The Iris staff has hope of publishing a book more quickly and different this year. If the Iris is to come out on time, every possible effort must be made to get the paper into the hands of the students. Each reader should be urged to contact the editors as soon as possible in regard to organization business.

Bill Ritchay, business manager, has chosen the following staff: Foster Diley, co-manager, Esther Davidson, layout artist, Dolores Cowles, Pat Hansen, and Reuben Bellsie and Kyle Bellsie, photographers.

The business staff is not completely either, and anyone interested is urged to contact Bill Ritchay as soon as possible!

NOTICE

Do you plan to vote on November 6th?

If you are 21 years old or over, you are eligible to vote. Please remember to be resident staying in Stevens Point and are "on your own" you can vote, but you must register at the city hall before October 24. This includes veteran students under the "G. I. Bill of Rights", and others earning their own support. If you are in the Service or those whose main support is from their parents who live elsewhere. They would be eligible to vote at their home or the home of their family.

President William C. Hansen

Mr. Watson Lectures At Training School

Charles F. Watson, former geog­

graphy instructor at CSTC, gave a talk on geography to the students of the sixth grade at the Training school on October 10.

His visit was requested by the class so that the students might get infor­

mation on the changes in the earth's surface. This science unit is being developed with the help of Mr. Park and Mr. Watson, under the direction of Mrs. Hester Feller Brien, sixth grade super­

visor.

Mr. Watson gave very interest­

ing facts, answered questions and helped the pupils make use of the col­

lection the pupils are making.

**Proprietors' Heritage**

When a beautiful autumn day comes, we highlight the many fall weather, students find that sojourns in the surrounding wooded areas are much more pleasant than sitting indoors over a "whodunit" novel.

Woods are carpeted with fallen leaves and pine needles, brilliant hues and crunches underfoot, but dry as tinder. A match half-extinguished or a cigarette carelessly thrown aside could start a raging inferno that mars the wooded and even home gardens and buildings that would be almost impossible to replace.

During Fire Prevention Week and make sure that such catastrophes cannot be traced back to any of our carelessness.

It might be well also for each of us to go on a one-man fire hazard hunting campaign in our own home or our rooms. We can see that our stove, our oil, the sufficient ashtrays are supplied and the metal ashcans provided for refuse.

We should do our best when the fire drills are held in the college buildings. We must know quickly, but not too rapidly, toward the exit designated by the sign posted in the particular classroom we are in when the fire bell rings. Rapidly but not too rapidly, not stopping to pick up books or other materials. It is only through the help and cooperation of each student that these fire drills can be a success.

**Dorm Doin's**

"Short-but-sweet" could be ascribed to the first week of October. Several events of an important nature are scheduled.

All the girls who left Nelson Hall the semblance of a rather formidable fall throng past the dormitories that are the names of the transformation they created. Lanyardless, headbandless, no hands of persons who did stay here found the week-end home-like, from dinner by Viene and doing their own dishes. You must try it some time.

We are neglecting a group of worthy souls—not especially, since.

Some of the events of a social nature—drums—we aim to present the repercussions of the week past Hall this year. Of the form: Gerry Roberts, Pat Jones, Marianne Simpson, June Guth, Gail Smith, and Lorraine Meyer. Nellie Dupp, Doreen Potter, Phyllis Powell, Elizabeth Stader, Carrie Koegel, Pat Thorpe, Dolores Cowles, Matheline Williams, Michelle Weiss, Doris Bradburn, Annette Cohen, and the latter editor, helping. Mrs. Tracy Higgins, our housekeeper, is Marieron Hurlin Way. Marieron's name is Be-wer and not-er.

Masculinity is again in evidence and that aura of protectiveness is felt by us all. An important event of this fall is a man (one Martin Schuster) who takes charge of the desk during late hours on week-ends. We of this column are trying to work up courage to ask a man for an interview. (No, he isn't back.)

Anyway is that something to look forward to.

A few things in the way of Gayle, Dian Diercks, Earl Cotter and Orval Moser are the boys in Nelson. They are the strong, silent sex who keep the Dorm in good working condition by doing dishwashing and cleaning, etc. One of them was asked what we might consider an answer to this question: "What are you doing?"—"Well, it's interesting.

Add the $6.45 question: What adjustment is needed in the certain mechanical contraption (beta-people) to the latter's bed—causing her to get up a little (?) sleep one early morning? Yes, the answer to reward the students of the Pointers in the Painter should be leave a note in the Painter office before Monday at 4 p.m. This note should give the name of the committee to which the trip is planned and the time and place of the meeting.

**Student Organizations**

**Radio Workshop**

"Attention, please! The Radio Workshop of CSTC is now broad-casting its programs over WLBC and WPAC. Students may tune in at any time during that period.

"Our College Roundtable" will present its first scheduled program on October 9th, 10th and 11th. (See page 4.)

"Can There Be World Peace?" Discussions will be held this period. Members of this week's roundtable will include: Tex Bickel, Ed Howland, Norman Windholz, and Lewis McDermott.

"For those who are interested in classical music, "Melodies from the East" will be the theme of the Music Album on October 12th. A selected group of persons will bring you "American in Paris" and "Rhapsody in Blue" along with other favorites will be two selections from "Dance Bouquet.""

The never-to-be-forgotten melodies of "Night and Day" and "Begin the Beguine" will again be heard. This program will include the program. The dialogue will be written by Altv Konmoy, with Frank Kastick as the narrator.

"Flash! President William C. Hanson announces that a radio program on Monday, October 14th, will be presented. "The World of Tomorrow" will be heard at this time under the direction of John Steves.

"A musical program will be featured next week. Books and Authors" on Tuesday, October 15th, Walker, narrator, will review a current best seller in the world of literature."

"Radio Workshop Players" presenting "Death of a Salesman" will be heard on Wednesday evening. Members of this group are not on the regular staff, but have been added to the line-up for this particular show.

"So, for entertainment direct from the radio, keep your dial tuned to the Radio Workshop programs."

**Home Economics Club**

Miss Vera Hub, home demonstration agent in Portage county, gave an interesting talk on October 10th.

**Supply Counter Has Variety of Materials**

The College Supply Counter, managed by Grant Thayer, who is capably aided and shrewdly directed by his wife, Sherry Thayer, has been the objective of many seekers after materials for the building of bathroom ushers, be-purchasers walk away satisfied, for, although hampered by current materials, the counter is managed to keep one jump ahead of the demand.

With few exceptions, students can readily supply and equip themselves entirely with bathroom ushers, building, and counter material at the "Supply Counter. Here one can not only run the rag through the washer for as many times as desired, but can have them ready for the coming winter season."

"Mervin" and Mervin Brandt are the supply counter employees for the next weeks. Mervin is a Junior in the design department, and Mervin Brandt is a Junior in the garment division.

**Forestry Class to Visit Madison Lab**

Several members of the forestry class, under the direction of Fred Johnson, will go during the next few weeks to visit the Forest Products Laboratory in Madison. In the afternoons they will go through the Arboretum at the University of Wisconsin.

Several trips have been planned for laboratory work which must be done outside. These trips will be made sometime in the near future.

**Mention "The Pointer"**

The College Supply Counter, managed by Grant Thayer, who is capably aided and shrewdly directed by his wife, Sherry Thayer, has been the objective of many seekers after materials for the building of bathroom ushers, be-purchasers walk away satisfied, for, although hampered by current materials, the counter is managed to keep one jump ahead of the demand.

**Notice**

Any organizations that wish to have announcements regarding meetings or gatherings printed in the Pointer should leave a note in the Pointer office before Monday at 4 p.m. This note should give the name of the organization, the committee to which the trip is planned and the time and place of the meeting.
Playing before a capacity crowd at Oshkosh, CSTC bowed to the Titans 27-13 in a closely fought game. The Titans, taking advantage of a costly fumble by the East team and held the lead throughout the game.

Fumbles Costly

The Bergmen committed two costly fumbles in the end zone, with Oshkosh recovering both times. The resulting two touchdowns gave the Titans their winning margin. The Pointers then attempted to take the air only to be countered by five Oshkosh interceptions with one of the intercepted passes resulting in another score for the Titans.

Robbins and Yount, CSTC guards, were successful in stopping the Titans at the center slot, while tricky running on the part of the Point backfield netted CSTC two counter touchdowns. Dietzo, Schauder, Fuchs and Chapman starred for the Titans.

The Bergmen threatened to score again in the second quarter when the two CSTC passes fell deep in territory. The Bergmen held, however, and broke up the Oshkosh drive.

Kubiask Returns Punt To Score

The Pointers opened the second half with a passing attack. Following three consecutive successful passes, Point kicked to the Titan 17 yard line. Dietzo, unable to gain, kicked to the Point 49 yard line, and Kubisask, with fine blocking, took off on a beautiful 70-yard run to the ball for a touchdown. Kubisask then converted to make the score 13-7.

Near the close of the quarter, Point took to the air again in an attempt to score but Schneider intercepted a pass on the Point 33 yard line and went over the goal standing up. Schauder converted again and the score stood at 20-7. Before the end of the quarter, the Titans intercepted another pass but Point retained possession of the ball by recovering an Oshkosh fumble on the Point 42 yard line.

John Goes Over

The last quarter began with Oshkosh intercepting another Point pass. Oshkosh then kicked out of bounds (Continued on page 4, col. 1)
NOTICE
Wives and husbands of college students here will be privileged to buy activity tickets at $5 each, as the result of action taken at a recent faculty meeting. These tickets are the same as those purchased by the faculty each year and will entitle purchasers to admission at athletic events and to a subscription to the Pointer.

Through the vote of the faculty, the privilege of purchasing these tickets is now extended to wives and husbands of college students. Regular students are given an activity ticket at the time of registration and this entitles them, among other things, to admission at athletic events, to hospitalization and health service, and to subscriptions to the Pointer and the Iris.

do the asking. Maybe that way even the bashful ones (like us) will be there. We Want to be there. We'll even pay half expenses.

* * * * * * * *
We got a lot of heat on the lime
we shook last week but we didn't receive any that were better. So here is another one. Take it or leave it.

"You've heard of restrictions I think. On meat, bread and butter and milk."

My straight-jacket I'll lace

And calmly go jump in the drink.

Now it's up to you to put a stop to these terrible efforts and help us out. So get, chuckle, go.

* * * * * * * *
We were wondering if there is to be a student directory this year. Past years have proven that these directories are worth their weight in beefsteak, so we would like to see the plans laid for compiliing said directory. That way we won't have to call girls in a haphazard fashion. We'll just close our eyes and run our finger down the pages and presto-failed again.

For student of the week we pick a young man who can take care of himself. The scat-back of the football team, who has scored three of the four touchdowns we've made, Jim Koehn, of Little Chute, our vote goes to you. Koehn is the spark plug of the team and a back whose drive belies his size.

Before we close we'd like to suggest that the students learn the words of the "Alma Mater" and the "Purple and the Gold," so we can really shout out the spirit at both the Milwaukee game and the Homecoming game with Whitewater. Let's do the one for Coach Berg and the team and maybe the breaks will start coming our way. What say?

Rumor has it that next week's Pointer will be a good place to look for the words to both the "Alma Mater" and the "Purple and the Gold.

So this is thirty for now and until next week remember "Whip White-water" and keep your eye on the "Seizing Eye.

(Continued from page 2, col. 5)
Treble Cliff House on Monday, September 30. After the business meeting the pledges will be given their duties and their pledge ribbons. Following this Mildred Spiegel and Catherine Firkus led the group in games and served a lunch. Alpha Kappa Kho has planned a Homecoming breakfast in honor of all former members and alumni. This is to be held at the Colonial Room of the Home Point Cafe on Sunday, October 20, at 9 a.m.

Mixed Chorus
The Mixed Chorus, composed of approximately 145 members of the Men's and Girl's Glee clubs, has begun practices for the 16th annual Christmas Concert to be presented two nights, December 14 and 16. The chorus is under the combinational leadership of Peter J. Michelsen and Norman E. Knutsen.

During the past two years the organization has been dependent upon outside help. This year, the first time since the war, the chorus is made up entirely of college students. Rehearsals are held every Monday afternoon at 4 o'clock in the auditorium.

The concert orchestra, also re-

hearing for the Christmas Concert, practices Wednesdays at 7:30 p.m.

Rural Life Club
Martin Schaefer and Harry Jones, members of Rural Life club who attended the Wausau Teachers conv.

tenant last Friday, spoke to the group which met in the Rural As-

semble last Monday evening, Octo-

ber 7. They gave interesting accounts of the convention and outlined briefly what took place.

Quincy Doudna, director of the Rural division, spoke briefly to the group on making its meeting worthwhile. Laverne Hashkin and Ruth Wacholz sang several old time favorites at the conclusion of his talk.

Plans for a Homecoming fest were then discussed before the meet-

ing was adjourned with group sing-

ing led by Alex Petersen, director of the Rural Demonstration school.

Pointers to Seek Second Win Against Quakers on Saturday

The Bergmen, determined contenders for a share of the conference title, will meet the Whitewater Quakers on Saturday afternoon at 2:30 p.m. at the Pointers' gym. This will be the second successive victory, while the Quakers are out for their first win.

The Whitewater squad has lost three close games in three starts, whereas the Bergmen defeated Winona State, 34-21, and two losses in four attempts.

Pointers Welcomed St. Norbert's

In their first test of the season, the Quakers were defeated 19-12 by the powerful St. Norbert eleven. The Whitewater team led 12-0 at the end of the third quarter but were unable to stem the determined Green Knights in the final quarter as they rolled over the goal for three tallies. Milwaukee survived the game for goals for three tallies. The Bergmen took a slight edge over the Pointers until the Bergmen starred all central Wisconsin by upsetting Milwaukee 12-6. This game boosted the Pointers' spirits and set the Quakers.

Whitewater's success in the St. Norbert's series was due to the basketball of the Pointers. The Bergmen dominated the Pointers in the first period. The Pointers will outscore the Bergmen on second chances and go on to a smooth victory.

Shakespearean Duo Will Appear Oct. 23

The Pointers will present the production "Macbeth" Oct. 23 at 8 p.m. The Pointers were recommended by the Shakespearean Duo chairman of the Student Activity Fund, for more necessary props. The committee is working to avenge any loss or expense in these tickets at Goerke Park. The Pointers will be POINTERS for the rest of the year.

The committee, consisting of Miss Emily Wilson, Miss Syble Mason and Mrs. Walker, recommended that the printed faculty activity tickets be used this fall in order to go on to second chances and that the tickets be marked not transferable.

President Hansen Extends Homecoming Welcome to Alumni

As an alumnus of Central State Teachers College, I am pleased to extend a hearty welcome to former students to come back this weekend for an enjoyable homecoming; meeting old acquaintances, renewing old friendships and making some new ones, and bringing yourself up to date on where your classmates are and what they are doing. And then there are the football games and the interesting events arranged by the Homecoming Committee. This program was sponsored by the Student Council and I want you to pay my compliments to the Committee which is working hard to make the Homecoming an enjoyable occasion for all of us. They deserve our cooperation, our support and our enthusiasm. This is a memorable event.

Wm. C. Hansen

"S" Club Dance at 8:30 p.m. Thursday on Saturday

At last! After a dormant stage lasting many years the "S" Club is beginning to show signs of life. The members of our college are really up to their old selves as they prepare to end Homecoming weekend with a real informal dance at the P. J. Jacobs High school gymnasium. The big social event will be a memorable one for the whole college. This will be the second successive victory, while the Quakers are out for their first win.

Activity Tickets Ready for Spouses

Activity tickets for wives and husbands of CSTC students are now available at $2.50 per ticket. Tickets may be obtained from Miss Emily Wilson, chairman of the Activity Fund.

By vote of the faculty and upon recommendation of the Student Activity Fund, tickets were purchased from these tickets at $2.50 a sem- per ticket), to entertainment ($1 per semester), and to the social committee ($1 per semester).

The committee, consisting of Miss Wilson, Miss Syble Mason and Mrs. Walker, recommended that the printed faculty activity tickets be used this fall in order to go on to second chances and that the tickets be marked not transferable.

HOMECOMING PLANNERS READY FOR BIG DAY

The Pointers are well prepared to host the Homecoming Queen and a Homecoming King.

Gala Festivities to Mark First Postwar Alumni Celebration

CSTC's long awaited post-war program with new activities making feverish, last minute revisions on their floats and parades.

Adding to the atmosphere of the Homecoming celebration will be the largest group of freshman matrons with purple and gold streamers, which will add for the Women's Athletic Association.

The two day celebration will commence with tomorrow's football game, will be held at 3 o'clock in the auditorium. The school band and the cheerleaders will be in attendance, with Gilbert W. Faust, director of the Homecoming Committee. The highlight of the assembly will be the crowning of the homecoming king.

The Hoop Festival will be presented by the freshman and sophomore girls, and the freshly selected from a group of contestants representing the freshmen, sophomore, junior and senior classes.

The contesters are: Catherine Timmer, Cookies' Club; June Ander, cheerleader; and Ruth Smith. The girls will be crowned during the Homecoming assembly, and the homecoming king will be elected by popular ap-...
