

Pointers to Seek Second Win Against Quakers on Saturday

The Bergmen, determined contenders for a share of the conference title, will meet the Whitewater Quakers on Saturday afternoon at Goerke Park. The Pointers will be seeking their second conference victory, while the Quakers are out for their first win.

The Whitewater peds have lost three close games in three starts, whereas the Bergmen have a win, a tie, and two losses in four attempts.

Whitewater Worried St. Norbert's

In their first tilt, the Quakers were defeated 19-12 by the powerful St. Norbert eleven. The Whitewater peds led 12-0 at the end of the third quarter but were unable to stem the determined Green Knights in the final quarter when they rolled over the goal for three tallies. Milwaukee succeeded in defeating the Quakers 7-0. Again Whitewater was defeated in the final quarter, after holding the Green Gulls scoreless for three quarters. Last week, the Platteville peds in their first conference game defeated the Quakers 13-7.

Whitewater's success in holding the St. Norbert's eleven, who tramped all over the Pointers, definitely indicates strength and power for the Quakers. Whitewater was given a slight edge over the Pointers until the Bergmen startled all Central Wisconsin by upsetting Milwaukee 12-6. This game boosted the Pointers' standings and, at present, statistics give the CSTC men a slight edge.

Pointers Victorious Last Year

In last year's Homecoming game, the Pointers defeated Whitewater 12-0. The Quakers will be out to avenge this defeat. After last week's tilt, the Homecoming game provides to be as thrilling as any tilt this season.

Shakespearean Duo Will Appear Oct. 23

Here is a date you won't want to miss! Wednesday, October 23, at 8 p.m., two former "Ben Greet Players" will present the production "Macbeth" in the college auditorium. Members of the faculty and student body are invited.

Proving that quality and not quantity counts, Daisy Vivian and Henry Joyner bring Shakespeare in a new light. Mr. and Mrs. Joyner are the last remaining players of the original group to carry on in the Ben Greet tradition.

Their speech, their facial expression and their walking show the result of careful tutoring. With nothing but a few necessary props, costumes, and a faith in their work, these English artists are performing in American colleges and universities from Maine to Florida, and from Virginia to California.

The graduates of Ben Greet's troupe are the outstanding actors of today. CSTC is indeed fortunate to have Shakespeare presented with such feeling and clarity by these two, the last of the "Ben Greet Players".

Activity Tickets Ready for Spouses

Activity tickets for wives and husbands of CSTC students are now available at \$5 apiece. Tickets may be obtained from Miss Emily Wilson, chairman of the Student Activity fund.

By vote of the faculty, and upon recommendation of the Student Activity fund committee, the money from these tickets at \$2.50 a semester will be allotted to athletics (\$1 per semester), to entertainment (\$1 per semester), and to the Social committee (50 cents per semester).

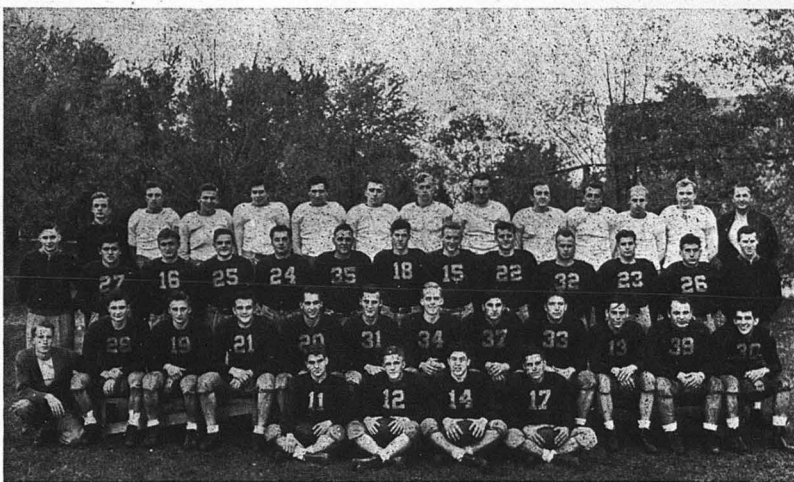

The committee, consisting of Miss Wilson, Miss Syble Mason and Victor E. Thompson, recommended that the printed faculty activity tickets be used for spouses of college students and that the tickets be marked not transferable.

President Hansen Extends Homecoming Welcome to Alumni

As an alumnus of Central State Teachers College, I am pleased to extend a hearty welcome to alumni and former students to come back this week-end for an enjoyable homecoming; meeting old acquaintances, renewing old friendships and making some new ones, and bringing yourself up to date on where your classmates are and what they are doing. And then there are the football games and the interesting events arranged by the Homecoming Committee. This program is being sponsored by the Student Council and I want to pay my compliments to the Committee which is working hard to make the Homecoming an enjoyable occasion for all of us. They deserve our cooperation, our support and our commendation. Let's make it a memorable event.

"S" Club Dance at H. S. Gym on Saturday

At last!! After a dormant state lasting many years the CSTC "S" club is beginning to show signs of life. The lettermen of our college are really back from the wars, as they prepare to end Homecoming week with a real informal dance at the P. J. Jacobs High school gymnasium.

The music for the big social event will be furnished by the newly organized Playboys' Orchestra.

The purpose behind this dance is more than just a good time. The money collected in excess of expenditures will go into a Sweater Fund. This fund is for the purchase of award sweaters for future winners of a college letter in competitive athletics.

Coach George Berg and the football squad will do more than is asked to insure a victory over Whitewater on Saturday afternoon. Let's all join in on the celebration at the Homecoming Dance.

Tickets can be purchased at the door or from any letterman on the campus. Ask the fellow wearing the college "S" for your tickets now!

Alumni Committee Extends Welcome

Once again CSTC is in the midst of preparations for Homecoming. Everywhere, there is the air of happy excitement as students plan for one function or another. The snake dance, the parade, the various teas and dancing parties are being arranged about the heart of the whole celebration—the game on Saturday afternoon.

Welcome Home, Alumni! It is your presence on the Campus that will complete Homecoming plans. You will warm the cockles of the heart of your Alma Mater by returning. Welcome Home!

Foster Diley Named To Head CSTC Band

Foster Diley was elected president of the college band at a meeting held during rehearsal on Thursday, October 10.

Dorothy Loberg was elected vice-president; Joan Paulson, secretary-treasurer; Mildred Speidel, sponsor and Betty Ruth Crawford, press representative.

Mr. Faust Tells All (About Homecoming)

On account of I'm going to be Master of Ceremonies at the assembly Friday, the Pointer has asked me to write an article to help raise some enthusiasm for the events of the coming weekend. The Pointer was very nice about it—even said I was supposed to be somewhat of a wit. This article may prove the Pointer to be about half right.

This weekend is Homecoming. No more should have to be said. There's going to be Hobo day, and a Pep assembly, and a dance, and a parade, and a football game and another dance. Some organizations even expect their alumni to get up for breakfast on Sunday morning.

The Pep assembly is going to be good, so you'd better be there. I don't know what's on this program, but maybe there'll be some band music, and singing, and speeches (rumor has it that May Roach will have something to say), and cheers and a Homecoming Queen and a Hobo King. I shan't say anything about my modest contribution to the day's entertainment, because I haven't any idea what may happen.

Some of you know that when I'm good, I'm very, very good, and when I'm bad, I'm horrid and brother, it better be good! If Buzz Dryfoose will lend me his hat, I might even come disguised as a Hobo.

Fact is, I might even go to the game if the weather is nice!

Miss Neuberger Goes to Nurses' Meeting

Miss Mary Neuberger, R.N., college nurse, attended the third annual State Teachers college nurses' meeting on October 10 and 11 in Madison.

Edgar Doudna, secretary of the Board of Regents, opened the meeting with an introduction and welcome. Several problems pertaining to the medical departments of the respective colleges were discussed. One of them "Problems of a veteran student and his family" was presented by Theodore Zillman of the Office of Veteran's Affairs at the University of Wisconsin.

Gala Festivities to Mark First Postwar Alumni Celebration

CSTC's long awaited postwar Homecoming draws near with organizations making feverish, last minute revisions on their floats and parade entries.

Adding to the atmosphere of the Homecoming celebration will be the large yellow chrysanthemums with purple and gold streamers, which will be sold by the Women's Athletic association.

The two day celebration will commence with Friday being proclaimed CSTC Hobo Day. Students and faculty will come to school in attire fitting the occasion.

The Hobo Convention will be climaxed by a Pep assembly which will be held at three o'clock in the auditorium. The school band and the girls' cheer leading section will participate in the assembly, with Gilbert W. Faust, of the faculty acting as Master of Ceremonies. The highlight of the assembly will be the crowning of a Homecoming Queen selected from a group of contestants representing the Freshman, Sophomore, Junior and Senior classes. The contestants are: Catherine Timmer, Jeanette See, Caroline Krogness and R. Gail Smith. The queen will be crowned by Jerry La Fleur who has been selected Captain for the Whitewater-Point football game. To conclude the Pep gathering, a Hobo King will be elected by popular applause.

Friday evening's activities will begin with the traditional bonfire followed by a snake dance. The bonfire, for which material was gathered by the Freshman class in charge of Bob Sample will be preceded by an outdoor pep rally. The rally will be conducted by the college cheer leading group.

The concluding event for the evening will be the first semi-formal of the year, sponsored by Phi Sigma Epsilon fraternity. This dance will be held in the Training school gym.

The Homecoming parade will open Saturday's events. The parade, which is under the supervision of Parade coordinator Jim Cory, will commence at 10 a.m. at the corner of Main and Fremont streets, opposite Nelson Hall. The route of march will be Fremont st. from Main to Clark st., west on Clark st. to South Second st., north on South Second to the Public Square, and east on Main st.

Judges who will select the best float and novelty entries in the parade are Mayor Ben Dagneau, Miss Ethel Anne Lawrence of the Daily Journal, and Lawrence (Gus) Waltr, secretary of the Chamber of Commerce.

The Whitewater-Point football game to be held at Goerke Park at 2 p.m., will climax the Homecoming celebration. Considering the large in-

Hi, Alums!

Hi, alums! Welcome back to CSTC! Come on in and take over as you did before! Help us raise the roof (figuratively speaking, of course, for we'll need it for a rainy day), and make the halls echo again with the old familiar voices.

The Pointer staff wishes to extend its hand in welcome to you who are returning once again to your alma mater. We know you'll enjoy the festivities planned and that you will carry away with you renewed memories of the "good ole days" at Central State.

The Seeing Eye

Hi with Si

The all too few fans who braved the winter blasts last Saturday were rewarded, not only with a victory over a highly-touted Milwaukee team, but also with one of the best played games by a Point team in the last five years.

We came to the conclusion that school spirit is just another phrase to most of the individuals attending school this year. Were you at the game Saturday? If not, you had better take inventory of yourself, and let us remind you that you will get just as much out of college as you put into it. So let's arouse ourselves a little, and back the team not only when it's a winner but also when it's a loser. Let's all be out there Saturday regardless of the weather, and see the Pointers celebrate Homecoming with a victory over Whitewater.

It looks as if we can take our winter equipment out of moth balls right now. Many students know that winter in Stevens Point is really cold. We sure hate to see the cold weather arrive, as the campus is most beautiful in this autumn weather. We believe that for a smaller school, we have one of the most artistic grounds in the state. For this, we can thank the unsung workers who keep our campus in top shape all year around. You will see them out there regardless of the weather. This might serve as an example to some of the less conscientious students if there are such enrolled here this year.

Well, how are we coming along on our floats for homecoming? There

will be a lot of organizations represented, so the competition will tax your ingenuity. We want to see a real parade, and a lot of spirit displayed, so let's get those floats in readiness for the big day. Before our victory over Whitewater, we will see you at the Phi Sig semi-formal in the Training school gym. That is, if we can find someone to take us. So far, we haven't received any bids, but we're still hoping for a miracle. Any miracle makers in the audience?

Add changing times! John Reukauf, a former G. I. and now a Freshman here at college, is a newly married man, having taken unto himself a wife last Saturday afternoon. He was back at school Monday morning, looking very much the happy bridegroom, with a sort of Lohengrin on his face. Ouch!

Mary "Killer" Juetten, Pointer editor, has evaded the arms of Johnnie Law again! During her stay in Chicago this past weekend, Mary was followed by two United States marshalls, who had mistaken her for one of the two accomplices in a recent attempted jailbreak in Chicago. Not until the head of the post office guard who knew her swore to her true identity was Mary free from her federal pursuers.

This is Homecoming week, so let's all give it the old college try, and, until next week, keep your eye on the Seeing Eye!

Student Organizations

College Theater

"The Skin of Our Teeth" by Thornton Wilder has been chosen as the fall production of College Theater, and tryouts for it will be held this week.

Students who wish to try out are asked to report to Room 207 on Thursday afternoon from 3 to 5 o'clock and on Friday afternoon from 4 to 5 o'clock.

Anyone interested in acting, make-up, lighting, costumes or stage work will find opportunities open.

Those interested in any of these activities should see Leland M. Burroughs or Robert S. Lewis during the try-outs. The play, an entertaining Broadway production, will be an exchange play with one or more of the other Teachers colleges.

Phi Sigma Epsilon

Members of Phi Sigma Epsilon fraternity will be hosts at a semi-formal All College Dancing Party to be held in the Training school gymnasium, on Friday evening, October 18. Dancing will begin at nine o'clock with music by Benny Graham's orchestra.

For many students this will be the first college formal dance. There will be an advance sale of tickets on Friday in front of the library, or they can be obtained from any active member.

Dorm Doin's

"Drowsy little dames"—all 115 odd of them,—were roused from their dreams in the "wee small hours" several times this week. The reason for the rudeness? Fire Prevention Week and fire drills were in full swing. It may be said that records were broken in that scramble to vacate the rooms in a minimum of minutes. It is a must to close all windows and transoms—and to turn on lights. Every girl is required to wear shoes and a coat—and to walk, not run!

Falling out for fire drill wasn't the only method used to get out of bed. Mrs. Feragen's daughter, "Pat", tried a "pas de seulle" on the wrong side of the bed one day. Result: a fracture of one of her lateral digits—small toe to you and me.

That same fateful day, Lorrie Fencelon, in her haste to go to breakfast, sprained her ankle descending the stairs.

Not to be outdone that week was Lenore Arnette, who had everyone seeing spots of a ghastly electric pink hue. Not make-up—medicine!

The dining-room walls echoed and re-echoed to the "visitor's song" last Friday, as they have in the past few years. An unexpected thrill, then, was to have Miss Bovée introduce Friday's guest as Dorothy Davids, former Dormite, who authored the verse to our welcome song.

Strains of "Happy Birthday to you....." were heard frequently this

second week of October. Phyllis Mykleby, Lorraine Leva, Altha Kromroy, Lois Carpenter and Esther Louise Matz were the "girls of the week", and on Sunday Mrs. Pfiffner, celebrating her birthday, was a dinner guest. The girls helped Earl Cotten, one of the boys doing the odd jobs for us, to celebrate his birthday last Monday by singing him into the dining room.

Miss Miriam Moser, new Women's Physical Education instructor at CSTC, has lately become a resident of Nelson Hall. We're really happy to have her as one of us.

Coffee keeps some girls' minds alert and able to study, but on third floor soup seems to be the stimulant. We've smelled Heinz 57 specialties during the past week. Still looking for the cooks though—(We'll take chicken noodle.....!)

Imagine not having seen your parents for two months, and then running upstairs one night after dinner, and having them magically here. Such was the good fortune of Doris Ockerlander when her parents stopped here on their return from a two months' tour of western United States.

That crew, the ones with the look of fiery enthusiasm in their eyes, and with purple crepe paper in one hand and a hammer in the other, are after us again.....we're working on our HOMECOMING float, you know. G'bye now.

ALMA MATER

"Hail! Stevens Point, the school supreme
Central College, thou art queen;
Hail! Alma Mater, thee we love,
For us thou art all other schools above."

M.D.B. Junior High Plans for 1946-47

The Mary D. Bradford Junior High school has planned an interesting program for the 1946-47 year.

One of the highlights of the social activities for 'this year was a mixer dance held in the Training school gymnasium on Friday, September 20, at 7:30 p.m. Dancing, singing, games and refreshments helped to make the evening a success.

On September 20, the Student Council and Junior Pointer officers for the first semester were elected. The president of the council is Rhody Marquard, vice-president, George Butler; secretary, Judy Clayton; treasurer, Greta Wisol.

Representatives from the eighth grade are Gwen Fischer and Terry Woodford. Representatives from the seventh grade are Shirley Morrissey and Carl Olsen. The Student Council will meet once a week to help plan the student activities for the year.

The editor of the M.D.B. Junior Pointer is Allan Summers and the business manager is James Van Wageningen. Reporters will be chosen in the near future.

Class officers were chosen as follows: President of the seventh grade, Robert Reed; vice-president, Robert Razner; secretary, Carol Crosby and treasurer, Roy Hall.

Class officers for the eighth grade are, Jerry Engbretson, president; Carl Gallon, vice-president; Carol House, secretary and Bill Manchek, treasurer.

To the Alumni and All Old Students

Homecoming time is here again! You are a year older, but if that bothers you, get your face lifted, and act as young as you were when you left us. Come back and renew old ties (send 'em to Normingtons. It's amazing what they can do to old ties). Above all, help the team send Whitewater to the cleaners. A good program has been prepared. Welcome homecomers! We'll be seeing you!

Message to Alumni from Dean Pfiffner

Dear "Alums":

Once again CSTC sets aside a week-end as a special time to welcome its former students. We are always glad to have you come back to visit us, and we are anxious to hear of your new experiences and interests. Too, we welcome the opportunity to introduce you to several new staff members and invite you to get acquainted with our new student body. Like all colleges in the country today, we are facing new problems and developing new procedures. We welcome suggestions from you in these new pursuits.

It is Open House at CSTC this week-end and we extend a welcoming hand to you!

Some Comments by Pointer Gridders

After the fine game Saturday against Milwaukee, the boys who wear the Purple and Gold were in a great mood. All the talk was about this week's Homecoming game with Whitewater, the crowd that we should have, and the spirit that is going to be aroused. One of the fellows said every student at CSTC should be at the game Saturday, letting Stevens Point know that everyone is there.....All the smiles you saw Monday morning amidst the bruises belonged to the football squad.....A couple of the team expressed wishes something like this:

Al Helmsinski: We might get "hot" again.

Dick Parsons: This is Homecoming, and a victory would be a swell contribution!

Boots Derezinski: I'm very undecided....See me after the game.

Eddie Blackman: I hope it's a repeat performance....Let's hope it's cool and we're "hot".

Pat Kubisiak: After Fire Prevention Week, we should really catch fire....

Well, that's what the fellows think. Let's all back that spirit with some of ours on Saturday. It just takes a little spark to kindle a flame, so let's see the blaze operate this weekend. IT'S HOMECOMING.

Workshop Schedule

The Radio Workshop of CSTC again brings its listeners "Our College Roundtable", today at 3:15 p.m. The program this week will be a direct continuation of last week's discussion, "Can There Be World Peace?"

On Friday, at the same time, "The Music Album" will follow through with melodies from the eastern part of the United States. Music will be from recordings by those famous American artists, Jerome Kern, Cole Porter and Irving Berlin.

For a "quarter-hour of charm", listen to "Our College" presented on Monday, October 21, at 3:15 p.m. Local talent will be featured on this week's program with Bob Westenberg at the piano and Elinore (Toni) Bowman as vocalist.

Tune in to WLBL on Tuesday at 3:15 o'clock for "Books and Authors", a weekly workshop presentation. Jean Walker, narrator, will give (See WORKSHOP, page 4)

STUDENT OPINION

Dear Students:

If you haven't as yet read Dean Steiner's Homecoming welcome, now would be a good time to do it. It supplies an added variety to the usual run of speeches. When the Dean was requested to write a speech of welcome, he declared that it was his intention to "write something different", and that is exactly what he did, and that is exactly what we need.

Our college is in dire need of variety, not to mention some of that good old school spirit. If the average small town high school can have a larger turn-out at a football game than we had Saturday, why can't CSTC?

Do you want me to tell you why? It's because a large portion of the student body "doesn't know the score" as far as various student activities are concerned. Either they care little about extra-curricular activities after the announcements have been read to them, or they are too lazy to get off their "duffs" and find out what's going on around them. Many of the students haven't yet broken the bobby-sox ties of high school.

Remember you are treated as adults now. This is your college! Forget good old Podunk High and remember—CSTC.

Pointers Whip Milwaukee, 12-6

Koehn, LaFleur Score for Locals in First Victory of Season

In one of the most thrilling tilts of the season, CSTC upset the Milwaukee Green Gulls 12-6 at Goerke Park on Saturday afternoon.

Overconfidence on the part of the heavier and more powerful Milwaukee peds, countered by the exceptionally aggressive play of the Bergmen, resulted in the downfall of the Green Gulls.

Southern Conference Standings

	W	L	Pct.	OPP	TP
Platteville	1	0	1.000	7	13
Oshkosh	1	0	1.000	13	27
CSTC	1	1	.500	33	25
Milwaukee	1	1	.500	12	13
Whitewater	0	2	.000	20	7

The Pointers as a whole played exceptional ball with LaFleur, Haidvogel, Koehn, Parsons and Derezinski turning in outstanding performances. Kratz, Fricke, Castagna, and Minnessale played good ball for Milwaukee.

Koehn Scores From 48 Yard Line

Al Helmski kicked off for CSTC, and the game got under way with Milwaukee and Point playing close ball. Point's first touchdown was set up when Koehn returned a punt from the Point 25 yard line to the 47. An offside penalty placed the ball on the Milwaukee 48 yard line from where Koehn took off on the next play for a 48 yard dash to tally Point's first score. Kubisiak's attempt for the extra point failed, and the quarter ended with Point ahead 6-0.

Coach Kluge sent in a fresh squad to open the second quarter and the Gulls began a march down the field. The drive was finally broken up by LaFleur who intercepted a Gull pass on the Point 15 yard line and ran it back to the Milwaukee 34. LaFleur then passed to Haidvogel, who advanced to the Milwaukee 13 yard line before being downed. The CSTC drive then exhausted itself, and the Gulls gained possession of the ball. The concluding minutes of the second quarter witnessed a sensational play which brought the fans to their feet en masse. Parsons completed a pass to Haidvogel, who, just as he

was being tackled, completed a questionable lateral to Helmski. Helmski roared through the interference, finally being brought down on the Milwaukee 10 yard line. The Pointers failed to score, however, and the half ended with Point ahead 6-0.

Gulls Score In Five Plays

The second half began with the Green Gulls staging a successful drive which gained them their only score of the game. After only four plays, Castagna passed to Minnessale who scored standing up. Fricke's attempt for conversion was wide and the score was tied at 6-6.

Point was placed in scoring position again, when LaFleur recovered a Milwaukee fumble on the Gull's 30 yard line. Parsons reeled off a 14 yard run to put the ball on the 16 yard line, but a Point penalty followed by an intercepted pass ended the Bergmen's scoring threat. Fricke punted out of bounds on his own 43 yard line, to give Point possession of the ball again. Parsons passed and Haidvogel, though he was covered by three of the Gulls, made a sensational catch to put the ball on the Milwaukee 15 yard line. Point again failed to score, and Milwaukee took over. Koehn received a Milwaukee punt on the 45 yard line, and ran it back to the Gulls 20 yard marker. The quarter ended with Point again in scoring position on the Milwaukee 18 yard line.

La Fleur Scores Winning Marker

The final period opened with Point giving up the ball to Milwaukee on downs. A penalty on Milwaukee placed the ball two yards from where Fricke kicked out of bounds on the 40. LaFleur completed a pass to Alfuth on the Milwaukee 18. Alfuth took the ball over for two yards, followed by Kulick who carried the ball to the one yard line. The play was called back, however, with Point receiving a five yard penalty. After Koehn carried the ball for four yards, LaFleur went through

The Cheery Note on Homecoming

With the help of its fine new group of cheer-leaders, CSTC is again learning how to "make the rafters ring." Several new cheers were introduced at the assembly on Thursday. In case you missed these cheers, the Pointer would like to help you learn them so that you, too, can cheer our team to victory.

The first cheer is the "Welcome Cheer" for the opponents.

Hello, Whitewater!

You here too?

Listen and we'll give a cheer for you!

Yeah, Whitewater!

* * *

"Boom! Chicka Boom Cheer!"

Boom-chicka-boom! Boom-chicka-boom!

Boom-chicka-ricka-chicka! Boom!

Boom! Boom!

Zis-boom-bah! Zis-boom-bah!

The Point! The Point! Rah! Rah!

Rah! Rah!

* * *

"The Whisper Cheer"

We're from Point, couldn't be

prouder,

If you can't hear us now, we'll shout

a little louder!

(repeat this three more times, growing

louder each time)

Two bits, four bits, six bits, a dollar,

All from Point stand up and holler,

Yeah, Point!

The other cheers, The Locomotive, The Sky-rocker, What's the Matter With the Team, and Fight Team, Fight, are old stand-bys. With these and the new cheers, Point should really be heard! Come on, gang, let's go!

The Fifth Quarter

Saturday's win was a splendid victory, but we hope it doesn't develop over-confidence on the part of the Pointers. Overconfidence has caused many a defeat. The Quakers are by no means a weak team, and the Pointers can expect some stiff opposition.

In the Titan school paper, The Oshkosh Advance, the victory over Point was headlined as follows: "Oshkosh Routs Point Eleven". We wonder what the headline will be this week: "Oshkosh Battles St. Norbert's to 39-0 Defeat."

It is rumored a former Packer end has turned green with envy. Could it be he saw last week's tilt in which Joe (Hutson) Haidvogel displayed the traits of a champion? We hope to see Joe pull a few more out of the clouds this Saturday.

Many familiar figures of the gridiron attend the local Bleacher Club meetings downtown. Some valuable information is given each week and football pictures are shown at each meeting. Any adult male interested in the games is welcome at each meeting.

The bitter cold last Saturday and the antics and cheers of the cheerleaders helped to keep the spirits of the crowd riding high. More cheers and cheerleaders are promised for next Saturday, so let's be out there backing them up.

It is rumored that the fair sex of our school plan to organize bowling teams. No doubt there will be some keen competition for the best "pin" average.

One of CSTC's former gridiron stars, Ted Fritsch, made headlines on Sunday as he led the Packers to their first win this season by scoring 17 of the Packer's 19 points. Ted, a four letter man, attended CSTC from 1938 to 1942.

Pin honors in the men's bowling league go to "Chuck" Larsen this week. "Chuck" turned in a high game of 210 and the high series of 548.

Faculty Keglers Top Bowling League By Two Full Games

You have to hand it to the faculty, folks. Their bowling team is at the top of the bowling league by two full games, much to the chagrin of their younger rivals.

Paced by Gilbert W. Faust and Edgar F. Pierson, the faculty swept three straight games from the Sad Sacks, although no game was won by a margin of more than 25 pins.

Swan's Dive knocked the Chi Delt's out of their first-place tie by defeating them in two out of three games. The frat boys, led by Chuck Larsen, had a higher three-game total, but couldn't come through with a victory until the third game of the evening. Swan's Dive moved into a tie for second as a result of their victory. Walt Zych and Cliff Robbins were the big factors in the Mosinee team's three-game rout of the Phi Sigs. Their victory enabled the Mosinee boys to move into the second place tie with Swan's Dive and the Chi Delt's. In the fourth series of the evening, Seagrams' Seven took two out of three games from the Moxon House aggregation. Bob Springer, (See BOWLING, page 4)

HOMECOMING, Continued
flux of alumni into Point and the good showing of the Bergmen in the Milwaukee tilt, a capacity crowd is expected to attend the game.

Following the game, Open House will be held at Nelson Hall, with refreshments being served by the Dorm girls.

To conclude the Homecoming festivities, an informal all-school dance, under the auspices of the "S" Club, will be held at P. J. Jacobs High school, commencing at 9 p.m.

This year's Homecoming is being sponsored by CSTC's Student Council. Charles E. Evans, former head of CSTC's biology department, and an outstanding organizer of past Homecoming celebrations, has been named Honorary Homecoming Chairman. Supervision of the Homecoming events is under the direction of General Chairman Ed. Przybylski, Pointer sports editor.

Notice to All Organizations

Various school organizations have asked the Administration to decide what school parties will carry a one o'clock privilege and what school parties must close at 12 o'clock. After due consideration, we have made the following decision:

Each social Greek organization will be entitled to one one o'clock privilege per year, the particular party to be designated by the organization. The two Pan-Hellenic dances will be one o'clock parties, and such all school parties as the Homecoming Dance, Junior Prom, Senior Ball, and the All-School Formal, sponsored by the social committee. However, there should not be two one o'clock parties on the same week-end. If such a situation arises, the Administration reserves the right to decide which party shall be a one o'clock party.

Dormites to Welcome Back Old Friends

Nelson Hall is fairly buzzing with activity these days. No matter what floor you happen to be on, you can hear thudding, squeaking and scraping, as rooms are being supplied with extra beds for those ever welcome Homecoming guests. Various groups of girls can be seen huddled together talking about Homecoming floats, and wondering if the Dorm will be fortunate enough to win the silver cup offered for the best float.

After the game Saturday afternoon, Nelson Hall will have open house. Committees are busy planning decorations and refreshments. If the weather is as cold last week, nothing would be better than a glass of hot cider and a few delicious doughnuts to warm the palate.

On Sunday noon, Nelson Hall will have its big Homecoming dinner. It will welcome back all of the old Dormites and friends, who will be here to help make this Homecoming bigger and better than ever.

WORKSHOP, Continued

As a fitting dramatic climax to the weekly programs, the Workshop will present a radio skit on Wednesday. Grant Thayer is general chairman in charge of all presentations.

The technical staff of the Radio Workshop has installed a loudspeaker in the auditorium to enable every member of the student body to hear the programs. The programs are well-worth hearing, so be sure to listen in at 3:15 p.m. daily.

125 Couples Attend Chi Delt Dance

A harvest moon, a shock of corn circled by a white picket fence, and additional corn shocks around the gym gave a fall touch to the informal dance held in the Training school gym on Saturday evening, October 5. This dance, sponsored by the Chi Delta Rho fraternity, was a revival of the traditional dance following an athletic event.

A newly organized college orchestra furnished the music for the 125 couples in attendance. Refreshments were served during the evening.

The Chi Delts plan to hold a Homecoming reunion Saturday evening in the recreation room of the south side Bowling Arcade.

Officers of the Chi Delta Rho fraternity are: Grant Thayer, president; Ed Przybylski, vice-president; Ed Kowalski, secretary; Steve Spedel, treasurer; Art Pejsa, sergeant at arms; and Bill Golonski, publicity manager.

Faculty advisers include Norman E. Knutzen, Raymond M. Rightsell, Harold M. Tolo and Gilbert W. Faust. Robert Burkman, a faculty member and former active, is handling alumni affairs.
