Gala Festivities to Mark First Postwar Alumni Celebration

CSTC's long awaited post-war reunion brought by its recent developments may be seen as the catalyst for many new activities.
Dear Students:
If you haven't yet read Dean Steiner's Homecoming welcome, now would be a good time to do so. The article supplies an added variety to the usual run of happenings and events. If you requested to write a speech of some sort, you declared that it was your intention to "soar, be yourself, and spread "feather," and that is exactly what you did.

Our college is in dire need of a good old spirit song. If the average student could write a good old school old song, then we could have a larger turn-out at a football game than we had Saturday, why can't CSTC?

Do you want me to tell you why it's good to be a student body? I don't know the score, but as various student activities are concerned, I'd say the term lacks a little about extra-curricular activities after the first week in October. If you read to them, or they are too lazy to get ready for them, then find out what's going on around them. Many of the students haven't yet broken the hobby-box ties of high school life.

Remember you are treated as adults now. This is your college. Forget old good Hudnik and remember—CSTC.

To the Alumni and All Old Students
Homecoming time is here again! You are a year older, but that doesn't mean you act as young as you were when you were a student at CSTC. And the old ties (send 'em to Normingtons) is amusing what you can do to old friends, and good friend Whitewater to the cleaners. A good year's work has been done, we'll see you homecoming! We'll be seeing you soon.

Message to Alumni from Dean Pfliffer
Dear "Alums":
In preparation for this fall's Homecoming, CSTC sets aside a week-end as a special time to welcome its former students. We are always glad to have our alums return to visit us, and we are anxious to hear the news of their doings. Well, how are we coming along on our floats for Homecoming? There's still a little work to do before we can say we're ready. We're still hoping for a miracle. Any help we get will certainly make us feel better. So let's get down to business and make our float the best ever.

Koehn, LaFleur Score for Locals in First Victory of Season

In one of the most thrilling tilts of the season, CSTC upset the Milwaukee Green Gulls 12-6 at Goerke Park on Saturday afternoon.

Overconfidence on the part of the heavier and more powerful Milwaukee backs, countered by the exceptionally aggressive play of the Bergmen, resulted in the downfall of the Green Gulls.

The Pointers as a whole played an exceptional ball with LaFleur, Koehn, Parsons and Derenzi turning in outstanding performances. Kratz, Fricke, Castagna and Miniscalco played good ball for Milwaukee.

Koehn Scores From 48 Yard Line

At-Heimskini kicked off for CSTC, and the game got under way with Milwaukee and Point playing close ball. Point's first touchdown was set up when Koehn returned a punt from the Point 25 yard line to the 47. An official penalty placed the ball on the Milwaukee 48 yard line from where Koehn took off on the 48 yard dash to tally Point's first score. Kubik's attempt for the extra point failed, and the quarter ended with Point ahead 6-0.

Coach Kluge sent in a fresh squad to open the second quarter and the Gulls began a march down the field. After only four plays, Castagna passed to Miniscalco who covered the last yard to the goal line. The Pointers failed to score, however, and the half ended with Point ahead 6-0.

Gulls Score In Five Plays

The second half began with the Green Gulls staging a successful drive which gained them their only score of the game. After only four plays, Castagna passed to Miniscalco who scored standing up. Fricke's attempt for conversion was wide and the score was tied at 6-6.

Point was placed in scoring position again, when La Fleur recovered a Milwaukee fumble on the Gulf's 30 yard line. Parsons reeled off a 14 yard run to put the ball on the 16 yard line, but a Point penalty followed by an interpolated pass ended the Bergmen's scoring threat. Fricke pointed out of bounds on his own 43 yard line, to give Point possession of the ball again. Parsons passed and Haidvogel, though he was covered by three of the Gulls, made a sensational catch at the Miller's 15 yard line. Point again failed to score, and Milwaukee took over. Koehn received a Milwaukee punt on the 45 yard line, and ran it back to the Gulls 20 yard marker. The quarter ended with Point again in possession of the ball on the Milwaukee 18 yard line.

La Fleur Scores Winning Marker

The final period opened with Point in possession of the ball and Koehn tackled Miller on downs. A penalty on Milwaukee placed the ball two yards from where Fricke kicked out of bounds on the 40. La Fleur completed a pass to Math. On the initial attempt Althoff took the ball over for two yards, followed by Kulick who carried the ball to the one yard line. The play was stopped however, with Point receiving a five yard penalty. After Koehn carried the ball for four yards, La Fleur went through.

The Cheery Note on Homecoming

With the help of its fine new group of cheer-leaders, CSTC is again learning how to "make the rafters ring." Several new cheers were introduced at the assembly on Thursday. In case you missed these, the Pointers would like to help you learn them so that you too, can cheer our team to victory.

The first cheer is the "Welcome Cheer" for the opponents.

Hello, Whitewater!

You here too?

Listen and we'll give a cheer for you!

Yeah, Whitewater!

"Boom! Chicka Boom Cheer!"

Boom-chicka boom! Boom-chicka-boom! Boom-chicka-ricka-chicks! Boom! Boom! Boom! Zim-zoom-bah! Zim-zoom-bah! The Point! The Point! Rah! Rah! Rah!

"The Whisbee Cheer"

We're from Point, couldn't be prouder.

If you can't hear us now, we'll shout a little louder!

(repeat this three more times, growing louder each time)

You're in the loud, we're in the loud,

red, white and blue, and we're in the loud.

You're in the loud, we're in the loud,

red, white and blue, and we're in the loud.

The other cheers, The Locomotive, The Sky-rocker, What's the Matter With Em Team, and Fight Team, Fight, are old stand-bys. With these and the new cheers, Point should really be heard! Come on, gang, let's go!

Welcome, Alumni!

Welcome, Alumni to open the fall term.

The Sky-rocket, What's the Matter With Em Team, and Gift Shop are promised for the opening meetings.

The bitter cold last Saturday and the pitiless cheers of the cheer-leaders helped to keep the sprits of the crowds high. Many fans have missed the early starts and cheerleaders are promised for next Saturday, so let's be out there packing the stands.

It is rumored that the fair sex of our school plan to organize bowling teams. No doubt there will be keen competition for the best "pin" thrower.

One of CSTC's former gridiron stars, Ted Fritsch, made headlines on Sunday as he led the Packers to their first win this season by scoring 17 of the Packer's 19 points. Ted, a four letter man, attended CSTC from 1938 to 1942.

Pin honors in the men's bowling league go to "Chuck" Larsen this week. "Chuck" turned in a high game of 210 and the high series of 418.

Dormitories Welcoming Old Friends

Nelson Hall is fairly buzzing with activity these days. No matter what floor you happen to be on, you can hear thudding, squeezing and scraping, as rooms are being supplied with extra beds for those few ever welcome Homecoming guests. Various groups of girls can be seen huddled together talking about Homecoming floats, and wondering if the Dorm will be fortunate enough to win the silver cup offered for the best float.

On Sunday night, Nelson Hall will have its Big Dinner Homecoming. It will welcome back all of the Dormites and friends, who will be here in force to help make this Homecoming bigger and better than ever.
