Alpha Kappa Lambda Makes Social Debut with Dinner, Ball and Show

Alpha Kappa Lambda, known as the Association of Conservation majors and organic chemists, had its first social event since the club organized last year. The occasion will be in the form of a venison steak dinner to be held at Nelson Hotel and a Sportsmen's Ball and Floor show at the Training School gym on Thursday, December 11, for members and their guests.

The speaker for the evening will be Norbert Schmeeckle, who contributed great interest and enthusiasm in forming the Conservation major at this college. His talk on the conservation of our natural resources will be fitting. At the following evening will be sportsmen's clothes.

Dinner Program
The program for the venison steak dinner at Nelson Hotel will consist of the introduction of the Conservation Hymn by Joe Moravec at the piano and the Fireman's Band. The program will consist of (the entire program written and composed for Alpha Kappa Lambda.) 1) The Fireman's Band - men of unquenchable fire and great music, well known at the town's best singing, will sing their theme song, "The Fireman's Band," and "White Christmas," their first public appearance. 2) The Firemen's Band - selections, for which the Firemen's Band has been famous for many years. 3) The Firemen's Band - selections, formerly with the faculty but now retired. Mr. Watson contributed great interest and enthusiasm in forming the Conservation major at this college. His talk on the conservation of our natural resources will be fitting. Here's The Lineup---

The general enrollment report of the Wisconsin State Teachers colleges as prepared by CTC contains statistics of interest and striking importance. These figures look very well, but many are interested in knowing what the future holds for us. The figures will be considered in detail.

Enrollment Statistics

Dr. Arthur S. Lynes, registra, recently submitted the following information regarding the enrollment for the various counties in Wisconsin.

At this time last year 65% of the students were from outside CTC. Now this percentage has declined slightly to approximately 60% now has students from 57 of the 71 counties of Wisconsin. As would be expected, Portage county has the highest percentage of students, but changes made over the past year have brought the number of students in that county down from a high of 75.0% to 67.5%. The county with the highest percentage of students is Milwaukee, with 72.5%. The county with the lowest percentage of students is Sauk County, with 15.0%. The average percentage of students from outside Wisconsin is 57.5%. Seventy-six percent of the students are living in dormitories, and 34% are living in off-campus housing.

Eight Schools Compete in One-Act Play Contest

The Inter-District One-Act Play Contest was held in the college auditorium on Friday evening. Eight high schools were represented by a variety of plays.

The following A rating for high-quality performances and the B rating for lower-quality performances were awarded:

"Wonder Hat" - La Crosse High School

"Whispers" - Chippewa Falls

"The B" ratings were given to:

"Neighborhood" - Wisconsin Rapids High School

"B" - Luxemburg, "Blue Tempest" - Scandinavia, "The Importance of Being Earnest" - Cudahy, "Any Place at All" - La Crosse High School

Ron A. Fawcett, of the La Crosse High School, was Miss Ouisant of the speech department at Kaukauna High School.

The schools that received "A" ratings were:

Dr. Gotham Attends Placement Meeting

During the holidays Dr. Raymond E. Gotham attended the conference of the National Educational Foundation Foundation's Training Association held in the conference room of the Edgewater Beach Hotel in Chicago on December 28 and 29. Dr. Gotham is associated with all of the placement officers of the teacher training colleges of the country.

The main problem discussed was that the present teacher shortage and the tendency of students to continue their education could be corrected. Evidence was presented that in the past few years a great number of students, who might have become teachers if they had pursued a teaching profession, were attracted by the lure of the university and the establishment of a high-grade industrial system. The present-day focus on better working conditions for teachers will undoubtedly balance this factor.

Dr. Gotham was interested in the fact that the desire on the part of the people in this area to have a good education was indicated by those students who are interested in the teaching profession and by the other attractions of the profession.

COMMENTS

After a normal month of preparation and two full dress rehearsals, the first appearance of the new Ju

ly show was on Sunday, November 13, 1937. Some shows were open-ended in an attempt to create a variety of casts that appeal to different age groups and that can be performed at different times.

The total number of enrolled students was over six thousand, and this was more than twice the average of the previous year. The total number of freshmen was about two thousand, and this was about the same as the previous year.

The total number of students enrolled in the various colleges was 7932. Of these 51% were freshmen, 27% were sophomores, 19% were juniors, and only 3% were seniors. These statistics show how few people are working on their college degrees.

The key to the success of the college is the teaching profession. The college has to present more than just the traditional courses, and the teaching profession has to make people aware of the importance of higher education.

It was a Fight But Athens Won

Daisy Mae finally caught her man. It was a fight to the finish, but Little Abner proved himself a most willing partner. As the duel between Sadie Hawkins Dance was held in the Training Hall on Friday evening, November 21.

The Training school gym was transformed into a "Little Abner" Patch. Bales of straw provided the rustic set, and the "chase" was full of action. Also present was "Pappy's Woodshed" where Mammy issued numerous blessings that seemed to be received with "Pappy's" approval. A "Bachelors' Bottleneck" and "Bridef' Cliffs" where bachelors sang of their "cruel fate". Many duels were staged, and there was a falcon in the balcony in spite of the surrounding danger. Notorious characters such as Samson and Margot were present in the form of "Bachelors' Bottleneck" and "Bridef' Cliffs".

Daisy Mae and Little Abner were definitely the couple of the evening, however, and the final out in the "chase" brought a roar from the audience.

The Teaching Profession

"Neighb ors" - Waukesha; "The Placem ent Meeting" - Luxemburg; "Dr. Gotham Attends Placement Meeting" - Chicago; "Placement Association Meeting" - Milwaukee; "Chrysanthemums" - Evanston.

CSTC Tips Rhinelander Twice

As Locals Show Strong Team

The CSTC Pointers completely dominated the play in their second game against the Rhinelander Legionnaires Monday night, at P. J. Jacobs High school gym, as they rolled to a 52-40 win, their second consecutive over the local team.

Some very fine ball handling on the part of the two teams along with very good rebound work kept the local team ahead throughout the contest.

The big scoring guns of the first game between the two teams, Tom Curry and Joe Haidvogel, were covered well, but sharp shooting on the part of the rest of the team rolled up the score for the CSTC boys.

The Central States jumped into an early lead and led 28-16 at half time. They held this lead through the second half, matching the Legionnaires point for point.

The Central State Band, under the direction of Peter J. Michelsen, provided music for the fans to go. It was then that the good basketball team ahead throughout the game, as four of them arehandled by the local team. It was then that the good basketball team came through with his clutch of three points to take over the game.

HaleQuandtTakesOver AsHeadCoachatCSTC

Hale F. Quandt is basketball coach at CSTC, will take over the reins of head football coach next year, succeeding present head mentor, George R. Berg, who will devote his time to the physical education department and in building up the intra-mural program.

Berg came to CSTC in 1942 and has served both as athletic director and physical education director since that time.

A former Wauwatns High school athlete, Quandt came to CSTC at the beginning of this year after spending four years at Tomah, where he came up with some very good basketball and football teams.

Attention Veterans

Student-veterans who drop out of schools and colleges before completing their course were cautioned today by the Veterans Administration that they will have to comply with more strict requirements to get a VA certificate to reenter training under the G-I Bill.

VA explained that veterans must have a supplemental certificate of eligibility when they change from one school or training establishment to another.

Those who, in the opinion of the institution, interrupt his training at a time other than at the end of a term, semester or training period, will not be issued such a certificate until he establishes satisfactory evidence that:

(a) His interruption resulted from good cause, i.e., illness, economic conditions, or other circumstances beyond his control.

(b) The institution or establishment in which he is training is willing to reaccept him as a student or trainee.

The All-Conference selections were made by the coaches of the conference at a recent meeting held at Minneapolis.

It was also decided at the meeting that the conference would operate as one and not as two separate divisions as it has in the past. Each team will play the teams in its own half and two from the opposite division.

The championship will be decided by a playoff. The complete All-Conference Team will end as follows: E-Don LeBlanc, Milwaukee; Joe Haidvogel, Stevens Point; tackle--Delbert Thompson, Oshkosh; Mike Coyne, Platteville; Don Hagie, Milwaukee; John Eulberg, Whitewater; guards--Tony Mustal, Milwaukee; Tom Maugan, Platteville; centers--Paul Oshkod; Gilbert Symmerski, Milwaukee; quarterbacks--Dick Wainwright, Platteville; Dick Parsons, Stevens Point; halfbacks--Arden Lucas, Stevens Point; fullbacks--Jim Koehn, Stevens Point; fullback--Wally Fricke, Milwaukee.

Thincdins Travel for Weekend Games

The CSTC basketball team will get their first start of inter-collegiate basketball this weekend, when they travel to Stout on Friday, December 5, and to Eau Claire State Teachers college on Saturday, December 6.

The local team looked very impressive in their games with the Rhinelander Legionnaires, but they still have not been up against college competition as yet.

Big Joe Haidvogel, honorary captain of last year’s squad, and little Tom Curry, Freshman sensation from Tomah, have provided the big scoring punch for the Quandtmen thus far in the campaign. In the first game at Rhinelander they teams up for 35 points between them.

Stout and Eau Claire are of unknown quality this year, but both are expected to be pretty tough.

NOTICE

All sessions are intended to turn in their information sheets which are to be used for the preparation of certificates. School officials are writing in, asking for credentials at the present time. The necessary picture for credentials should be included.

Omega Mu Chi

A cheery fire and candle-glow from 11 tables of "Court Whist" softly accented the Nelson Hall rec room as Omega Mu Chi sorely entertained Taum Gamma Beta sorority on Tuesday evening, December 2. Prizes were awarded for the "Court Whist" wizards.

A little snowman flanked by lighted tapers and pine-boughs decorated the table from which refreshments were served. There snowman beckoned guests in the initiations sent out by the sorority.

Committees for the party were: Decoration, Wanda Counsell, chairman; Mary Ellen Gmeiner; invitations, Margaret Hull, chairman, Marilyn Bobbe, Mary Jane Rankin; entertainment, Margaret Roberts, chairman; Virginia Hansen, Marie Guth, Mary Ellen Gmeiner; refreshments, Pat Jones, chairman, Janet Dupre, Jean Fumel and Gerry Roberts.
