Roses To Mr. Knutzen
At Wausau Convention
There was "roses to you" when Notre Dame athletic director at press dinner to preside as chairman of the Central Wisconsin Teachers’ Association at Wausau last Friday.

On behalf of the CSTC faculty, Mrs. Knutzen presented a beautiful bouquet of roses, the bouquet remaining on the stage as part of the general decorations during the meeting.

A large number of teachers from this district, many of them CSTC alumni, attended the meeting in the morning and the sectional meeting in the afternoon. Through the efforts of Miss May Boice, chairman of the faculty alumni committee, programs listing the Homecoming activities are available for CSTC alumni attending the convention.

Business Office Adds
Stenographic Assistant
Mrs. Eileen Glinksi, formerly of Homestead, is the new steno.
graphic assistant in the CSTC business office. In addition to general clerical work, she has charge of the files of veteran and V-3 students. On the main office, Mrs. Glinksi was employed by the Veterans’ Administra-
tion here in Scranton and at Wausau. In the V.A. she charged of the education and training section.

To Err Is Human

In the list of CSTC freshmen winners announced in last week’s Pointer, Anne Hegg’s name was inadvertently omitted. She was the recipient of an A scholarship, given to her last June as one of the highest ranking students in her class at P. J. Jacobs high School, Stevens Point.

Plan Utility Building
For Trailer Occupants
President William C. Harman an- nounced recently that the need for a utility building in the trailer park-
ning area of the college has been con-
formed in their families living in the “trailer city” of the college campus. The con-
struction on such a structure will be-
gin as soon as a suitable bid has been received.

The plans for the 12420 foot square building are now under con-
struction. The building will be located south of the tennis courts on North Preston street.

The funds for the construction will come from the school’s post-
war building fund. Cost of the structure will not exceed $6,000.

The trip home was made eventful by numerous stops at National Parks and other places of natural beauty. Among those visited by the Reppens during their tour was Rocky Mountain National Park, the Hoover Dam in Boulder City, Nevada, Zion National Park in Utah, in southern Utah, down to the rim of the Grand Canyon. They also visited the State of Nevada, at Reno, and there to Colorado’s capital city, Sacramento.

The dinner, for members only, was held at the Grand Ballroom from 9 to 12:45 o’clock with music by Claude Duce and his orchestra of Green Bay.

A soft drink concession will be operated at the fraternities.

Students may purchase tickets at an advance ticket sale in the corridor on the second floor of the college today and Friday.

Regional Supervisors
Meet Here October 30
The annual Regional Supervisors’ conference will be held at CSTC on October 30. All CSTC supervisors, and principals, and county supervisors, and principals, and normal principals will meet to discuss general administrative and educational programs. Dr. R. E. Gotham, director of the Training School, will act as chairman of the conference, which was called by the State Department of Education. Dr. E. G. Hafstad and C. A. Hafstad will represent the State Department at the meeting.

All college faculty members and all seniors who are interested in ad-
ministrative or supervisory programs are welcome to attend the con-
ference during their free periods.

Western Charm Lures Summer Vacationers

The weather this season seems to have been the most popular vacation route for CSTC’s faculty this summer. Dr. and Mrs. Nels O. Reppen were among those who drove to “sunny Califor-
nia,” where Dr. Reppen attended the International Convention of Lions clubs in San Francisco. Although they left Stevens Point on July 17 and returned August 10, they found time for sightseeing trips. Although they took up their usual summer residence in Hot Springs, Arkansas, they spent a day or “soul Lake City, where they heard on organ concert in the Mormon Tabernacle, Dr. Reppen al-
so attended the International Convention.

Where There's Smoke... 

The American people have a habit of living from day to day, taking tomorrow's problems as they come. Perhaps this is one reason why so many of them are interested in Fire Prevention Week. In our modern, fast moving age, it seems to be the only thing to do as we trust to tomorrow to protect us.

However, due to this tendency, some far-seeing Americans saw that it was necessary to bring certain things to the attention of the country's population. Some of these things are of great importance and serve as warnings of possible catastrophes.

We are reminded of fires which made history by destroying crops, etc. And we are also reminded that fire is a natural force which has been with us throughout the ages.

Therefore, it is up to us to come down to earth, temporarily at least, and take the matter seriously. Perhaps of Fire Prevention Week serves only to remind us to put out that cigarette before we leave, for it will have several minutes later.

We are reminded of a faculty member who, in the midst of correcting themes on Fire Prevention Week, took time to put up some oil-cleaning rags. She became so angry at the attention they had been paid to them, sometimes merely calling to mind some others needed.

No doubt you will have experienced a fire drill or two by this time. We hope you followed the directions posted in each classroom—and we hope you followed them. So let's comply with fire prevention regulations. That's where they are, see.

Organisations! How about sponsored sports and fancy pulchritude? Close runners-up will act as a court of honor at the festivities.

STUDENT ORGANIZATIONS

Home Ec Club

Seventeen girls were formally initiated into the Home Economics Club during the regular meeting last Monday evening in the cafeteria. The initiation light ceremony held last Monday evening in the cafeteria included the presentation of ice cream and cookies served by the refreshment committee composed of Gladys Soetebier, Don Hoek, May Ross, and Miss Mary Ross. Miss May Ross, Ruth Stienbrin and Quarterly Doudna, faculty attendants, present at the meeting.

Primary Council

Martha Stock was chosen president of the Primary Council at a meeting Monday evening presided over by Central San Colman, director of the Jr. Division. Loraine Leuela was made vice-president of the Primary Council and is a member of the Board of Directors.

After introducing each member, Miss Colman gave a brief view of a Primary girl's objective in college:

"The Council decided to have a re- freashers at the "Come as you are" dance for the Homecoming weekend.

"The Miss Colon served ice cream to the group after the meeting was adjourned.

Student Council

Miss Lois Morgan, President, Henry McTrusty, Montello, Leonard Ringstad, Wittenberg and John Weant are the Student Council freshmen representatives elected to represent them.

Other members of the council were elected last spring.

Cheer Leading Club

To enlist cooperation and more enthusiasm for the Homecoming celebration, the chief aim of a newly organized group—Cheer Leading Club of STC, consisting of 12 members and Miss Miriam Master, faculty adviser, is made up.

"Plans were chosen by faculty ad-

visers at an elimination contest held recently in the Student Lounge. Those chosen demonstrated their abilities along the cheering, and one team was named as champion.

At a recent meeting, the cheer-leading club, which is to be given a reward for the cheers of their officers. Those elected were: President Harry Black; prince-vice-president, Jane Steckel; secretary, Barbara Wells; treasurer, Mary Jean Hack.

Other members of the group are: Dolores Johnson, Sue Wensley, Marian Stegan, Daisha Goertz, Glenn Schlic, John "Punch" Malling, Carol Wilson, and Sister Benita, an adult.

The cheerleaders thus far have been very busy printing lists of cheers which were handed out at the last meeting. The student body seems very low, as criers with eyes only blinking in the boys a send-off for the Superior cried.

The cheerleaders hope to be present at town's gateway.

Point Clips Oshkosh 13-7
To Take Conference Opener

The Central State football team caught up their first conference win of the season Saturday afternoon, when they tipped Oshkosh State Teachers, 13-7, in a game played at Goerke Park, here in Stevens Point.

After both teams failed to cross the goal line in the first half, the local eleven pulled across two tails in the second half to sew up the game.

Reserves Allow Only Score

The Pointers held the Oshkosh Peds scoreless until late in the game, when with the Point reserves in, Lukker chalked a pass from the three yard line to Winters in the end zone.

Lukker kicked for the extra point, but it went for naught as the gun sounded soon after, ending the game in Point’s favor.

The first touchdown for the CSTC team came in the second half, on the 10 yard line, Joe Haidvoigl, had recovered a fumble on the Oshkosh 10 yard line. Parsons checked a 12 yard aerial to Hanke in the end zone for the first score. Kulick’s extra point kicked the extra point.

Fumble Costly

The second score came midway in the final stanza. After CSTC led 7-0, Joe Hanke, had recovered another fumble on the Oshkosh 10 yard line, Derezinski charged the Oshkosh four yard line, Ken Kulick’s place kicked the extra point.

The Continental Clothing team increased their lead in the College Bowling league when they swept three games from the Brunswick team to remain the only undefeated team in the league.

Second Place Tie

The Phi Sigs dropped two games out of three to the Lyric Theater to drop into a tie for second place with Hannon Bach, who took two out of three from the Faculty. It was also the first win of the season for the Faculty.

In the other game, the Grover Naota team dropped the Chi Dels down in the standings when they took three games from the fraternity team.

Team Honors

The Hannon Bach five captured team in last week’s play as they rolled the high game of 885 and also the high series of 2509. Other high series for teams were 2338 by the Continental Clothing and 2318 by the Phi Sigs. High team games were an 814 by the Lyric Theater team and an 804 by the Phi Sigs.

Zych rolled the high series of the evening as he topped the maples for a 573 three game series. Other 500 or better series were rolled by Ves- taker, 547; Minton, 540; Silva, 518; Grover, 503; Minton rolled the high game of the night with a 223 game to his credit. Other college bowlers to hit above the 190 mark were Zych, 204; Robbins, 203; Silva, 192.

The Wisconsin duck hunting sea- son for 1947 opened Tuesday noon, and will be in effect until November 25th. Good and bad conditions prev- al as far as this year’s hunting is concerned. Success in bagging the daily limit of four ducks will de- pend upon the hunting locale and the weather conditions.

Here’s Your Chance

The free and good-looking duck hunting licenses can be obtained free at any place where hunting licenses are sold.

The play of the Bergmen showed a marked improvement in last week’s game and they are fast developing into the powerhouse team they were expected to be. With Koehn, Kulick, Parsons and Curry making up as fine a quartet of backs as there is in the conference, the Pointers have a veritable aerial and ground attack.

The line, studded with stars of last weeks, played for ball against Oshkosh, and in this it plays well against the Yellowjackets, the game should really turn into a contest.

Many Lettermen Back

Superior also boasts a strong outfit with lettermen manning nearly every position on the squad. Their quartet of backs also pack a lot of speed and quickness, and also as a fine overhead game.

With the exception of the line and the fine backfield, the Yellowjackets are going to be a hard aggregation to beat, especially on their home field.

The next foe for Coach Gates’ CSTC team will be the Su-
pe rior State Yellowjackets, in a game scheduled for Saturday at Su-
pe rior. This will be another non-
conference game.

The Pointers, after tasting vic-
tory for the first time this season against Oshkosh last Saturday, will be out for win number two this week’s encounter.

The Forum

Raymond M. Rightell, director of the Second Infection, presided over the Forum meeting held in the auditorium on Monday evening, October 6.

The primary purpose of the meeting was to elect the 1947-48 officers of the Forum. In a fast moving election, James C. Hulse, Jr., a second-year student, was chosen as officers of the Forum for the year: Carl Strasburg, president; James Stoltenburg, vice-president and Helen Weishort, secretary-treasurer.

Before the election was held, Mr. Rightell reminded the members of the Second Infection of the importance of reading the college catalog carefully and of planning their programs so they can graduate at the proper time.

His opening plans for the Forum are to be handled by committees to be chosen in the near future.

LSA

The Lutheran student association’s annual fall get-together picnic was held at Boksted Park on September 18. A softball game and an early evening supper, served by Marge Hales and Miss Mason, were features of the affair.

It was the privilege of the group to have a special guest speaker, Robert Tordorson, a former CFCST student, and a student at the University of Wisconsin. He told of his travels while attending the Student’s Christian Federation, as a United States delegate. Meetings were held in Oxford and Des Moines.

“Bob” also told about the Lutheran Atram which was held this year in California.

A collection was taken for the Lutheran Orphanage.

Tau Gamma Beta

A tea was given to the new freshmen by the new and returning seniors. The lovely tea given by Miss Bertha Dietz. Her committee were as follows: Refereements Committee, Mrs. Carz Vetter, Miss Helen Meston and Mrs. Mildred Williams, faculty advisors; James C. Hulse, Jr., a second-year student; Mrs. C. C. Hausen, Mrs. Frank N. Spindler, Mrs. George R. Berg and Mrs. Robert S. Smith, seniors.

General chairman for the tea was Betty Dietz. Her committee were as follows: refreshments, Lula Ramay, chairman, Patricia Lavers, Pa Thumakis, Frances Joiner, Missy Sieberley, Betty Kathryn Crawford, Janet Thatcher; invitations, Darlene Morren; chair, Claire Mary Due and Frances Hoffman.

Sigma Tau Delta

The first meeting of Sigma Tau Delta, the honorary English fraternity, was held Wednesday, October 1, in the Student Lounge. Stella Stelmannske, president, announced the names of English majors who are eligible for membership in the fraternity.

The executive committee announced that meetings will be held on the fourth Wednesday of each month at 7:30 p.m.

The following committees were elected for the year: Membership, Mrs. Carz Vetter, Mrs. Carl Hubbell, chairman, and Esther Davidson; Scholarship, Miss E. N. Knecht, chairman, and M. Benzough, Norman E. Knecht, Missy Sieberley, Missy D. Colman, Nels B. Kampenga, Missy Sibley Mason, and Joan Bertha Dietz.

Discussion was held on whether the group should publish a "Flight," a short magazine of student prose and verse. The group volunteered to inquire at the Worrasla Publishing company about the probable expenses of publication.

Leland M. Burroughs, faculty advisor, spoke to the group on several national and state literary associations and the Executive Committee, Mrs. Elizabeth Pinfield, dean of women; Miss Helen Meaton and Mrs. Mildred Williams, faculty advisors.

The Woman’s Athletic association is sponsoring a "Fun Night" for non- members who were interested — or might become interested — in the organization. More than 30 girls enjoyed the tea table and food, in the college recreation room, and several girls renewed old friendships and their intentions to be there again.

Due to the fact that the fellows will be using the athletic field, the WAA must start the year with indoor sports. However, this has not dampened the enthusiasm. The members are starting with volleyball, and will proceed with basketball, badminton and individual sports, and wind up in the spring with soft-ball, tennis, hiking, and anything else the girls are interested in.

A big feature of the fall program is the social dancing lessons which started September 23. Thirty-six people were there for the first lesson, and a few more joined last Tuesday, which was the last opportunity.

Freshmen Girls Hear Dean Give Good Grooming Talk

Attention given to personal grooming and the interesting discussion on good grooming given by Elizabeth Pinfield, Tuesday evening, September 30. This was one in a series of freshmen lectures to be given this semester.

Principles involved in good grooming were discussed. The students were the main points in the Dean's talk. The students were given an opportunity to see a model tea table, and to get a "Formula Tea".

Miss Pinfield directed the group to remember that the students were the main point in the Dean’s talk. The students were given an opportunity to see a model tea table, and to get a "Formula Tea".

On the whole, the group seemed interested. A few days later and the students were given a "Formula Tea".
