College Theater Will Present “Life with Father” Next Month

The play “Life with Father” will be presented Wednesday and Thursday, November 17 and 18, as the first College Theater production of the current season. There are 16 roles in the cast and these may be filled by students in all four years of college at this time.

Tryouts will be held in Room 212 from 5:30 to 6:30 on Friday of next week for those interested in joining the cast. Those interested in the technical side of play production are asked to see James R. Hicks, Dr. Bernard F. Wierle or Ray Barklo, student manager.

Clarence Day’s “Life with Father” presents the story of a district attorney and his wife, Estelle, to take part. I S. Van Duren, Merrill; H. Raymond E. Specht, at Merrill; Dr. Quincy Doudna, Dean of Knutzen, at Friendship; Geography, History 114, Mrs. Elizabeth Pfiffner, at Waupaca; History 112, Dr. Harold M. Teo, at Wauussia; Education 219, William B. Knox, and Education 227, Dr. Raymond E. Gathman, both at Medford; Education 226, Dr. Neil O. Reppen, History 208, Dean Herbert R. Stinner, and Conservation 107, Fred J. Schmeckle, all at Antigo.

Student Directory to Be Printed This Semester

Instead of being mimeographed as it has been in former years, the student directory will be printed by a commercial printing house this semester. Because of this there will be a slight delay in the appearance of the directory.

Students who are commuting to school will have their home town listed but not the complete address.

The main office should be notified in case of a recent change of address.

Class Elections to Be Held in October

The election of Freshman, Sophomore, Junior and Senior class officers will be held Tuesday, October 12. Officers to be elected by each class are: President, vice-president, secretary and treasurer. All candidates for these offices must circulate petitions to be signed and returned to the main office on Friday, October 8.

In order to be valid, each petition must be signed by at least 25 students of four or one-fourth of the enrollment of the class, depending on which is the smaller number. No student may sign more than four petitions. Students who do not take part should not miss this opportunity to learn. Inquire at the main office now for particulars.

Small Enrollment Hulls Typing Class

Up to this time, only two students have enrolled for instruction in a proposed typing class. Unless more students come forward, the course will not be held. The enrollment fee is 75c. a semester and one is assigned to this subject by the P. J. Jacobs high school faculty.

Students who plan to teach but do not believe it is wise to type should not miss this opportunity to learn. Inquire at the main office now for particulars.

All Students Required to Pay Federal Tax on Activity Tickets

To implement federal tax collection on all taxable admissions the following plan has been approved by the college athletic committee. All students who plan to attend any admission event this semester covered by the activity ticket must pay the federal tax on that portion allocated to federal tax. The amount to 50c on each ticket. It may be paid in Room 333 on Wednesday, Thursday or Friday. The activity ticket will be stamped “Tax Paid,” otherwise it becomes due and payable upon first presentation of the ticket for admission. Payment prior to the event will facilitate non-admittance and save time for others as well. It may be paid in Room 333, Wednesday, Thursday or Friday of this week. It will be at the following hours:

September 15-19: 8:00-11:00-12:00 or 3:00-4:00
October 1-5: 8:00-11:00-12:00 or 3:00-4:00
October 2: 2:00-3:00-4:00
October 3: 2:00-3:00-4:00

Activity tickets will be honored at all athletic contests for this semester. However, the athletic council has set up several regulations which should be followed in using them. Activity tickets must be shown at the gate each time they are to be used. No one will be admitted without charge unless he presents a ticket properly signed in ink. Tickets are non-transferable.

It is requested by the athletic board that the tax on the tickets be taken care of in advance if all people will do so. This will avoid confusion and needless wait at the gate when attending the game. After paying the tax the tickets will be stamped accordingly. Those who do not pay their tax in advance will have to go to the Armory gate to pay the tax and be admitted to the game.

Students who are widows or widowers of students at the college will be admitted at student rates. The following is a list of the football games:

September 15-19: 8:00-11:00-12:00 or 3:00-4:00
October 1-5: 8:00-11:00-12:00 or 3:00-4:00
October 2: 2:00-3:00-4:00
October 3: 2:00-3:00-4:00

Let's Get Behind the Team, but Not As Far Behind As We Are Now

Last Friday afternoon, after the bus trip to the Milwaukee game had been cancelled because of lack of passengers, the players had to take a train, but the coach decided to take the effect that the cancellation was a matter of "self-destruction" on the part of the students. Such an attitude has been very hastily taken on the part of the sponsors and we are quick to advise that no one destroyed anything as far as the proposed trip was concerned. The various proposal and natural causes which are altogether too prevalent and around CSTC's many organizations.

The proposed bus trip to the Milwaukee game on Saturday was not mentioned to the sponsors. In the past, no very few plans at CSTC who do not have definite plans for the week-end; these plans do not generally include a spur-of-the-moment trip to Milwaukee, but they are held on such a trip, and any good salesman will maintain that selling takes time and advertising. This logical solution is to encoun-

terize the trip served only to aggravate students — not to make them es-

A less successful group of the sponsors is still being praised for their good intentions. They certainly have the right spirit as far as student-

body. It will be impossible to do in the future, and if, indeed, if the football force at CSTC did not get the moral support of the students, both at home and abroad.

It is the general consensus that this year has been detrimental for the local color. It can do a great service to the team as well as to the student body by spreading the wave of enthusiasm for the unit which might glad hand round-trip tickets to the Anses to see our local teams in action.

With Homecoming weekend only two days away it is suggested that responsible class presidents and officers get the word out to the board of directors of the College Round Table so that the students may know. If approached early and often enough the players resistance of the student body will be found to be extremely low.

Autumn Season Theme
.

At Nelson Hall Dinner

Miniature replicas of scarves were the invitations to the first birthday dinner held at Nelson Hall on Tuesday evening. The invitations were sent to six dorsents, Miss Lydia Pfeifer and Miss Marion Dunham.

Mary Ellen Gomse, dining room chairman, and several of the house officers were present at the occasion. The place cards at the head table were varied colored leaves, and the place cards for colored leaves with tiny acorn men surrounding them.

Guests consisted of paintings on the dining room mirror and entreaties in the room carrying out the theme.

Shades of Pizzaro Miss Allen Tours South America in 32 Days

CSTC's world traveler, Miss Besly May Allen, has returned from her destination this summer. Traveling the length and breadth of the Latin American countries for 32 days, Miss Allen visited 11 countries including Zipacoca, Mexico, Guatemala, and the British Guiana, Argentina, Uruguay, Brazil, Trinidad and Buenos Aires.

The plane also made stops in Honduras, Nicaragua, Costa Rica and Columbia.

Flying over the Andes in the Middle of the Summer, Miss Allen's most thrilling experience. The plane flew very close to Mt. Acapacca which reaches a height of 25,000 feet, and is the highest peak in the Western Hemisphere. The DC-6 planes are 106 feet in length, have a wing spread of 117 feet, 4 inches and average speed 200 m.p.h. They fly at about 17,500 feet, but were able to fly over the Andes.

Planes Circle Cities

The planes usually made a circle over each city before landing so that all the city could see the entire city of the city from the air. Miss Allen stated, "It was especially beautiful to fly over a large city and look at all the lights shining. Many of the airports were as far as 15 and 20 miles from the cities. At Rio de Janeiro the largest airport was on an island.

Buenos Aires, South America's largest city is the most modern. It is noted for its beautiful parks and grand buildings. There is a continuation of American avenues in the world. Buenos Aires has an interesting street called "Le Florida" where no auto traffic is allowed during the day. Buenos Aires has large underground parking areas to accommodate the cars. People drive at night. (See MISS ALLEN, page 4.)

Pan-Hell Council Elects First Semester Officers

The Pan Helen Council met last Monday to discuss the forthcoming pledging season. Officers selected were: President, Patricia Lavers; Tau Gam, and secretary Jim Burlow, Chf Deit; Alpha, President, James Stiepen; Kappa, Pres. Herbert R. Steiner are faculty ad-

Rushing and pledging of members for the two sororities and the junior league will culminate in the formal initiation of Pan-Hell dinner on November 30. (See ORGANIZATIONS, page 4.)

Fireman Ray Mason Retires October 1st

Ray Mason, head fireman on the college campus for 24 years. During this time he has served under five college presidents and under one chief operating engineer, George Gien.

Mr. Mason claims that fire building his troubles the easiest job he has ever done. He believes that fire fighting is a part of the main building, fire was difficult; upon completion of the new building his only hope was the building's "fair condition," he said. His biggest job was when the student's were in the new dormitory.

Prior to his coming to CSTC, Mr. Mason managed a flour and feed company in Des Moines, Iowa.

Water is the city's biggest problem, and fire and fuel also furnished the village with electricity. He has had a variety of jobs, including being a logging camp, helped to build a rail road in the new dairy, area, drove a freight-wagon and hauled a horse and cutter for his former employers.

Mr. Mason is the father of Miss Besly Mason, assistant librarian at the college. After his retirement, and when the right season comes around again, Mr. Mason plans to devote his time to gardening. Students are sure he deserves an orchard.

STUDENT ORGANIZATIONS

About 40 girls were present for the second meeting of WAA Wel- lington, which met for the first time on Monday evening. President Pauline Wood, acting for Miss Swenson was elected volleyball sports manager for the first semester. Presi- dent Wood, along with other committee members for the initiation party held on Thursday night, October 29.

Meetings were held to be in charge of money collected from DSTC decals during the semester. (Haven't you bought your decals yet? and just the thing for your suit case or clubs.) The decals which are being sold are decals are post- ed on the WAA bulletin board just inside the library, and in the room.

A report by Betty Meine on the available bowling alleys, the forming of a bowling league was introduced.

The Fifth Quarter

Saturday was the day of action as the teams of the State Teachers Colleges gridiron lines met for the first time. Some of the scores didn’t look right to the CSTC gridiron fans, but next week may tell a different story. Saturday is “Dad’s Night” and Edu Curley has been on the run. Ed C. of the Pointers’ first home game of the season. The combing of the northern and southern conferences puts Eau Claire in a conference status with CSTC. In a non-conference game with Eau Claire last season the upstate rivals met back the Pointers 15-7. In this year’s game the Pointers completely outflamed the Eau Claire eleven, but a couple of bad breaks made Eau Claire the victor.

We talked to Coach Quandt about the Eau Claire game and he said we should run from the game. He also stated that this week he intended to separate the men from the boys, in this first line-up in Saturday’s game.

Therefore, we look forward to a much improved Point vs. “14” and a Victory for the Quadrant men.

Speaking of Saturday’s game, we would like to mention a seven letter word “support.” Any organization needs the backing of an interested group to succeed, and the Pointers have a good front to support. Therefore, let our boys support the effort that is necessary for a winning team. It is the recognition that Eau Claire, and every CSTC’er to be in the stadium Saturday night.

vice-president; Joan Kenney, secretary; Margaret Lednevich, treasurer and Carol Collins, press representative. A past president, Jerry La Fleur, addressed the group.

Miss May Roach, faculty advisor, told interesting facts about the club, tracing its history back to 1916. Several committees were appointed to take care of entertainment and refreshments for the next meeting and a Homecoming float committee with Burnutt Burch as chairman was named.

The club’s first group communion is to be held on Sunday, October 3, in St. Staniushal church at 7:15 mass.

Wesley Foundation

Tonight is Wesley meeting at St. Paul’s Methodist church. The highlight of the meeting will be a worship service with talks on the Wesley Foundation and the church. Following the service, there will be a recreation hour and lunch will be served.

Don’t forget to watch the Wesley bulletin board for the special that will be held out at one of the parks on Sunday. September 5. The information will be furnished for the ones that sign up. You will leave at 5 p.m. from the front of Nelson Hall.

The meeting was opened by Adrian (?

A. (After writer runs and hides)

Fly paper. 

B. (Continued by Adrian)

The instructor who asked Miss Roach for a pink, strapless gown “would now enjoy a visit to many of their interesting markets on the order of the typical Roach manner.”

The city factories will all be making airplanes? for the Wes.

The president of Santiago, Chili, will now enjoy a visit to many of their interesting markets on the order of the typical Roach manner.”

Spanish Spoken

Miss Allen received many téléphone messages in all countries except Brazil. Here Portuguese was used. The group had a guide who spoke Span-

ish fluently so they encountered no language difficulty.

Miss Allen pointed out Belem and the famous Quitandinha park. They traveled markets on the order of the typical Roach manner.”

There are many places in South America which Miss Allen would like to revisit at her leisure. She feels she had an excellent bird’s-eye view of Rio and South America and would now enjoy a more extended visit to many of their interesting markets on the order of the typical Roach manner.”
