Central Symphony Orchestra Presents Fine Spring Concert

A spring concert was presented by the Central State Symphony Orchestra, under the direction of Peter J. St. Omer, on April 25, in the college auditorium. The Mixed Chorus assisted the orchestra in providing a program of high quality.

"Prelude" overtures from Rossini and Schubert opened the program, followed by Haydn's Symphony No. 92 G Minor, which was the first of the three. A modern composition, "The Dream," by Donald Francis Tovey, was introduced. The symphony was the major work of the evening, and the concert concluded with "Welcome" by German melody "La Campana." A trumpet call ended the interim, and the program continued with excerpts from Grieg's "Wedding Day at Troldhaugen," followed by "Lo," an Cuban melody "La Compana," and ended with "Island." The program ended with "Prelude to the Sirens' Song," by Tchaikovsky.

State Convention of Lutheran Students to Be Held at St. Paul's

"It's Time We See the Light" will be the theme when the state convention of Lutheran students meets here at St. Paul's Lutheran church on Saturday and Sunday, April 30 and May 1. The convention will be conducted by four students from visiting colleges preceding the dinner and get-acquainted period which will last from 1 to 2 p.m.

From 2 to 3:30 p.m. interest will center around "The Story of Synodical Unity and Its Meaning." The program will continue with another discussion, on "Singing and Candlelight Service." Highlight of the evening will be a meeting of cardinals for the coming year. The conference will be held on Sunday morning, and the convention will close with a dinner meeting.

College Theater has new merged with "Midsummer Night's Dream," under the head of Alpha Psi Omega, the official fraternity of the newly-merged organization are: President, John Zekic; vice-president, Ivo Zehner; and business manager, Phyllis Kasper.

"Midsummer Night's Dream" To Be Presented May 4 and 5

Produced by Alpha Psi Omega

Student Council, guided by the drama department took a five day brilliant "vocation" from class days last week to present "Midsummer Night's Dream" for the purpose of developing a dramatic group of students. The students, in association with the Motor Vehicle Department, developed a complete program throughout the state regarding credits, departmental set-up and student participation.

The college hopes to collaborate with the city school system to bring about the prompt realization of the plan.

VOTE FOR DOUTH!
The Next Superintendent

(By MARVIN MAYER, a CSTC Student)

May 3 is an important day in Wisconsin political life. Those who vote will be determining who will lead their school district, the state superintendent. The superintendent is a member of our state government and means of narrowing the existing gap between the state government and the people. The superintendent is also responsible for the implementation of state law and the administration of the state's public schools.

At Madison National Conclave

Seven chapters presented at Recent Sigma Zeta Conclave Here

Thirty-seven members, comprising eight chapters of the national Sigma Zeta chapter, will be present at the recent Sigma Zeta national conclave held at CSTC. The meeting was a great success and the culmination of the conclave was celebration.

The conclave opened on Thursday evening with the installation of officers and a business meeting. Following the business meeting, the dinner was held in the Hotel Whiting. Following the dinner, the evening was a film and a talk by Fred J. Schmeck filled the evening.

A "New Look" for the Yearbook; Chronological Order in '49 Iris

Something new has been added to the already noteworthy features of the Iris, the annual college yearbook. This year, in place of the well-organized system of groups, athletics and student organizations, a system of chronological order will be employed, which will first things first.

First, for example, football, which begins in the fall, will be listed under October or some other fall month. Before this, a person using the old system and seeking a picture of a football game that was played in October would have to thumb through literally from cover to cover before finding what he was looking for. Now he can look at the picture more conveniently and with little effort.

The yearbook will be released sometime in the middle of May and approximately three weeks later.

Oshkosh Netmen Swamp
Pointers by 10-0 Score

Oshkosh, defending conference
tennis champions, handed the Point-
team a 10-0 defeat Thursday as they
swamped Oshkosh without losing a set or match. It was the initial match of the season for both teams.

More woes were added to Coach
Beck's level this week when Schwebke dropped from school. The
season set action again May 8 when Mission House will play the
Pointers a visit.

In the singles division Saturday,
Keller of Oshkosh beat Bart by
scores of 6-2 and 6-3. Schwebke lost
to Flanagan 6-2, 6-2 and Christian
won both to Tebo 6-1 and 6-0. Their
doubles match action Saturday was
stopped John 6-0 and 6-2. Messer

CSTC Trackmen Beat Oshkosh

Titans 70 to 52 in First Meet

Coach Frank Cass and his 1949
version of the Central State track
and field team returned home from Oshkosh with a 70-52 victory over
their downtown rivals. The meet was
the first of the year for fast bath schools and marks the successful return of a
spring sport that has been missing from
CSTC for some years.

Bad Weather Blamed

No records were set in Saturday's
meet, a fact which can probably be blamed
onto the bad weather. It was point out by Coach Crow that the
winds was so bad that the high hurdles had to be cancelled since the
wind topped them as soon as they
were set up.

A total of nine first places were
awarded the Point aggregation as Lohn, Olson, Polka, Curry, Warner,
Polzin, Polzin, Judd, Christian, Marks, and Yahr either placed first or
tied for first. This Saturday the Pointers travel
to Eau Claire to take part with Eau
Claire and River Falls in a triangular
meet.

CSTC Faculty Members Attend Annual Meeting Of Valley Historians

Several CSTC faculty members participated in the annual meeting of the Mississippi Valley Historical Association. Monday, Tuesday, Wednesday, and Thursday, April 21-23, in Madison. Meetings of the Wisconsin Constitution and Social Studies departments and eight other historical societies were also part of the meeting.

Several CSTC faculty members took part in the activities. Those who were in attendance were Professor Gen H. Jenkins, Dr. Harold M. Tolo, Dr. Delbert Herbrand, and Miss Gertie Hanson. The overall purpose of the Mississippi Valley Historical Association is to promote the exchange of ideas. A large part of the activities are parts of the United States. In their annual meetings everything from the mechanics of housekeeping to Latin American diplomatic history may be covered.

Miss Hanson commented on some of the highlights of the meeting. At a joint luncheon conference of the Mississippi Valley Historical Association, the Teachers’ Section of the association, and the Wisconsin Council for Social Studies, all of the faculty members had an opportunity to bring up ideas. At the luncheon speech by Fritz L. Hoffman of the University of Wisconsin, Hoffman talked about the United States that might take the place of the United States as an American neighbor. "We may wake to a new way of life if we can take up a little of the manana spirit which prevails in Latin America. They might then show a new way of life also by taking a few social patterns characteristic of our vigorous nation," he emphasized.

Miss Hanson said that she had never seen so many different kinds of coconuts as she saw at this luncheon. Some of the students from other states were awe-stricken at the display and wondered about their being able to give a matching display of home products when the meeting comes to their states in future years.

Training School Artist Submits Winning Poster

In a letter received recently from James L. Brinkman, University Extension Specialist in Art and Design, Jimmy Thomas, a fifth grader at the Training school, was notified that he was one of the winners in the First Annual High School Poster Contest, conducted by the Let’s Draw Program and the Department of Farm Safety of the College of Agriculture.

Thomas’ poster was one of 100 chosen from all the posters that were submitted. The winning posters are to be displayed in several places throughout the midwest to promote farm and home safety.
