Burroughs-Alpha Psi Omega Are Hosts for Drama Contest Saturday

Saturday, December 3, the college, with Leland M. Burroughs and Alpha Psi Omega, CSTC drama fraternity as hosts, will welcome regional high school drama contestants. Fourteen schools of the Stevens Point, La Crosse, and Oshkosh districts will present one-act plays in the college auditorium. They will be judged by Miss Pauline Isaacson, of the CSTC faculty. All of the high schools represented received "A's" in recent sectional contests.

Walter Schmidt, teacher of speech at the Kaukauna High school, as regional chairman, will be in charge of the contest. Members of Alpha Psi Omega will serve as stage managers and assistants. Property arrangements for the contest will be a project of the Speech 211 class.

Luncheon for 75 to 100 people

will be served at Nelson Hall for the participants and school officials.

The schools represented at this regional drama contest and their plays are: Birnamwood, "The Balcony Scene"; La Forge, "The Valiant"; La Crosse Aquinas, "Romanancers"; Greenwood, "Summons of Sarel"; Shawano, "The Valiant"; Pittsville, "Finders Keepers".

Oconto Falls, "Echo"; Mosinee, "The Balcony Scene"; Luxemburg, "Buffalino's Jest"; Sevastopol, "Echo"; Galesville, "The Bond Between"; Nekoosa, "Gray Bread"; Kewaunee, "Why I Am a Bachelor"; and Marinette, "Will of the Wisp".

All plays that receive an "A" in the regional contest Saturday will be presented in the annual state contest at Madison later.

Peterson Names Joann Kenney As His Queen for Senior Ball

Dance is at High School Saturday

Walter Peterson, president of the Senior class, has chosen Joann Kenney to reign with him over the annual semi-formal Senior Ball to be held in the P. J. Jacobs High school gymnasium on Saturday evening, December 3, from 8:30 to 12:30 o'clock.

Dancing to the music of Larry Woodbury and his popular orchestra will be enjoyed amid wintry scenes accentuating the appropriate theme, "Winter Wonderland." Dr. and Mrs. Raymond E. Gotham and Dr. and Mrs. Edgar F. Pierson of the college faculty will act as chaperones for the ball which will be illustrated with a silhouetted scene on the stage and relating scenes along the side walls.

The ball will be open to anyone who wishes to come for an evening of enjoyable dancing. Admission price is \$1.50 per couple, tax included, and tickets will be available in advance at the college as well as at the high school ticket office on the evening of the dance.

Committee chairmen for the ball are as follows: Advertising, Don Bednarek; decorating, Arlene Krommeyer and Phyllis Mykleby; tickets, Dick Berndt; checking room, Jerry Quinell; refreshments, Bernie Alberg; invitations, Esther Berndt.

Advisers for the Senior class are Dr. Pierson and Dr. Roland A. Trytten.

Important Assembly For Junior College

Tomorrow, Friday, at 10:05 in the auditorium there will be a very short and very important assembly for all Junior college students. Dr. Warren G. Jenkins, dean of the Junior college, will present some vital information on several subjects. Facts concerning preregistration, and advice regarding transfer to a professional division or to another college will be briefly presented. It will be a few well-spent minutes for all junior college students, according to Dr. Jenkins.

Four Freshmen Win Student Council Jobs

Rosemary Leahy, Glenna Clark, Mary Scarles and Roland Kruemper were elected as Freshmen members of the Student Council on Tuesday, November 22.

Balloting was comparatively light as compared with previous elections held this year. Of the six candidates running only one of the three male candidates was elected while all three of the coed candidates emerged victorious.

The winning candidates are requested to attend the next meeting of the Student Council which will be held in Room 107 today at 6:30 p.m.

Complete '49-'50 Iris Staff Announced; Johnson Is Editor

The complete 1949-50 Iris staff has been appointed. Those who hold top offices are: Editor, Harry Johnson; associate editor, Virginia Gmeiner; copy editor, Suzanne Swanke; feature editor, Nancie Goebel; organizations, Jim Greathouse; sports editor, Dick Berndt; layout editor, Ruth Finch; Senior editors, Phyllis Kasper, Phyllis Mykleby, Janice Sisley.

Identification editors, Harriet Hennig, Margaret Jones; photographers, George Stevens, Dick Francis; business manager, Robert Putzier; advertising, Bill Wozzalla; engravings, Don Schultz. The Iris editorial adviser is Miss Harriet Wright, and the business adviser is Dr. Harold M. Tolo.

Under the direction of these editors is a host of co-workers helping to make this year's annual a success. The staff realizes that there is much work to be done and every one is contributing his efforts, says Harry Johnson, the quiet, industrious editor.

Meetings on Monday
The Iris staff holds its meetings on Monday evenings in the Iris office. At these meetings the theme of the annual has been chosen and the book has been planned. Some of the lay-outs are completed and many of the pictures have been taken in order to meet engraver's dead lines. At present the Senior pictures and

the Senior identifications are the main work on the staff's agenda.

Those in charge of advertising have a great deal of work lined up for them because it has been decided that advertising will be solicited from surrounding towns in which CSTC students live. Thus the students on the advertising staff must spend time in traveling and in contacting outside advertisers.

The editor hopes that he and his staff will be able to produce a yearbook to compete with the outstanding productions of recent years.

Conservation Classes Attending 3rd Annual Timber Harvest Today

Approximately 40 students from Fred J. Schmeckle's conservation classes will attend the third annual Timber Harvest field day near Merrill this afternoon. The Chilsen Timber Harvest forest, a 40 acre tract located seven miles northeast of Merrill at Dutch Corners, will be used to show the results of a combined thinning and improvement cut.

Something new will be added to the demonstration this year when the new wood "chipper" of the National Container Corporation of Wisconsin will demonstrate how small and poorly formed trees, as well as the tops of the long branches from saw logs, can be turned into wood chips in a matter of seconds. Through the use of this invention it will be possible to use many parts of a tree for pulp that formerly would have been discarded as waste, or at best used for firewood.

A tour will be made through the 1947 and 1948 cutting compartments, and a demonstration of a skidding attachment for a farm tractor will be held.

The event is sponsored by the University of Wisconsin Extension and has been organized by F. B. Trenk, U. W. extension forester of Madison.

As part of the initiation ceremony in Sigma Tau Delta, honorary English fraternity, Janice Sisley, an active, is pinning a rose, the symbol of the organization, on pledge Donna Alderton. Pictured from left to right: Mel Carlson, pledge master, Miss Alderton, and other pledges, Joann Kenney and Jimmy Koehn.

Greeks Dance to Hoene's Music at Pan-Hell Dance

Approximately 60 couples danced to the mellow music of Cliff Hoene and his orchestra at the semi-annual Pan-Hellenic dance held at the Legion hall on Saturday, November 19. The dance followed the Pan-Hell initiation ceremonies and dinners held by the Tau Gamma Beta and Omega Mu Chi sororities and the Chi Delta Rho and Phi Sigma Epsilon fraternities.

Soft lights reflecting on silver wall decorations blended spectacularly with the formal wear of the CSTC co-eds. The dance brought a fitting climax to the three weeks of pledging by the new members and provided one of those never-to-be forgotten social events for the active and pledges who were present.

Glee Club Presents Enjoyable Concert

The Men's Glee club, under the direction of Norman E. Knutzen, made its second appearance of the current season Sunday evening, November 20, at a concert held in the school auditorium. The program gave the audience a relaxing, enjoyable two hours to be treasured in the memories of music lovers.

Soloists Charlotte Reichel, a contralto, and tenor Wallace Bartosz each gave a splendid performance. A piano and organ trio by Frank Wesley and Robert Karsten at the piano and Bertram Davies at the organ was one of the many fine numbers of the evening.

This concert was open to the public. A similar one will follow at an assembly hour for the student body.

Plans for Christmas Concert Near Completion

Members of the Mixed Chorus and the Girls Glee club, under the direction of Peter J. Michelsen, are completing preparations for the annual Christmas concert which will be held this year on Sunday, December 18, and Monday, December 19 at 8:15 p.m. in the college auditorium.

Besides Glee club and Mixed Chorus selections the program will include music by some 36 members of the Central State Symphony orchestra, the traditional nativity tableau under the direction of Miss Mary Leach and the scripture reading by Roland M. Burroughs. Alois Frymark of Marshfield will be featured guest soloist.

Soloists from the Glee club will be chosen and announced at a later date. New stage decorations are

being planned by the art department under the direction of Miss Edna Carlsen, while the band members are in charge of trees and decorations for the auditorium.

Dr. Gotham Resumes School Visits Schedule

Dr. Raymond E. Gotham has resumed his schedule of visiting schools in the area served by this college. This schedule has several purposes. First, it determines the quality of service which CSTC graduates provide; second, it seeks to determine needs of the new teachers; third, Dr. Gotham can meet with Seniors to discuss opportunities provided in attending this college.

Dr. Gotham also provides professional services for those who request it and meets with city, village, and county superintendents. On Wednesday, November 16, Dr. Gotham was in Marshfield for their Senior Day program.

Schools which he has visited thus far are Wisconsin Rapids, Port Edwards, Nekoosa, Waupaca and Weyauwega.

AKL's Annual Venison Dinner Will Be Tonight

The Alpha Kappa Lambda's annual venison dinner will be held tonight at 6:30 o'clock at Nelson Hall. The main speaker at the dinner will be Robert Beatty, director of the national Izaak Walton League and editor of the magazine, Outdoor America.

Fred Hubbard, chairman of the entertainment committee, has planned a program consisting of vocal numbers by Doris Zimpelmann and

Home Ec Christmas Sale on December 8

Food and articles of clothing made by the home economics students are to be sold at the annual Home Economics Christmas sale on Thursday, December 8.

Baby clothes, stuffed toys, scarves, mittens and children's clothes of various types will be on sale. Also, candies, cookies, jellies and laundry soap will be sold.

The sale, which will take place near the auditorium, will go on all day.

Father Diman Addresses Students At Annual Thanksgiving Assembly

Organ music provided by Muriel Held was an appropriate musical background for the Thanksgiving assembly November 22 sponsored by the WSGA. Two Thanksgiving poems were read by Donna Alderton, followed by a soprano solo, "Bless This House", sung by Anita Domack.

Barbara Clark, program chairman, then introduced the speaker, Father Ezra Diman, who has been an Episcopal missionary in the Philippine Islands for many years. He is the son-in-law of Alfred J. Herrick, former director of the Training school.

He began his interesting talk by

describing Manila, the center of the island from a cultural and geographical standpoint, and the island of Luzon. He explained that the war had left "the Pearl of the Orient" in ruins and that much of the city has to be rebuilt.

Although Manila is an interesting city and the "center", Father Diman dwelt chiefly on the smaller town of Segada where he served. He stated that here one can witness the end of an old civilization and the beginning of a new one.

Father Diman praised the educational system in the Philippines, explaining that when a student was

(See THANKSGIVING, page 4)

(See ANNUAL VENISON, page 4)

ATTENTION, ALUMS

The following message from Miss Syble Mason, secretary of the Alumni association, will be of interest to alumni who read the Pointer:

"We are indeed proud of the spirit of fellowship and loyalty which was exemplified by our alumni at the Homecoming festivities and at the alumni reunion at the WEA convention in Milwaukee.

"Many alumni attended the business meeting at 12 noon on Homecoming day, at which time the proposed constitution for the Alumni association was adopted. Copies of the constitution are available from the secretary upon request. A report on the financial status of the association was also given. It is our hope that many alumni will want to become active members of the association by paying the annual dues of \$1.00.

"There were 96 present at the alumni luncheon at Nelson Hall following the business meeting. Special guests were President and Mrs. William C. Hansen, Regent Wilson S. Delzell, Marjorie Finch, Homecoming queen, and John Kowaleski, president of the student council. Alfred J. Herrick, father of Virgil E. Herrick, association president, was also present as a graduate of the class of 1902. A message of welcome by Virgil Herrick was responded to

by President Hansen on behalf of the student council and the student body, and Mrs. James Cory of Merrill gave the response on behalf of the alumni. Before adjourning to Goerke Field for the game, all sang 'The Purple and the Gold,' under the direction of Dean Herbert Steiner.

"There were 175 present at the reunion held in Milwaukee on November 3. We had the privilege of greeting and visiting with many alumni whom we had not seen for some time. We were especially pleased to see so many of our recent graduates too. There hasn't been time to compile statistics on the classes represented, but we know that there was a good cross section, including some of the earliest classes. It was such a happy occasion that two alumni of Superior State Teachers college registered in our alumni register and enjoyed the fellowship for some time before they discovered that it wasn't their college reunion.

"We shall be very glad to hear from our alumni and shall welcome suggestions for the improvement of the association program."

Syble Mason, Secretary

Division Suggestions

Those students who must select a division soon have been offered the following suggestions by Dr. Raymond E. Gotham.

Those students with a sound academic record would do well to consider entering the primary and intermediate divisions, home economics, music and physical education.

There are always vacancies in academic areas for a limited number of outstanding students. It is definitely to the interest of students to participate in related extra-curricular activities to become competent in their fields practically as well as academically. Experiences working with young people in Boy Scouting, recreation, drama and forensics are always valuable.

In making recommendations for teaching positions many are found to have only academic credits to offer with little over and above to supplement their learning, says Dr. Gotham.

MAY ROACH

(Continued from page 1)

By these methods, Miss Roach has endeared herself both to the people who ask her to speak and the people who hear what she has to say.

VANITY DRY CLEANERS

Wherever she goes, Miss Roach says that there's someone connected with CSTC, and that person usually has a message for her to take back to the college. Sometimes the wires in Miss Roach's memory get so crowded she can't remember which message goes to whom. Now she writes them down.

Some time ago she delivered a greeting from the wife of a biology teacher to Dr. Pierson, who learned his first biology from the lady's husband.

Never Stumped

She has talked to such a variety of groups that she has never been stumped when it comes to making an audience receptive to her ideas. But last week she tackled a job that would topple anybody except May Roach. She talked to groups of Seniors in New London, Clintonville, and Shawano on the theme "Teaching Is Glamorous."

GLEE CLUB CONCERT

(Continued from page 1)

This House" by Brahe and "Smilin' Thru" by Penn. Mr. Kusserow will accompany her at the piano.

The last group is composed of "Just Swinging Along" by Moore; "Bali Hai" from "South Pacific" by Rodgers; "Some Enchanted Evening" from "South Pacific" by Rodgers; "Oklahoma" from the musical bearing the same name by Rodgers, and the concluding number, "You'll Never Walk Alone" from "Carousel" by Rodgers.

On Friday of this week, the Glee club will give concerts at New London and Oconto Falls.

FAMILIAR FACES

(Continued from page 2)

feelings were perhaps better displayed by the happy smile on his face than by his reserved comment.

A Master's at Minnesota

After receiving his degree, Bernie plans to teach a year or two and then move his wife and family (?) to Minnesota, where he will get his master's degree at the University of Minnesota and from there continue on in the teaching profession. He prefers a teaching position some place in the famous Minnesota lake region, still near to civilization but far enough up north to afford him access to two of his favorite sports, hunting and fishing. Another of Bernie's favorite pastimes is eating, and Bess, being a home ec graduate, seems to fit perfectly into this picture. Their weakness is chop suey.

Bernie is of the opinion that as a teacher-training school, CSTC is "better than most." He will be sorry to leave, but it is certain that his many friends will be more sorry to see him go.

BAND CONCERT

(Continued from page 1)

Also included on the program will be one instrumental and one vocal selection with band accompaniment. These soloists have not been selected yet. Plans are made for inviting six school bands to be guests at the concert.

Mr. Michelson states that the program planned is one that students should especially enjoy.

Other Concerts Planned

Today the band is scheduled to play a concert at the Minocqua High school at Minocqua. Representative from the school bands of Park Falls, Eagle River, Phillips, Elcho and Three Lakes will be present at this concert. The CSTC band will play several high school band festival numbers to aid the high school bands and their directors in the interpretation of the numbers.

On Monday, November 21, the band will play an evening concert at Athens in the city auditorium. School bands from the surrounding districts will attend the concert.

Original—if there are such things—jokes have been null and void this week. Be content with these. Or, as the saying goes: "Don't shoot. Contribute!"

He was seated in the parlor
And he said unto the parlor
"Either you or I, old fellow
Will be turned down tonight."
They didn't say this, but the conversation might fit the characters implied:

Len: I say there — what is the name of that book you are reading?
Bob: "What Twenty Million Girls Want!"

Len: Quick! Let me look at it! Did they spell my name right?

Did you know that one of the record shops downtown got in a whole shipment of "Mule Train"?

Dr. and Mrs. John Steiner of Waupaca are the parents of a son, John William, born at the Columbia Hospital in Milwaukee on Armistice Day. Dean Steiner is now a grandfather for the third time.

The Pointer is now in the 400!" If you've been reading something besides the funnies in the newspapers you may have noted items in reference to Senator McCarthy's scheme to publicize the alleged communist activities of Cedric Parker, city editor of the Madison Capitol Times. Senator McCarthy is sending literature concerning Mr. Parker to 400 representative newspapers in the state. Just the other day the Pointer received its copy.

Don't forget the Senior Ball scheduled for Dec. 3, says Walt Peterson, esteemed class president.

To the students and faculty: — A bounteous hunting season and good eating on Thanksgiving!

Pointers Out for Number Two At Northland Friday Night

Milton College Is Next Foe

Flush with one victory over Northland college, the Pointer quintet moves out after victory number two when they meet the Lumberjacks in a return game to be played tomorrow night, December 2, 'way up north at Ashland. Then, hardly pausing for breath over the week-end, the Pointers return home to take on Milton college at P. J. Jacobs gym next Monday night, December 5.

Tomorrow night's squaring off at Ashland is expected to be a stiffer test for CSTC. It'll be the Lumberjacks who have the home floor advantage this time, and anything can happen. Still they will have to improve considerably their shooting average of 23 percent, and their rebound work as well, to stop CSTC. As for the Pointers, they are polishing their attack in the long practice sessions at the Training school gym in preparation for the trip north.

The Fifth QUARTER

The State Teachers conference has decided to eliminate the traditional all-conference football team. The decision was reached at a week-end meeting in Minneapolis. Bob Kolb, Oshkosh coach, said general dissatisfaction with the practice was expressed by most of the coaches in the 10 team conference. Principal reasons given were that many teams were using the two-platoon system, and that none of the coaches saw all of the other teams play.

Watch the outcome of the Milwaukee State-Milton college basketball game played on November 30!! It will go a long way in shaping up what the Pointers will do in league competition. The Milton five will come to Stevens Point on December 5.

The Penwell crew of Milwaukee has two games in the victory ledger. One was a 47-16 conquest of a strong Allen-Bradley team and the other win came at Whitewater's expense, 62-50. In the Whitewater contest Ken Lemmer and Bob Bolz racked 38 points between them.

Aspirins to nine teacher college teams — Nate DeLong of River Falls has been declared eligible for another season. DeLong who has scored 2,041 points in 86 games is almost a cinch to break the national collegiate scoring record of 2,199 points set last year by Jim Lacy of Baltimore Loyola.

LaCrosse has been awarded the 1950 track, tennis, and golf meets to be held on May 20.

A fine crowd of students attended the basketball opener last Monday night — let's keep it up by turning out for the Milton game this coming Monday.

Sorry the Pointer gave you a bum steer as to the price of student tickets for the P. J. Jacobs High school games. Adult admission prices of sixty cents will be charged college students who attend. That decision was made the day before the November 17 Pointer went to press and authorities failed to notify us in time to change the original story.

Tune-In Ballroom Has One Game Lead in College Bowling League

Team	W.	L.	Ave.
Tune-In Ballroom	17	10	782
Phi Sigs	16	11	734
Dutch's Men's Shop	15	12	791
AKL	14	13	736
Restoration Restaurant	14	14	740
Campus Cafe	13	14	729
Chi Delts	13	14	715
Brunswick	12	15	739
Restoration Alleys	11	16	754
Smithson's Stores	11	16	754

The College Bowling League is narrowing down to a very close race with the Tune-In Ballroom team, keeping a slim one game margin over the second place Phi Sigs. The rest of the teams are all within striking distance and anything could happen.

Dutch's took the team series honors rolling a 2453 total, followed by the Campus Cafe, 2433 and AKL, 2422.

The Campus team bowled the high team single of 846. AKL and Dutch's took the other honors on games of 835 and 827 respectively.

George Boneske tipped the high

Regulars who will make the trek are Gene Fick, Bill Wagner, Chet Polka, Jim Christenson, Gene Polzin, Dick Lorenzen, Don Schneiders, Bruce Menzel, Jack Dabareiner, and Walt Samelstad. Others will be selected today.

When the Pointers return home next Monday night to play Milton college at P. J. Jacobs gym, they engage a team which is almost a total stranger to these parts. That Milton college is located at Milton, not far from Madison, is about all that is known here. Milton is a member of the Badger-Illini conference and copped the conference championship last year with nine wins and one loss. The star of that team was Roush, a forward, who led his teammates in scoring.

The game is not expected to be a pushover. By the time the final whistle blows next Monday night, prognosticators about the campus should be able to predict CSTC's chances in the conference race this year.

"Banquet of Champions" At Legion Hall Tonight

A football "banquet of champions" will be held this evening, December 1, at the American Legion hall in honor of the victorious CSTC and P. J. Jacobs High school football squads.

The Bleacher Coaches organization has planned a full evening of entertainment, the highlights being speeches by Milt Bruhn, University of Wisconsin football line coach, and two or three members of the 1949 Badger varsity team.

The banquet is strictly a "stag" affair and accommodations will be available for 300 persons, about a third of whom will be lettermen of the two squads plus their respective coaches and managers.

The dinner, to begin at 6:30 o'clock, will be prepared by competent chefs from the Bleacher Coaches headed by Allen G. Bostad, high school principal. Besides the main speeches, other after-dinner activities will include selections by the CSTC "pep" band and various skits. The toastmaster will be Don Capps.

individual series, cracking out a 565 total for the trio. Other bowlers who bested the 500 mark were Mallow, 518; Wedderkop, 542; Schmidler, 539; Karier, 520; Pinther, 515; Kuckick, 515; Thomas, 514; Roberts, 506; H. Peterson, 504 and J. Swan, 501.

Willy Thomas' 216 game was tops in the individual singles department. He was followed by George Boneske, 212; Joe Swan, 206 and Frank Schmidler, 202.

NOTICE

There will be a meeting of all students enrolled in the Secondary division on Friday, December 2, at 10:30 a.m. in the auditorium.

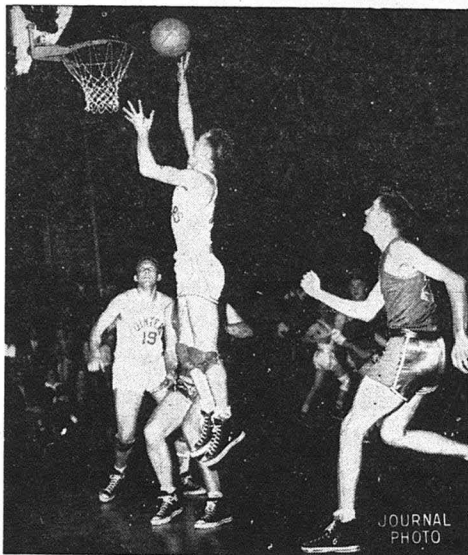

Raymond M. Rightsell, director.

Chet Polka, CSTC's dynamic little guard, lays up two of the 15 points he snagged as the Pointers trounced Northland, 52-34, in the basketball opener November 21. Others watching the shot are Pointer Gene Fick (19) and center L. Howard (right) of Northland. CSTC hopes to repeat its previous win with another up at Northland Friday night.

CSTC Cagers Route Northland Team 52 to 34 in Successful Debut

The 1949-50 version of the Pointer cage team made their debut at P. J. Jacobs gym on Monday night November 21, and promptly obliged a fair sized crowd by dumping Northland college 52-34.

It was the first test of the season for Coach Hale Quandt's crew. Chet Polka, hard playing guard and chief point maker from last year's squad, took scoring honors with 15 points.

Twelve Pointers saw action in the contest. The forward wall of the Point controlled the rebounds. The Purple and Gold defense lapsed several times during the game and allowed the Lumberjacks to drive in for close shots. Reserves performed commendably.

Forward Don Schneiders potted three quick buckets during his brief stay. Other point makers were Tex Polzin with nine, Bill Wagner and Samelstad with five, Christenson and Fick with four and Dabareiner with two.

The Quandtmen are preparing for the return match with the Lumberjacks at Ashland on Friday night with added vigor.

Police Cadets on Guard At Street Crossings

Most of you have probably noticed the Training school boys wearing large white badges and standing on various street corners near the college and Training school. These boys are police cadets and they are safeguarding the Training school children as they cross the streets. The cadets can be seen at their posts between the hours of 8:50 to 9 o'clock and 11:50 to 12 o'clock in the morning, and from 1 o'clock to 1:10 and 3:50 to 4 o'clock in the afternoon.

Burton R. Pierce of the Training school is in charge of the cadets. The city adviser is Sergeant Anderson of the city police force.

Chief of the cadets is Richard Feiting, of patrol one, which goes on duty in the morning. Donald Miller is the captain and Robert La Brot is lieutenant. James Marko is captain of patrol two, which is on duty in the afternoon and Robert Polfus is lieutenant.

Demerits Given

Demerits are given for infraction of the rules. A few reasons for demerits are untidy appearance, misconduct at post, tardiness at post, absence from post, disrespect to superior and improper conduct at school. Five demerits are given for most of these offenses.

Each of the cadets may get into all high school and college athletic events free by showing his cadet card.

Sergeant Anderson presides at a ceremony at which the cadet, with the fewest demerits is presented an award.

ORGANIZATIONS

(Continued from page 2)

Omega Mu Chi

During a candlelight ceremony which followed a dinner at Jerry's All American cafe, seven co-eds were initiated into Omega Mu Chi sorority. The new members are Ann Phelan, Stevens Point; Nathalie Hoglund, Tomahawk; Dolores Kosbab, Rhinelander; Carol Mews, Auburndale; Isla Mae Friberg, Wausau; Nancy Sannes, Scandinavia and Jackie Jennings, West Allis.

Thanksgiving fruit in a wreath of pine served as the centerpiece. Marjorie Kohler, sorority president, introduced Joann Kenney, who spoke in behalf of the Seniors and actives. Isla Mae Friberg replied for the pledges. A corsage of yellow roses was then presented to Miss Bertha Glennon, who recently became an honorary member. Miss Glennon was formerly an adviser.

The sorority's scholarship pin was presented to Dolores Kosbab by Gretchen Holstein, last semester's winner.

Miss Susan Colman was the guest speaker of the evening.

Guests included Mrs. Raymond E. Gotham, Miss Beth Hughes, Mrs. Carman Lane and Mrs. James Cory, alumni; Miss Harriet Wright and Mrs. Mary Samter, advisers, Mrs. Charles Cashion, patroness; and Miss Syble Mason, Miss Colman and Mrs. Elizabeth Pfiffner, special guests.

Committees for the dinner included Joann Kenny and Muriel Held, general chairmen; Esther Berndt, transportation; Marjorie Crosby and Joyce Kruger, chairman, Arlene Kromroy, Gretchen Holstein, Nancie Goebel, Marilyn Knope, Mary Schadewald and Lucy Chappell, invitations; Joan Fehrenbach, chairman, Kay Pierce, Julie Dean and Suzanne Swanke, entertainment; and Marjorie Finch, chairman, Marilyn Bobbe, Helen Offerdahl and Beverly Tibbetts, decorations.

Wesley Foundation

At the last meeting of the Wesley Foundation, Miss Margaret Briggs spoke to the group about her experiences as a missionary in Africa. Miss Briggs told about the customs that are followed there and pointed out some of the differences between the Moslem and Christian religions. She also showed some colored slides which she had taken during her work abroad.

Wesley is planning to have a rummage sale Saturday, December 10. If you have anything to donate, get in contact with Irene Beaver or leave it, with your name on it, on Arol C. Epple's porch. You are asked to do this as soon as possible so that articles can be priced for the sale.

Tau Gamma Beta

Nelson Hall was the scene of festivities for the Tau Gamma Beta Pan-Hell dinner. The tables were decorated with pipe-cleaner figurines that depicted various stages of the pledging season.

During the program, for which Barbara Bea acted as toastmistress, Lola Van Ornum spoke in behalf of the actives and Jeanette Holm represented the new actives. Jeanette Holm was also awarded the Jean Mailer scholarship pin for the highest scholastic honors. Eileen Dahnert wore the scholarship pin during the last semester.

A brief talk was given by Mrs. Robert S. Lewis, and Mrs. Frank N. Spindler gave her traditional "Tapestry Talk." Mrs. Spindler announced at the dinner that she is retiring from active work with the sorority.

President Phyllis Kasper spoke in tribute to Mrs. Spindler and her work with the sorority.

Pledges initiated into the sorority were: Lila Elmer, Brooklyn; Carol Emmerich, Hamburg; Mary Douville, Wausau; Marjorie Myers, Iowa; Jean Yaeger, Wittenberg; Norma Mayer, Junction City; Ramona Byrne, Antigo; Jeanette Holm, Tigerton; and Dorothy Thompson, Curtis.

Guests included: Mrs. Bernie Alberg, an alum, Mrs. William C. Hansen, honorary member, Mrs. Gilbert W. Faust, Mrs. Lewis and Mrs. Spindler, patronesses, Miss Gladys Van Arsdale, adviser, and Mrs. Mildred Williams, special guest.

ANNUAL VENISON

(Continued from page 1)

Larry McKinnon, a piano selection by Dorothy Thompson, and community singing led by the Ellingson brothers.

Some of the alumni who are returning for the dinner will be asked to tell of their experiences as conservation instructors.

AKL has invited faculty members, news reporters and others who have shown interest in the organization.

shorts" going by without looking like a wolf. (At least his methods are subtle).

The students and faculty at Milwaukee State Teachers college have developed an idea CSTC might look into. Just recently students and faculty met to discuss college problems and recommend improvements in the college program. Added note—classes were dismissed for the day.

"All things come to us on test papers," moan some faculty members. Here are some samples. This came from a history test paper—"and many of the colonial leaders saw in education an outlet for the ignorance of the settlers."

"Is ignorance something that may be drained off through education," quote the instructor, Dean Steiner.

Another choice "slip"—"We would talk about the futuristic type of government with John Locke."

Checking tests may not be as dull as made out, after all!

THANKSGIVING

(Continued from page 1)

through high school over there, he knew "what a noun was." Many were perhaps surprised to learn that Manila had a college several years before the first university was established in the United States.

Following Father Diman's address, a short Thanksgiving reading was given by Donna Alderton. Barbara Clark then read "A Thanksgiving Thought," which was written by George (Jim) Greathouse and published in the last issue of the Pointer.

A trio, Mary Pfiffner, Julie Dean and Joan Fehrenbach, sang "A Prayer of Thanksgiving" to conclude the program.

CLOSED STACKS

(Continued from page 2)

is doing specific work, but when a general topic is involved, an actual view of the books aids greatly in a precise efficient selection."

Ray Venn, Junior: "I am definitely against the present closed stack system of our library. I find it extremely impractical when searching for some vague fact or statement which may appear in one of a dozen books. This necessitates the drawing of a large number of books from the stacks, their culling and then their return. It would be a great saving of time for both the students and librarians' helpers if the closed stack system were abolished and we reverted back to the "good old days."

The Path to Poverty is splendidly paved with spent dollars.
