To All Students,

The CSTC's Hagan Auditorium will be filled with music, excitement, and anticipation as the Spring semester comes to a close. On Thursday, May 3, at 7:30 p.m., the Spring Concert will feature the CSTC Choir, the CSTC Band, and the CSTC Orchestra. This event is a must-see for anyone who appreciates live music and entertaining performances.

The CSTC Choir, under the direction of Dr. Jennifer Johnson, will perform a variety of classical and contemporary pieces. The CSTC Band, led by Mr. Mark Gamm, will showcase their talent with several arrangements of popular songs. The CSTC Orchestra, under the capable guidance of Ms. Emily Wiebe, will play a symphony that promises to be a highlight of the evening.

Admission to the Spring Concert is free for all CSTC students who show their ID at the door. For non-students, admission is $10. Doors open at 7:00 p.m., and the concert begins at 7:30 p.m. Don't miss out on this incredible musical experience.

Best regards,

Good Leadership Necessary

In his opening message to the student body last September President Hansen said, "We are living in perilous times and it is going to require qualities of leadership and keenness of understanding of you, from generation to generation, to avoid some of the serious troubles which threaten us.

Since that summer day we have reached another milestone in the course of our history when the second of the senior officers of the Alpha Hawk campaign, this evokes no great response; others, especially the newcomers, have an opportunity to mix more closely with the homemakers who hold in store for them. Some await with eager anticipation, some look upon it as a period of insufferable boredom, others with reticence or indifference.

All of the students at this institution have been admitted because a survey of their past records show that they are well equipped for any undertaking. There are churches of enough faiths in town to fill almost any requirement.

Third, be courteous and tactful with all the people you come in contact with. The reason behind this is that if you are really going to get ahead in the world you must have your head about you. It will pay you dividends in any situation if you remember it.

Fourth, at least, formulate a study plan and stick by it. Make use of the college reference sources. Take a part in discussion classes. Ask questions, don't be afraid to express your opinions, even on controversial issues, to find out how instructors welcome new ideas. Some people are apt to judge you incorrectly unless you remove your veneer of reticence and let your wisdom be heard.

If we would all adhere to these basic tenets, we would be drawn out of our little hollows and to the real courage of our convictions, which is one of the prerequisites of true leadership.

Hey, Fellas! Nelson Hall Has Eight New Dormites

Eight girls have joined the ranks of the Nelson Hall dormites this semester. They are filling the vacancies of the girls who graduated last May and are keeping house at Sims cottages and who have found residence elsewhere.

New Organ Demonstrated

At Dedication Ceremony

In College Auditorium

CSTC's new electric organ was dedicated during appropriate ceremonies March 25, at the college auditorium. The ceremonies were made possible through a newly organized organ fraternity chapter.

The new organ is a Hammond electric organ with a large speaker. A complete set of organ chimes which add an extra effect. The organ, like the school's big nine piano foot, was purchased from the J. B. Bradford company of Milwaukee. The right hand organ partner had wanted as a part of the organ program for home town is Milwaukee.

Jennings is from West Allis, "Jacque," as her friends call her, joined the faculty last February as a freshman attending junior college. She has made no definite plans for her future college education.

Four in residence halls has given a strong incentive to the high school's students.

Eunice Rothweiler, a transfer student from Milwaukee, State, is a junior this year attending the sophomore year of the normal school and attending summer diploma in the field of intermediate education for the next year leading to graduation in June.

Nine Schools Compete

In Debate Tournament

The district debate tournament was held last Saturday, January 29. Nine schools competed in the event.

Rhinelander, Menominee, Stevens Point, Wausau, Osceola, La Crosse, Oshkosh, Wisconsin Rapids and Antigo were present.

Rhinelander, Merrillville, Wisconsin Rapids and Wausau emerged victorious with a seat in the senior district tournament which begins February 12. They will cooperate with the winners of the La Crosse and Oshkosh districts. Voting will be taken from the college faculty.

A report was made at the business meeting held by these students on December 27 and a first semester speech clinic next year. Leland M. Strode, Jr., senior majoring in speech, said he had attended the clinic and kept his notes in hand for future use.

Mr. and Mrs. Ray Blakely, CSTC, from Milwaukee, are engaged to Dick Erwin, CSTC, from Milwaukee, on January 22.

Josephine G. Vender, Marshfield, became the wife of Dr. Ralph A. Schueller, Marshfield, on January 22.

Doris Ockerell, graduate of Milwaukee, is a transfer student, from Milwaukee, is engaged to Dick Erwin, CSTC, from Milwaukee, on January 22.

Marian Erickson, a CSTC student, is engaged to Francis Murphy, Tenderfoot, on January 22.

Mr. and Mrs. Ray Blakely, CSTC, are parents of a son born Tuesday, January 25. Ray is a junior majoring in math in the second semester.

A daughter was born to Mr. and Mrs. William Mariott of Milwaukee, on January 27. Probably will go to call her Olga. Bill is a junior majoring in conservation in the second semester.

What's in a name?

Shall we try something strictly off the cuff? I was in a Rush trying to get to work on time. The Bus was over Due, and this resulted in my being late for work. My Schuh slipped in my Boots, as I got off the Bus. I was hurrying too fast; my Heel hit an icy spot and I did a few Buckel on the ground. Judges knocked on the Door, I Kermed and limped inside.

As I was working I did something imagining about names.

What a party could be had if Bill, Bob, Goebel, Marinim and Bahr were on the committee?

Would the dormitories' girls' evening of music, be canceled before someone throws Stones(s) and listen to some soothing music, preferably.

Who would stoop Tolo as to make some remarks on names? That's Wright, I'd say.

Cheers to the faculty members at the game last Saturday and Wednesday.

Pointers in Third Place Tie with 61-60 Victory over Platteville

The Pointers came from behind Friday night to take a hotly contested duel against Platteville Pointers by a 61-60 count. The win left the CSTC quintet unbeaten in home play so far this season and sparked them into a third place tie with the Pioneers and Crossers in the Conference standings.

Platteville held a small lead throughout the first half and was in front 32-31 as the period ended. The Pointers came from behind with a rush at the start of the second stanza to increase their lead by seven points before the Pointers, sparked by Tom Curry, started a rally that put them into the lead with just a few seconds remaining on the clock.

Senior guard Bob Hartman was really on as he connected on 7 of 14 shots for a fine 300 average and netted one gift shot to lead the Pointers with 15 points. Curry was the runner-up with nine points.

**Collegiates Overpower Waukesha Muskrats 46-26**

Coach Rayford E. Speth's Collegeteirs rolled to a one sided 46-26 win over the Waukesha Muskrats, in preliminary game played at P. J. Jacobs gym, Friday night. The Collegeteirs piled up a 3 3's lead at the quarter and were never headed after that. Coach Speth used every man on the team in rolling up another in impressive string of victories.

Bruce Menzel paced the local attack as he swished the meshes for 15 points, on five buckets and a trio of charity points. Winkelmans was the top scorer. Muskie as he tipped in 10 marks.

**The Fifth Quarter**

A welcome addition appeared in the Point line-up against Platteville with the name of Big Bill "Mom" Ludwig, who is no stranger to Point-Land fans. Ludwig's outstanding play was a factor in winning the championship last season. Bill was unable to play last season due to an ineligibility ruling which followed his enrollment in another school during the summer season.

Offering the gain of having Ludwig back is the loss of Joe Hadvogt, Joe was tied with Chet Polka, freshman from Moline, for scoring honors during the first semester. Both men finished the first semester with a total of 59 points in conference games. Hadvogt played first-string for the Pointers for three years on the hardwood and turned in outstanding performances on the gridiron. Joe's absence from Central State's sporting activities will be noticed by the student body and his teammates alike.

In the first seven conference games so far this season, Point has scored a total of 375 points as compared with 569 for their opponents. Polka leads the pack with 60 points. Below is the listing of the top 10 CSTC scorers together with their record, year in school and the city that boasts their residence.

**Name** Year City Total Points

Polka, C. 1 Mosinee 66

Faubig, G. 1 Mosinee 60

Hartmann, R. 2 Stevens Pt. 50

Eggart, G. 1 Stevens Pt. 45

Wagner, W. 1 Stevens Pt. 41

Polzehl, E. 2 Plainfield 27

Hartwig, V. 1 Central 24

Ludwig, W. 3 Eagle River 6 One Gm.

Inman, W. 3 Marathon 6 Two Gm.

**In Red" Ludwig was finally chosen as the new head football mentor at the University of Wisconsin. William, former Michigan star, returns to the Western conference after several coaching positions on the east coast. After the truly un- sportmanlike "Goodbye Harry" campaign, let's hope that William is the answer to the Wisconsin football problem.

Among the candidates for the Wisconsin position was Win Bruckmeier who has given many Valley conference coaches headaches. With the hiring of Williamson, Wauasa fans can breathe a little freer and the other Valley coaches can buy some more ammunition.

Getting back to the Teachers conference, high scoring River Falls still leads the pack after winning six and losing but one Point. Currently in third place, still has a chance of a share of the title if (and a mighty big if) River Falls drops a pair of games and the Quakers win the remainder of their games.

The next week is a quiet week for the CSTC cagers as they are idle until a week from tonight when they travel to Eau Claire to meet the Brains. The following evening they play Stout; first of four, for another conference game. On February 13, the Milwaukee Grid-Gulls-invite Pointers for a return game and on February 26 the Pointers go south to match skills with the Quakers at Whitewater. The Quakers end their 1948-49 conference schedule on March 1, when the Titans from Oshkosh make their appearance at P. J. Jacobs Gym. More details and a preview of the coming games will appear in next week's Pointer.
