Paddles, Ties and Ribbons Are Signs of Greek Pledging Season

Dr. Gotham on Symposium

Dr. Raymond E. Gotham appeared on a symposium last night at 9:00 p.m. in the Student Center. His topic was "Educational Opportunities for Youth." The symposium was well attended by church, business and commerce also appeared.

Dr. Gotham is a native of the Ozarks and a former student of Dr. Ralph B. Teeter at the University of Arkansas. He received his Ph.D. from the University of Missouri and his Master's degree from the University of Arkansas.

The symposium was sponsored by the Alpha Chi Omega and Sigma Nu chapters of the University of Arkansas. The symposium was well attended by faculty, students and community members.

The symposium was the first of a series of symposiums to be held at the University of Arkansas this semester. The symposiums are sponsored by the University's Department of Sociology.

Miss Swallow and Miss Ross in Enjoyment Vacation in Ozarks

Miss Marie Swallow, training school secretary, and Miss Carolyn Ruftan, administrative assistant, returned recently from a 2000-mile trip to the Ozark Mountains of Missouri and Arkansas. They stayed in the Ozark Mountains from September 10 to September 15. The trip was made in Miss Swallow's new Dodge bus.

During the trip the sisters visited various locations in the Ozark Mountains, including the Blue Ridge, the Ozark National Scenic Riverway, the Ozark National Scenic Trail, the Ozark National Scenic Byway, and the Ozark National Scenic Byway.

The trip was a great success, and the sisters enjoyed the beauty of the Ozark Mountains. They hope to return to the area in the future.

Pledge to the Greeks on the campus are shown here contemplation a visit to one of their well-recognized landmarks. The tour are from left to right, Jennifer Bowers, President of the Sigma Epsilon; Keira Walls; Chi Delta Blue; Jodi Miller; Omega Mu Chi.

Introduction of Greek in German New Offered

A new course in German is being offered this semester. The instructor is Renner B. Babcock, a German graduate, who recently entered Central.

The course, which meets four times a week on Monday through Thursday, will stress grammar and easy vocabulary. All students are enrolled in the course. There is room for a few more, but registration will close this week. Credit will be offered in proportion to the amount a student is carrying.

Miss Van Arsdale is Selected A.C.E. President

Miss Gladys Van Arsdale, third-year student, was elected president of the Student Council for the coming year. The Student Association for Childhood Education is a member of the national and international organizations for Childhood Education.

Mr. Michelides Williams, second-year student, was elected vice-president of the Student Association for Childhood Education. The Student Association for Childhood Education is a member of the national and international organizations for Childhood Education.
The Pointer

Vol. IV  The Pointer  No. 6

gave up."

It is our sincere hope that the readers of the Pointer will be encouraged to apply these principles to their everyday lives.

Self Governing Body

Reminiscent of the war-time urge to defray the American girl through the purchase of the pin-up pictures, it is reported that several of the candidates for Homecoming queen were removed from wall posters—no doubt to grace bachelor quarters in town.

The "Rah-Rah" business was a maz-ing bit of wit:

The same actor who played John B. Kelly, in the national theater production of "F-d cease to be artistic is classified as vandalism.

It would seem that college students, especially those in a college community, may exhibit better taste in their ideas on what is acceptable and what is not.

Reiner Rodenhauser, a Former German Student, Now at CSTC

Instead of responding to a formal salutation, Reiner Rodenhauser, the German student, who was enrolled at CSTC, is warming to the greeting. "Hi ya, Reiner!" which he now receives from his classmates.

The army transport on which he came to this country docked in N.Y. three weeks ago. A scant four days later he arrived in Stevens Point. He now is in the home of a college instructor, Raymond E. Specht.

Rodenhauser was in the German army from 1941 until the middle of 1945. He was a prisoner of war in an American prison camp in Italy.

Atten tion University of Munich.

After he was released he returned to his home in Bavaria where he had a very nice year of living in an American way.

WGS: Housing Banquet

All college and faculty women are cordially invited to the WGS Housing banquet sponsored by the Women's Physical Education Department, Wednesday, November 30, at the Presbyterian Church hall. The buffet feast will begin at 6:30 and dinner will be served. The evening will be Mrs. Herbert V. Kohler, a very prominent citizen from Kohler, Wisconsin. She will speak on the famous women of Wisconsin.

Tickets will be on sale for $1.25.

Student Organizations

Chill Delta Rho

Everett Hamke, Mel Berg, Bert Carlson, George Mosey, Gray Smiley, Niles Wolfman, Bill Joanic, Gary Nelson and Fred LeLa Leke are currently undergoing the water cure as pledges of Chill Delta Rho. Alums and guests met for a social get-together at Iverdon's on Friday evening, October 28. A banquet was held at the Belmont.

Slight Oak Inn was the scene of the first pledge party held October 23. Arnold Sbertolc, George Mosey, Gene Knutzen and Jimmy Glennon were active and the banquet was an unqualified success. The absent minded professor angle here on the absent minded professor angle has been overworked, but when one can't even recognize his own clothes perhaps it should be mentioned. Dr. Tolo, M. Epple and Dr. Pierson shared a hotel room while at the teachers' convention. Each was traveling lightly and carefully hung up his clothes. Dr. Pierson, who had brought along to wear the following day, Dr. Pierson "made his do" for the day. He had bought a bad enough barrel; collected and mended for his other. It was only to be discovered on Mr. Epple's back. Dr. Tolo led the cheering section.

A thing to be kept in mind by long winded speakers for their audiences—Confucius says: "Mind can be more easily confused than as much as sea can eru-"urce."

Charlie Eichenbush has been passing out cigars right and left since he arrived in Stevens Point with a seven pound, eight ounce son last week.

Evidently Dr. Doudna trains his sons in efficient methods. A student of the Training school watched Gary XX Doudna carefully while she passed out "Save the Cigarette" and round it with "Save the Water Cure." He walked away rubbing his hands and saying: "There! I've done my duty!"

Some gleanings from our sister newspapers that might prove of interest.

From the Concordia Courier comes this "humor." "A professor's life for me is a terrible hardship. There are always students in the window of my class that I have to keep an eye on. It's not easy to teach at B & H." "Boys, some of you are being a bit of a nuisance to the teachers. You have got to do better next term."

Wisdom from the Oshkosh Advance: "In anticipation of mid-winter the Oshkosh offers the following bit of wit:"

"F- st " in nur -es -ses c -om-p -any - N--orun-p -dated -1ick on it."

Some CSTCers could take heed of the "hit" offered.

Scout Training Program

Beginns on November 15

The Boy Scout Leadership training course will begin in the Training school gym on Tuesday, November 15, at 4:00 o'clock. The course is open to provide training for young men interested in Boy Scouting and capable of holding a part-time position will be under the direction of S. W. Kilander, Scout executive, and Charles Eich, Scoutmaster. Dr. Raymond E. Gotham is the training chairman of the Samson District; therefore, all evening meetings which will termi-nate prior to the Christmas holidays. At present, over 25 men have registered. Any others who are interested are requested to come to the Training school office.

The next meeting will be held at 8:00 o'clock in the parish house. Norman E. Keutner will speak on hymanology.

Wesley Foundation

The Wesley Foundation will meet tonight, at 7:30 o'clock, in the den- rec room. Dean Herbert R. Steiner is to be the speaker for the evening. After his talk there will be a discussion period and refreshments will be served.

Omega Mu Chi

Among those who were served at tables decorated in purple and gold were 33 members of Omega Mu Chi sorority at its pledge-alum dinner held Saturday, October 29, at the Sunrise cafe.

A purple and gold flag was at each place, and the center piece of each table was a gold medallion with the Greek letters of the sorority, Omega Mu Chi. The speaker's table had a Homecoming "49" printed in pur-pose of its megaphone. At each side of the megaphone were tall yellow candles. The decorations on the fire-side table carried out the same theme.

Mistresses of ceremonies, Arlene Phillips, Nancy Sanders, Jackie Jenning, Isla Mae Frigber, Carol Mews, Nathalie Hogland and Dor-ores Koshak were at the podium.

Among those present were Mrs. Harold M. Tolo, Mrs. Isola M. Burroughs and Miss Glenon. Mrs. Mary Samter, adviser, was also present.

[See Organizations, page 6]
Hail the Champions! That's the good word about Central State campus this week as vacationing students and teachers returned to find their Pointers had clinched a tie for the Teachers conference football championship.

The Pointers did it in a blowing snowstorm. "Down under," at Whiteswater last Wednesday by a score of 20-15, marking CSTC's first taste for the southern division crown.

Then the lightning flung the River Falls team last Saturday to the other end of the conference, a 13-7 win and one loss.

Each team ended conference play with Jack Potter and Jimmy Koehn outstanding in the Point victories.

Koehn, Keen, and Brandt carried for three successive first downs, with Potter bouncing over left tackle to cap a 44-yard drive for Point's first score. Kulick's successful kick brought a 7-0 count into halftime.

Then late in the initial quarter Jack Brandt scooted around left end from his own 44 to Whiteswater's 19-yard line. Potter failed to gain on two ground tries and then faked back to the pass. Kulick caught on the 15 and carried into the end zone. Kulick's kick was wide and Central State led 7-0.

From then until the third quarter the going was tough. Whiteswater added two points when Brandt was trapped for a safety midway in the second quarter, and the half finished 7-0.

The second half was largely a defense battle with Point's limiter standing off the ever-threatening enemy. Keen, Kuhnen, Kowalsky, Dehler, Shreiber, and Joeuskow bore the brunt of the attack and their efforts were evident in the fact that Whiteswater netted only one score.

Jerry Lison, Jack Leichtenberg, and Dave Bleske played alertly in the secondary and but lesser teams, the Pointers' 20 passes fell harmlessly to the ground.

Potter Again

It was in the midst of these activities early in the third quarter that Point recovering a fumble on Whiteswater's 54. From here Walt Wenseland employed the old "attitude change" to Jim Koehn and the latter slapped all the way to the one yard line. Potter plunged in and Kulick kicked the point to bring the score 7-6.

With 2:45 left immediately began to throw passes but not until the warning bell in 20-15 was rung did it connect for a touchdown. Erickson threw from his own 26 to an end, Miele, who then caught in the end zone. Second later the game ended and the Pointers had captured their first win in 13-7.

The victory was sweet, not only to the team, but to Coach Hale P. Quandt, who paid the Pointers so successfully all season.

The Field Quarter

Well sport fans, "We did it!"

The team that wasn't given much of a building-up by the other schools, is now the co-champion of the Teachers conference. Other schools didn't waste much time talking about the Pointers, but bet we're reconsidering now.

La Fluer and Hansman As' Football Coaches

Two men have been working with the football team all year, most of the CSTCers don't know that they helped to mold the 1949 championship team. They are the assistants to Coach Hale F. Quandt, Jerry LaFluer and Mary Hansman.

Both these men have played an important role as co-officials in the championship outfit of CSTC LaFluer is senior student at CSTC.

Jerry hails from Wabeno High School where he was an athlete. Prior to entering the service he played here at CSTC under Eddie Tietje.

Mary is a native of Stevens Point, winning a host of letters in all sports at P. J. Jacobs High School. He's a graduate of Ripon and has a physical education degree. He too is well versed in football techniques and is an able assistant to Coach Quandt.

Intra-Mural Basketball

Program Well Underway

A large program of intra-mural basketball got underway this week with two leagues in operation. The Alphabet league, which plays Tuesday and Wednesday after school is functioning with eight teams, while the Independent league, which plays Monday and Thursday nights, has the program of total of 10 teams entered this year.

The schedule for the leagues for next week:

Alphabet League

Tuesday, Nov. 20
4:00—ABC vs. STU
5:00—VYYZ vs. PQR

Wednesday, Nov. 21
4:00—DFB vs. MNO
5:00—GHJ vs. KIL

Independent League

Monday, Nov. 19
4:00—P.U. vs. Wonder
7:00—Zippers vs. Tigers
8:00—Blackhawks vs. Stags
9:00—Cavaders vs. Ramblers

Thursday, Nov. 21
4:00—Dodas vs. Raiders
7:00—Giuts vs. Pubs
8:00—Jays vs. Pirates
9:00—Karoos vs. Nothmurers

then could Bob Kofl's Titans do any scoring.

The Purple and Gold line was superb as they operated wide screens and couldn't be tackled or handled. The Kofl forward wall of defense that the Oakshooghockground attack was held to a minus five yards, for the entire game.

Game Captain Jimmy Koehn and Ken Kulick each crossed the Titan goal twice. Kulick also accounted for four passes to score a total of 16 points.

Congress to Coach Quandt, his assistants, Jerry LaFluer and Mary Hansman, and the team for really bringing home the bacon to CSTC.

What a game it be if the conference leaders, LaFluer and CSTC, were to meet. Both teams are powerhouses but our money will still ride on CSTC. That's great.

Speaking of great teams, "Try" Williamson hasn't done bad down at Wisconsin, either. For a team that was picked to do nothing, they're doing all right. Don't count them out of the Rosebowl scramble yet. It would be nice to see the fighting Badgers out at Pasadena come New Year's Day.

There's a fellow around the college who's busy with athletics all the time, day long. The man of course is George R. Berg, men's Physical Education director and director of intra- mural sports. There's always a sport going on for every man in the college and Mr. Berg handles all of it. Each year the program gets larger. If you don't think he's busy, take a look at the intra-mural bulletin board. It'll give you some idea of all he has to do. You sometimes wonder if he hasn't got an extra set of arms.

Stevens Point reprised a bountiful harvest in championships this year. The high school took the Valley conference honors and the Pointers the Teachers college crown. With basketball getting under way at both places, perhaps they can carry on in championship style. We hope so. There's always room for more trophies.

Here are the men who directed the 1949 CSTC Pointers to their first championships in the combined State Teachers college. In this set to right are Jerry LaFluer, assistant coach, Head Coach Hale F. Quandt and Mary Hansman assistant coach.
Breathe Easy, Boys
It’s Over for a Year

Dogpatch for a night — that was the name given to the dance and weddies Wednesday, November 9, from 8 to 11 p.m. The costumed fellows and gals of CSTC were the residents of this mythical mountain town. The event was sponsored by the Student Senate and sponsored by the YWCA. Admission was by marriage license or Stomos and a tag from a backwoods "gat-togadder." There were plenty of folk-knobs on the walls, cider and doughnuts to eat and a little corner devoted to Lower Slobovia.

The evening’s entertainment was provided by five "live" lovelies in a humorous skit as part of the floor-show directed by Angie Wittman. They were Joan Jewell, Mary Seegmiller, Harriet Hennig, Betty Rae Warner and Ruth Fiedler. Patty Harrison and Margie Finch were in charge of decorations and refreshments.

ORGANIZATIONS

(Continued from page 1)

A radio broadcast anyone interested in music can spend a pleasant half-hour every evening at 3:15, listening to the Radio Workshop broadcast over WBLI. The Music Album, which features classical and semi-classical music, under the direction of Daryl Fonstad and Burnett Burch, offers excellent entertainment. Featured this week is the Celtic fiddler who can compose, Deems Taylor. The program will be built around this suite, "Through the Looking Glass." The imaginative music is based on Lewis Carroll’s immortal fairy tale, "Through the Looking Glass and What Alice Found There." Follow along.

The College Round Table offers an interesting discussion today. "What I Expect From College Education" is the topic for this week’s broadcast which will be under the direction of Frederich A. Kremple.

The mail box — it is coming in for a program under the direction of Ed Pliska and Arlene Kromroy. The letter, every Tuesday at 5:15, seems to have many listeners. The next book to be reviewed will be "Green River." You younger friends would enjoy it, too.

The Phi Sigs were very proud of their candidate, Marjorie Finch, who was chosen to reign as Homecoming Queen.

Now that Homecoming is but a memory the Phi Sigs have turned their thoughts to the matter of pledging. The new pledges are the following: Don Janschke, Eugene Polzin, Don Rumm, Tony Whelihan, Lee Miller, Bob Worth, Gilbert Chick, Frank Schmiedl, Carl Bril and Bob Okray.

Gammas Delta A rolling skating party, arranged by George Negley, was thoroughly enjoyed by members of Gamma Delta at the armory on Thursday evening, October 27. Modern and old time box and jive tunes were played for the skaters.

Ernie Yanke, club president, handled financial arrangements, while Doris Zimpelmann took charge of refreshments.

Band Formations Are Result of Hard Work

Among the new events at the ’49 Homecoming celebration was the formation marching of CSTC’s band. Peter J. Mitchell and Walter R. Sylvester worked with Walter Peterson, band president, Harry Hemstock, Carl Brill, and Fred Brewer, as a committee of band members, to help perfect the formations the band displayed at the half of the Homecoming game.

The program began as a maneuver of lead soldiers on a replica of the football field. As the program progressed, the band members were given numbers which were to be their stations in the formations. They practiced first without instruments. Then, after perfecting the footwork, the band carried their instruments and practiced keeping their tempos to the music.

In the coach-pumpkin formation used at the game great care was given to practicing the “in and out” movements to allow for the least amount of motion possible. Each band member was furnished with a mimeographed copy of the formation on how to return to his particular position.

The band selection “After the Ball” was arranged by Jack Whitcomb.

Mr. Sylvester has expressed the desire of the band to give an extra program for a marching band during the coming year.

HOMECOMING

(Continued from page 1)

leaders led cheers and the pep band played. Miss Adeline Levin was speaker at the rally. Following the broadcast, informal dance was held in the Training school gym.

Saturday brought the parade, the alumni luncheon, the big game and the Homecoming banquet in the P.J. Jacobs High school gym with Jimmy James’ orchestra.

The event-filled Homecoming weekend was concluded with a concert by the Men’s Glee club, directed by Norman E. Krutzner, on Sunday afternoon.
