## 1949 HOMECOMING BEGINS FRIDAY!

The voice of CSTC unity, the Cheerleaders club, is pictured here as they prepare for the gala 1949 Homecoming celebration by running through several snappy routines. From left to right, Nancy Sannes, Colleen Rybicki, Carole Gilbertson, Gordon Sorenson, Irene Morris, Betty Kusserow and Dorotheanne Rebella.

### Homecoming Concert Marks First Appearance for Men's Glee Club

The Men's Glee club, under the direction of Norman E. Knutzen, will make its initial appearance of the season at the annual Homecoming Concert at 2:30 p.m. on Sunday, October 30, in the college auditorium. The group, consisting of 78 voices, will feature songs of a lighter vein.

Soloists for the club will be Wayne Salter, tenor, and Frank Kostuck, a 1949 CSTC graduate, baritone. The accompanists are Robert Karsten and Frank Wesley, pianists, and Bertam Davies, organist.

The following program has been prepared for Sunday's concert:

"The Purple and the Gold" Pray-Percival; "Just Singing Along," Moore; "I Heard A Forest Praying," DeRose; "So Far" from "Allegro" by Rodgers; "Joshua Fit de Battle ob Jerico," Strickling-Webster.

After this first group, John Kowaleski, president of the Student Council, will extend greetings, followed by a tenor solo "Come Back to Sorrento," Ernesto de Curtis, sung by Wayne Salter, and a piano duet.

### Nelson Hall Open House After Homecoming Game

An open house will be held at Nelson Hall in the recreation room Saturday afternoon immediately following the game. Cider and doughnuts will be served. Everyone is invited and the atmosphere will be strictly informal.

Some of the rooms at the dorm, all with new furniture, will be open for inspection. Harriet Hennig is chairman of the open house, with Dolores Kosbab and Letitia Brunner as co-chairmen of the decorations committee.

Added attractions are the Alumni association luncheon at 12:45 on Saturday and the annual Homecoming dinner for Nelson Hall alumni and residents Sunday noon.

"Malaguena," Lucuona, by Frank Wesley and Robert Karsten.

President William C. Hansen will then give a speech of welcome to the alumni.

The second group of Glee club numbers includes: "Dry Bones," Watson; "Mosquitoes," Bliss; "O Susannah," Foster-Cain; "Stout-hearted Men," Romberg.

Frank Kostuck, '49, will then sing selected baritone solos.

The last group is comprised of "Oklahoma" from the musical by the same name by Rodgers; "The Sleeping Lake," Pfeil-Wilhouky; "Some Enchanted Evening" from "South Pacific" by Rodgers; "You'll Never Walk Alone" from "Carousel" by Rodgers-Ringwald; "Now Is The Hour" by Scott-Stewart.

### Wisconsin Teachers to Invade Milwaukee for Annual Convention

The vast majority of Wisconsin's 25,000 teachers will journey to Milwaukee on November 3-5 for the annual Teachers Convention held there at the auditorium. Educators from all corners of the state will listen to prominent speakers at general meetings each morning. In afternoon's the teachers, at sectional meetings, will hear specialists in particular fields of education.

Miss May Roach, Dr. Edgar F. Pierson and Arol C. Eppl will attend.

Because the college will be closed during the WEA convention on November 3 and 4, there will be no Pointer next Thursday. The next Pointer will be published on November 10. According to President Hansen, school will close after the last class on Wednesday afternoon.

tend the convention as delegates from the college. The CSTC delegate to the Association of Wisconsin Teachers colleges, which meets in Milwaukee at this time, is Kenneth

### The Order of Battle

The route of the Homecoming parade will be south on Fremont to Clark st., west on Clark st. to South Second st., north on South Second to the square and then east on Main st. back to the college.

The following is a tentative list of the order in which the floats will appear in the Homecoming parade, says John Kowaleski, Student Council president:

Band, Queen's convertible, Student Council members, President Hansen and Regent Delzell, Tau Gamma Beta, Home Economics club, Cheerleaders club, LSA.

Wesley Foundation, Phi Sigma Epsilon, Girls Glee club, Nelson Hall, Chi Delta Rho, Gamma Delta, WAA;

Faculty, Alpha Kappa Lambda, Omega Mu Chi, YWCA, Men's Glee club, Driver Education class, Newman club, Pointer;

Co-op, Freshman class, Primary, Rural Life, Sigma Zeta, "S" club.

### Student Council Announces Plans

With much gusto, the Student Council has announced its plans for what it says will be the biggest and best Homecoming in the history of CSTC.

It will all start off with Hobo Day tomorrow afternoon. Students and faculty alike will parade through the halls of this institution of higher learning, clad in rags, barrels, or whatever else they may imagine is this year's fashion among the hoboes. At three o'clock everyone will assemble in the auditorium for a pep assembly. It is at this assembly that the worst looking "bum" will be selected and crowned "King of the Hoboes."

The results of the Homecoming Queen election, which is being held today, will be announced at the assembly and the coronation of the queen by the football captain will follow. She will be presented with a unique crown made for the occasion by the art department, and a bouquet of American beauty roses from the Student Council. At five o'clock in the afternoon she will appear as a guest on a WFHR radio program which will be broadcast from the college studios.

### Band Prepares Colorful Program for Homecoming

As an important part of the Homecoming festivities, the band has prepared a varied and colorful performance. Its part will begin at 10 o'clock on Saturday morning when it will head the parade as it marches from Fremont street to Clark, down to the Public Square and back to the college on Main street.

At 1:30 p. m. the band will march from the college to the Main street gate of Goerke Stadium and remain at the south goal during the time for pre-game practice. As the teams finish practicing the band will form a big "H" and spectators will answer "Hello." After this greeting the "Hello Song" will be played and sung. At this time the alums will form a small "A" below the "Hi", while the band breaks into "Auld Lang Syne."

Half-time activities will include maneuvering by the Oshkosh band. Later, the CSTC band will greet Oshkosh by forming a large "O" in front of the visitor's bleachers and playing "Hail, Titans," the Oshkosh school song.

The Homecoming queen will be honored by the use of a Cinderella theme. A huge pumpkin formed by the band will break into a coach and on the drum roll the queen will enter and leave this coach. At the strike of twelve gongs the coach will become a pumpkin again and the band will play "After the Ball." The alumni will then march into the pumpkin to form a jack-o-lantern face. As a fitting climax the entire group will form the letters "CS" and close with the playing of "The Purple and the Gold."

### Here Are the People Who Are Responsible

Some new names and some old ones appear in the complete masthead of this issue of the Pointer. The biggest changes have been in the business staff where Ed Pliska has succeeded Al Braem as business manager. Jim Wood has replaced Earl Cotter as circulation manager, Elmarie Sbertole and Bill Shinkan are the new advertising manager and assistant business manager, respectively. The masthead is complete in the sense that the newspaper has a workable and fairly dependable staff. However, there is always room on the paper for conscientious workers who have some ability as writers or ad men. The business manager, especially is in need of assistance.

The complete staff is as follows:

Editorial Staff  
Editor-in-chief — Arthur Witalison, 830 Clark, Phone 2707-W;  
News Editor—Janice Sisley; Assistant — Gretchen Holstein; Composition editor — Fred LaLeike; Assistants — Ray Venn, Dave Van Hecke; Sports editor — Dick Turzanski; Assistants — Joe Boettcher, Jim Hyer; Features—George Greathouse, Phyllis Kasper, Bob Marsh, Patricia (See STAFF, page 8)

### The Candidates

The candidates for homecoming queen this year and their sponsors are Nancy Sannes, the "S" Club; Joan Swan, Alpha Kappa Lambda; Carole Gilbertson, Chi Delta Rho; and Marjorie Finch, Phi Sigma Epsilon.

A hot time will be had by everybody at the bonfire rally on the north campus at eight o'clock Friday night. The queen, herself, will be the one that lights the fire. The Phi Sig band and the cheer leaders will be on hand to supply the music and cheers. It is rumored that the cheer leaders have some new and really collegiate cheers to offer for the occasion.

Immediately following the bonfire the Student Council will sponsor a dance in the gym of the Training school. The music will be by "Ray Cording and his bands."

Ten o'clock Saturday morning will be the time of the big parade. The parade will be led by the Homecoming Queen and her court in a con-

### Many Activities Slated For Alumni Association On Homecoming Weekend

Reorganization of the Alumni association will be considered at a business meeting of alumni in the college auditorium on Saturday, October 29, at 12 noon, with Dr. Virgil E. Herrick, president of the association, presiding.

After the meeting an Alumni-Faculty luncheon will be held at Nelson Hall at 12:45 p.m. The Oshkosh-

### Welcome Alumni!

We are happy to greet all the alumni of Central State in the name of our Alumni association.

We hope that Homecoming will mean exactly what it says to those who are able to be here this weekend. To those who are unable to come we send these greetings and the wish that you reserve this time each year for your return to familiar scenes at Central State.

Sincerely,  
Virgil E. Herrick

Point football game will occupy the spotlight at 2 p. m. Alums will march to the game in a body led by President William C. Hansen and the Homecoming Queen. Seats will be reserved in the stadium.

During the WEA convention at Milwaukee alums will meet at the Schroeder hotel from 3:30 to 5:30 p.m. on November 3 for an informal get-together.

## Can't Stop To Concentrate

"I've gotta shave tomorrow night or my girl won't go out with me." The above comment pertains to the hilarious costumes and long beards that will be seen on Hobo Day, so let's get out and make it the most amusing contest that CSTC has had!

To balance the scales of justice, and to alleviate the shock of looking at the Hobo King, vote for the beautiful gal to reign over the festivities. Take your pick of Finch, Gilbertson, Sannes, or Swan . . . all worthy of the title of Queen of CSTC Homecoming.

A business man in town who has noticed the trend which college students follow each weekend in "taking off" for far distant parts of the state wagged that even with the big social weekend planned 60 per cent of our student body would be gone. Is our college spirit slipping?

In Miss Hansen's Education 225 class, while discussing tests, Bill Koch came up with this remark about the honor system: "Yeah, the teacher's got the honor and the students have the system." (Could be!)

While on the subject of tests this conversation was overheard in the Campus Cafe between Bill Bart and Jack Chvala.

Bart — Hear you had a test today, Jack.

Chvala — Yep! This time I knew what subject it was in though.

Bart — Were there any trick questions?

Chvala — Just two. One was "What color is the textbook?" and the second one was "Who was the author?"

Description of a sad person by Mr. Steiner: "He had a face long enough for four pairs of eyes."

The Training school comes in for its share again this week. One of the 3rd grade boys explained what the inner skin, or dermis was. "It's the body's underwear!" sez he.

Another 1st noticed a sorority pin on his student teacher. He pointed to it and said, "Are you a so-RARE-itty

## Urge Students to View Exhibit in Art Room

Several stories have been in the Pointer calling attention to the Gimbel Wisconsin Centennial art collection which is now on display in the art room, but according to Miss Edna Carlsten, art instructor, the response has been negligible.

Students who have viewed the exhibit express favorable opinions and urge those who have not seen the paintings to visit the art room before November 8 when the collection will again resume its tour of the state colleges.

## German Student Enrolled at CSTC

A student from Germany is now enrolled at CSTC. He is Reiner Rodenhauer of Munich, who has just arrived in the United States and has come to the college to study this year.

Recommended by the military government and the education department in Bavaria, Rodenhauer was given a scholarship to an American college by the Institute of International Education. He chose to come to CSTC after hearing about it in Munich from Miss Gladys Van Arsdale, third grade supervisor at the Training school, who was sent by the United States government as a specialist in education in Germany from 1916 to 1918.

Mr. and Mrs. Masten, proprietors of the College Eat Shop, better known as Merv and Irene, show here the friendly way they have greeted college students for the past ten years. Their smiling faces are known to a host of CSTC students.

## Irene and Merv Put "Homey" Touch Into Life at College

There'll be alums from many past years coming back to their Alma Mater, CSTC, but it is doubtful if any will remember how the Eat Shop looked 52 years ago when it opened for business.

It was a quiet little grocery store then — with cheese, crackers, school supplies, spices, and sugar being the chief commodities on sale.

Seventeen years later meals were served although the grocery counter still constituted the mainstay of the business.

In September, 1939, the present owners, Mr. and Mrs. Merv Masten, known by all as "Irene and Merv," took over. They began to change and improve the place by putting

"Since we have no children of our own we take care of other people's," they say.

Some time during the day, students, faculty and outsiders from town stroll over to the Eat Shop for a delicious meal or run in for a quick cup of coffee before a class or a business engagement. If only the walls could talk! They have been covered with so many dance posters, announcements, etc. and have heard heated discussions, friendly arguments, boy-and-girl problems, and "inside dope" on faculty tests to such an extent that their story would be more than an interesting one. Here, people feel like talking because they feel at home.

## Apple Pie and Coffee

Merv and Irene say that a college favorite seems to be apple pie and coffee, and can name many of the foods to which students from this college are partial. The only time the Mastens get to "sneak off for a few week's fishing trip" is during the month of August when summer school is closed.

"We're proud of the way we handle food!" says Merv. Merv and his smiling wife, Irene, are ideal proprietors, for many a student has laughed and grown fat in the atmosphere of a favorite college hang-out and eating place near the campus. The College Eat Shop is almost as much a part of college life as the school itself.

## Third Annual In-Service Teacher Training Conference Friday

The third annual In-Service Teacher Training conference will be held on Friday, October 28, beginning at 9:30 in the Training school assembly, says Dr. Raymond E. Gotham, director of the Training school.

The program will open with a welcome address by President William C. Hansen at 9:30 a.m. Immediately following, the entire group will be divided into grade and subject areas to meet with their respective supervisors. It is expected that a large group of recent graduates now in the teaching field will return for the conference.

At 11 a.m. the group will again convene in the college auditorium where President Hansen has scheduled an address by Charles Walden.

## Spande Wins Promotion At Oregon University

Students and faculty will be glad to learn of a recent promotion given to Miss Myrtle Spande, former director of women's physical education here.

Miss Spande left here last January to become assistant professor of physical education at the University of Oregon in Eugene. This year she has been made head of Teacher Training in the physical education department at the university there.

Curriculum Coordinator of the Department of Public Instruction. All Juniors and Seniors are expected to attend this assembly.

Luncheon will be served at Nelson Hall at noon, thus offering an opportunity for an informal discussion of common problems.

At 1 p.m. the directors of the divisions will meet with those of their group, and at 2 o'clock conferences will be planned with department chairmen and faculty members.

## Page and Stone Dance Before Capacity Crowd

The performance last Monday evening of the Chicago Grand Opera Ballet, starring Miss Ruth Page and Bentley Stone, was enthusiastically received by a capacity audience of students and faculty.

Gay and humorous numbers by the company of 20 accented to the program. Especially well-liked were solos by Miss Page and Mr. Stone as well as their "pas de deux" numbers. Outstanding selections included "Beauty and the Beast," "Slaughter on Tenth Avenue," "Dance of the Hours" and "Harlequinade."

Colorful costumes and effective lighting added much to the performance.

## STUDENT ORGANIZATIONS

## Chi Delta Rho

The activities of Chi Delta Rho fraternity have been somewhat unique this week in that preparations for a Homecoming gathering of members of other years and plans for the "indoctrination" of new members are being made at the same time.

Looking to its alumni association, Chi Delta Rho extends to each the invitation to celebrate this Homecoming with them. The weekend activities are to be initiated with an informal party at Iverson Lodge on Friday night. Following the football game a lunch will be served to the alumni and their guests at Iverson Lodge. A short meeting will be held before adjournment to the homecoming dance.

To the prospective members also Chi Delta Rho extends its welcome even though it may appear that the sentiments are not exactly friendly with three weeks of pledging just ahead. The "smoker" held Sunday night at Selk's Burr Oaks Inn was attended by some 15 guests. Invitations have been dispatched for a dinner which will also be held at Selk's Inn on Thursday, October 27. The event sparks the familiar rush of pledging activities.

## Omega Mu Chi

A globe lighted from within and encircled by colorful flags of the countries belonging to the United Nations was the centerpiece for the Omega Mu Chi rushing party held Tuesday night at Marjorie Crosby's home. The United Nations theme was further carried out in the costumes worn by those presenting the entertainment for the evening.

As favors the guests received ornate hats in patriotic colors. Mrs. Judy Graham Lane, an alumna of the sorority, was guest speaker for the occasion.

Jean Robertson was the general chairman of the party. The other committees were as follows: Invitations, Arlene Kromroy, chairman, Beverly Tibbetts; transportation, Marjorie Finch, chairman, Marilyn

Knope; food, Joyce Kriger and Marilyn Bobbe, co-chairmen, Nancie Goebel, Suzanne Swanke and Mary Schadewald.

Ginny Greiner and Julie Dean acted as co-chairmen for the entertainment, along with Esther Berndt and Helen Offerdahl. On the decorations committee were Gretchen Holstein and Lucy Chappell, co-chairmen, Joan Fehrenbach, Ruth Finch and Mary Connor.

The alumni-pledge dinner will be held at the Sunrise next Saturday evening at 6:30 o'clock. Nancie Goebel is general chairman for the dinner.

## Sigma Zeta

Members of Sigma Zeta, honorary science fraternity, held a social evening Wednesday, October 19, at the Faust cottage at Waupaca.

Mr. and Mrs. Bernie Alberg (Mrs. Alberg, the former Bess Jones, is an alum of Sigma Zeta) were in charge of the supper preparations.

Guests for the evening included Miss Bessie Mae Allen, Dr. Roland A. Trytten and James R. Hicks.

At a brief business meeting the initiation of new members, which will be held at the next regular meeting, was discussed. Members are requested by Elroy Gotter, president, to watch the bulletin board for an announcement of a special meeting and committee assignments.

## Tau Gamma Beta

The Tau Gamma Beta sorority held its fall rushing party at the

## Specht in Chicago For Safety Conference

Raymond E. Specht, organizer of the driver education courses at CSTC, is attending a meeting in Chicago for the purpose of reviewing the element of safety and how it should be applied to driver education.

The meeting, sponsored by the National Safety Council, is being held at the Morrison hotel.

# Homecoming Spirit Is Traditional; Only the Names and Faces Change

Almost as far back as anyone can remember, the event that has had that extra something, the event to which both the alumni and the student body look forward eagerly each year, has been the Homecoming — the annual crowning achievement in college social life.

And no wonder. Each new season brings new thrills for some and brings back cherished memories for others. It instills in everyone the sense of competition, fair play and belonging that are so important in college life.

Homecomings never change. True, each year there is a change in competition, but the spirit and traditions are always constant. The pep talks, the dances (snake and otherwise), bonfires, parades and games all seem to blend together into one dramatic and comprehensive feeling. And that feeling is Homecoming.

Looking back over the years (through old Pointers) it is possible to capture the significance of this event:

**1925 —** "Real pep talks and much excitement" characterized the 1925 Homecoming. At the pep assembly the auditorium was filled to capacity although there were only half as many students there as there are today. Miss Roach gave a pep talk and "a quartet of pumpkins sang several appropriate songs." Herbert R. Steiner was suspected of being one of the pumpkins.

A Homecoming parade was held early the next morning and was described by the Pointer as "best yet" and a banquet was held by the members of the Pep club.

Then in the evening Point played River Falls in a nip and tuck battle and emerged — the loser. But the student body bravely tried to make the best of it and went to the Homecoming dance at Moose Hall anyway.

**1930 —** Mr. Steiner presided over a mass meeting which President Hyer addressed and Miss Roach aided by her inevitable but pleasing presence. The meeting was followed by the usual snake dance and bonfire and committees from various organizations then prepared their floats for competition on the following morning.

Early the next day, the college band led a variety of floats through the main street of Stevens Point. The Sigma Zeta float took first prize, the WAA was second and the Round Table was third.

After an alumni luncheon, every-

The latch string is always out to the alumni and friends of CSTC. However, October 29 is a special occasion. It is a gala affair. The students and faculty are ready to greet you. A program of events will entertain you. We hope you will meet many of your pals; learn the news

one met at the east entrance" and "trouped out onto the field in a body." The game was with Oshkosh and the Pointers again lost 7 to 0.

"One reliable source suggested that 'the student body turnout was over 100%.'"

**1935 —** CSTC was almost denied a homecoming. In its October 10, 1935, issue, the Pointer released the discouraging news that there would be "no more '35 conference games because league officials claimed that Point broke pre-season training rules." Point, however, found a non-conference team, Illinois Wesleyan, for the Homecoming contest.

"Wrote one student in the Pointer, 'A pep talk was enjoyed by all; a pep talk by that most peppy of faculty members herself, Miss Roach.' The Phi Sigs took first place honors with a float that depicted the 'Hair raising execution of old man Illinois Wesleyan.'"

Point lost, 7 to 0.

**1940 —** Point hadn't won a Homecoming contest since 1934 and their last victim had been Oshkosh. In 1940 the Pointers again met their old time rival at Schmeckle field.

The pep meeting was held on a Thursday morning. Miss Roach and Dean Steiner "gave out with some excitement" and the rest of the faculty gave out with their own rendition of "Hail to the Varsity" and "The Purple and the Gold."

The joint first prize winners of the float contest were Nelson Hall and Omega Mu Chi. They both presented the idea of a mock wedding of Stevens Point and Victory (which worked).

Point won 12 to 0.

**1945 —** The first homecoming since 1941 was held and Stevens Point played Whitewater. The Pointers won 13 to 6.

The most extraordinary event of the Homecoming, however, was the traditional dance staged in the Training school gym

women outnumbered the men 4 to 1! "Hi Alums! It's good to see you back on our campus again. CSTC welcomes you and hopes you will have a good time renewing old

friendships and making new ones. Every Pointer is looking forward to your coming and hopes you will have a gala week end."

Elizabeth Pfiffner, Dean of Women

and perhaps a juicy bit of harmless gossip. Visit the old haunts, recall memories of the past. And most of all help us to cheer our team to victory in the Homecoming game.

A cordial welcome awaits you. Bessie May Allen, Chairman Faculty, Alumni Committee

above."

ALMA MATER

"Hail! Stevens Point, the school supreme

Central College, thou art queen;

Hail! Alma Mater, thee we love;

For us thou art all other schools above."

There comes a time, as the saying goes, when the tables are turned. This "time" is designated as Wednesday evening, November 9 when the YWCA will hold their Saddle-Hawkins dance. The time proper will be from 8 to 11 p.m. An admission of 30c per person or 60c per couple will be charged.

The price of admission includes a floor show, but the refreshments served in true Dogpatch style will require a slight additional fee.

Girls, according to Jackie Jennings and Harriet Hennig, co-chairmen of the dance, should take advantage of the "turned tables" to get dates. They should dress in the finest Dogpatch style and come to the dance.

Decorations will follow the traditional theme of L'il Abner charac-

Greetings, Alumni!

We are glad to have you back on the campus for a day or two and we know that you are also happy to be back to visit with old acquaintances and friends and to meet new ones. We know that you will enjoy the Homecoming parade and the football game and the dance. We hope you will also be pleased to know that steps are being taken to form a more active alumni organization.

Your college is interested in your achievements and your successes and we always stand ready to be helpful in aiding you to secure deserved promotions. You are also interested in the successes and achievements of

your college because that will reflect prestige and credit to you as an alumnus. So you will be interested in an active Alumni association working for the interests of Central State Teachers college. Be sure to attend the business meeting at noon on Saturday in the auditorium and the luncheon immediately following at Nelson Hall.

These meetings will close in time to attend the afternoon football game. Don't forget the Men's Glee club concert on Sunday afternoon. It will be a fine closing for a good Homecoming week-end.

## Wisconsin Unit of "The Association for Student Teaching" Now Organized

A Wisconsin unit of the national organization "The Association for Student Teaching" was organized at the Oshkosh Teachers college last Saturday. This meeting grew out of preliminary plans made at a conference held at Central State last year, at which time Dr. Raymond E. Gotham was made temporary chairman and Dr. Glenn Eye of the University of Wisconsin, who is on the executive committee of the national organization, was the main speaker.

The following were elected to offices in the Wisconsin unit: President, Dr. Raymond E. Gotham, Stevens Point CSTC; Vice-president, Dr. C. E. Von Eschen, Beloit college; Secretary-Treasurer, Miss Lulu Kellogg, Wautoma County Normal.

Dr. Margaret Lindsey of the Teachers college in Terre Haute, Indiana, gave the main address on the subject "Guidance of Student Teachers in Developing Understanding of Leaders."

Miss Elsie Grime, kindergarten supervisor at Central State, was a member of a panel on the subject "By What Standards Do We Determine an Effective Practice Teaching Program?"

Committee chairman for the dance include the following: Publicity, Joan Jewell; decorations, Patty Harrison; food, Marge Finch; records, Ruth Lang; floor show, Angie Wittman; tickets, Barbara Clark, and clean-up, Phyllis Mykleby.

## THE PURPLE AND THE GOLD

"Other schools of valor boast,  
Of victories galore,  
Of laurels never lost,  
Of triumphs by the score;  
Let them tell you of their prowess,  
Of warriors strong and bold,  
But their colors ever lower  
To the Purple and the Gold.

To the banks of old Wisconsin,  
When years are past and gone,  
As schoolmates we have parted,  
Our lessons all are done,  
We'll return and show our comrades,  
We're loyal as of old,  
And cheer them on to victory  
Neath the Purple and the Gold."

## NOTICE

The library will repeat Library Science 101 beginning the first week in November. This is an introductory course in library methods, meeting two times a week to the close of the semester. It carries one hour credit and is open to all students carrying credit hours of 17 or less. Hours are to be arranged. All students interested should enroll with Mr. Kampenga as soon as possible.

N. R. Kampenga, Librarian.

## NOTES FROM OTHER COLLEGES

Down at Milwaukee State things are made handy for the students. Each student has a mailbox near the main entrance which organizations and faculty members use for special notices.

Superior State is, like CSTC, producing "The Rivals." The College Players are presenting the play in late November or early December.

Pity the freshies. At River Falls plans are being made to have Freshmen wear beanies until Homecoming on November 5. Included are plans for a sophomore court to punish offenders. One suggested penalty was for the offender to scrub the college steps with a toothbrush.

Those lucky students at St. Norbert's college are to be envied. During the war years the stacks were closed because of loss of books, but this year the faculty decided to try the open stack plan. However, the stacks will be closed if trouble develops.

According to the Oshkosh "Advance" the Freshman know four things about homecoming. They are: 1. Homecoming is in October; 2. There is to be a queen; 3. They have to vote for a queen; and 4. It will probably rain.

Under the new constitution adopted by the student body at Eau Claire Teachers college last year, there are three branches of student government set up — executive, legislative, and judicial. Although there were legislative and executive branches previous to this constitution, the judicial means the inauguration of a working student court, composed of five members.

The court will have the power of penalty, ranging from denial of privileges in the Union to expulsion from the school if the offense warrants such action.

At Whitewater on November 13-14, a student cast will present a stage version of that comedy romance "John Loves Mary," written by Norman Krasna.

Over at Platteville a group of girls unsuitably attired in housecoats serenaded the men's dorm with "Are You Sleeping, Brother John?" There are several residents in the dorm named John and it has not been determined who was responsible for the entertainment.

(See NOTES, page 5)

## Dear Alumni:

To some of us who have retained close association with CSTC through the years, homecoming is always a treasured experience. We are happy to have this opportunity to re-

new old friendships and learn all about your progress. We extend to you our warmest welcome. Have a good visit and a good time and meet as many of our new students as time will permit.

Sincerely,

# Pointers Need Homecoming Win Over Oshkosh for Title Share

The most hectic Homecoming since the cornerstone of the school was laid back in 1891 will reach a pinnacle Saturday afternoon when the Oshkosh Titans roll into the Goerke field coliseum.

Students, alumni, townfolks and Purple and Gold followers will have to search the record files a long time before a situation quite like this one will be found. The setting for this duel was laid last Saturday in the regions of the Mississippi River. The terrific explosions heard during the afternoon of October 22 weren't the duck hunters or Stephen Foster's "Old Man River" turned into be-bop.

The cause for excitement, however, was Stout's victory over La Crosse coupled with a Pointer win over the Pioneers of Platteville. When the sun was last seen rapidly disappearing in the vicinity of the Iowa-Minnesota boundary, the league was deadlocked in a tie between LaCrosse and the Pointers.

That brings the scene up to date for the big attraction. The CSTC's will go into the feature tilt with Oshkosh geared up and excited by 24 hours of Homecoming merriment and also eager to finish their task and return to the banquet hall where 24 hours of celebration are promised. The enemy from the Hellsport, or is it Lake Winnebago, will be out to wreck any championship dreams of the Purple and Gold. Not only will first place be at stake, but a string of four consecutive Homecoming victories will have to be kept intact. The last time a homecoming crowd here was disappointed was in 1941 when a Whitewater team beat the Pointers 19-13.

Despite the fact that the boys from the overall capitol own only one league victory, they "will be up" for this one. Coach Kolf's crew upset the apocryphal a few weeks back with a victory over a favored Superior team and he might be able to work his boys up to victory fever by two bells Saturday afternoon.

## La Crosse Indians Win, Beat Pointers 41-18

A victory in Cross Country track seems to be an elusive thing for Coach Frank Crow's harriers. Once again they lost to the LaCrosse Indians, this time by an 18-41 score in a meet held at La Crosse last Saturday. Plumb, Felton, and Tesnow, all of the Indians, tied for first in the 3.3 mile race running the circuit in 18 minutes, 34 seconds. Strand of La Crosse nosed out State's Bob Gilbert for fourth place and Chet Polka finished sixth in 19:53.

The La Crosse runners jumped off to a big lead which they were able to maintain over a course unfamiliar to the Pointers. The race was run as part of the LaCrosse Homecoming celebration, and brought Point's cross country season to a close.

## Quandt Calls '49 Grid Squad His Best at CSTC

"By far, the best team I've coached here at CSTC" was the thought expressed by Coach Hale F. Quandt about the 1949 Pointers. He spoke very highly of the members of the team, commented on their great spirit and will to win. "Really a great bunch of fellows to work with," were the sentiments expressed by the coach.

He also pointed out that Oshkosh is going to be plenty tough to beat on Saturday. Coach Bob Kolf's Oshkosh squad is paced by two very fine backs, Listle and Luker, and a fine end in Schneider. The entire league is tough this year, according to Quandt, and any team could defeat the other. If one team is off and the other on, the scales of victory can easily swing.

This is Coach Quandt's third year at Central State, his second as head football coach. He's a native of Wausau and was quite an athlete there in his high school days. He started his coaching career at Cuba City and went to several other high schools before coming to Stevens Point. Just prior to coming here he coached at Tomah, where he ran up an amazing record. His football teams were undefeated in four years, running up a string of 32 wins. His basketball teams won the Gateway and West Central conference championships for four years and appeared in the state game tourney an equal number of times.

When asked about the outcome of the Homecoming game, all he'd reply is, "We'll be in there playing."

## The Fifth QUARTER

We're all "In the Mood" for "A Dreamer's Holiday" and come Saturday everybody will be celebrating in a "Room Full of Roses." The Oshkosh Titans will be in town but "All That Glitters Is Not Gold." When the Pointers start passing, the Titans will think the "Riders in the Sky" have returned but we'll be "Doin' What Comes Naturally." As our backfield start clicking, Oshkosh will ask "Where Are You?" but "Don't Cry, Joe." That's Your Weakness Now.

The Pointer line will be humming the "Too Fat Polka" while the opposition cries "Gotta Get Me Somebody To Love." Touchdowns will be a "Dime A Dozen" "Forever and Ever." The Titans surely will have a "Jealous Heart" when "That Old Black Magic" gets through with them. Oshkosh, "You Were Only Fooling" because "That Lucky Old Sun" told us we would win.

So we tell you, folks, "Don't Smoke In Bed" Friday night "Because" "Now Is The Hour." Forget the "Homework" — "You're Breaking My Heart." The partisans in the stands will be singing "All Or Nothing At All" and the football captain will be thinking "I Wonder Who's Kissing Her Now." "The Deep Purple" will "Shine" come Saturday.

The way the team has been playing to date, that's plenty good enough for us.

### NOTICE

On Friday, October 28, the usual 11 a.m. schedule of classes will meet at 10 o'clock. At 11 o'clock there will be a meeting in the auditorium of faculty members, Seniors and Juniors who are in education courses or practice teaching, second year students in the two year rural course, and the last year's graduates back on the campus. Charles Walden, Curriculum Coordinator of the State Department of Public Instruction, will outline the Wisconsin Cooperative Curriculum Program achievement to date and give plans for the future.

## Bart Takes First in Tennis Tournament

The intra-mural tennis tournament was decided last week, with Bill Bart capturing first place honors and Erv Korth second place in the round-robin tournament among the top four men of the elimination tournament. Third and fourth place went to Bud Rued and Chet Polka respectively.

An interesting display is now in the case at the intra-mural bulletin board containing the medals to be given to the individual and team winners in the various activities. The pictures of the winners of last year are also included.

The touch football league is finishing up this week, with several postponed games to be played.

## Pointers Go into Tie for First With 25-8 Victory over Platteville

The Platteville Pioneers failed to get the Point last Saturday — the Point being CSTC, and especially little Jimmy Koehn. Jimmy paced Central State to a rousing 25-8 victory over the Pioneers as he sped to three touchdowns on runs of three, 14, and 37 yards, and, incidentally, knocked all the joy out of Platteville's Homecoming.

The Pointers received the opening kickoff and drove all the way from their own 20 for the initial score. Bliese, Koehn, and Potter spearheaded the ground attack and Potter passed 50 yards to Bliese on Platteville's three from where Koehn carried it over. Again in the second period the Quandtmen pushed to the Pioneer six yard line only to be denied a score when Ken Kulick fumbled. From here Platteville punted out to their own 40, and again the methodical Pointers swept downfield, this time to the 14. Koehn broke lose for the score and Kulick converted to bring the halftime count 13-0 in CSTC's favor. Only in the closing minutes of the first half did Platteville's Homecomers have any cause to cheer, when the Pioneers got two successive first downs.

### Two for Platteville

Early in the third quarter Central State's Jack Potter was trapped for a safety when he fumbled a pass in the end zone on punt formation. At the end of the quarter Point still led, 13-2.

A second CSTC fumble proved more costly early in the fourth quarter and Platteville's Tom Koch utilized it seconds later to score on an end sweep. The try for the extra point failed as the Pioneers narrowed the score to 13-8. Platteville's Homecoming crowd sensed victory at this juncture until Jack Leichtenberg's interception of a Pioneer pass broke the string. An unnecessary roughness penalty and ground gains brought the ball to the enemy 57, when for the third time Jimmy Koehn broke free to score. Point led 19-8.

With only four minutes left in the game, Jack Brandt twisted through the middle to race 68 yards for CSTC's final tally. Indeed, it was a sad day for the Pioneers who were

not only celebrating Homecoming but who were letting Coach Les Leil for 23 years service as Platteville's coach.

Stevens Point racked up nine first downs to seven for the Pioneers, and outstrutted them 193 yards to 124. Failure of Platteville's passing attack, however, tells the real story of the game. In this department the losers connected on only three of 18 attempts as Point's defense bottled them up. The final score was CSTC 25, Platteville 8.

## League Tightens As Tune-Ins Lose Three

The College Bowling League was tightened up last week when the leaders, the Tune-In Ballroom, lost three games to the Recreation Restaurant. As a result of the triple win, the Restaurant crew skyrocketed from sixth to second place and are only one game out of first.

Team honors went to the Recreation Alleys five who cracked out a 2570 series, including a 895 solo. The Recreation Restaurant took second spot with a 2538 series, including a single game of 860. Dutch's banged out a three-game series of 2497 and an 858 single game.

Individual performances found Boneske spilling the maples for a 593 series. He was followed by Conachen, 570, 570; J. Christian, 542; Lanigan, 531; Fritsch, 521; L. Reed, 516; and M. Johnson, 500.

Boneske invaded the "2C" count twice with scores of 227 and 207. Jim Christian had 213; Bill Conachen, 205; and J. Fritsch, 204, to round the honor counts in the singles department.

## Housemothers Vote Unanimously For System of Sign-Out Slips

The first meeting of CSTC's housemothers since the adoption of the sign-out slips was held Wednesday, October 19, in the Home Economics parlors. The meeting was called by Mrs. Elizabeth Pfiffner, dean of women.

The 25 housemothers who were present voted unanimously in favor of the sign-out slips. The general opinion was that these slips made for better relations between the girls and their housemothers and the school.

Possible action to be taken for the infringement of rules was discussed. Both the housemothers and the house presidents felt that no set punishment should be established the first semester as the sign-out rule is still in the experimental stage.

**Special Permits Discussed**  
The problems of special permits and quiet hours were discussed at some length. Two special pers for one semester were generally agreed upon as adequate. All the housemothers stated that they were well pleased with the girls living in their homes.

## Mr. and Mrs. Burroughs Visit Eastern States on Extensive Summer Tour

Leland M. Burroughs, chairman of the English department, and his wife drove 3,800 interesting miles through the eastern United States this summer. They departed on July 25, and through the successive five and one-half weeks visited many of the noted cities and places of interest in the East.

Washington, D. C. entertained Mr. and Mrs. Burroughs for the first six days of their trip. While here they saw Mount Vernon, the government buildings and as Mr. Burroughs put it, "all the things that night-seers generally see."

The next major city on their route was New York City, where they spent nine enjoyable days. Its many places of interest were viewed by the travelers, among them being Radio City. They saw the stage play "Kiss Me Kate" at the New Century Theatre.

**Boston Theaters**  
Boston, Massachusetts, offered much in the line of theatricals. Mr. and Mrs. Burroughs saw "The Rivets," starring Blanche Yurka, at the Cambridge Summer Playhouse on Harvard Square. The star was supported by a cast of drama students from Harvard university. Another college theatrical they saw was "The Corn Is Green," starring Eve Le Gallienne, supported by students of Wellesley college. This play was presented at the Wellesley summer theater. Mr. Burroughs pointed out that these stars offered their services for two weeks to help the students gain experience. Baseball fans will note that on the trip Mr. Burroughs found time to attend a baseball game between the Boston Braves and New York Giants.

From Boston, Mr. and Mrs. Burroughs proceeded north through New Hampshire and up into Canada where they spent three days in Quebec. Niagara Falls was one of the places of interest on this portion of the trip. Mr. Burroughs was notably impressed with the magnificent scenery. After seeing that part of Canada they made their way back to Stevens Point.

George Kourmelis, a student at U. Croose, has an avocation in the form of knitting classes. George is a net who spent 19 months in a tuberculosis sanatorium where he learned to knit while he was taking work in occupational therapy. Now, he is a knitting instructor every Tuesday evening for a group of enthusiastic males in Miss Green's Campus Shop. He has already produced seven pairs of socks and two sweaters.

After the business meeting, coffee and cookies were served in the Home Economics parlors, the house presidents acting as hostesses.

At a similar meeting of the house presidents last Monday evening the same problems were discussed. In addition the house presidents brought up the subject of baby sitting hours. An agreement was reached to the effect that college students doing baby sitting would work no later than 12 o'clock on school nights and 1 o'clock week-end nights.

vertible from Crowns' garage. The queen will be wearing a fur coat lent her by Koska furriers and a corsage presented to her by the organization that sponsored her.

Spectators at the parade will be wearing school colors, for purple and gold chrysanthemums will be sold by the WAA, which will also have a refreshment stand at the game.

**CSTC vs. Oshkosh**

The Homecoming game with Oshkosh will be played at Goerke Field at two o'clock. During the half the Oshkosh and CSTC bands will perform. The CSTC band will form a pumpkin, which, when touched by the wand of one of the queen's court, will turn into a carriage. The queen will be escorted to her carriage and an appropriate number will be played by the band. After the number the carriage will again change to a pumpkin. This "Cinderella" theme was worked out by Walter R. Sylvester. Another feature of the entertainment between halves will be trick riding by Shirley Jacobson on her show horse.

After the game, Nelson hall will open its doors to all at its annual open house.

Tau Gamma Beta and Omega Mu Chi sororities are having alumni-pledge dinners at Jerry's and the Sunrise, respectively. Chi Delta Rho and Phi Sigma Epsilon fraternities are having open house at Iverson Lodge and the Phi Sig house.

**Homecoming Dance**

The "S" club is sponsoring an informal Homecoming dance at P. J. Jacobs High school gym Saturday evening. The music will be furnished by Jimmy James and his orchestra from Appleton, with tickets selling for 85 cents apiece.

Sunday afternoon at 2:30 o'clock the Men's Glee club will present its annual Homecoming Concert in the college auditorium. This will mark the end of the gala celebration of Homecoming weekend and give those who attend a chance to relax their tired bodies while listening to the sweet and melodious strains of good music.

home of Barbara Bea, of Park Ridge, Sunday evening, October 23.

Upon entering and receiving their Halloween pin-on favors, the guests noted the traditional Halloween designed decorations treated with a new uniqueness in arrangement. Pictures and mirrors were converted to scenes of the "spook" holiday for the evening.

Phyllis Kasper, president, spoke to the group on sorority meaning and Pat Beilke talked of her sorority experiences.

A lunch of spiced cocoa, cookies and pop corn balls was served by the food committee, Lola Van Ornum, Margaret Jones and Betty Kusserow.

Other committees included: Invitations, Grace Peterson and Carla Kruse; decorations, Virginia Marros and Pat Lasecke; entertainment, Ila Williamson, Joan Winter and Phyl Peterson. Eileen Dahner and Barbara Bea were the co-chairmen.

The Tau Gam alumni-pledge dinner will be held at Jerry's Saturday, October 29, at 7 o'clock.

### Sigma Tau Delta

Four students were pledged to the Psi Beta chapter of Sigma Tau Delta, honorary English fraternity, Wednesday evening, October 19. Joann Kenney, Donna Alderton, James Koehn and John Kowaleski became pledges of Sigma Tau in a ceremony following a business meeting of the organization.

A recording of "Sorry, Wrong Number" starring Agnes Moorehead, was played for the group as part of the entertainment program.

Refreshments were served to a background of recorded music from Shakespeare's plays.

Guests present were Leland M. Burroughs, adviser, and Nelis R. Kampenga, honorary member. L.S.A.

All LSA members and alums are invited to attend the Homecoming Communion breakfast to be held on Sunday, October 30, at 7 a.m. in the basement of Trinity Lutheran church.

The regular business meeting will be held Thursday, October 27, at 7:30 p.m. in the parish house. The float committee has an idea which will blossom forth that night.

### Phi Sigma Epsilon

The fraternity house was the scene of the first Phi Sigma Epsilon rushing party on Monday evening, October 24. A promising group of prospective pledges attended. Refreshments were served and a pleasant evening was spent in playing cards and visiting.

The Phi Sigs put on a strong campaign for their candidate for Homecoming queen, Marjorie Finch. A number of activities were planned for the promotion.

Plans are underway for a big Homecoming celebration and open-house for alumni. A large group of alums have made tentative plans for attendance.

### Radio Workshop

United Nations week will be recognized by the Radio Workshop's Round Table discussion today at 3:15 o'clock when a discussion will be held on "Strengthening the United Nations as an International Security." The Round Table, begun in 1946 by Grant Thayer, under the direction of Dr. Warren G. Jenkins, will thus continue its policy of discussing current topics. Students taking part this week are: Ed. Pliska, moderator; Bill Joanis, Bertram Davies, Dean Baltz, Lawrence Eagle-

burger, Bruce Menzel and Claire Thomson. Anyone else interested in joining the group can contact Frederick A. Krempel, faculty sponsor, or go to Studio B at 2 o'clock on Tuesday or Thursday.

All prospective team captains of the Independent Basketball League are reminded that the list of the members of their team must be turned into Coach Berg by 3 p.m. tomorrow.

## Wayland Club Formed by Baptist Church Members

The Baptist Wayland club is now represented at CSTC with a neophyte group of 30 active members. Named after a Baptist educator, the club was formed to bring Baptist young people of college age together for social and religious purposes.

The group began its first activities with a dinner held recently at the First Baptist church. Committees were appointed and have met with advisers, Mr. and Mrs. Frank W. Crow, to plan a Halloween party which is to be held in the church parlors and gym on Thursday, October 27, at 7 p. m.

The members of the Wayland club extend an invitation to all college students and their friends to attend any of their activities.

member." (That is also subject to further discussion.)

At the LaCrosse track meet one of our men running the cross country trek chose an inopportune time to finish. As Wilbur Cox, (with his quite unfeminine physique), ran out in front of the crowd, the loudspeaker announced the Homecoming Queen. All were supposedly uncertain who the cheers and whistles were meant for.

All those who are familiar with "Josephine" will be sorry to hear that she passed away a week ago. She was the little green 1923 Model T Ford always parked in front of the dorm. Reason for disintegration: Old age and refusal to turn a corner when the corner appeared, causing both herself and driver, Dick Francis, unnecessary discomforts as they rolled over "a couple of times."

A more cheerful note. The engagement of Lorraine Laszewski to Fred Brewer, both students of CSTC, has been formally announced.

# Familiar Campus Scenes

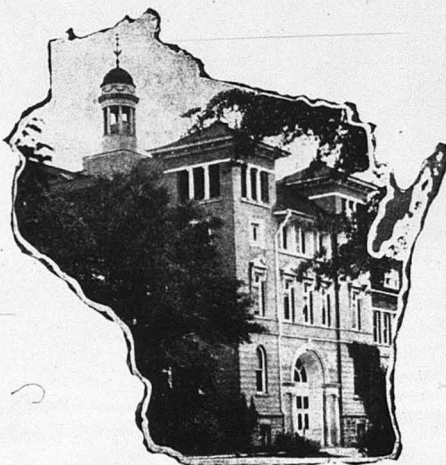

Sims cottage is a well-known landmark to the Home Ec students and the young men who blithely drop in for a cup of coffee prepared by the homemakers. The cottage serves as a medium of practical experience for the Home Economics majors.

This picture is one that should bring back many memories to any CSTC co-ed who ever stayed at our "home away from home," Nelson Hall, the women's dormitory where the byword is hospitality and the phone number is 726.

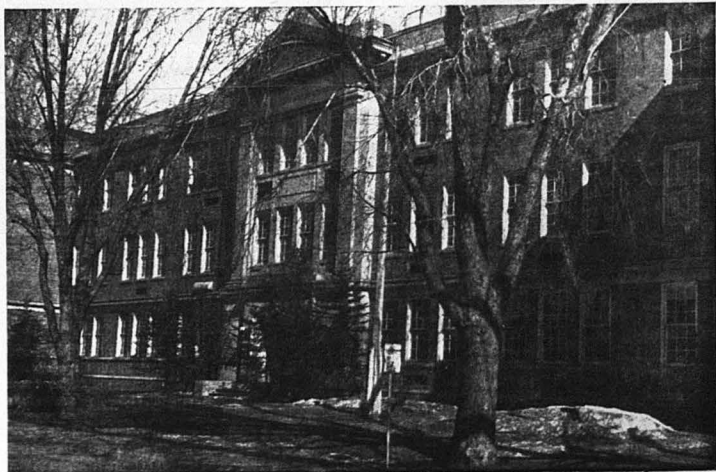

A reminder that Jack Frost is here and his cohort, Old Man Winter, is not far behind is contained in this winter scene of the main building.

A familiar sight on the highways and byways of the 48 states is this college bus which provides a good deal of publicity for the college as it faithfully carries college groups to far away places.

"Golden days in the sunshine of a happy youth." The tranquility of the campus on a lazy September afternoon is something that must be experienced to be appreciated.

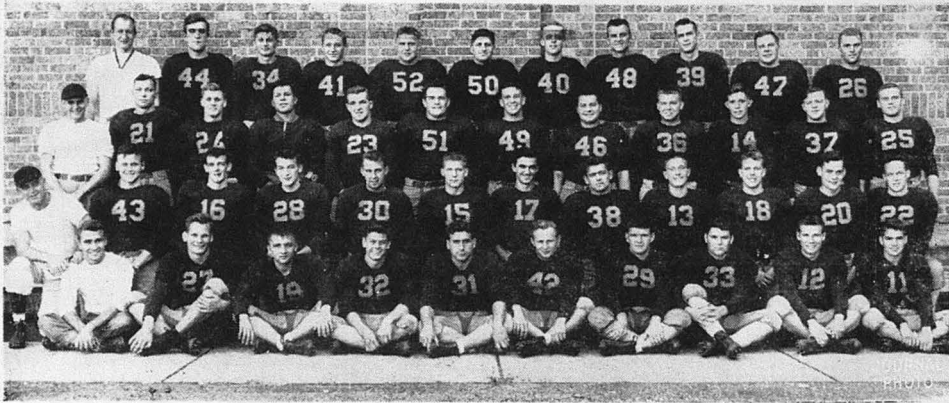

Here we see the Training school, the building that has caused many a Senior to lose sleep at night and seriously wonder if there wasn't a simpler profession than teaching. The lesson plans were many and the joys few, but it still holds a tender spot in the hearts of those who taught there.
