Friday Is Official Opening of Council's "Operation Weekend"

Many Varied Activities Offered

Are you in a rut? Would you like to do something different, and discover the social side of the people whom you see straddling texts five days a week? You might be pleasantly surprised by the fun you could have at an ice-skating party, chili supper, dance, and bowling party with fellow students.

Friday is the official opening of "Operation Weekend," the Student Council's effort to help keep students here week-ends, and provided there isn't an unreasonably cold weather, an ice-skating party will be held Friday night at the rink next to P. J. Jacob's High School. Besides the skaters, spectators are invited to watch or act as "redhead" penguins on the dance floors and rinks. After the skating, The Campus Cafe will be the scene of a Big Thang, provided by hot chili and chili. An added attraction will be a performance by CTC's Lubin Student, Gundaris Poo, who already has the reputation of being an expert violinist. Another of Central State's accomplished musicians, Frank Weekly, will be accompanying.

On Saturday night, the Training School gym will be the scene of the Student Council's "Sweater Ball." Very danceable music will be furnished by an orchestra made up of some Central State students.

For Sunday noon the use of Nelson Hall's recreation room for a week-end bowling party. The Christmas season will be greeted by the students around a decorated Christmas tree, and everyone is urged to take part.

The recreation room has become a permanent part of "Operation Weekend," and the efforts of the student council, Mrs. Margaret Angel, dorm director, and the council's Social Committee have made the use of the recreation room to the entire student body, under the guidance of campus organizations, every Sunday from 7 to 10 p.m. in an open space, which should become a popular meeting place of the boys who should become a popular meeting place of the week-end.

The room will open its doors this Sunday night at 7 o'clock. Cars will be permitted to use a Cherry Street entrance, a tent in a festively decorated room, while fire will be burning in the fireplace for roasting the winners and marshmallows. Every student is urged to come.

The former name, the Recreation Room, too, is now obsolete, and something more appropriate for its social purpose occurs. The Student Council is appealing to the student body for suggestions for a clever new name. Watch the Pointer for the details of a contest which will be announced soon to name the Recreation Room for its new function.

Student activities after the CTC auditorium will soon be the scene of movie matinees. Recent full-length movies will be shown in the college auditorium as part of "Operation Weekend." The auditorium is already outfitted with a full size projection screen, and all sound and ar- rangements can be made, Saturday afternoon movies will be a regular part of the week-end.

Giving Concert

Norman E. Koutz and his Men's Gleem club will hit the road this ev- erning to spread some holiday cheer early this evening for Hancock where a concert is scheduled for 8 p.m. at the Community Hall. The members will return shortly after the concert.

Workshop Wizards: Edith Phillips Dead

Edith Phillips, a former student at CTC, died at 11:25 p.m. Wednesday, November 29, at a Marshfield hospital.

Miss Phillips was the daughter of Fred and Eveline Phillips of Nebo- ron, Route 2. She attended CTC and was graduated from the two-year course in June of this year.

Since August she had been teaching third grade at a school in Colby.
Pres. Hansen Realizes Wish

In his first address to the students of CSTC, upon arriving here in December of 1940, President William C. Hansen expressed the hope that he would see his former classmates and friends. The four years preceding his arrival at CSTC had seen a rapid turnover in presidents, four having come and gone in that period. President Hansen realized wish of 10 years ago through the observance of his tenth anniversary as CSTC's president.

In this same address to the student body, President Hansen stressed the importance of doing our best today, and the inevitability of "putting things off" until tomorrow. In his 10 years of service here, Mr. Hansen has been an ardent disciple of this policy and through his unerring efforts has done much to further the interests of this, his alma mater.

Despite the ever-increasing pressure of administrative duties, Mr. Hansen has never been too busy to give valuable time to any student who might need the help or counsel that he had been asking about seeking advice from President Hansen.

This past year, 1950, was a year of support and endless school activities as is President Hansen. He has made it his policy to appear, whenever possible, at most college functions despite the press of his private affairs.

We would like to congratulate President Hansen on his tenth anniversary as CSTC's president. May his tenure continue to provide for the next decade under his able management.

Home Ec Parade: Carolers of Formal Psi Beta Psi Sorority Initiation

The Home Economics Parades were held in the Home Economics Building for the initiation ceremony of Psi Beta Psi sorority, Saturday evening, December 2, at the usual formal sorority gathering. Mr. Elizabeth Pfister, chairman, welcomed the guests and introduced Mrs. Walter Cox, president of the sorority are Mrs. Herbert Ben, Mrs. John McBain, Mrs. Nels Reinecke, Mrs. John McComb, Mrs. Neil Rensche, Mrs. Ralph Roberts, Mrs. Lorette Berg, Mrs. Beverly Berg, and Mr. Lorette Berg, who made speeches.

The following officers were installed: Betty Melene, president; Beverly Zoophysit, vice-president; Grace Franchell, Schantz, recording secretary; Elizabeth Prince, treasurer; Elizabeth Prince, historian; Delores Witter, treasurer; Beverly Zoophysit, historian; Beatrice Pepinsky, historian; and Rosemary Boote, member at large.

The dinner was served the girls and their guests at a large banquet table and was served by the Home E., members and their boy friends and covered with mallow sweetmen and skating figures made of pulp classes decorated the table. During the program, for which Muriel Neerhof served as master of ceremonies, the following officers were installed as new committee members: Conservation, Richard Lund and Donald Sargent; Service, Dorothy Thompson; Athletics, Walter Cox and William Koch; Freshman science, Norval Holm, Royal Knott and Raymond Venot; Chemistry, Maurice Meade and Edward Forsthenbaum; Biology, Florence Lebeck; Muriel Neerhof and Mary Schade.

The dancing room was provided physical education at the school.

Secondaries Have Chance to Teach School

Each year, a group of seniors in the secondary division are given a chance to teach, at the high school. The main purpose of these students is to open opportunities for other students to prove themselves under actual teaching conditions and also to give them a chance to further their college training. Faculty advisers from the college as well as the high school will supervise and give assistance to the students.

For this semester the students are P. J. Jacobs, a junior, and the subject is Conservation. Richard Lund and Donald Sargent; Service, Dorothy Thompson; Athletics, Walter Cox and William Koch; Freshman science, Norval Holm, Royal Knott and Raymond Venot; Chemistry, Maurice Meade and Edward Forsthenbaum; Biology, Florence Lebeck; Muriel Neerhof and Mary Schade.

Secondaries have chance to teach physical education at the school.

Tulip Parades Will Present "Other Wise-Man"

Tulip Parades, the dramatic presentation of the Christmas show, will be on Wednesday night, December 13. The program will begin at 8:15 o'clock. After the play, an offering will be taken, and all proceeds will go to the TulipParades for the "Land's Prayer."

The members of the decoration committee for the senior ball must report to the auditorium at 9:00 A.M. shortly after they painted the sign that was erected at the stage on the Laguna Hall Saturday night. For that is the last part of the theme "mambo dance" came one -- "melt --"
CSTC Cagers to Tangle With St. Norbert Knights Monday

Pointers fans will see a familiar face Monday night when the St. Norbert Knights ride into town. Captain Dave Demmer is your clock at St. J. Jacob High School.

In the only noticeable change the DePere squad is Coach Alvin Staats, who is a 20-year-old former Marquette star. Back replaced Dave Demmer, who is now line coach at the DePere High School.

The Norbertine squad has been in fast competition since the start of the season. Coach Knute Knudtson has turned a weak-willed, sleepy and dejected spender, Halton will be at one of the forward positions, the other forwards being Don Johnson, 6'2", ball handling specialist. All of Halton's boys walked off with a 46-35 victory. The Knights also give the DePaul Blue Demons, one of the best college teams in the country, quite a battle before losing.

Kosnar Outstanding for the Norbertine showing are Romeo Kosnar and Chuck Holton. Kosnar, who is being talked as the outstanding St. Norbert cager in the regular season, will hold one of the guard positions. Coming up fast for the title is Chuck Holton, speedy and deceptively speedy, Halton will be at one of the forward positions, the other forwards being Don Johnson, 6'2", ball handling specialist. All of Halton's boys walked off with a 46-35 victory. The Knights also give the DePaul Blue Demons, one of the best college teams in the country, quite a battle before losing.

Belke's Cut Knudtson's Lead to One Game Margin

Belke's Lumber company closed the gap between first and second plant in the college bowling league by sweeping a three game series with the Worick's Lumber for the same time Knudtson's maintained their slim one game lead by winning two games from the Phi Sigma. Campus Cafe bowlers noticed that their cellar post was a temporary one as they swept three games from the Chi Delta, and in the battle for third place Don's Coney Island gave ground to AKL by dropping two games to the latter.

John Irvine led all bowlers by striking for a high game of 206 and high series of 531. Other bowlers to crack the series honor roll were G. Chicks with 532, Mary Johnson, 510, J. Stora, 513, W. Thompson with 486, and Warren Tindall, 405.

Alpha Kappa Lambda with an 848 took single game honors, and Don's Coney Island, though bested twice, iron series three by smashing a 2342 four.

THE POINTER

FIFTH QUARTER

One of Coach Quandt's biggest problems in shaping up his squad is to find a reliable starting combination. Just about all 12 varsity players are rather evenly matched. So the problem of finding and shaping five reliable starters.

From the reports we heard, the bright newcomer to the Norbertine squad is a little trigger happy.

Tommy Curry, who learned his tricks under Coach Quandt is still making headway in the newspaper. The La Crosse Register calls Tommy one of the finest college ballhogs in the nation." Curry averaged first down every time the football was handled by him, averaging 10.1 yards per try.

The La Crosse football team has come in for its share of recognition this year. Being one of the few undefeated, untied eleven in the nation, they have accepted an invitation to oppose Valparaiso University in the Cage Bowl and have also received feelers from the Dairy and Corn Bowls.

We feel that La Crosse will make a great showing in a post season game and will show people just how tough the Teachers College Conference is.

Whitewater would be another team that would probably represent the conference in a bowl game. The Quakers played a fine brand of football this season and also wound up as an undefeated and untied team.

Other teachers college quarters finding their non-coference foes a tough crew to beat. La Crosse dropped a 45-39 thriller to Duquesne last Saturday, and River Falls absorbed a 55-30 shelling at the hands of Augsburg.

The CSTC Pointers Drop Season Openers, Northland, Michigan Tech Triumph

Lose to Tech

The game with the Michigan Tech was a wild and high scoring contest with the Michigan five holding too much of a margin for the Pointers.

The final score again hurt the Pointers, but not quite as bad as last year. The Northland quintet was accused of 25 infractions during the contest and Tech posted 21 of their gift throw.

Two men, Dan Coatta and Ken Seaton, accounted for 43 of the victor's points, the former caging 18 and the latter 25. Bill Wager again paced the Stevens Point attack, this time with 18 points on six baskets and an equal number of free throws.

In addition to being one of the few undefeated, untied eleven in the nation, they have accepted an invitation to oppose Valparaiso University in the Cage Bowl and have also received feelers from the Dairy and Corn Bowls.

Basketball Highlights

Intramural basketball started off the 1951-52 season with a bang last week by a 12 game schedule. After the shooting was over several teams boasted outstanding offensive scores combined with good defensive records. However, picking a potential champion at this very early stage of the season would be hard to do.

EightSchoolsReceive"A" in One-Act Play Contest

The sectional high school one-act play contest held at CSTC Friday resulted in "A" ratings for all schools in the sectional, making it certain that they will be eligible to participate in the state contest to be held at Madison early this month. Sixteen high schools from the Stevens Point, La Crosse and Oshkosh school districts competed.

The winners and the prizes each gave are as follows: P. J. Jacobson, High Schools, Stevens Point, "Breakfast"; Green Lake, "Green Light, Ugly Duckling"; La Crescent, "The Wonder Hat"; Marinette, "Submerged"; Waupun, "The Wonder Hat"; Leland M. Bumgarth of schools CSTC's speech department was criticism and Walter Schmidt, Kaukauna, was the sectional chairman.

Five Misses Swallow Attend Red Cross Meeting

Miss Mary Swallow, Training School office secretary, attended an American Red Cross meeting at Madison this past week-end. Miss Swallow is the chairman of the Volunteer Services for the Portage County Chapter of the American Red Cross. The meeting was presided over by Betsy Northrup, director of Volunteer Services, for the midwestern area.

Pres. Hansen Honored Guest at Informal Tea

President William C. Hansen was guest of honor at an informal tea Monday afternoon. Among the last faculty members, the office staff and the maintenance staff surprised him in honor of his tenth anniversary at CSTC. Various colored chrysanthemums decorated the tea table at the Home Economics dining room where colorful Christmas cookies and coffee were served, Miss Helen Meston and Miss Emily Wilson poured. Assistant Miss May Roach, chairman of the faculty in making arrangements for the tea, were Miss Beate May Allen, Miss Meston, Miss Wilson, Miss Monica Bainter, Gilbert W. Faust and Dr. Harold M. Tolo.

Gives Conservation Talk

Charlotte Kenop, sephorheme in the Rustic division at CSTC, gave a talk on conservation before the Wisconsin Inland Walon League when it met at Sheboygan last Saturday. Her talk, entitled "Conservation Means Better Living for a Better World," won her first place in the state conservation speaking contest last summer when 5000 4-H club members vied for honors.
