Campus Marker Design Contest Announced by Student Council

Teaehers' Colleges WSGA Groups Choose "Campus Citizenship" as Theme of CSTC's State Conference

Representatives of the Women's Self Government association from teacher's colleges throughout Wisconsin met last Saturday at Central State Teachers college on the Friday afternoon of February 11, for a working state conference. The delegates registered in the college in the after­noon and at night were guests at the annual Woodchopper's ball, sponsor­ed by Alpha Zeta Kappa, CSTC conservation fraternity. The theme chosen for the Con­ference was "Campus Citizenship." On Saturday morning at 9 o'clock the delegates and deans of women from the various colleges heard an address by Miss May Roach which was en­closed, in accordance with the conference theme, "seting One's Goals." Miss Roach was introduced by Roberta Henderson, president of the state association, and Jane B. Chance, general chairman of the conference.

Goals. Miss Roach was introduced by Roberta Henderson, president of the local WSGA, in accordance with the general chairman of the conference.

Presidents Welcome Group Shawnings were given by President William C. Ham­mond and Joyce Krueger, last semes­ter's WSGA president.

A discussion of the conference theme under the direction of Lillian Masin, program chairman from Whitewater, was held at 10 o'clock. Following this there were group discussions.

At the Saturday noon luncheon at Nelson Hall, Reiner Redanbacher, CSTC student from Munich, Ger­many, spoke on the German school sys­tem. The system of exchanging students of one country for students of another country is one of the best ways of attempting to prevent, war because it promotes much better understanding between people and nations.

Saturday afternoon at 2 o'clock the delegates met to discuss "Room­mates and Housemates," "Town­ and Gown," and "Dating." Meeting at Nelson Hall These discussions were followed by a business meeting at Nelson Hall. The meeting reported on all of the various discussions was given. A proposal that a state meeting be held was rejected by the delegates. Milwaukee invited the other schools to a state meeting to be held today at 10 o'clock. At the meeting was followed by a tax and the bank but could not agree on a design. This year, the Student Council has decided to sponsor a contest among the students of CSTC to design a campus sign, which will be put on the campus after the campus sign, which will be put on the campus. The rules for the contest are as follows:

1. Any student enrolled in the college may enter, with the excep­ tion of the student council members.

2. Designs should be on a 1/2 by 11 piece of paper in a rubber band, which is the lower right hand corner and leave it in the basket for the purpose in this main section of the school.

3. The contest closes March 15, 1950. Entries will be accepted at this time. You may attach a separate sheet of details or specifications if you wish.

4. The lettering, which should include the following: Central State Teachers College, Stevens Point, Wisconsin, and some significant words such as "Serving Central Wis­consin," will be carved on a panel 4 ft. x 4 ft. x 1 in., in the men's foot high.

5. The winner reserve the right to reject any and all designs. First prize of $100 has been set aside by the Student Council for the design which judges find most practical and best fitting.

6. Additional information concerning the contest may be obtained from John J. Schmacke or members of the Student Council.

Three New Dormites Enter Nelson Hall

This semester three new girls entered Nelson Hall, making the total number of co-eds in the residence hall called "Kay-O and Josie Mollner now oc­cupy room 202 on the second and third floors. Earlier this fall, she was a second semester Fresh­man before becoming a dormite. She plans to finish the year at home. She is second semester Freshman and holds the title of Freshman Club president.

The third dormite is Marial Rul­len from Clintonville. She attended Central State Teachers college this semester to begin work toward an Amer­ican degree. Mr. Dambeckals has two de­grees which he earned in his native country and he now wishes to study the American methods of education. His expressed desire is to complete a course at CSTC and then to do ad­vanced work at the University of Wisconsin.

Mr. Dambeckals has had an exten­sive educational background with the number of years of teaching experience in Europe both in high school and elementary schools.

Mr. Dambeckals has been in this country about 10 months saving money which he will use toward the cost of his education in Europe.

The three girls report that they like the friendly atmosphere of Nelson Hall.

Latein Educator Enrolls at CSTC

A Latinc educator, Voldemars Dambeckals, a student at Central State Teachers college this semester to begin work toward an American degree. The name Dambeckals is of German origin and it is a family name of German descent.

The religious organizations which are represented in the Interfaith Council are the WYCA club, the Cantebury Club, the YMCA, Wesley Foundation and the Lutheran Student association.

According to the latest figures issued in the main office, the CSTC's second semester enrollment to­gether now stands at 851. This is down somewhat from the first semester enrollment but includes 66 new students. There are no raw facility members this semester.

* Valentine Party Tonight *

The Valentine's Day celebration is tonight at the Valentine party sponsored by the Interfaith Council on campus. It will begin at 7:30 p.m. at the 1st floor of Nelson Hall. Each organization in the Council will sponsor a special display at the ballroom will be followed by dancing. No admis­sion price has been set but a drap­pers collection will be taken at the door. Refreshments will be served.

Chapels for the party are Mr. and Mrs. Arber C. Bly, Mr. and Mrs. Frank W. Crow, Miss Elsie Grime, Miss Miriam Moser, and Dr. and Mrs. Roland A. Tebben.

The religious organizations which are represented in the Interfaith Council are the WYCA club, the Canterbury Club, the YMCA, Wesley Foundation and the Lutheran Student association.

This One Can Cook

Phyllis Peterson, a home econ­omics major from Medford, was one of the eight finalists in a state chef­hero cooking contest at Milwaukee on Friday, February 16. Phyllis is a junior at Parallel Central State Teachers college.

She also won a prize last August in a northwest Wisconsin demon­stration contest. On January 24 she was presented with a $3.00 scholar­ship for outstanding work in food and nutrition. The award was pre­sented by the Milwaukee Elmer com­pany at an adult leader's federation banquet held at Madison. Phyllis has active in 4-H work for 11 years.

Mardi Gras Cancelled

For This Year But...

The Mardi Gras scheduled for February, Shrove Tuesday, will be cancelled this year because of the lack of time needed to prepare for a worthwhile performance. This was the decision made at a meeting of the sponsoring organization, Al­pha Phi Omega, dramatic fraternity, on Thursday evening, February 9. This does not mean that the Ma­
Rural Life Club

A Valentine party was held in conjunction with the regular meeting of the Rural Life Club Monday evening, February 6. The party was under the supervision of Viola Hofer, Eleanor Hummel, Irene Loeckle and Bernie Fletcher.

The group decided they would like to go on a sleigh ride party. Any Rural Life club member who would like to go is to sign his or her name on the Rural Life club bulletin board before Monday evening, February 6. 15 small gifts were prepared for the party, which will be held Thursday evening, February 9. All interested persons are requested to stop in and attend the party.

L.S.A.

Carla Kruse was elected president of Alpha Psi Omega Monday evening, February 6. Other officers named were: Vice-president, Dick Scott; Secretary, Billie Schmidt; Treasurer, Bob Anderson; and press representative, Rakie Kenyon.

Plans were also arranged for a split for the Inter-faith party. Bill Hug was elected chairman of the committee.

The February meeting was held last Thursday at the Parish House and was attended by twenty-five members. Rev. H. K. Neerhorst, pastor of the Parish House, gave a hymn sing. Dr. Roland A. Ayten, of the college faculty, conducted the first part of the evening with a talk on modern study methods and critical reading.

The evening's program was concluded with the presentation of the Sohart and Cline Quartet.

Alphas Psi Omega

Ed Fuerstenberg was elected president of Alpha Psi Omega, national dramatic organization. The club has five officers of the Student Lodge Thursday evening, February 9. Carla Kruse, president; Bob Anderson, vice-president; Myril Mykleby, secretary; and Donna Janzen, treasurer.

Radio Workshop

This semester the following persons have been elected to the Radio Workshop: Monday through Thursday, from 1 to 2:15, the following were elected: President, Bob Gilbert; treasurer, trat;; secretary, Bill Creed, press representative.

Home Economics Club

The Home Economics club held its monthly meeting Monday, February 6. Larry Formella, a representative of the Rural Life Club in the store, showed the club through the store, explaining the different processes involved in making and repairing fur coats.

Different types of fur coats were shown and the girls were given an idea of fur coats and their care. Miss Emily Wilson and Miss Beatrice Allen, advisors for the club, accompanied the trip.

Primary Council

At the Primary Council meeting, Monday night, February 13, Miss Susan Coleman explained the grade system and asked the girls to come to her if they had any problems with their work. The secretary was announced for the annual Primary luncheon to be held in the near future. There are two places in the general chairman. The other committee members were Ray Van Horn, Miss Ann Pelsum, Karen Weitz, Miss Denette Cunagen, Jean Robertson, Rita Peas, Hildi Gose, Kay Lehey, Martha Meiners, Margaret Newton, chairman, Lila Elmer, Ray Vanhorn, secretary.

Entertainment: Mary Constance, chairman, Irene Morris, Joyce Ranum, assist. Brad Sander, invitations.

Hey! Isn't There a Law Against Impersonating the Stronger Sex?

Valentine's Day festivities started Tuesday, February 7, morning, and continued through Friday, February 10. On that day the girls in the dorm received notices in the mail box informing them if they could retain their dates. Many dates were changed, so that to play the role of a boy for the remaining days until February 14. The boys in the remaining half were left as girls. The girls who were to be boys were notified that they would have to sign their names to the Valentine dinner program and that they would have to be an annual tradition at the dorm.

The secretaries were gave at the Valentine dinner held Tuesday evening, February 14. The boys donned the appropriate garb of their dates and acted as their dates in time to be served dinner. Cosages of such delicacies as carrots, nuts and paper flowers were presented to the ladies.

Much hilarity was the result of discovering who the gashing admirer was.

Four Former Students on Trip Through Mexico

Four last semester CSTC students have pulled stator 70 miles south, "down Mexico way." The quartet, composed of Lewis Cort, James Hyer, Norris Lindquist and Andy Harmon, left from here on the twelfth of February enroute to New Orleans where they plan to take in the annual Mardi Gras festivities. From there, they entered sex by the ingenious method of tying a handkerchief to the left ear. In this way they could be distinguished, but they were also able to be, but who could tell when twenty plaid shirts got into a social? They also gave their vo­ cal cards a work out with a "hoot­ ing" contest. The winner was given the modern substitute for chewing tobacco, a half stick of Wrigley's Spearmint gum.

Woodchopper's Ball Served By 100 Plaid-Shirted Couples

The Alpha Kappa Lambda took on the woods last Friday to host approximately 100 couples at their annual Woodchopper's Ball. The orchestration, old time modern, was performed by Bessy Gas and his band.

A suitable atmosphere was supplied by decorations of pine trees and birch legs. A few aces scattered around supplied more atmosphere although Bobo tried to use them, according to those who attended.

A brass spout music was played.

The "stag line" was whittled to al­ most nothing by the time the dance got under way. Co-ed delegates from all of the state teacher colleges except Eau Claire and Superior, who were here for a WSCA convention, offered golden opportunities for the local stags at club dates. The walking date bureau, which did the con­ vincing and arranging was Joanne Kemper. From all reports nobody was disappointed.

After the crowd had gathered, Jim Woodcock separated into groups and called a good old fashioned square dance. Later in the evening, the dancers, desiring a rest, were entertained by the A.K.L's.

The AKL boys demonstrated how they could not do a turn without the boys transformed into the fair­
Pointers Meet Platteville
In Final Home Cage Game

Central State cage fans will have their last chance to see the CSTC Pointers in action Saturday night when they play host to the Platteville Pioneers at 8:15 p.m. at P. J. Jacobs gym in the final home game of the season.

Coach Hale Quandt's team will be out for revenge in this game because the Pioneers administered a trouncing to the Purple and Gold team earlier in the season on the Platteville campus. The Pointers will be out to turn the tables on their court in this meeting. The locals will also be trying to close their home season in a successful way and going to be hard to stop.

The starting five for Stevens Point will probably consist of Chuck Polka and Walt Sameted at the guard spots, Bill Wagner and Don Schneiders at the forwards and "Tex" Polka at the pivot post. This combination has displayed a good scoring punch, with all the boys heaving accurate shots. If all five are clicking Saturday night, the return game will well prove to be a hormone of a different color.

Pointers Travel to St. Norbert's For Return Game Tuesday Night

The Pointers will end their non-conference basketball business for the season when they travel to West De Pere to engage St. Norbert's on Tuesday night, February 27.

In their first meeting in December, the Green Knights edged the Purple and Golds, 52-51, at the New Arena. It was changed since their last meeting, the Pointers' second guard spot has been filled by Dick Lens, second in scoring, at center, Chuck Holton, who played a whole game of a game here in December, and Don Johnson at the forwards.

Coach's Guard

Leaving Backcourt duties will fall to Roni Konz, who led the team in scoring last year and is duplicating this feat this season. He is averaging 20 points a game, and Norm Demach, Konz, Lens, Holton and Johnson have all scored over 100 points apiece this season, and this four-prog offensive will be one of the major factors that the Pointers will have to contend with during this final game. The Knights also have an extra reason for losing guard duties — they are playing their seventh home games because their coach, Orv Demody, is leaving for a football coaching job at Marquette university.

Despite several injuries to key forwards, Coach Quandt's crew is gradually shaking off a mid-season slump and should give a good ac-
count of itself of themselves come Tuesday night. "Tex" Polka is adapting quickly to the center slot and Bob Menzel's scoring has given the Purple and Gold an extra shot in the arm.

Coach Quandt will undoubtedly tinker with his starting lineup by using lately including "Tex" Polka, "Honus" Wagner, Chuck Schneiders at the forwards and Chuck Holton and Walt Sameted at the guard spots.

"Join the Grid Squad
And See the World"

According to Coach Hale F. Quandt, final details have been made with West Liberty college in West Virginia for CSTC to play the school there in football next fall. Quandt commented, "We're just looking for a contract to be sent.

Pointers Win One While Losing Three Conference Games in Row

Although outscored from the field 81-57, the Green Bucks of Milwaukee defeated the fourth conference loss on the Pointers by a close 47-46 count on the night of January 26 at P. J. Jacobs gym. The photo-finish contest was quite a defensive struggle as the low score will attest. A successful charity toss by Duane Morris with 30 seconds remaining gave the Bucks the victory.

Jim Bolt, Milwaukee center, although counting only three baskets, banged in nine free throws for 15 points and the evening's high point total, Bruce Menzel contributed 13 quick points in the second half to lead scoring for the Pointers.

The conference foes the Pointers met the Whitewater Quakers on January 30 — and a sad encounter it proved to be, because the visitors won the game 76-57.

Coach Haie F. Quandt was looking for some sort of rally in the second half. The Bucks led 35-31 at the half, and scored the first six points of the second half. Quandt commented, "We're just looking for a contract to be sent.

Stevens Pointers Win One as Losses Mount

The Titans come out on the end of a 68-64 count. The second half saw the lead change four times. Leading scorers for the Pointers were Bill Wagner and Walt Sameled, accounting for 19 and 14 points respectively. Doug Ritchie tossed in 21 points while his running mate, Laker, scored 15 points for the winners.

Milton turned out to be the tonic the Pointers were looking for when they defeated the Miltonians, 54-47, on the night of February 6 at Milton. It was the Pointers' eighth win in 15 games. The ability of four starters to hit the long shot consistently was a big factor in this victory. Points: P. J. 13, Wagner 12 and Sameted 10. Roussach scored 21 points for Milton.
