Final Plans Made for State WSGA Convention Here February 10-11

Final plans for the state convention of the WSGA, to be held here on the weekend of February 10-11 were announced at a board meeting Wednesday evening. Administrators of the convention met with representatives for representatives to stay at Nelson Hall and the deans will be housed in faculty rooms where lodging and breakfast will be given to them. Seven of the faculty members of Spencer, will include the "Woodchop- per's Ball" sponsored by Alpha Kappa Psi. Since sponsors will take place in the near future when Mr. Burkhart will visit CSTC personally and select students to fill the vacant positions in his district. Students representing their groups have been visitors at the CSTC campus. Numerous speakers for the next semester and this coming fall. Nick Perry, Medford superintendent, will be here Monday, January 25, to appear before seniors and to introduce the new course in Business. Margaret Burnhart, in the new school that was business firm, Mr. and Mrs. Frank W. Crow and Dr. Gordon Ditson. The Tau Gams will hear informal chats in a husband-wife combination from Mr. and Mrs. Hansen and Mr. and Mrs. Gilbert W. Fisk. Mr. and Mrs. Randolph Frazer, guests of the Tau Gams and Mr. and Mrs.Burnham will act as chaperones for the dance. Phyllis Peterson, Tau Gams, and Jean Burnhart are selected as chairman of the dinners and dance. Chapel Choir Singing at CST Assembly Feb. 1

Chapel Choir, an all-church choir of university men and women from Capital University at Columbus, Ohio, will be here on Wednesday, February 1, as part of the regular assembly program. The program is scheduled for 8 o'clock Wednesday evening in the auditorium. Acclaimed as a distinctive group since its appearance at regional and national musical quarters, the Choir is under the direction of Ellis Emanuel Snyder, conductor. The program is a fine example of the excellent musical talent singing at the campus. Admission will be by student activity ticket.

Michael's Miss Fortunes

Dame Fortune smiled three times the night the three girls, Wednesday, January 4. Triplets, three daughters, were born to Mr. and Mrs. Fortune at St. Michael's Hospital. The girls joined four sons, including a set of twins, to make Michael's family undoubtedly one of the largest in Wisconsin.

Fortune, a February, 1949, CSTC graduate, is now teaching at Three Lakes High School and is working toward his Master's degree at the University of Wisconsin. While in college, he was new editor of the Pointer.

Two weeks have passed since the Fortunes on March 16, 1949 and will be two years old soon. Two other boys, one of whom will be three in April and the other five this month, complete the list of Fortunes.

Michael's three little Miss Fortunes, born to Miss Fortune, have a housing problem. "Our five-room home isn't big enough for seven children, but they certainly are three fine kids," he said.

Added to Fortune's fortune was the announcement that the Cameron company, processors of milk from contented cows, "had offered to furnish many of the girls with a year's supply of canned milk.

Bunkhart Here for Interviews Soon, Others to Follow

Eugene Bunkhart, former principal of the Marshfield High school and now superintendent of school at Plymouth, Wisconsin, will interview graduating students for fall placement in the city Friday. Bunkhart will take place in the near future when Mr. Burkhart will visit CSTC personally and select students to fill the vacant positions in his district. Several students representing their groups have been visitors at the CSTC campus. Numerous speakers for the next semester and this coming fall. 2000 A. D. ????

This issue of the Pointer is remarkable in that it is the first issue of the year. According to Time magazine, Winston Churchill was the man of the first half-century. Perhaps a CSTC graduate will be the man of the second half. Anyhow, we all like to speculate.

In that line, the Radio Workshop has made a recording of what the next generation of students will think is a "thought police" for the year 1984. The idea is not novel to most married men who have been so scrutinized for varying lengths of time.

For the record: If this is true, I can tell you one thing of this you may be sure: In the year 2000, retailers of sedatives will start the new year's inventory with little shingles in that line of goods, just as in 1970, and the people 50 years from now will be making and breaking New Year's resolutions just as they did 50 years ago.

SCHOOL ORGANIZATIONS

Miss Frdis Shtucker, supervisor of the Training school, said on her post session that Frdis is attending the meeting of LSA on Thursday, January 12. She used her colored slides to illustrate a few of the slides to supplement the lecture.

A brief business meeting was held prior to the lecture. A few of the freshmnes were served afterwards. Election of officers will be the main order of business for the meeting being held on Thursday, January 26. Mr. Krause will be at work selecting the candidates for the office.

Radio Workshop

Recently the Radio Workshop players entered a transcription of an original radio play, "The Lost Mark." A Radio Play for 1950" in the fourteenth American exhibition of educational radio play sponsored by the Institute for Education by Radio. The original play was written by Petie Thomas, a freshman at CSTC.

This entry, which was sent to Ohio State university at Columbus, will be judged on educational value, significance, radio play, interest and appeal, in competition with nation wide entries.

"The script gives a picture of some aspects of life in the next 50 years. It is the story of Mr. and Mrs. Russell Bridge and Maurice Mead with the aid of Richard Morgan, Gerard Gump; Beret Davnes, Edward Fur­tion, Arlene Kromney and Regi­na Tiefenbock. The program was produced by Miss Gertie Hanson, director of the Radio Workshop.

Life

Viola Hofer was elected president of the Rural Life Club at a meeting held Monday evening, January 16. The meeting was held in the Metals Building by Quine Lundt, vice president, Elenor Hummel, secretary, and Warren Lenz, treasurer.

Irene Luedtke gave a reading at the meeting. Mr. Luedtke and Donald Doudna spoke briefly on the wage rate for rural school teachers.

The "Newman club" held its first meeting of the New year at the Knights of Columbus on January 12, 1950.

President Jerry La Fleur called the meeting to order and opened the meeting for business. The group voted to go into executive session, nominating to receive membership to the Newman club. In order for a person to be con­ geneous to become a member he must have con­ tributed two dollars to the Newman club. The first to receive that honor was R. New, a church member teaching at New London. The sec­ ond person to receive this award was Miss May Rouch, a pinion, member of the faculty of Central State Teachers college. On Honors Day, next spring, the member, or members, will receive the membership to the John Henry Newman Honorary so­ ciet.

Father Chilicki spoke to the club on "The Newman club" in daily life. As a part of the meeting the group enjoyed slides of the islands of Ronald and Her­ vin, a former bushy fisher in America's lead.

The next meeting will be on Sun­ day evening, January 29, at the Knights of Columbus.

Gamma Delta

Gamma Deltans learned several remarks of their Alumni. Donald Dougs who called the dances at the Gamma Delta get-together Saturday evening, January 12. Dr. Dougs's son Len played the piano while he took the dance floor.

Rev. William Ludwig will show his remarks on "The new and radical church patterns on Thursday evening, January 26. Members and friends are cordially invited.

Miss Luedtke Replaced

By Mrs. Frank Crow

Mrs. Frank W. Crow replaced Miss Doris Luedtke on Monday evening, December 30. Mrs. Crow was immediately after Christmas holidays.

The first time, she took Miss Glads­ ven Aradale's third grade when she was called to Sundal in the school to teach; the second time, she re­ placed Miss Lillie Doufs, fourth grade supervisor, who was confined to the hospital recuperating from an operation.

"It is especially fortunate that we were able to get Miss Crow in the Training school, since there is a minimum of adjustment for both principals and teachers," said Dr. Ray­ mond E. Gormah, director of the Training school.

Students Hear Miss Hrazdila

Talk on Native Czechoslovakia

In an assembly program last Fri­ day, January 19, CSTC students were fortunate in having the opportunity to hear a talk by Miss Jirina Hrazdila, a 17 year old Czechoslovakian girl, who is one of the foreign students in the United States.

Miss Hrazdila, a freshman student at Ripon college, is much in demand in all her work. She is one of the few who have been invited to the Wisconsin Education association convention in Milwaukee, January 30 to 31. She is a student of the Ripon college, and Professional Women's club. It was largely through the efforts of the student program committee and of Miss Sue Mencke, B. P. W. international relations committee, that students here

Miss Hrazdila told the students that Czechoslovakia had produced since the end of World War I, Thomas Masaryk and Eduard Benes, the President of the republic, and both still active in the world outside and especially in the United States.

Miss Hrazdila gave a vivid de­ scription of the terrible hardships and famine which she went through individually, and which her country and her people endured in those seven years of the Nazi occupation. She spoke also of the progress that has been made in the years since the occupation, and of the many difficulties. In closing, she said she and others we live on opposite sides of the globe, your people and mine are very much alike and very much the same.

Here Only Short Time

Miss Hrazdila came to the Unit­ ed States for the first time on her first visit. She is staying in home in Brown, Czechoslovakia, at her parents' home, two sisters are living now. She came on a scholarship sponsored by the United States government, to attend Wisconsin Academy at Ber­ em. This year she is at Ripon college through a scholarship from the Rotary clubs of southern Wisconsin.

In Czechoslovakia, Miss Hraz­ dila attended five years of grade school, and five years of high school, high school and university education and one year of high school in the United States. She has a working knowledge of Latin, Russian and German. She has been engaged for two years with the language of the fatherland.

While in Steens Points, Miss Hraz­ dila's mother, Miss Janice Aldridge, a Ripon college graduate who presided her her, were guests at Nel­ son Hall.

Dr. Gothen Member of

N. C. A. Evaluation Board

Dr. Raymond E. Gothen will act as a member of the North Central Association evaluation board at Clinton­ ville High school from February 13 to 15 as a part of the school's re­ quirement to stay with the North Central association. A. G. Bo­ th, a member of the board, this school here in Stevens Point, will also attend as a member of this con­ ference.

In order to be accredited, the North Central Association requires that a high school be followed by an evaluation by an out­ side group.

Mr. Whitney, former editor of the Pointer, is now teaching social science at the Clintonville High school.

Students Urged To Take

New Course In Logic

Dr. W. G. Jenkins, Dean of the Junior College, called attention to a new course in Logic which will be offered this term. All students are urged to consider this course for next term. This course is philosophy department at the re­ quest of the Junior college and the Clintonville High school. Logic is an elementary course; it is a three credit course offered for the first time at the 9:10 hour on Monday, Tuesday and Thursday, and will be taught by Mr. Jenkins.

The course is designed to acquaint students with the language and the modes with which man has learned to think his reasoning and the process which he uses in arriving at his conclusions.

"In this age when there is a growing tendency to make mistakes in the rational - non-rational decisions," Dr. Jenkins said, "I give students an opportunity to acquaint themselves with the aids to reason, and to make use of rational thought in the normal course of action. I urge students to make early the omission of this derelict of his life."

FINISHING UP"
The Pointers, Winona St. Pat's and Alcorn Staters have all been successful in their past two seasons, but unknown to most of the fans, the only team that has been a consistent team this year is the Alcorn Staters. Their team, which is made up of mostly freshmen, has been putting up long scoring runs and dominating their opponents.

The Alcorn Staters are coached by Coach Bob Koff, who has a lot of experience in college basketball. He has a team that is well-coached and well-trained. The Alcorn Staters have been playing well this year and have been able to beat some of the stronger teams in their league.

Conservationists Plan Game Refuge Management
Walter R. Sylvester's wildlife management class has been asked to prepare a plan for the management of the local Izak Walton Lea game refuge. To aid them in the formulation of the plan, they have invited various people connected with conservation and wildlife management to speak to them.

Their speaker will be Mr. Thien, a biologist for the northeastern forests area of the Wisconsin Conservation department. He will talk to the class on fish management in lakes and streams and try to answer some of their questions on the subject.

On January 5, Frank King, game manager for the Wisconsin Conservation department, spoke to the class about wildlife management practices. At the present time Mr. King is cooperating with farmers in developing farm wildlife plans.

Also, Upholsterer, graduate of Wood county's public hunting grounds, addressed the group January 12. His topics were forest game management, and waterfowl management.
