Glee Club Meetings

I want to extend greetings to the WSCA Central State Glee Club, both the former members who will be present and the present members. This has been a fine musical organization through the years and has provided great fellowship and musical experience for many students. I also want to express my own behalf, and on behalf of the college, our best wishes for Mr. Knaut's five services as director of the club.

AKL Venison Dinner

Planned for Dec. 9

By popular request, the date of Alpha Kappa Lambda's annual venison dinner has been changed from Thursday, December 7, to Saturday, December 9. By this change of date it is hoped more alumni will be able to attend.

It promises to be a great occasion with plenty of good food and entertainment. About 50 guests, including faculty members and conversation leaders, have been invited. The committee and chairs are as follows: Entertainment, Alan Bowles; seating, room and decorations, Bill Gorret and invitations, Don Sargent.

New Dormitory to Honor Regent Wilson Delzell; Work Already Begun

Preliminary work is already well underway on the organization of the new college men's dormitory, Delzell Hall, which is being erected on the northeast corner of the tennis courts.

The ground breaking ceremony was not like a freight train. Students and faculty members observed the event with interest.

Mr. Hansen announced that the new building would be named Delzell Hall in honor of Regent Delzell and also Mr. Delzell's father, the late James Delzell, who was a member of the college faculty.

The general contractor for the building is the L. C. Gehrman Company of Oakshott. The general contract price, inclusive of all plumbing and heating contract work, is $150,000. A number of alternate bids were received.

The dormitory will face east on North Fremont street and will have four double rooms. It will rise three stories, having two stories above the basement. There will be no facilities for maid in the building.

Glee Club Alumni Returning to Help Celebrate Club's Birthday

Miss Heel Is Ill

Miss Helen Heel, CSTC music instructor, has been confined to her home for the past two weeks because of illness. Peter J. Michelson, Jr., has taken over her classes and will continue to do so until her return. Miss Heel hopes to be back by November 17.

Will Hold Public Concert Sunday

Men's Glee club alumni from near and far will return to Central this weekend to stage the club's first public concert ever.

This anniversary celebration will get off to a start on Saturday afternoon when the men will hold a rehearsal and get-together, while their wives have a program of their own.

The choir will hold a public concert Sunday afternoon at 3:00 in the auditorium. The program will be a combination of songs, solos and instrumental music.

Club Band in 1933

The club had its beginnings way back in the fall of 1933 when a group of 26 men met with President Frank S. Hertz and organized the Men's chorus. The men presented their first public concert on March 29, 1934. Students here in Blitchfield presented the music. The first conductor was Norman A. Knaut, who became the director of the group and has continued as director since that time.

The organization grew and grew through the following years and in 1937 alumni in the Associated Glee club of America. On Monday evening at 8:00 a concert will be presented for the students and alumni.

Omeg Knitting Bazaar

Omea Mu Chi sorority will hold its annual knitting bazaar on December 5. Any student or faculty member interested in placing an order for knitted socks, gloves, men's ties, or baby sweaters and caps, or call Jackie Hall at 188-E, stating size and color desired, before November 11.

Sophie Cychock Resigns

After serving for two and one-half years in the capacity of main office secretary, Sophie Cychock has resigned her position. Miss Cychock has moved to Midwest where she intends to secure a secretarial position.

Miss Hrazdilova, Ripon Student, Will Speak at WSCA Banquet

Her impressions of America will be told by Miss Jirina Hrazdilova, a Czechoslavakian student, now a sophomore at Ripon college, who speaks at the annual WSCA banquet on Wednesday, November 15.

The banquet will be held at Nelson Hall 6 o'clock in the evening. The banquet will be held for several days during the week before the banquet, and another opportunity will be given the women to get their tickets immediately following the WSCA meeting on Friday, November 16, during the 10 o'clock assembly period.

As a banquet, it is one of the outstanding events for CSTC women, students and faculty women, and the number of tickets will be limited to sell out to her native language, and has a working knowledge of Latin, Russian, and German, and had one year of English in her home country. Miss Hrazdilova first arrived in the United States about two years ago, under the sponsorship of the American Field Service.

Prior to entering Ripon college, she studied at Wayland Academy in Beaver Dam. As a part of her American field service scholarship, she made an extensive tour of the United States, traveling from New York to Colorado, then to Texas, and back to New York.

Probably one of the more out-

JIRINA HRASZDLOVA

standing foreign students in this country at the present time, Miss Hrazdilova is much in demand as a speaker. Her ability to understand member well the vivid picture of Czechoslovakia and its struggle for independence which she presented to our junior class has caused a great deal of interest.

Why Condemn Suitcase Case?

The increasing reference to CSTC student groups for work after their final class hour on Fridays, as "suitcase cases" has come to be accepted as the same comment that was applied to the Nazi sympathizers and collaborators in Norway, during World War II.

In the following paragraphs it is not our purpose to either support or condemn these "Traitors" to CSTC school spirit, but to point out that the indiscriminate use of this term by many of these students who fall into that category

...a student living in a comparatively short radius of this city, feels it advisable to ease the strain in an already depleted pocketbook by going home for the weekend and saving anywhere from two to six dollars on meals alone, he is to be condemned for his actions? Should the label of "suitcase student" be applied to that student who would not be able to attend school at all if it were not for a week-end part-time job?

Would you send an out-of-town student stay here over the weekend when there is nothing to attract him other than the local theaters and dance halls? Could he not just as well frequent these places in his home town thus having the additional benefits of free meals?

It has become increasingly evident that, when there are weekend activities for which attendance and participation is possible, will stay in Stevens Point to support school functions. This observation is borne out by the nine attendance of Homecoming festivities.

That there is a solution to the week-end and exodus problem does not lie in shaming those students into staying on the campus. A better way would be to devote the "suitcase" reference to some Home Economics sophomore and thus having the additional benefits of free meals.

The Student Council has promised action soon. It will be interesting to see the results of its campaign.

Primary Councils

The teachers' annual two or three day sight seeing and shopping tour is now over, and (s)es can get back to business. According to Milwau- kee papers, most of the teachers do the very things that the students are doing for the students' - cut meetings, miss classes and programs, exercise bad manners, by walking out in the middle of speeches.

Remember - monkey see monkey do.

Reminds one of the student who said to his instructor - "I can tell by the shape of your head that you are a square shooter."

Did you know that the Communists are complaining because the rich enjoyed the nice October weather, too?

As Carman Lane says - "Whether you're handsome or ugly, it's nice to have a face."

Bob Petrench - "I am an old In- dian Fighter."

Straight Man - "Why did you give it up?"

B. P. - "Ran out of Indians."

HEAD STUDENT COUNCIL - Fellow student council representatives have elected the above members as officials of that organ- ization. Left to right, Louise Eichrich, treasurer; Mary Swolles, secretary; Harry Johnson, president; and Schultz, vice president.

Student Council's Weekender's Club

For plus $55 days without classes next week end up to the un- known quantity "X." The problem of what to do has been solved for the easer new Student Council, and the answer is, "The Weekender's Club." About the activities are tentative, many of the faculty members have voiced their support, and the plan would only the acceptance of the student body to put it into operation at CSTC.

The plan, as it stands now, pro- vides activities to please every personality, and would make the two days and three evenings between classes eagerly anticipated week- ends. Pop rallies might be held on Fridays to get the students enthusi- astic about the games, and the week- end festivities. Besides the regular games, intramurals will be encour- aged, and all athletic equipment will be at the disposal of the "weekend- ers." Mixing the athletic spirit with social diversions, smoothly informal dances, called Basket Balls will be held on the campus after home games. These will sup- port the regular Saturday Swings, which will be very informal mixers featuring everything from square dances to jive dances.

Stretch Calendar

The calendar will also stretch the social calendar, and make room for the meetings of organizations which have been crowded into only four evenings each week. With most of the students on the campus, Sun- day evening could be used for religious groups meetings, and perhaps even the vaults could be used for squares, mixers.

University of Minnesota

Inflation means that instead of not having the money you haven't got, you have twice as much, but it's only worth a third of what you haven't got.

Putting thought - better catch up on your work now - it will soon be time for Thanksgiving Vacation.

The Monday night activities of the Powder stuff were abruptly interrupted shortly after ten o'clock when the late-working male members of the staff dropped their pens and leaped from their typewriters in a frenzy of excitement. The dormitories, upon observing a rapidly spreading grass fire on the front campus, called the POINTER office on the phone and warned...

Pointers Eke Out 7-6 Victory Over Titans, Lose Last Game to Pioneers

The Pointers ended their home football schedule on October 30 with a 7-6 victory over the Oshkosh Titans. Coach Quandt, in his 13 seasons as head coach, has never been shut out by a Titan, a fact that he attributes to the margin of victory.

statistically, the game wasn’t even close. The Pointers took the first down to the Titans’ four; they averaged the game at 13 yards, compared to the visitors’ 68. The Purple and Gold touchdown came in the third period with Joe Carstaga, who turned in his best performance of the year, leading the way.

After Jack Leichtenberg caught a pass that took the ball on the Titans two yard line, Dave Bliese creased into pay dirt. Miller then converted for the margin of victory.

The Oshkosh TD came on a 15 yard pass from Schwecke to Keil.

Lose to Platteville

The Pointers ended football hopes for the season last Tuesday when a sour note as they dropped a 44-0 decision to the Platteville Bluejays.

Jim Yackels, Platteville’s driving halfback, had a field day against a worn out Pioneer TD. After a scoreless first half, the Bluejays tumbled over for 57 yards and the first marker of the evening. Early in the fourth quarter the Pointers found themselves on the Platteville 20 yard line. Yackels again proved a threat as he ran the chief Platteville’s nemesis and hit pay dirt. Quarterback John Hetzer lacked both conversions for Platteville.

The Pointers’ scoring op- portunities were limited to two second halves. Shortly before the first half, Leichtenberg scooted behind the Platteville safety but an intended pass and 38 second remaining, Dave Bliese took a Pioneer kick and stormed in for the host’s 10 yard line. The ball was worked down to the one yard line but Ole Fother Time ran out for the Pointers.

As far as injuries go in the season, it was a situation that Coach Quandt had to contend with for the entire season. Walt Samslad agreged an old ankle injury and was forced to leave the game. Nibles Miller also missed the entire game because of an alleged shoulder injury.

The defeat dropped the Pointers to seventh spot with two victories and four losses. The Pointers clinched fourth place with a record of four wins in six loop contests.

Rammers Capture First; Klaks Beat Off Phi Sig

In a thrilling, hard fought battle Rammers defeated the Phi Sig House 14-7 and thereby assured themselves of first place in the touch football league. Runner-up honors went to the Klaks, who, in a play-off game, defeated the Phi Sig House 13-7.

In the Rammers-Phi Sig House battle, good passing and responsible blocking were features of the game. The decision was scored late in the fourth quarter as Dave Case pushed up the middle to Eugene Sackman who took the ball in the end zone.

The Klaks victory over the Phi Sig House team for second place honors came only after an exciting, closely contested battle in the team fought for a 7-7 standstill throughout the game. Jim Schrank, on the last play of the game, pitched a long pass to Pete Macht who took the ball on the run and dashed into the end zone to give the Klaks their margin of victory.

CSTC Presenting Series Of Conservation Programs

The conservation education department of CSTC is now presenting a program "Conservation in Wisconsin." On Friday evenings at 7:30 p.m. over WHA-FM, Madison. This series of 20 programs is being conducted under the direction of Fred J. Schreckmeier, chairman of the department, and is produced by the Radio Workshop.

The first eight programs of the series will deal with the conservation of soil and water. The series will then continue with programs on the conservation of the forests, wildlife, scenic and recreational areas of Wisconsin.

The programs will be conducted, as far as possible, on the round table discussion plan. Mr. Schreckmeier hopes to obtain many of the people who are prominent in the field of conservation as guests.

The program has been well received by the radio public as is indicated by the volume of fan mail that has been received. Several other radio stations have requested permission to rebroadcast recordings of the program. At the present time the program is being rebroadcast from the CSTC's Radio Workshop studios at 7:30 Tuesday evenings.

FIFTH QUARTER

Coach Hafe Quandt announced last week that the Pointers’ game with West Liberty College in Wheeling, West Virginia, has been cancelled.

The Point is notumed to be cause of the unusually large number of players on the squad, it would be impossible for him to field a team without fear of risking permanent injury to one of his players. The matter was discussed during a squad meeting and a majority of the players favored canceling the game.

Basketball drills started on Mon- day night with Coach Quandt welcoming back five returning lettermen; Bruce Menzel, Bill Caven, Walt Samslad, Chuck Pelka and Don Schniiders. First home game for the Purple and Gold will be on December 6 with Milton providing the entertainment here.

Elegy of Sports Writers (taken from The Octopus, U. of W. humor magazine)

"The football season is off to a back end run, the Wisconsin squad is showing plenty of push, and the sports writers, I am happy to report, are in the last of that bunch with their dusty cliches. The time has arrived no a stumping from the sports writers over the football circuit. All the verbs, adjectives, and adverbs have been used. What’s left for the pose future sports writers? Nothing but a sly alliteration, a casual onomatopoeia or a weakly dropped syllable. I think it’s about time for these men to incorporate foreign language excerpts. Then the sports writers won’t have to make any literary appeal, but also a distinct continental flavor."

Comment: Now that our reading evidence has been told our weakness, we are entering the T.V. field.

Pan-Hall Formal Dance

Chameleons Pledging Season

The climax of the formal season of the Greek organizations of CSTC was the Pan-Hall Formal held at the Training School gym from 9 until 0 o'clock on Saturday, October 28, Nelson Hotel. The new actives were Eleanor Curtis, Marlene Helmlund, Laura Moore, and Helen Doverspike. The Cartwright hotel was the scene of the Pan-Hall debutantes' first following the initiation ceremony. Pumpkins, jack-o-lanterns and other Hotel decoration figures made of pipe cleaners decorated the tables. During the program, for which President Phyllis Petzer acted as toastmaster, Barbara Lewis spoke in behalf of the actives and Eleanor Curtis spoke on behalf of the pledges. Marlene Helmlund was presented the Jean Maier scholarship pin by Kay Leach, who, with Barbara Baumgartner, wore the pin last semester.

The Honorary Junior Van Arsdale, sorority adviser, gave a talk on friendship and what it means to a sorority girl and how she should go about making every new acquaintance. The four new actives were each given a bouquet of flowers. "A Rose Was" was sung by Ilia Williamo, "Every Rose that Blooms" was sung by Miss Mary Pfieffer and Miss Joanne Altenburg, alum; Mrs. Marjorie Keck, professor; and Miss Van Arsdale, advisor; Miss Margaret Frazee, patrions; Miss William C. Hansen, junior advisor; Mrs. Frank N. Sorensen, honorary members; and Mrs. Edgar F. Pierson, Mrs. Mildred Williams and Miss Margaret Friberg, junior guests.

14,000 Teachers Attend Annual WEA Convention

Approximately 14,000 teachers convened in Milwaukee’s civic auditorium, the Arena, for the largest Wisconsin Education convention in years. There were 5 Classes at CSTC suspended, and most of the instructors attended the convention. District Officers and the secretaries of the CSTC Alumni association, reported that about 2,000 alumns were present at an informal get-together that was held at the Hotel Schroeder on Thursday afternoon.

Attendance at the convention was up significantly from previous years. President Petzer, however, says that the convention will be cancelled if the impression of overcrowding continues.

Skilled Performances Shown at Music Clinic

Alumni, varsity and training and skilled performances were shown at the Music Clinic and Workshop here on October 20. Peter J. Mitchell was chairman and in charge of local arrangement. Even though the soloists and choirs were limited in the octaves area but had a few weeks to prepare for the event, they displayed to good timing and ability command of their instruments.

Audition comments were made by Dr. Charles O’Neil about instrumental solos. The outgoing president, Sargent of the University Extension division, made comments on the vocal selections. Following the meeting attended tended the session along with the band masters and teachers from throughout the state. The group one and Jay Iane is chairman of the group two. Dorothy Kuhkahr is in charge of tonight’s dedications. Dave Ross is chairman of the Christmas party.

A Gamma Delta convention for Wisconsin colleges will be held November 11 and 12 at the University of Wisconsin in Madison. As many local Gamma Delta members as possible are urged to attend.

doing the courageous POINTER stuff of the impending catastrophe. The editor, composition editor and ads assistant fired a fire extinguisher, got out of the building and worked like a bee to make sure the fire did not get under control.

These efforts were somewhat impeded by a lively but somewhat panic-stricken fire director sprayed everywhere except on the fire. A second fire extinguisher was pressed into service and proved a little more effective despite another false alarm and very loud siren blaring.

The fire fighters abandoned their modern techniques and reverted to using their feet to stamp out the conflagration. And so the school was saved.

The speakers for the evening, after Mr. Burroughs’ novel “choice” ter- m, Kemple welcomed the new members, each making a short introduction and cast a few priceless pearls before 35 stood boys. Fringe chair man Bob Okray wished the new actives and Mrs. Kemple, speaking for the pledges, greeted the audience.
