

## Sororities and Fraternities Holding Fall Rushing Parties

The fraternity and sorority rushing season has started, with Chi Delta Rho fraternity holding the first rushing party at Selck's Burr Oaks last Monday, October 8. John Mallow, pledge-master, was the emcee. The refreshment committee was composed of Al Long, Gene Paulson and Robert Paulson. Special guests were faculty advisers Gilbert W. Faust, Dr. Harold M. Tolo, Raymond M. Rightsell and Norman E. Knutzen.

Tuesday, October 9, under pledge-master Ray Anderson and his two assistants, Ray Zwolinski and Richard Turzinski, Phi Sigma Epsilon fraternity held its rushing party at Iverson Park Lodge. Dick Oik, an alumnus, was the guest speaker.

The same evening Psi Beta Psi sorority met at the home of Mrs. Nels O. Reppen. The committee heads were Marjorie Lawrie, general chairman; Mary Ann Baumer, invitations; Nancy Pautz, decorations; Eldora Reineking, entertainment; Arline Meister, transportation; Marilyn Schilling, food. The sorority ad-

visers, Mrs. Raymond Specht and Miss Jessiema Keyser were present.

The next rushing party will be held by Omega Mu Chi sorority at the home of Dr. and Mrs. L. C. Scriber this Friday evening at 8 o'clock. The general chairman is Letitia Brunner. The committee chairmen are: Invitations, Joan Fehrenbach; entertainment, Gretchen Holstein; decoration, Barbara Hanson; food, Sally Scribner.

Sunday at 8 o'clock Tau Gamma Beta will hold its rushing party at Virginia Marros' home, with Mary Pfiffner acting as general chairman. Committee chairmen are Kay Leahy, transportation; Joyce Moll, food; Ethel Farris, entertainment; Sylvia Abrahamson, decorations; Janis Gruen, invitations; and Helen Nully, clean-up.

## Election of Queen, Milwaukee Football Game to Highlight 1951 Homecoming

### Class Advisers for the New Year Are Named

Class advisers for 1951-52 have been announced by President William C. Hansen. The permanent advisers include: Senior class, Miss Pauline Isaacson; Junior class, Miss Monica Bainter; Sophomore class, Miss Mildred Davis and Freshman class, Mrs. Elizabeth Pfiffner.

Rotating advisers include: Edgar P. Pierson, class of '52; Frank W. Crow, class of '53; Roland A. Trytten, class of '54; and Robert S. Lewis, class of '55.

### Misses Thompson, Sarbacher, and Hanson — Nominees for Campus Queen

As once again the smell of burning leaves fills the air, the big Homecoming weekend of October 19 and 20 draws near.

Jean Sarbacher, sponsored by Phi Sigma Epsilon, Barbara Hanson, the "S" club's choice, and Donna Thompson, chosen by Chi Delta Rho, are the three candidates for Homecoming Queen. It was announced this week by Bob Flint, chairman of the Homecoming festivities.

Jean, a junior from Portage, is in the Primary division. She is active in Omega Mu Chi sorority and the Primary Council. Donna, a Home Economics major from Waupaca, is a sophomore in the Secondary division, and a member of Omega Mu Chi and LSA.

Barbara, a second semester sophomore in the Primary division, graduated from Clintonville High school. Her extra-curricular activities include Omega Mu Chi, Mixed Chorus and Dorm Council.

#### Voting on Thursday

Voting for the Queen will take place on Thursday, October 18. The Homecoming Queen will be crowned at the pep assembly on Friday afternoon, October 19.

Friday, October 19, is also Hobo day. In the afternoon there will be a program at which time the Hobo King will be chosen. In the evening there will be a pep rally, along with the big bonfire the freshmen will build. Tom Lund is the chairman of both afternoon and evening events and has announced that the Phi Sig Band will play. There will also be a dance in the Training school gym after the bonfire.

#### Parade, Saturday Morning

The parade, scheduled for 9:30 Saturday morning, promises to be a big one. Frank DeGuire is parade marshal. The college band, the Academy Drum and Bugle Corps and approximately 30 floats will be in the parade. Riding in one of the cars will be Wilson S. Dellzell, College regent; Frank S. Hyer, President Emeritus; Warren Blodgett, president of the Alumni Association; and William C. Hansen, college president.

The float judges will be Mayor Alois Jacobowski; Leo N. Gullikson, president of the Chamber of Commerce; Alderman William Ruff; Chief of Police Elmer Zeaman; L. A. Amundson, secretary of the Chamber of Commerce; and Ralph Lilly, manager of the Wisconsin Public Service corporation.

After the big game with Milwaukee Saturday afternoon, there will be open house at Nelson Hall, and the sororities and fraternities will have their combination alumni and pledge dinners early Saturday evening.

#### Dance in High School Gym

Saturday night from 8:30 to 12:30, at P. J. Jacobs high school gym, the annual Homecoming dance sponsored by the "S" club will be given. Ron Harvey's "Sweetest Band in Badgerland" will play for the dance. This band from Fond du Lac plays in the style of Jan Garber. It features Ron Bothe, KPZZ Mutual radio emcee and vocalist on Universal records, and Harvey Glissendorf, pianist of network talent shows. The tickets are \$1.75 a couple or 99 cents individually.

On Sunday afternoon at 2:30 o'clock the Men's Glee club, under the direction of Norman E. Knutzen, will present its annual Homecoming concert in the auditorium.

The Homecoming publicity committee includes Kelly Douglas, Chuck Hodgdon, Fritz Schadewald, Jim Mulady, Louis Jacobowski and Donald Blaies. Omega Mu Chi has charge of the posters.

which have been published in one volume called "That's Me All Over." Moreover, her amusing pieces for the New Yorker magazine have been delighting readers for several years.

Miss Skinner has made frequent radio and, more recently, television appearances. She also gave a well-received performance in Paramount's "The Uninvited" with Ray Milland and Gail Russell.

## Please!!

Everyone enjoys friendly rivalry and evidence of good school spirit, but everyone abhors vandalism. In connection with the Homecoming Queen election or other publicity, please do not destroy or mutilate posters or pictures. Neither should oil paint or other permanent material be used on sidewalks or buildings. Be prepared to take down your own posters after the contest closes. Posters should not be applied to plaster walls with scotch tape. It will leave a mark. Use the bulletin boards or mount posters in a manner that they will not leave marks when removed. Some vandalism has already been reported to us. It is evidence of immaturity.

Wm. C. Hansen, President

## Referendum to Cut Student Council to Nine Wins Approval

The proposal for changing council membership in the recent student council referendum was approved by a vote of four to one. The student council will now consist of nine members.

The nine student council members will consist of the following representatives: The vice-president from each class, an elected representative from each class and an elected representative at large. The representative at large will act as president of the council.

Any petitions for candidates to the student council which were circulated prior to October 4 are invalid. The new green petition forms which are now to be used may be procured from the main office.

The deadline for the filing of petitions for all offices to be filled by students is Friday, October 12.

The election of officers and of the Homecoming queen will take place on Thursday, October 18.

## Three Freshmen Freed From English 101-102

Three freshman students of this college have had the privilege of being exempted from English 101 and 102 as a result of the English placement exam given upon entrance. They are Lynette Olson of Wisconsin Rapids, Diane Seif of Neillsville and John Miller of Stevens Point.

Results of the test have been sent to each of the 77 high schools throughout Wisconsin which are represented by Freshman students here.

The norms for Central State compare well with those of most other colleges in the United States which have conducted the same test, says Leland M. Burroughs, chairman of the English department at WSC.

One of these smiling coeds will be carrying the ball as Homecoming Queen after the October 18 election. From left to right the queen candidates are: Jean Sarbacher, Barbara Hanson, and Donna Thompson.

## Alum Luncheon Will Be Held October 20

The Annual Alumni Homecoming Luncheon will be held on Saturday, October 20, in the music room of the Training school. The luncheon will begin at 12 o'clock noon. Before the luncheon there will be a reception and mixer for both faculty and alumni on the first floor of the Training school. Mrs. Herbert R. Steiner, Mrs. Helen Eagleburger and Dr. Raymond E. Gotham will be in charge of arrangements and program. All alumni who plan on attending this mixer and luncheon are asked to send in their reservations as early as possible.

An informal get-together will be held at the time of the 1951 Wisconsin Education association convention at Milwaukee. Room 508 at the Hotel Schroeder has been reserved from 3:30 to 5:30 p.m. on Thursday, November 1. The Alumni committee of the college faculty, with Miss Mary Ellman as chairman, will be in charge.

## Miss Smith at Eau Claire

Dr. Mary Elizabeth Smith, a member of the English faculty here at Central State last year, was recently appointed to the faculty of Wisconsin State College, Eau Claire, as a part time teacher. Dr. Smith completed her Ph.D. at the University of Iowa last June, and at present is teaching classes in English and Children's Literature at Eau Claire.

## Miss Skinner and Pianist Scott Scheduled for Student Assemblies

Two outstanding entertainment programs have been scheduled for the first semester according to an announcement, by Robert S. Lewis, chairman of the assembly committee.

Cornelia Otis Skinner

Cornelia Otis Skinner, distinguished actress-author and Henry L. Scott, celebrated piano humorist, will be here.

Miss Skinner's program of "Character Sketches" will be presented in the Emerson school auditorium on

Thursday evening, October 25, at 8 o'clock. Henry Scott, who has been proclaimed the "Will Rogers of the piano" and "hilarious virtuoso of the piano," is expected on December 6.

#### Performances Outstanding

Both of the performances are so outstanding and so costly, that outside tickets must be sold to cover the expenses. However, all the outside tickets for Miss Skinner's program have already been sold and there is a waiting list of townspeople who want to go to the performance. Students may obtain their tickets in front of the library the week of October 15 by presenting their student activity cards. Tickets must be obtained at this time, for after October 20, all remaining tickets will be sold to the townspeople whose names are on the waiting list.

#### A Great Dramatist

Miss Skinner has won the title, "the greatest single attraction in the American theater," by her success as a monologist. In addition to her career in the field of solo drama, Miss Skinner acts in conventional plays in company with other performers.

As a writer, Miss Skinner's fame equals that which she has won as an actress. "Family Circle," her recent life-with-father-and-mother biography, enjoyed a long stay on the best seller list. She has written many popular humorous books, four of

## Rigor Mortis?

Last week the students of WSC were asked to express their opinions on an important matter concerning the student council. In that referendum on reducing the size of the council, only about 190 of the 700 students enrolled took the time and interest to say whether they were for or against the proposed change. It is no wonder that student government here at "Central State" has been able to accomplish little if anything with that kind of backing.

Not long ago we were reading a small pamphlet entitled, "The Four Pillars of Freedom." In commenting on one of these four pillars, W. G. Vollmer, the author, made this pertinent observation: "In recent years there's been a good deal of conversation about getting the vote. But like the weather, which provokes a great deal of talk, many of us merely talk instead of acting . . . Every vote counts, no matter what the election." Even though this was written from a national viewpoint, it is quite applicable to our own situation. We all ought to be "doers" instead of just "talkers."

On Thursday of next week the annual election for class officers and student council representatives will be held. Naturally, with the balloting for Homecoming queen being conducted at the same time a considerably greater amount of student interest will be shown — so we will expect to see 700 votes cast instead of less than 200. Here is a fine way to show some of the much talked about, but little seen, school spirit.

F. C. D.

## FAMILIAR FACES

Returning from a hearty supper and longing for some relaxation, the sweet strains of music lured us to 332 South 3rd Nelson Hall, and who should we find but none other than Suzanne Swanke, the familiar face of the week. (Our photog affectionately calls them the "stupid faces" but Sue is anything but stupid.)

Brown-eyed, brunette Suzanne, better known as "Suzy," hailed from Tigerton until last summer; now she claims Clintonville as her home. She is 20 years old, a senior in secondary division, majoring in English and minoring in speech and history. She has been a dormite for four years

this year she will display her talents as technical director for the drama groups.

### Teaches Eighth Grade

Suzy really takes her practice teaching seriously — not only does she teach eighth grade English but she also taught a class in dancing to the budding little Arthur Murrays at their first Training school party.

In her spare time (what's that?) — Suzy likes to knit too — she asked us to report that she is taking orders for socks for the Omege knitting bazaar. Just ship your orders in care of room 332, Nelson Hall. After hours and hours of mental labor, Suzy loves to indulge in a rousing game of bridge, climaxed by a pop corn party to complete the evening (or should we say morning?) Suzy loves to travel too. This summer she and Shirley Jacobson drove to Tennessee and Kentucky to see some friends.

### A Frankie Lane Fan

She loves music, especially the mellow tones of Frankie Lane — her favorite song is "We'll Be Together Again." To these haunting melodies, we gathered our typewriters to leave and Suzy commented, "My life's ambition was to go to Notre Dame" (we wonder why) "but the years I've spent here have been just as much fun," and knowing Suzy we are sure they have been.

## Letters to the Editor

To the Faculty and Students of WSC: This report contains my impression of the United States National Student association gathered from four days participation in the national convention of the association held this last August 20-29 on the University of Minnesota campus.

First of all, I wish to say that I consider myself fortunate to be able to attend this gathering of students from all over the US and was proud that I was able to represent the student body of WSC.

In general I believe that the Congress was conducted with exceptional efficiency. Most of the officers were capable, alert and prompt in their duties. The body of attending delegates seemed responsive and earnest in their desire to accomplish the purpose for which they had gathered.

The delegates were divided into four major commissions. They considered proposals in the area of student, educational, international and organizational affairs. These areas in turn were broken down into sub-commissions which discussed some very pertinent problems dealing with student government and activities of the NSA. Also included were such special events as the student leadership clinic, student government, president's meeting and the student organization's conference. I also had the opportunity to sit in on a few of these meetings which proved most interesting and enlightening.

The students' participation was encouraging. The contributions to the discussions revealed much serious thought and deliberation on problems faced by the modern college student. After attending and participating in this fourth National Student Congress, I came to the conclusion that if we are to take our place in the higher educational enterprise, we must have a strong program of student government.

This can be done only through the NSA, which is the only nation wide

## The "Scoop" Shovel

Many witty pen-pushers have struggled with this column known to reporters as "the funny, gossipy, sporty, jokey, newsy, local color column." Some of the literary "masterpieces" have been too much "gossipy" — and some weren't masterpieces in the first place. At any rate — the column has undergone another face-lifting job. Whether for better or for worse remains to be seen — the orchids or tomatoes are entirely up to you.

Political bosses might take a hint from some of the vigorous campaigners who are backing the Homecoming queen candidates this year. Already the pictures and posters are blossoming on stairways, ceilings and between trees. For our money, Jean Sarbacher, Bobbie Hanson and Donna Thompson couldn't have better advertising than a photo. Guys like Dewey, Truman, and Stalin would do better to campaign over the radio — they lose half the votes when the female population gets a look at them.

### Great Poetry

He sat beside the sewer  
Beside the sewer he died  
They didn't know what he died of  
So they called it "sewer-side."

Have you noticed all the Nelson Hall "dormites" sitting on the floor? It seems the dorm has some classy new furniture — but you must be dressed for the occasion in order to sit on it. We went over to look, but got awfully tired of standing up, so —

### Definitions:

The literal meaning of sophomore is "wise fool." It is from the Greek, sophos, "wise," plus moros, "fool, or foolish." Junior, of course, is Latin for "younger," and senior is Latin for "elder." Freshman, of course, needs no explanation.

Student teachers, bedraggled as they are, should get a feeble laugh out of this:

In a vocabulary lesson at the T. S. one of the seventh graders was sure a turbine was something a native of India wore on his head. (The native would get a charge out of that!)

Speaking of children — a little boy asked his grandmother to show him how she played football.

"What makes you think I know anything about football?" the surprised grandmother asked.

"Cuz, Daddy told Mom yesterday that we're gonna get a new television set when you kick-off," he explained.

### Closing comments:

Artistic contributions in the way of humor, news (or any of the above mentioned) to this column will be welcomed. We can't promise we'll print them but they're welcomed — and that's something.

all-inclusive organization of American student bodies today. It is an organization in which every student is a part and in which every student may take a part. Our students could accomplish many things in this direction, I am sure, for we have the right people if they only would apply themselves.

The student wants a voice and with this I am sure that he will take more interest in his school. The student wants a place where he and his fellow students' views are honored for their worth. Just let the truth rule and the outcome is inevitable. This is what makes up a democracy.

With this in mind, I recommend that we of WSC apply for membership in the NSA. Let us always keep in mind that the NSA is like education itself — it is what you put into it.

If there is anything that you might want to know concerning this organization, please be free to approach me on it. If a general conference is your wish, I will be pleased to meet with you at any time.

I wish to express my thanks to the administration and Mr. Boylan for their interest they have shown in this project of student activity.

Louis Jacoboski

ictured above is Dr. Quincy Doudna, dean of administration, back at his desk after his return last week from Lima, Peru, where he served for a year as a technical advisor to the minister of education of that country.

## Dr. Doudna Returns Home After Year of Advisory Work in Peru

Dr. Quincy Doudna, dean of administration here at WSC, returned by plane to the United States and to the Stevens Point campus last week after spending a year in Peru, South America, helping establish a normal school there. The Peruvian government requested help from the U. S. to improve their school system, and as a result experts from the vocational, home life, rural education and elementary education fields were sent.

Dr. Raymond E. Gibson, former director of the Training school, was head of the group with Dr. Doudna next in charge. The effort to aid in the education of backward peoples is regarded as part of President Truman's Point Four program.

Dr. Doudna's main mission was to aid in the establishment of a large normal school in Chosica in an effort to turn out more and better teachers. However, he spent some time in the rural and mountain regions during the South American summer months. Their school year begins in the fall also, but that arrives the first week in April.

Dr. Doudna found Peruvian life and schools quite different from their American counterparts. Their curriculum shows European influences, with the study of classical languages and 12 or 13 subjects common in a year's course. The schools are backward and the teachers' salaries average \$50 a month. However, the slower tempo of activities appealed to the director as South Americans figure that there is always "manana" (tomorrow).

The educational system in Peru is under the direct supervision of the minister of education, Col. Juan Mendoza, who is appointed by the president. Both Dr. Gibson and Colonel Mendoza are coming to the United States this month to visit schools and will be here for an assembly on October 24.

Anxiously awaiting Dr. Doudna's return to WSC were Violeta Colina and Bertha Rodriguez, Peruvian students.

ents here, who were formerly grade school teachers in Lima. Dressed in American codd fashion — blue jeans and t-shirts, — the girls were among a large crowd of students and faculty that gathered at the airport to welcome Dr. Doudna and his family upon their arrival in Stevens Point.

## Gamma Delta Pledges Will Be Initiated

At a candlelight service at St. Paul's Lutheran church, 29 pledges will be initiated into Gamma Delta fraternity for Lutheran students this Sunday evening. A banquet beginning at 5:45 o'clock for old and new members alike will precede the service.

Committee chairmen for the banquet are: Decorations, Jean and Joan News; entertainment, Gordy Fairbert; food, Marlene Zastrow and Eunice Bauer; initiation ceremony, Ardis Raath; set-up and clean-up, John Bruha.

Besides busying themselves with pledging activities, Gamma Deltans have started a Gamma Delta choir and filled in two vacated offices. Jerry Boettcher was elected vice-president and Arline Meister, treasurer. Glimaxing a two week pledging period, the pledges will provide the entertainment at the Gamma Delta meeting this evening. Bill Kohls and Myra Buggs are pledgemaster and pledgemistress.

The new members of Gamma Delta are: Joyce Jones, Clara Colrupe, Harry Larzelere, Lester Carlson, Roy Hackbart, Rita Martens, Lillian Lovdahl, Lois Weber, Rosella Voight, Jeanette Suehring, Janis Martens, Claire Mueller, Marcella Hoffman, Luella Cram, Beverly Ziebarth, Eugene Arnett, Don Tetzlaff, Richard Marko, Frank Hoffman, Rhody Marchouls, Bonnie Lou Kalepp, Joyce Smith, Willis Teetzen, Roy Habeck, Mary Jean Lehman, Roger Schneider, Leroy Zingler, Jerry Gasch and Barbara Hager.

### River Falls Game

# "Central State" to Seek First Conference Win

Coach Hale Quandt's spirited Pointer football team will travel to River Falls this Saturday, October 13, to seek their first conference win in three gridiron clashes. The kick-off will be at 1:30 p.m.

This game promises to be a good chance to chalk up victory number one. It's like this in black and white; the Pointers lost a heart-breaker to La Crosse 13-7, but River Falls playing that same La Crosse Cigar Bowl championship team, came out on the wrong end of a 33-13 score.

#### Homecoming at River Falls

However, it's the River Falls Homecoming game, and they have a reputation for being plenty tough in their Homecoming games. This is psychology though, and the Pointers have some of their own psychology, a desire to win, no matter which team they are playing.

The River Falls pointer, coached by Phil Belfiori, centers around a small nucleus of six lettermen. The passing combination of Harkness to Foukes and the speedy sprinting of Onstad could prove to be mighty dangerous. John Oedsma, 210 pound tackle, should spark River Falls' line play.

#### 13 Lettermen Important

The Pointers on the other hand can match them man for man and then some. Their potential centers around a nucleus of 13 lettermen, and each of them has come through with flying colors.

### Link Calls 'Em

This Saturday the Pointer sports representative will cover the "Game of the Week" at Madison, where the Buckeyes of Ohio State open their Big Ten season against the Fighting Badgers of Wisconsin. Both teams suffered defeats last Saturday that hurt their spirit and morale, which leads us to believe that the game will not compare to the rough and rugged encounter of last year. This game will undoubtedly be a close one with the bounce of the football being the determining factor. Though Ohio State has proved its power, it will have to go all the way Saturday to beat the "Badgers," with their impregnable defense and their new boom offense. Our vote goes to the "Badgers," as they stay in the fight for the roses. (By 7) [We must be optimistic!]

In other Big Ten games we find Northwestern too potent for the Minnesota Gophers. Northwestern should win by at least 20 points. Indiana and Michigan play the only other "Big Ten" contest, and this is a hard one to pick as it could go either way. We must however do our duty and call the winner, so, we will pick Michigan by 6.

#### Notre Dame Over SMU

Surprise team of the Midwest, Notre Dame, will find it difficult, and a real task to make it three SMU at this Saturday as it meets SMU at South Bend. We still like Frank Leahy's "Fighting Irish" by 14, however.

The "Lucky Illini" will go east to do battle with little Syracuse and should win this by about 27 points if their new pass play works, (the bubble and catch one). Who's bitter?

#### Mich. State Again

We believe Michigan State will continue as the top team in the nation and should add to their win column at the expense of the Marquette Hill-toppers. With Marquette's poor showing this past Saturday we like the Spartans by 26.

#### For Coeds

Warm Quilted Lined Jackets

\$14.75

**PENNEYS**

The backfield has been pounding the lines of the two toughest teams in the conference with considerable success. Early-driving Dave Bliese, high stepping Nubbs Miller and speedy Brian Purchatzke, and Don Hermann have all done a fine job. The passing of "Slinging Sam" Samelstad also has been a determining factor in Point's success. All of these boys are raring to go Saturday afternoon. They will get, as usual, whole-hearted support from the charging line led by Dehlinger, Jelinek, Sanks and Bostad.

#### Defense is Solid

The defensive platoon should hold true to form by yielding to River Falls only a minimum of yardage. Some of those who have helped to stop the opponents coil are Jelinek, Joswiak, Dehlinger, Obed, Krentz and Hermann.

All in all, Coach Quandt's charges should really shine on this coming Saturday afternoon.

### Jacobson First in Cross-Country Grind

WSC Harriers opened their 1951 season by losing to La Crosse State, 33-22, in a meet held on the Pointer course. Ed Jacobson, Pointer star, grabbed an early lead and went on to take first place easily. However, the Indians slammed the next four spots to win the event.

The Pointer's next meet will be against Michigan Tech., Saturday, October 13, at 10 a.m. The Pointers' training for this race included a practice meet with the Wisconsin Rapids High School harriers, last week.

The results of the La Crosse meet were:

- 1—Jacobson, SP; 2—Mayer, LC; 3—Meyer, LC; 4—Knudson, LC; 5—Koeppel, LC; 6—McNamara, SP; 7—Gilbert, SP; 8—Fulton, LC; 9—Freshey, SP; 10—Daniels, SP.

The other two Big Ten teams not yet mentioned are Iowa and Purdue. These teams will both have tough games on their hands come Saturday. The Hawkeyes of Iowa should do as well as Purdue did last week and take Pittsburgh by 7 points. A fine battle will see Purdue edging out Miami (Florida) by 6 points in what looks like a see-saw affair.

#### Other games this week and our guesses:

- Cornell by 38 over Harvard, Kentucky by 6 over Mississippi State.
- California by 28 over Washington State.
- Washington by 14 over Oregon.
- Oregon State by 6 over Southern California.
- Baylor by 14 over Arkansas.
- T.C.U. by 7 over Texas Tech.
- Colorado by 6 over Missouri.
- Nebraska by 20 over Penn. State.
- Maryland by 14 over Georgia.
- Texas by 1 over Oklahoma.

Let's take a look at the season so far. Pointers 13 — Michigan Tech. 13; Pointers 7 — La Crosse 13; Pointers 0 — Whitewater 7. In the record book it will go as a tie and two losses, but in our book it is a record of three hard-fought, well played games. These games were plenty tough and the Pointers went into each of them as the underdog. La Crosse and Whitewater were both rated as favorites by three touch-downs. The Pointers by sheer fighting spirit rose to each occasion by almost beating the top two teams in the conference. Both games, in fact all of the games this year, were played on rain-drenched fields which definitely hindered Coach Quandt's system.

As we see it, and as we know the boys feel, the season, so far, has been a success. The hard-running of the backs, Bliese, Miller, Purchatzke and Hermann and the fine quarterbacking of Samelstad, plus hard-line play sparked by Dehlinger, Jelinek, Bostad and Sanks, all add up to make a formula for continuing this success.

Homecoming is just around the corner! Has some of this fine spirit, as shown by our football boys, rubbed off on you, the student body? Are we going to be a success or a failure this season, while the boys play their hearts out for WSC?

In talking to the fellows on the squad, they said that River Falls will be tough, but they can beat them. After that they are going to give Point fans a Homecoming game that they will never forget.

Let's show them that we too have spirit! We can work hard on the Homecoming activities, vote for a queen, pat the team on the back, and yell until the rafters of dear ole' WSC shake.

An interesting sideline was offered by Bryan Purchatzke when we asked him what would be the outcome of the River Falls game. He said, "We're gonna win THIS ONE." He spoke, we believe, for the whole team.

Another factor could be that La Crosse beat River Falls 33-13. We pick the Pointers by at least three touch-downs.

**PENNEYS**

### Pointers Lose Two Close Ones to The State Conference Powerhouses

In the two games played since the last issue of the Pointer, the Pointer grid men went down to defeat twice, both losses being to conference foes, La Crosse and Whitewater.

There was a great deal of similarity in both games; first, the Pointers' two opponents were co-champs, of the conference last year and second, both games were played on rain swept and water soaked fields. Probably still more similar was that the fighting Stevens Point eleven played both state football giants to a standstill and deserved to win both games.

La Crosse Wins by Six  
The Pointers put up a terrific battle before being subdued 13-7 by the Cigar Bowl champs of La Crosse State. The game was played at rain swept Goerke Park before a contingent of loyal fans.  
La Crosse sparked by a speedy backfield and a big line opened the game scoring in the second period on a 46 yard drive with Hollub punching over the T.D. from a yard out. Hall missed the attempted conversion.

Capitalize on Fumble  
The Pointers didn't waste any time getting a T.D. of their own. Jelinek grabbed an Indian fumble on their 47 and from there the Pointers marched down for a score, with Samelstad sneaking it over from the one. Due put the Pointers into the lead with a perfect conversion.  
From then on it turned into a defensive battle up till the last quarter. Then with Point in possession on their own 27, Samelstad attempting to pass was rushed and got off a wobbly one, which was intercepted by

### Touch Football Opens; Ramblers Team To Beat

The intramural touch football league opened its schedule on October 2 with two games; in the first game, the Ramblers beat the Phi Sigs, 26-6, and in the second game, the Klacks took a close one from Graham's Crackers, 8 to 2.  
So far, according to observers of the touch football games, the Ramblers look good and are expected to give plenty of competition to the other teams. A close second in the league could be the Klacks. The fifth team, Touch-down Incorporated, is an unknown quantity since they didn't play last week.

Hall and run back to the Point 13. In six plays Taughen bulled over the winning T.D. from the one yard line. A Hollub to Hall pass for the extra point made the score 13-7, which was the way the game ended.

Whitewater Wins  
Last Saturday the Pointers supplied the opposition for Whitewater at the Quaker's Homecoming. It was a hard fought game played on a rain drenched gridiron, with the Quakers coming out on top 7-0.

The only T.D. of the game was scored by Whitewater's Dick Klivi in the opening period. Entress added the extra point to end the evening's scoring. The rest of the way it was a defensive battle with neither team able to keep a sustained drive going all the way.

### Flash Roberts New Coach

John E. Roberts, head coach and athletic director at P. J. Jacobs high school, resigned Monday night to assume a similar post here at Wisconsin State College.

Roberts will take over the duties of director of men's athletics, and head football and wrestling coach on a part time basis beginning November 1. He will be here permanently after the close of the first semester.

The new coach, a graduate of the University of Wisconsin, fills the vacancy created by the death of George R. Berg a year ago.

In a reciprocal agreement, Richard Berndt, present temporary physical education instructor at WSC, will assume some of Roberts' duties at the high school.

This news was released just as the Pointer was going to press. A more detailed account will be carried in next week's issue.

### HOMER VERSIFIED:

"... and pines with thirst midst a sea of waves"

Homer: *Odyseay*

Homer wrote about ancient times—before Coke. Nowadays there's no need to pine with thirst when Coca-Cola is around the corner from anywhere.

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY LA SALLE COCA-COLA BOTTLING COMPANY, Stevens Point, Wis. © 1951, THE COCA-COLA COMPANY

The two girls pictured above don't look alike, but you could almost say they were twins for each has exactly the same name. On the left is Barbara Ann Bauman from Marshfield, a freshman in the College of Letters and Science. The other girl is the Stevens Point Barbara Ann Bauman, who is enrolled in the same division.

**Fifty-seven Frosh at WSC on Scholarships**

Fifty-seven students are attending WSC on one year scholarships. "A" scholarships are granted to those who rank first in high schools enrolling less than 250, those who rank first and second in high schools enrolling 250 to 700 and those who rank first, second, and third in high schools enrolling 750 or more. The "B" scholarships are awarded to students who during their high school period were good students, are in financial need, and possess qualifications of leadership.

The "A" scholarship holders are the following: Diane Albrightson, William Anderson, Nadine Bahr, Virginia Brisco, Ruth Charlesworth, Clara Mae Colrupe, Dorothy Jean Gerner, Dorothy Gilbertson, Shirley Giewen, Benita Held, John Hoehne, Carol Holt, Bonnie Lou Kalepp, Kenneth Kritz, Mary Joan Lehman, DeLores McLees, Leroy Purchatzke, Phyllis Rickfort, Marlon Scheels, Lois Schlottman, Mary Ann Smith, Charles Sohr, Gloria Suckow, Jeanette Suehring, Janice Thurston and LeRoy Zingler.

The "B" scholarship holders are: Mary Bartel, Richard Bechar, Jerry Boldiz, Don Brewster, Erna Dreyman, Joanne Butts, Victor Carpenter, Phyllis Caskey, Nancy Court, Gerold Dietsche, Alton Due Jr., Kenneth Foster Jr., Catherine Francis, Joyce Fuller, Cleo Gilbert, Naomi Hackel, Phyllis Hazelwood, Phyllis Hoelt, Wilma Kellerman, Georgia Ann Kopp, Ruth Kucera, Rita Martens, Mary Nelson, Lynette Olson, Dorothy Palmer, William Reineke, Mary Ann Rozak, John Rutz, Diane Self, Jack Sly and Lois Weber.

**One-Act Casts Chosen**

The cast for the three one-act plays which will be given in the college auditorium on November 7 and 8, under the sponsorship of Alpha Psi Omega dramatics fraternity, has been announced. The directors of the plays are speech minors who have completed Miss Pauline Isaacson's play production course. Leland M. Burroughs and Miss Isaacson of the Speech department are acting as faculty advisers.

The cast for "Man in the Bowler Hat," a melodrama by Melne includes the following cast: John, played by Jerry Boettcher; Mary, Eleanor Curtis; Hero, Bob Gruling; Heroine, Winnifred Pierre; Villain, Dave Silberman; Bad Man, Bill Gage; and Man in the Bowler Hat, Willis Zick. Director of the plays is Pat Skowronski and technical director is Anita Domack.

Barrie's "Twelve Pound Look," a comedy, has the following characters: Sir Harry, Harold Miller; Kate, Mary Lund; Lady Sims, Rita Martens; Tombs, Jim Randlette. Dick Francis is director and Mary Miller is technical director of this play.

"Trifles," a Susan Glaspell drama, has this cast: Mr. Peters, sheriff, John Miller; Mr. Hale, Wayne Ellis; Mrs. Hale, Ethel Ferris; and County Attorney, Harold Schumacher. Dorotheanne Rebella is director and Suzanne Swanke is technical director of this play.

**Annual Open House Held at Nelson Hall**

The annual open house held at Nelson Hall for the faculty, students, parents and friends on Sunday afternoon, September 30, was attended by approximately 300 guests.

In the receiving line and assisting at the tea table were Mrs. Margaret Angel, dorm director, Miss Edna Elstad, assistant director, Joyce Moll, Mary Ann Petersen, Nancy Curry, Lolita Krell, Joann Cuff, Dorothy O'Neill, Norma Mayer, Betty Crook and the floor managers.

Refreshments consisted of fancy cookies, punch and mints. Decorations were appropriate for fall, featuring colored leaves, autumn scenes and fall flowers, the latter furnished by Mrs. William C. Hansen.
