Pan-Hellenic Dance will Climax Greek Dinners and Pledge Rites

With the theme of "Winter Fantasy," the Pan-Hellenic dance will be held at 9 p.m. Thursday, Dec. 8, to follow the Psi Phi dance at 7 p.m. and a series of other activities. The commission members, including the Pan-Hellenic, will hold their dinner and formal business meeting Friday, Dec. 9.

With fraternities and sororities sharing in the arrangements, the dance will be held in a most unusual and beautiful setting.

The Sig Ep, in charge of location and orchestra, has secured the services of Billy's Quintet from Marshfield. Tom Wickers, who completed arrangements for the Sig Ep's appearance here last week, says that the leader has played with Sammy Kaye's orchestra, while another band member is with the Harry James aggregation.

In charge of programs and tickets, Roy Hatchett, "Bobby Boott," will price the tickets at $2.50 a couple.

Three couples have been selected as dispensers by the Psi Betas, who were also in charge of invitations. The names are: William A. Kuehn, the handsome and agnostic, and Henry M. Ruake, and Mrs. Al.

T. Anderson.

Posters for the dance were handled by the Psi Fraternity, and themes and decorations were handled by the Chi Zeta chapter of Phi Sigma Sigma.

Sirma Phi Epsilon's Pan-Hell basin, in charge of the table decorating, will be Homer Plumb. Especially in the afternoon, the Sigma Phi, will be held in the Home Ee living room. New in the Psi Zeta band will be James P. Gouin, Steve M. Laffitte, and Jerry Coates.

Phi Sigma Epsilon fraternity will hold their dinner at the Antlers Hotel, with dishes prepared by Kuehn and Anderson. The dinner will be given on the third floor at Omega Chi.

Did you see that bright, sparkling creature with the facetiously ear-

CSC Hoopsters To Meet Southerners At Milton

Monday, December 7, will see the Pointers in their first of nine games away from home and also their first of three straight contests on foreign courts, as they tangle with Milton in the Milton College gym.

The locals rolled over the visiting down-staters last season by a twenty-point spread, 74-54, with every man in the Pointer bench seeing plenty of action.

Little is known of the strengths of this season's Milton basketball flock. The hosts have a relatively small home-court, however, and the small school may press the home-floor edge to good advantage. At any rate, the Pointers will have to be on their toes and should be ready to expect just about anything the Southerners are capable of producing.
