

26 Seniors Are Recognized by Selection to Deans' Honor Roll

Scholarship, Leadership Honored

Twenty-six graduating seniors have been named to the second semester honor roll, it was announced today by Mrs. Elizabeth Pfiffner, Dean of Women, and Dr. Warren E. Jenkins, Acting Dean of Men. The list, drawn up by the deans on the basis of outstanding scholarship and participation in extra-curricular activities, includes 16 women and ten men.

Named to the dean's Senior recognition list were Oliver Andrews, Eunice Bauer, Jerry Bartosz, Jack Brandt, Mary Brittnacher, John Bruha, Glenna Clark, Sarah Connor, Frank DeGuire, Kelly Douglas, Marilyn Gilbert.

Marlene Hartleb, Phyllis Jarnick, Amy Kampenga, Kathleen Leahy, John Mallow, Arline Meister, Barbara Nelson, Ross Papke, Nancy Pautz, Mary Pfiffner, Jean Sarbacker, Wilma Schmeckle, Ray Sommers, Eleanor Curtis Walters and Beverly Ziebarth.

In making the announcement the deans made the following statement: "This group was chosen on the basis of high scholarship, strong leadership in extra-curricular activities, and exemplification of the following traits: cooperativeness, reliability, and considerateness. This recognition is not given until after completion of the Junior year."

To gain the honor of being placed on the deans' honor roll a student must have maintained at least a "B" average and shown strong leadership ability in extra-curricular activities.

The fact that 26 were honored this year compares very favorably with the list for the second semester of last year which honored only 11.

Two More Pointers!

Next week Thursday a special issue of the Pointer, a Senior issue, will appear. This special issue, whose purpose is to honor this year's graduating seniors, is an innovation for the Pointer.

The final issue will come out on May 28.

Pointer-Iris Banquet

A combined Pointer and Iris banquet will be held at 6:15 on Wednesday, May 20, at the Antlers Cafe. All active members of both organizations are invited. Transportation will be provided, and cars will leave Nelson Hall from 5:30 to 5:50 o'clock.

Toastmaster for the event is Earl Grow. The decoration committee consists of Joan Czerniewski, chairman, Joan Summers, Phyllis Hazelwood and Roy Haback. Jim Mulady is in charge of location.

Pointer members should indicate whether or not they are going by writing "yes" or "no" in back of their names on a list on the Pointer office window.

Shirley Sonnenberg Will Pilot Pointer Through '53-'54 Perils

Shirley Sonnenberg has been appointed next year's Pointer editor. It was announced by Miss Bertha Glennon and Robert S. Lewis, Pointer advisers and Mrs. Ellen Specht, assistant adviser, this week. Shirley will take over the job now being handled by Dave Ross.

The newspaper career of Shirley Sonnenberg, girl editor (she is the first female since 1947 to become editor of the Pointer), began at CSC three years ago. She was a typist and reporter for the Pointer the first year she was here. She transferred to the composition staff her second year, becoming composition editor this year. Her main ambition as new editor, Shirley resolutely states "is to get home by 10:00 on Monday nights instead of 11:30." (Editor's note: Ha! Ha!)

She calls Wisconsin Rapids her home. A junior in the Intermediate Division, Shirley does her practice teaching in the fifth grade in the Training school. While being active in Omega Mu Chi sorority, Round Table, and Wesley, she is also president of WSGA and is the Dean of Women's second right-hand man. (Phyllis Jarnick is the first.)

She will be kept busy next year earning more rights for women in her new role as editor. When she is not busy clerking in the shoe department at Penney's and going to Colby to visit Dada (Rindfleisch), Shirley intends to spend the summer reading journalism books in order to dream up new things to put in the Pointer.

Men's Glee Club Will Present Final Concert

At the 10 o'clock assembly Friday morning the Men's Glee club will give their last concert this spring to the students. The program will be selected from the best liked songs they have sung during the year. Soloists will sing between the three groups of numbers by the chorus. This will be the last concert sung for 10-Glee club members, who are graduating from CSC this spring. They are Bill Clayton, Ed Heuer, Frank DeGuire, Dick Bruha, John Bruha, Stan Karls, Jack Popeck, Parr Eves, Henry Dreschler and Arlon Parkin.

The Scandinavia High School Girls' Sextet, who received an "A" rating at the high school music festival in Madison, will sing for this program.

The Men's Glee club will hold its annual banquet or "Corn Fest" at 6:30 this evening at the Methodist church. The following officers will be installed at this time: President, Dave Ross; librarian, Homer Plumb; wardrobe manager, Ray Cook; corresponding secretary, John Miller. Norman E. Knutzen, director of the club, will announce next year's business manager at the banquet.

Awards earned by first, second, and third year men will be made. The gold keys to four year men were awarded at the concert, April 16.

Dean Pfiffner Gives Sorority Averages

According to an announcement by Dean Elizabeth Pfiffner, the inter-sorority scholastic average is 1.96. The individual sorority averages are: Tau Gamma Beta, 2.01; Omega Mu Chi, 1.95; Psi Beta Psi, 1.88.

The following girls have 2.5 or better averages: Diane Albrightson, Mary Bartelt, Erna Lou Breymann, Josephine Daniels, Carol Holt, Nancy Pautz, Diane Self, Mary Ann Smith, and Eleanor Curtis Walters.

These averages are figured on the basis of the total grade point average to date. Every girl who has been a member of a sorority either semester is figured in these calculations.

Gimbel's Fashion Expert To Speak at Assembly

Yes, girls, WSGA says you are all invited to see and listen to Mrs. Carol Williams, Gimbel's Fashion Coordinator, on Friday, May 22, at 10 o'clock, during the regular assembly period in the auditorium.

Mrs. Williams is an ex-teacher of English and history. She entered the Gimbel staff on a training program, became a member of the personnel and training department and finally specialized in salesmanship and fashion training.

Seven WSGA board members will act as hostesses for luncheon at Nelson Hall on Friday noon. They are Anne Weisbrot, Betty Crook, Donna Thompson, Marlene Hartleb, Shirley Sonnenberg, Nancy Pautz and Gladys Lehmann.

Mrs. Williams will tell you the meaning of "Fashion Co-ordination." She will also speak on spring and summer fashions. Don't forget, girls, you still have plenty of time to fix up that spring and summer wardrobe, so come in and get some new, good ideas.

Roberts Named Dean of Men

President William C. Hansen announced today that John Roberts has been named dean of men, but will also continue as director of physical education and as football coach.

Mr. Roberts will assume the duties formerly held by Dean Herbert R. Steiner, who is ill. When Mr. Steiner returns in the fall he will continue as head of the history department and will teach his history classes.

SHIRLEY SONNENBERG, looking ahead to next year's editorship, scans the yellowed pages of last year's Pointer for "new" ideas for next year's Pointer. Another woman suffrage movement is being innovated. (Shirley is the first female editor since 1947.)

ROYALTY RESTING is the title of this picture. Yup, it's "Andy" Anderson, prom king and his queen "Bobbie" Hanson (they're engaged, too), just relaxin' and discussin' all the fun to be had by everyone when the moon glows at the Junior Prom on Saturday night.

These We Proudly Hail

Congratulations, honor students! It is no small honor to be named to the deans' senior recognition list. It is an honor of which you can well be proud.

A student named to the dean's honor roll is a scholar as well as a student leader, for both a "B" average and outstanding leadership ability in extra-curricular activities are required of the honor student.

Most of us well know how hard it is to maintain a two-point average throughout four years, and we can readily admire those who accomplish that feat. Especially can we admire these honor students who have maintained their scholastic standing despite their vigorous participation in extra-curricular activities.

It is gratifying to know that over 25% of the graduating class made the honor roll. Yes, 26 of 95 graduating seniors were picked by the deans. What finer compliment could the class of 1953 receive!

The outstanding leadership and fine scholastic example of the class of 1953 will be sorely missed at Central State next year. May the returning Central Staters take up where they left off.

FAMILIAR FACES

Not all football players reach the ceiling. Five foot, seven inch Jack Popeck, the pride and joy of Clintonville, has been a star football player (last year all-conference) all during his four years of college life.

Fun-loving Jack has shown excellent leadership qualities as well as a great sense of humor.

Jack is a member of Sigma Tau Delta, of which he is president, Alpha Psi Omega, of which he is president, and S club, of which he is president. President Popeck is also a member of

One of the best looking gals on the CSC campus is Jean Sarbacker, one of this week's Familiar Faces. One of the most likeable girls, as well as one of the best looking, is Jean, a senior in the Primary Division.

From Portage, Wisconsin, Jean found that she liked Wisconsin so well that until last week she had never been out of the State. On April 4, Jean was honored by being chosen one of the two Primary girls to go to Denver to attend the ACEI convention. Another first for Jean on this trip was staying in a hotel. If you

Field Trips Bud With Beginning of Spring

Spring seems to be the season for field trips. Raymond E. Specht accompanied his 100B geography class on its annual trip to the Cave of the Mounds on Saturday, May 9.

Baraboo, Devils Lake and the Wisconsin Dells were the destination for Robert S. Lewis and his geography class on Monday, May 11.

On Wednesday of this week 15 students of Biology 220 left for an annual "Extended Field Trip" under the direction of Dr. Bernard F. Wiewel. Their destination was the Nicolet Forest in northeastern Wisconsin.

Fred J. Schmeckle and his conservation class will leave on Monday, May 18, for a field trip to the La Crosse Soil Conservation Station, Griffith Nursery, Industrial Forests and Petenwell Dam.

Oh, what to write about? How can we think properly, when ideas of vacation, sun tan, trips, moonlight dancing, ball games, ad infinitum, enter and fill our little brain. Oh woe, woe. Now is also the last minute rush for those of us that can't seem to realize till too late, that it is best to do assignments promptly.

A couple weeks ago the Art Interior Decorations classes went to Boston's furniture store. There was an eerie awakening when they found out it was also a funeral establishment. In fact, some students even inspected a bit of the coffin show room. No thanks, we'll settle for sectionals and chairs in our home.

Did you know that we have a Horace Heidt "Chorus-line star" in our midst? At the Rapids after the Heidt broadcast, a group of chorus girls were let loose into the audience to pick a partner. Our own Dr. Doudna was one of the selectees, and got a chance to h-step a bit. Don't you wish we could get a demonstration of such high class struttin'?

Has anybody told you the difference between a doctor's accomplishments and those of a dentist? The physician's work fills only six feet of ground, but the dentist's work fills an acher.

Nelson Hall is providing free housing for a family of six — of course, it doesn't offer its best suite of rooms. Mamma and pappu and the four kids (we don't know what they are) are resting on the north fire escape in their own little nest. By the way, their names are Mr. and Mrs. Robin.

JONAIRE FLASHY SUE (Sue) and Dorem Theme (Debby) take the limelight as Dr. Frank Crow proudly shows his two miniature schnauzers. (Yes, that's really what they're called.) They're not only cute and have a long name, but they also have a pedigree.

Patti Page and Dr. Crow Wonder "How Much is that Doggie ---?"

Dr. Frank W. Crow, history instructor, has his own version of "Doggie in the Window." His variation reads, "How much is that miniature schnauzer in the window?" He is the proud owner of two registered miniature schnauzers . . . Jonaire Flashy Sue (Sue for short) and Dorem Theme (Debby). For those of you who have seen them, Sue is the black and white one, while Debby is gray and white.

The older of the two, Susie (now four and a half years) has a past to be proud of. Her father and two grandparents were champions. She also has been shown, winning the best of her class in Fond du Lac, Manitowoc, and Madison. "We got Susie when she was just a puppy," Dr. Crow said. Mrs. Crow told how as a tiny puppy Susie growled at her new Easter hat. "I should've been warned by that," she said. "The following day when I returned home at noon, Susie had chewed my beautiful new hat to shreds."

Three-year-old Debby also has a pedigree. Both her parents and grandparents were champions. Debby won best puppy prize in Racine the first time she was shown. Debby joined the Crow's when she was about eight months old. "She was going to be shipped from Albany to Chicago where we were waiting to pick her up," said Mrs. Crow. "but while enroute, she got lost among the baggage." After many telephone calls and much confusion she was found. Although no animals are generally accepted in air travel, to avoid further misfortune, Debby was put on a

LETTERS TO THE EDITOR

Marana Air Base

May 3, 1953

To all my friends at Central State,

I have many friends at Central State to whom I would like to write individually. The program I am in just doesn't give me that much time so I am hoping that the Pointer will publish this letter and then all those letters will get written at the same time.

To all the kids at CSC I want to say "Hi." To many I would like to extend congratulations for jobs well done in all the various activities of the college.

You see through clippings on the sports page of the "Journal," I've been keeping pretty close track of Central State.

I want to extend my congratulations to Coach Roberts for a fine football and wrestling season and add my hope that he has a good track season. To Coach Quandt my congrats on a very good basketball team.

As for the teachers I want to say that, if it wasn't for the fine education — especially in the math and science departments — I received at Central State, I would never be as far along in flying training as I am now.

I have been in pilot training for six months and still have nine to go. It is a long up-hill pull but I think that it's worth it.

So, hello to everyone again and thanks again to the school for all it has done for me.

That Wonderful Malady, Spring Fever, Sweeps Through Ole CSC

They say it's spring! Spring . . . with the glorious waking-on-air feeling, spring . . . with the sweet fragrant May breezes, spring . . . with the thunder storms and final exams.

Our thoughts become muddled and foolish as the process of thinking is as difficult as trying to drop a penny through a head full of syrup in January.

But the major catastrophe is this: There's no cure for this malady called "spring fever." Once you get it, you're sunk. The faculty thinks you're stupid because you're not immune to it. But don't let them fool you, neither are they. Notice how they give out with such assignments as great big term papers and enormous projects. How they wander from point to point, never quite cov-

ering the subject. That's their reaction to the "fever."

That's also why we'll tell you not to listen to those verbal glorifications of spring. Think of it as the calm before and after the storm. The torrential rains which fall to make all the luscious green grass. Don't listen to the birds chirping their spring song. Don't . . . Oh pooh! Listen to all the marvels of this spring. Listen and enjoy as we've all succumbed to it.

Sympathy

Students and faculty wish to extend sympathy to Miss Margaret Ritchie, whose father died recently.

Spring Sports Push on With One Eye on State

TRACK
Coach Roberts' speedy track men will try to maintain the fine pace they've been setting as they swing into the final half of their 1953 track and field season. Paced by speedsters Rhody Marquard and Ed Jacobsen, weight-tosser Jack Brandt and the forever hustling Mark Schommer, the Pointers Thinclads ran up against St. Norberts Tuesday of this week and will travel to Houghton, Michigan, tomorrow with a ten-man squad to participate in the Tech Invitational contest. Saturday, May 23, will be the big test, the Wisconsin State meet.

The Pointers should figure as strong contenders by the time the state meet rolls around. The consistent Jacobsen has to be considered as the favorite in the two distance events. As yet, no one has fared very well in pushing Jake to his limit, and no Wisconsin State school miler has showed up his times thus far this season. Speed merchant Marquard will be counted on heavily to add points in the 100 and 220 yard dashes as well as in the broad jump. Jack Brandt has been both "off" and "on" thus far this season, but as the season progresses, he should be a heavy favorite in the weight department. Aiding him will be Jack Pierce in the shot and Schommer with his discus tossing.

Frosh who could come through in the big meet are Huberty in the pole vault and high jump, and Ken Roloff in the hurdles. If conditions are optimum and the Pointers continue to improve their efforts as well as they have been doing, they could contribute many a headache for all rivals at LaCrosse May 23.

GOLF
Central-State's linksmen will face the remainder of their schedule, five meets, within the next 12 days. Tuesday of this week a dual match was held at St. Norberts and on Wednesday the Pointers were on their home course against Eau Claire. Tomorrow, May 15, the squad will travel to Michigan Tech for an invitational meet. It's Eau Claire, there, Tuesday, the 19th, for a dual pairing, and, finally, the state meet to be held Saturday, May 23. Good luck with those chippers, fellows!

TENNIS
Their present record resting at one win and two losses, CSC's netters played their fourth game Tuesday, May 12, at St. Norberts. Saturday, May 16, will be the rematch of that series, to be held at the Delzell Hall

and Hardware Mutual courts. The season's finale will see Dr. Wiewel's troupe facing their stiffest competition, that of the state meet held May 23.

Coach Wiewel has stuck very closely with the rankings of his net-men as they were established earlier in the season. Holding down the number one spot is Ken Wasserman. Number two is another Shawano product, Herb Rosenberg. Kelly Douglas is playing in the number three slot while Dick Toser is backhanding in the fourth position. Number five is Parr Eves and six, Al "Junior" Due.

Central State Bests Titans; Second to Tech in Triangular

CSC's busy thinclads placed first in one meet and had to settle for second in another as they rounded the half-way mark in their 1953 track schedule. The Pointers bested the Oshkosh squad Thursday afternoon, May 7, on the Titans' home cinders by an impressive 73-58 count for their second win in as many outings. In their second meet in three days, this on a triangular basis with Michigan Tech, and, again, Oshkosh, the Pointers had to be satisfied with a close second place as the Houghton gang edged the locals 63 1/2-60. Oshkosh finished a distant 33 1/2 point third in the contest held Saturday, May 9 at Goerke Park.

The big guns for the Pointers in the Oshkosh dual meet turned out to be the weight-men and the distance-runners. CSC's three shot put entrants, Jack Pierce, Jack Brandt, and Ollie Andrews finished, 1-2-3, in that order, while Brandt, Mark Schommer, and Pierce jammed the discus throw. "Easy" Ed Jacobsen waited for Tom Albers and a tie in the mile run and Bill Rushan copped the half-mile ahead of second-place Dave Jersey. In the two-mile run galloping Jake steamed home for his customary first and was trailed in by Albers, who took second.

Davidson Cops First
Sid Davidson, Waupaca freshman, capped his initial collegiate first when he crossed the pole vault bar at 10'8", an effort which dropped Carl Huberty, another frosh, into second place in that event. Huberty added to his total by tying for first in the high jump at the 5'4" height. Rhody Marquard, CSC's ace sprinter, took a first in the broad-jump but had to be satisfied with a second in the 100 and a third in the 220 yard dash. All told, the Pointers grabbed eight firsts and nine seconds in the 15-event test.

Marquard "Pointmaker"
CSC showed up very well in some events and seemed weak in others as the Houghton team showed greater depth in ringing up a triumph over our Pointers on Saturday, May 9. The afternoon's big point maker was Rhody Marquard, with a 10 second flat first place in the 100, seconds in the broad jump and 220, and a share of the winning relay points for a total of 12 1/2 markers. Ed "Jake" Jacobsen found little in the line of competition in either of his specialties as he handily eased home the victor in both the mile and two-mile. Jack Pierce won his third straight shot-put first with a heave of over 41 feet. Point's other first went to pole-vaulter, Carl Huberty.

Hard-luck Roloff
Hard-luck honors for the afternoon went to hurdler Ken Roloff. Ken, while leading all the way in the high-barrier event, was edged out in the final stretch by about two feet. He was running a strong second in the 220 low hurdles until he tripped over the final hurdle and finished out of the running.

As a final treat to the swell crowd which witnessed, Point's flying relay foursome really displayed a tower of teamwork as they out-raced a highly-rated Titan quartet. Mark Schommer, Larry Collins, and Nubbs Miller combined efforts to open a slight lead for anchor Marquard. The bystanders almost went wild as Rhody and speedy "Ziggy" Zarnott of Oshkosh matched stride for stride into the home turn.

Rhody was not to be out-done, however, as he finished strong to ward off Zarnott's attack and finish one stride ahead.

THE GOLFER with the Irish smile, Frank "Pro" DeGuire, is out swinging again. Frank has been on the golf team for four years and has been a coach for two years. Incidentally (and just for the record) Frank scored a hole in one last year.

CSC "Outswims" Vikings In '53 Track Opener

Ed Jacobsen, Jack Brandt, and Rhody Marquard each scored double victories as CSC swamped Lawrence college in a dual track meet Wednesday night, April 29, at Goerke Park by a 78-51 score. The contest, which was a re-scheduled match from Saturday, April 25, was run in spite of the cold weather, wet track, and strong winds.

Marquard wound up as the night's high point-manufacturer as he copped both the 100 and 220 yard dashes, scored a second in the broad jump and anchored the relay event, which Lawrence forfeited, to garner a total of 14 1/2 points. "Jake" encountered little trouble in winning the mile and two-mile events while Brandt added 10 points to the winners cause by taking the javelin and discus events.

Carl Huberty, springy freshman, chalked up nine points as he won the pole vault at 10 feet and tied Randall of Lawrence at 5'7" in the high jump. Busy Mark Schommer counted 10 1/2 points as he took three seconds, those in the discus, 100 yard dash and the 220 yard dash, as well as a share of the relay honors.

The weather was a big factor in holding most of the times and distances well away from record performances. Times for the 100 and 220 were :10.3 and :23.8, respectively, and the mile was stepped off in 4:46.5. In what was probably the most exciting race of the meet, Freshman Larry Collins bested Lawrence's

It just never pays to give up!! In the sports world, as well as in countless numbers of other activities and achievements of man, this has proven true time and time again. Such was the case at Saturday's track meet held at Goerke Park. As the triangular meet progressed into the final event of the day it became evident that the Pointers, although they gave everything they had in trying, could not mathematically win the meet. To top it off, Point's relay quartet had been solidly trounced only a few days before by the Oshkosh team they again faced. The Robertsons gave that narry a thought, however, as they worked together beautifully, fairly flying around the oval to hand the bystanders the biggest thrill of the afternoon. It just never pays to give up!

An interesting note: Although the CSC net team has played three contests, all six singles players have won just one set.

"Easy" Ed Jacobsen won his thirtieth and thirty-first consecutive mile and two-mile race as a college runner when he trotted home with two firsts in Saturday's meet.

The "S" club sponsored a free lunch given after Saturday's meet to all the track men from Michigan Tech, Oshkosh and Point. The "feed" was also intended for all high school seniors who came up for the meet, but as it turned out, only four high-schoolers showed up. Upwards of 60 athletes ate barbecues, beans, potato salad and jello until it was coming out of their ears. A big thanks to Mrs. Firkus and Dr. Davis for all their help in making the event a big success.

Ada Lord, Westfield freshman, recently bowled a rousing 196 game in one of Miss Keyser's physical education classes.

Don Peterson in the 440 yard dash with a time of :56.9. Larry was trailing most of the way but put on a terrific burst of speed to win by about a yard.

Other point-getters for the Point thinclads were Jack Pierce with a second in the shot put, Mike Seagraves, who gained a third in the discus, javelin-tosser Don Herrmann with a third, and Nubbs Miller with thirds in the broad jump and 100 yard dash as well as a share of the relay honors. Frosh hurdler Ken Roloff came in first in the highs but was disqualified for side-stepping one barrier along the way. He chalked up a second in the low hurdles for his points. Bill Rushan rounded off Point's scoring by scoring a second in the half-mile and a third in the two-mile.

Netmen Take Tech After Viking, Titan Defeats

CSC's net-men were white-washed by Lawrence in their primary outing Wednesday, May 6. The match was played on the Hardware Mutuals and Delzell Hall courts.

It was a powerful Viking squad which faced Coach Bernard Wiewel's netters, and only in a few single matches and the No. 1 doubles match could the Pointers even come close.

Match results:
Tippet (L) defeated Ken Wasserman (P), 6-1, 6-2.
Meyer (L) defeated Rosenberg (P), 6-1, 6-1.
Gast (L) defeated Toser (P), 6-4, 6-4.
Grosse (L) defeated Eves (P), 6-0, 6-0.
Pietrafesa (L) defeated Due (P), 6-1, 6-1.
Gast-Grosse (L) defeated Wasserman-Rosenberg (P), 6-2, 6-4.
Tippet-Saturs (L) defeated Toser-Douglas (P), 6-0, 6-2.

A sweep of the doubles wasn't enough to offset defeat in five of six singles and the Point net-men were edged, 5-4, in a dual meet with Oshkosh Thursday on the victor's courts.

The Titans had the match sewed up before the doubles got under way. Ken Wasserman at No. 1 was the only Point man able to win his singles match. The frosh from Shawano trimmed his Oshkosh opponent, Dick Ratter, and teamed up with Herb Rosenberg to take the No. 1 doubles. After losing two close singles matches, Kelly Douglas and Dick Toser paired up to win their No. 2 doubles in straight sets. Parr Eves and Al Due lost their first set of the No. 2 doubles but bounced back to take the second and rubber sets.

The results:
Wasserman (P) defeated Ratter (O), 7-5, 7-5.
Cobb (O) defeated Rosenberg (P), 6-3, 7-5.
Deubler (O) defeated Douglas (P), 4-6, 6-4.
Dawson (O) defeated Toser (P), 3-6, 6-3, 7-5.
Buis (O) defeated Eves (P), 6-3, 6-0.
Gross (O) defeated Due (P), 6-1, 6-3.
Wasserman-Rosenberg defeated Cobb-Deubler, 7-5, 7-5.
Toser-Douglas defeated Dawson-Buis, 6-3, 6-4.
Eves-Due defeated Ratter-Gross, 1-6, 6-4, 6-4.

CSC's tennis team racked up their first triumph of the season by trimming Michigan Tech, 4-3, in a dual match Saturday, May 9, on the Delzell hall and Hardware Mutuals courts.

Coach Bernard Wiewel's netters gained victories in Nos. 2, 3, and 4 singles and in the No. 1 doubles. Ken Wasserman, Point's No. 1 man won his first set and was leading 3-0 in the second and third before Tech's Jim Eickmann staged a comeback.

Herb Rosenberg, Dick Toser, and Kelly Douglas came through with victories in their singles matches. Wasserman and Rosenberg won two straight sets to cop the No. 1 doubles match. Douglas and Toser won their first set but lost the next two in the other doubles match.

The results:
Eickmann (T) defeated Wasserman (P), 4-6, 8-6, 7-5.
Douglas (P) defeated Daniels (T), 6-1, 9-7.
Douglas (P) defeated Starks (T), 6-4, 6-4.
Toser (P) defeated Whitlock (T), 6-1, 6-2.
Edelmaker (T) defeated Eves (P), 6-2, 7-5.
Wasserman-Rosenberg defeated Eickmann-Rademaker, 6-4, 6-4.
Daniels-Starks defeated Douglas-Toser, 1-6, 6-3, 6-0.

"The Best Years of Our Lives" in One Night at Home Ec Style Show

The annual Home Ec Style Show, "The Best Years of Our Lives," will be presented in the college auditorium at 8 p.m. on Tuesday, May 19. The show will give spectators an opportunity to look into the pages of an average CSC student's life during four years of college.

The stage setting will have a living room in the center, a kitchen off to one side and a bedroom off the other, with real furniture being used in each room.

As the scene opens, Kathryn Allen, a baby sitter, is seen writing a letter to her mother telling her of school happenings. She comments on how practical for school the navy blue cotton dress is that she is wearing.

As she tells about the Home Ec Province Convention, girls in suits and hats will appear, greeting each other as they did at the convention.

She continues her letter telling of the moving into the new Home Ec house and of the planning and cleaning involved. Girls in blue jeans and plaid shirts will demonstrate the use of cleaning equipment, and others in cotton dresses and aprons will appear in the kitchen scene.

While Wilma Schmeckle, Donna Dohm, Glenna Clark and Ruth Teetz-en model graduation dresses, our baby sitter tells of her plans for graduation. She begins to reminisce about her years in college while girls dressed appropriately will enact the various scenes. To get a little of the masculine point of view, Frank DeGuire and Bob Flint will present a panel discussion on courtship.

Finally the letter writer plans her wedding dress while Eleanor Curtis Walters, who was recently married, models her own wedding gown.

Each girl in the club will have some part in the show wearing garments they made in Miss Emily Wilson's advanced sewing classes. Plans are made for John Soeteber to play the piano and for appropriate organ music to be played during the show.

One hundred and five high schools have been invited. During the day the students will tour the campus and visit classes and exhibits.

Following the show, all college students and visiting guests are invited to attend an open house at the home management house on Main street.

Donna Dohm is president of the

Home Ec club. Committees working on the style show are: Invitations, Ann Elsen; publicity, Jan Thurston; stage, Winnifred Pierre; programs, Mary Jane Wagner; script, Wilma Schmeckle and Verna Schaefer; open house, Ruth Teetz-en; music, Benita Held; exhibit and display, Delores Newhall; clean-up, Jeanette Diver.
