

Dr. Crow Will Exchange Summer School Work With Negro Scholar

Dr. Frank W. Crow of our history department will take part in a teacher-exchange this summer school session. About June 13 he will leave for the Lincoln University, a distinguished learning center for Negroes, at Jefferson, Missouri, where he will teach the survey course of European History from 1865 to the present, History of the West and the French Revolution. Summer school at Lincoln University lasts until August 5, two weeks longer than at CSC.

An eminent negro scholar, Dr. W. Sherman Savage, head of the Department of history and government at Lincoln university, will be teaching on the staff here at CSC from June 15 to July 24. He will teach a course not offered recently, History of the West and also History 115.

Dr. Sherman has authored several books and has to his credit a long list of articles published in educational and professional journals. He is also listed in the "Directory of American Scholars." The degrees he holds are an A.B. from Howard University, M.A. from the University of Oregon, and a Ph.D. from Ohio State University.

Dezell hall will be his home while teaching here in Point. He is married and has two children, but does not plan to bring his family with him.

Dr. Crow will be returning to his native state. He was born at Maryville, Missouri and educated there, receiving A.B. and B.S. degrees from Northwest Missouri State Teachers college. At the U. of Wisconsin he earned his Ph.M. and Ph.D. degrees. He has also attended the University of Chicago and the Shrinham American university in London, England.

Resignation of Miss Ullman Announced

President William C. Hansen has announced the resignation of Miss Mary Ullman, Junior High school supervisor in social studies. Another Training school vacancy, that of sixth grade supervisor, occurred recently when Burdette W. Eagon was granted a year's leave of absence. Miss Ullman will leave at the end of summer school and Mr. Eagon at the end of the regular session on June 5.

These two vacancies will be filled by the Kellogg sisters, Miss Lulu Kellogg and Miss Vivian Kellogg of Wautoma.

Miss Lulu Kellogg, a graduate of Central State, will take Miss Ullman's place as Junior High school supervisor of social studies. She comes to CSC from Waushara County Normal in Wautoma, where she has been principal the last 10 years. She received her M. A. from the University of Chicago. This summer she will teach Education 223 in the college here.

Miss Vivian Kellogg will fill the position of sixth grade supervisor during Mr. Eagon's absence. She is also a graduate of Central State College and received her M.A. in guidance from Northwestern University at Evanston. She has also been on the staff of the Waushara County Normal.

Miss Ullman came to Central State in 1947 after having taught the previous year in the Junior High school in Janesville. Before going to Janesville she had been principal of the Grant school in Stevens Point and had taught at the Emerson school and at P. J. Jacobs High school.

She received her B. E. from Central State and her M.A. from the University of Wisconsin. During 1948-1951 she was on leave of absence from the college to work on her doctorate at Columbia University. Her future plans are as yet indefinite.

Mr. Eagon, whose leave of absence runs from September 1953 to September 1954, will work for his Ph.D. at the George Peabody College for Teachers at Nashville, Tennessee.

Mr. Steiner Expresses Thanks For Kindnesses

Dear Editor:

I should like to take this means of acknowledging all the kindnesses extended to me by the faculty, students, alumni and friends of our college during my illness. Calls, cards, messages and flowers have been coming, until my debt's become overwhelming. Thank you all for these fine tokens of friendship.

At the present rate of recovery, things look very encouraging to me. I shall hope to see you all soon.

Sincerely,
Herbert R. Steiner

Previous to coming to CSC in 1947, he taught with the University of Wisconsin extension division and had done historical research work on the history of Chicago with the Rockefeller foundation.

Dr. Crow will take his wife and two-year-old son, Frank Jr., with him to Jefferson City where they will reside on the university campus.

Dr. Crow has had a slight acquaintance with Mr. Savage at previous historical conventions. He says that he thinks the college as well as the students are very fortunate to get a man so skilled in his work in western American history.

In regard to his own teaching at Lincoln University, Dr. Crow says, "Although it'll be quite warm in Missouri, I think I'll enjoy it very much, and it'll be an interesting experience to me."

John Roberts Will Take Over Dean of Men's Office at Central State

"I am pleased at the honor of being appointed Dean of Men and successor to Mr. Steiner. I shall do my utmost to carry on his fine work." These are the words of John E. Roberts, new Dean of Men at Central State.

Mr. Roberts will replace Herbert R. Steiner who has been convalescing from a recent illness. The appointment has been made by President William C. Hansen in order to relieve Mr. Steiner of the heavy responsibility he has carried as dean of men and chairman of the social science department. Mr. Steiner expects to return to his teaching duties here for the 1953 fall term and will continue to hold the position as head of the department.

Mr. Roberts came to the college in January, 1952 from P. J. Jacobs High school where he was director of physical education. At CSC he is director of physical education and head football, wrestling and track coach. He has an M.S. degree from the University of Wisconsin.

Dr. Warren Jenkins, dean of the college of letters and science, has been acting dean of men since Mr. Steiner became ill.

CSC Honors Its Outstanding Leaders at Awards Assembly

Annual Y-Dub "Big Weekend" May 23-24

Plans are underway for the annual Y-Dub "Big Weekend." So far, six brave souls have signed up to spend May 23 and 24 at a cottage on a lake near Friendship. As yet, more definite plans have not been completed. Margaret Miada is in charge of arrangements. Miss Miriam Moser is adviser for the group.

Officers for the new year were installed Thursday night, May 7, at the regular YWCA meeting. New officers are Rosemary Polzin, president; Gloria Suckow, vice-president; Shirley Sheets, secretary; Deloris Krause, treasurer; Dorothy Gerner, program chairman; Joanne Chapman, publicity chairman; Mary Bartelt, social chairman, and Mary Raschka, service chairman.

Following installation, Dorothy Gerner and Mary Bartelt reported on the YWCA convention they had attended in Madison the week-end of May 2. They were chosen district representatives for the CSC group.

LSA to Be Guest of Gamma Delta at Picnic

The Gamma Delta-LSA picnic will be held at Iverson Park tonight. This year Gamma Delta will put on the picnic for LSA.

Committees are: Invitations, Ardis Raaths; food, Phyllis Knop, Betty Falk, Bonnie Kalepp, and Betty Kusserow; recreation, Jerry Boettcher, Bill Kohls, Les Carlson, Al Mortenson; park, Dave Ross; clean-up, Les Carlson, Leroy Purchatke, Dick Bruha and anyone else who can help.

Top Students Gain Recognition

Outstanding student leaders in scholastic and extra-curricular activities were honored by Central State college at the annual awards day assembly held in the college auditorium Monday afternoon.

Major awards were given to the outstanding senior athlete, the senior having the highest scholastic record, the outstanding senior girl, the outstanding male student leader, the leading junior Home Economics student, the student having the highest scholastic record in mathematics, the leading junior in the field of science, the outstanding junior students in the field of conservation, and the athlete of the year.

Students receiving these major awards are Oliver Andrews, Plymouth; Nancy Pautz, Wausau; Eleanor Curtis Walters, Tognette; Frank DeGuire, Stevens Point; Vivian Schultz, Neenah; William Wiersma, La Crosse; Ashley Freireberg, Neokosa; Ray Anderson, White Lake; Arlyn Kline, Crandon; and Mark Schommer, Kaukauna.

Oliver Andrews, named outstanding senior athlete, received the Joe K. Goodrich Memorial trophy. His name will be engraved on the athletic trophy honoring a former CSC student killed in World War II. Coach Hale F. Quandt made the presentation.

Grade Record Honored

The Sigma Phi Epsilon fraternity award for having the highest scholastic record in the senior class was presented to Nancy Pautz by LeRoy Purchatke, fraternity president.

Dave Silverman, representing Phi Sigma Epsilon, presented his fraternity's award to Frank DeGuire as the outstanding male student leader in scholarship and extra-curricular activities.

The \$100 Home Economics Scholarship award, given each year by an anonymous donor to the outstanding junior Home Economics student, was presented to Vivian Schultz, by Miss Rita Youmans, head of the Home Economics department.

Wiersma Wins Math Award

Dr. O. Floyd Nixon, head of the college mathematics department, presented the Joseph Victor Collins \$25 award for achievement in the field of mathematics to William Wiersma. Dr. Collins, the man honored by this award, was head of CSC's mathematics department for 43 years.

The Culver-Rogers Memorial award given to a junior excelling in the field of science was presented to Ashley Freireberg, by Frank Hoffman, representing Sigma Zeta, honorary science fraternity.

Scholarships Given

Two \$50 scholarships from the Fox River Valley Garden clubs were presented to the outstanding juniors in the field of conservation. Recipients (See AWARDS ASSEMBLY, Page 5)

Phi Sig Stylists on Tap for Big Weekend

The long-awaited Phi Sig style show is drawing near. May 24-25 (Sunday and Monday) at 8 in the college auditorium are the dates to remember. This year's show promises to be a huge success. It will take the audience on a tour of the U.S. in a variety of scenes from Manhattan to Chicago. All members of the fraternity will take part with some help given in scenes by the girls of Omega Mu Chi.

The co-directors are Fred Stephanie and John Miller.

Sigma Tau Delta To Publish "Wordsworth"

Sigma Tau Delta, honorary English fraternity, will publish "Wordsworth," its annual collection of creative writing. It is expected to be ready for sale at CSC next week. The staff includes: Managing editor, Sally Scribner; editorial staff, Maryjo Reznicek, Ruth Tallmadge and Lee Miller; typists, Joanne Wysocki and Sue Tate; advertising, Shirley Kubisiak, Sally Connor and Jerry Boettcher; layout, Dave Ross; publicity and sales, Kathryn Stankevich and Virginia Cable.

The selections in "Wordsworth" are written by students in English classes and members of Sigma Tau.

Primary Luncheon to Be Held Saturday

"A Child's Garden of Verses" is the theme of the annual primary luncheon to be held at the Presbyterian church on Saturday, May 23 at 12:30 o'clock.

Decorations for the luncheon will consist of scenes from various portions of "A Child's Garden of Verses" by Robert Louis Stevenson. A wheelbarrow of potted flowers will add a spring decorative touch.

Jean Sarbacher will act as toastmaster. The main address on children and art will be given by Mrs. Ruth Stolle, supervisor at Tripoli, Wisconsin. Reta Fontaine, a last year's CSC graduate, now teaching in Racine, will speak on behalf of the alumni, and Mary Lund, on behalf of the seniors. Dr. Mary Elizabeth Smith, assistant director of the primary division, will also say a few words.

The program will also consist of a vocal solo by Mary Ann Smith, a flute duet by Charlotte Forth and Frances Koch, and a freshman skit under the direction of Roberta Vaughn.

Patricia Rickel, junior from Wisconsin Rapids, will be presented the primary scholarship award, which amounts to the tuition for one semester, at this time also.

Special guests include: Mr. and Mrs. William C. Hansen, Mr. and Mrs. Quincy Doudna, Mr. and Mrs. Raymond E. Gotham, Mrs. Elizabeth Pfiffner, Miss May Roach, Miss Edna Carlsten, Miss Rita Youmans and Miss Susan Colman and her mother, Mrs. John Colman.

Joy Lane is general chairman of the luncheon.

Committee heads consist of the following: Programs, Ruth Ann Charlesworth; decorations, Pat Rickel; favors, Dorothy Gerner; tickets, Leona and Charlotte Forth; alumnae invitations, Mary Ann Baumer; speaker, Pauline Weisen and Jackie Pehli; place, Doris Moss and Eileen Schieb.

WSGA Puts Out "Freshman Bible"

The Handbook for first year men and women published by the college is ready to go to press, for the first time in its recent history to be printed rather than duplicated. This handbook is the "Freshman Bible" cluing him in on what life at CSC will be.

Working on the handbook are: Shirley Sonnenberg and Virginia Briceo, co-chairmen; Joanne Chapman and Rita Czerniewski, assistants; and Mrs. Raymond E. Specht, adviser. John Mallow will do the lettering. The artwork was done by Judy Clayton. Mrs. Elizabeth Pfiffner, dean of women, is in general charge of the committees.

Mary Jo Reznicek Is New FTA Proxy

Mary Jo Reznicek was elected new president of the Future Teachers of America at the last meeting on Monday, May 11. Also elected were: Vice-president, William Kohls; secretary, Charlotte Aronson; treasurer, Betty Kusserow; reporter, Dennis Shrank; librarian, Mary Raschka. Burdette W. Eagon is adviser for FTA.

From the President's Desk:

Best Wishes to Graduating Seniors

Greetings to the Graduating Class!

It is always a pleasant assignment to write a message of good wishes to the graduating class. The graduates can always be assured that an institution is very sincere in its good wishes for their success in their chosen profession, because their achievement in that profession is a measure of the effectiveness of the institution. We wish you well in your job next year and hope that you may be as happy in it as you expected to be when you selected teaching as your vocation. We hope also that you will continue to remember your Alma Mater and will be helpful in her progress in years to come. Any distinction which you achieve will reflect glory on your Alma Mater, but any distinction which she achieves will also reflect some glory on you as a graduate, so our relationship is interdependent. We will be interested to know about your successes and will be looking for you at alumni gatherings and reunions. Best wishes to you!

The Seniors' Futures

In the topsy-turvy world of today, our future is unpredictable. We can only hope that any knowledge, ideals and attitudes the graduating class of '53 have acquired in the past four years will be put to the best possible use, and that the future will in some way bring peace and happiness to all men.

The future of one class, or of one world, cannot be toyed with in an idle manner. The early American pioneers had no harder task in molding a new country than the present generation will have in molding a new world of universal peace.

The majority of our graduates, as teachers, will have excellent opportunity, not only to present subject matter, but also to influence attitudes — attitudes of love and respect for men and for learning and, most of all, for peace.

Good luck, Seniors! Yours is no easy task. Put your knowledge gained during your college life to work. Strive not merely for personal success, which is of such a short duration, but for the success of the nation and the world. May the day come of "peace on earth, good will toward men."

Red Cross Water Courses Completed By CSC Students

Twelve Central State college students and eight Stevens Point High school students recently passed an American Red Cross Senior Life Saving course at the high school pool. The course was held on Monday afternoon and Tuesday evenings during February and March and involved about 22 hours of practical and classroom work.

Twelve college students who will receive the Senior Life Saving emblem for their work are: Alice Allen, Janet Bergelin, George Butler, Dorothy Gilbertson, Roger Lichtenwalner, Bill Mansour, Ray Peabody, Mark Schommer, Fred Schade-wald, Eileen Schieb, Ardelle Sobczak and Marguerite Smith.

The Senior Life Saving certificate is good for three years, at which time students must repeat the course or take the Water Safety Instructor's course.

Robert Bach, Charles Klaus, college students and Bill Grode, Phy Ed instructor at P. J. Jacobs and Miss Jessiemae Keyser, Phy Ed instructor at the college, served as instructors for the course.

Nine college students also completed the American Red Cross Instructor's course at the high school pool. The course was held for three hours each day Monday, April 27, through Friday, May 1. The instructor for this course was Joe Racz, field representative in Water Safety and First Aid for the Red Cross in Wisconsin.

Those students qualifying as Water Safety Instructors are: Jan Becker, Don Herrmann, Ed Jacobsen, Bill Mansour, Ray Peabody, Fred Schade-wald, Mark Schommer, Diane Seif and Curtis Taylor.

Fred Schade-wald and Dave Ross also completed the First Aid Instructor's course under Mr. Racz.

Wesleyans Hold Dinner for Seniors

The Wesley Methodist organization held a senior dinner on Sunday, May 17, at 6 p.m. at the Methodist church, honoring members who will graduate.

Special guests were Mr. and Mrs. Albert E. Harris, Mr. and Mrs. Don Warner, Mr. and Mrs. Arthur S. Lyness, and Reverend and Mrs. Jans Vander Graff.

Fisherman Korn Featured by Magazine

Elmo Korn, mid-year graduate now working on his Master's degree in education at Wisconsin State college, Milwaukee, appeared in a picture on the front cover of the March-April issue of Sports and Recreation magazine. In the picture Elmo is holding (seeing is believing) two 30-pound (approximately) muskies which he caught on successive days last season.

Elmo, who handed out tips on muskie-fishing in last year's Sentinel Sports show, is considered quite an expert in his field. His article, "Muskies," also appears in the same issue of Sports and Recreation along with another picture of Elmo (yes, you guessed it, he's holding another muskie, 37 pounds this time).

Elmo comes from Winter, Wisconsin, where he does that muskie fishing.

(P. S. Anyone doubting the above fish story is invited to see the magazine with pictures on display in the Pointer office.)

Parents Honored on Sunday by Tau Gams

It was Parent's Day Sunday, May 17, when the Tau Gam Tea was held at the student union in Delzell Hall. Barbara Nelson, president of Tau Gamma Beta, greeted the parents at the door. Each mother received a nosegay of sweetpeas with her name attached. While each father received replicas of spring leaves with his name on the leaves.

Coffee and decorated cupcakes were served from a tea table on which a centerpiece of pink and yellow snapdragons was placed. Pink candles stood on each side of the centerpiece. Joyce Moll, Charlotte and Leona Forth poured.

The parents were entertained by Sylvia Abrahamson who gave two musical readings, "Why" and "Youngest in the Family." A vocal solo "Only a Rose" was sung by Ruth Ann Charlesworth and a vocal duet, "Heigh-Ho," was sung by Ruth Ann Charlesworth and Mary Ann Smith.

Special guests included President and Mrs. William C. Hansen, Mrs. F. N. Spindler, Mrs. R. C. Frazee, Mr. and Mrs. Gilbert W. Faust, and Miss Doris Davis.

Padded Cell

by Benita Held

Last week over at the Home Management house, there was an extra "person" (?). Miss Youmans brought her dress form to Point with her, and some of the seniors staying there had great sport dressing it. We think it ought to be sort of adopted as a mascot — you know, like the "Grandma" dummy at hospitals where nurses are training.

Just because you seniors will meet all kinds of people as you go into the world to make your fortunes, here are two types to steer clear of. Flirt: A woman who believes that it's every man for herself. Bore: A person who has flat feet. And then there's the nasty man who said — "Women's styles may change, but their designs remain the same."

Then, as you go traveling around the country, flitting from one friend or relative's house to the next, remember Ben Franklin's wisdom words — "In three days guests, like fish, begin to stink."

We must add this for those of you who will venture to the hillbilly country when you teach. (Please read slowly in a hillbilly drawl!) "Eustace," called Mama, "Are you spittin' into that fish bowl?" "No, Ma, but I'm comin' mighty close."

You know the Prom was last week. Guess the celebrating started quite early, our one of the fellows sashayed into the barber shop and demanded a hair cut. "You'll have to remove your hat, sir," said the barber. "Shorry, old man," said (I know — do you?). "I didn't know there wash tadish preshent."

Seniors, as you leave us, we want you all to become famous, but please don't be like the fellow who made a name for himself and was, a week later, convicted of forgery.

Speaking of trips, anyone going down south? Here's just a mild sample of what to expect, so we're told. It is entitled "Requiem." There was a young belle of old Natchez Whose garments were always in patch. When comment arose On the state of her clothes, She drawled, "When Ah itchez, Ah scratchez."

The spring comes bearing gifts for all. She brings new leaves for trees to wear.

New songs for birds, new hats for girls — by the way, new hats isn't all. If you see the radiant face, or get within 30 feet of Diane Al-brightson, you'll know what we mean. Seems that recently George Butler came across with the token of affection that we call a diamond ring. We all wish you two lots of happiness!

The nervous and trying-to-be helpful father-to-be stopped while registering his wife at the maternity hospital. "Darling, are you sure that

A Job Well Done

This issue of the Pointer, published in honor of this year's graduating seniors, is dedicated to those seniors who for the past year or years have labored so long and so well for the Pointer.

To the Pointer's seniors: Without exception we can say that yours was a job well done and a service to Central State of which you can be proud.

We are sure you will not forget the hustle and worry and long hours of the Monday nights. But neither will you forget the friendships and the happy times. And we are certain that it was a thrill for each of you to look at the finished product on the Thursday mornings and realize that a little bit of you was there before you in black and white.

When you graduate and leave Central State, we hope that you will take a little of your Pointer experiences along with you. May these memories be found among your many college memories as you recall that part of your life spent at CSC.

This is our small way of thanking you for your many contributions to the Pointer in the way of skills, work, advice, and talents. Your work was essential, and you did it well. I am certain that the whole school will join us in thanking you for a task well done. Best of wishes for your future.

D. R. R.

you want to go through with this?" he asked. That's a man for you.

Seems that there is a pretty strong wind coming up. This is apropos now, but will it be by the time this goes to press? Who knows. Anyway — It feels like spring all over the world. I cannot believe at all That on different parts of the earth right now Are winter and summer and fall.

A greatly inebriated man, armed

with nickels, entered an Automat, and stopped in front of the slot marked "Ham Sandwich." He dropped in two nickels and got a sandwich. He dropped in two more nickels and out came another sandwich. After he'd collected 20 ham sandwiches, someone suggested; "Hey, don't you quit now you've had enough?"

"I should quit now?" replied the drunk. "Now — when I'm on a winning streak?"

Congratulations and Best wishes, Seniors!

"When Years Are Past and Gone"

A Senior Reminisces

By Joan Czerniewski
"To the banks of old Wisconsin when years are past and gone, as schoolmates we have parted, our lessons all are done" . . . It's that time of year when the seniors walk around with a "It's a grand day, we're glad to be leaving, but—" feeling. For the past years we've gone around saying, "Just can't wait till my last year. Will I be glad!" and "When I'm a senior, I'll have time to do this and that."

Then one day we wake up — and we are seniors! We ask each other, "Do you realize what this means?" And some wise character answers, "Yeah, so you've got two more years, if you're lucky, before you graduate." But we will graduate. Our name is on the tentative list of graduates. Tentative — that means if we don't fail that required 200 course we're taking among our minimum of 16 credits we may possibly make it.

But we are seniors and we still haven't time to do everything we'd like to have done. And sometimes we wish we really weren't starting our last year in the face. We cannot pretend that this year has been like the others. We've learned how to shove responsibilities on our less irresponsible underclassmates. We've learned how to take classes in our stride — a slow, easy stride. We once considered registration very important and managed by one means or another to get a low number so we could get into all the classes we needed. Last semester our attitude changed completely. So we were the 20th person to register after the class was closed. We had to have the course to graduate. We were seniors. We got into the class.

We can still remember that first day — a rainy, dismal day to match that dismal feeling in the pit of a new freshman's stomach, the numbers being issued (ours was 949), the endless lines (there were always endless lines; one began to become involuntarily accustomed to the lines after a few semesters), the many blanks to be filled and the upper classmen with nos. 74 or 55 who kept getting in ahead of us. We remember walking through deep snow to see basketball games and sitting in the damp drizzles to see football games. Remember our sophomore year and operation weekend? Some of our best friends were suitcase students. We remember the picnics and banquets well — the good food, the swell

friends, the good food, the baseball games, and the good food.

We'll always remember the warm friendships acquired — both with faculty and students — and the favorite meeting places — in the library (unless caught by Miss Ritche), at the Eat Shop or Campus for coffee, in the Pointer office (on Monday nights or otherwise), at Joe's to meet out friends, or just sitting on the grass in front of the school.

Our first taste of practice teaching was in our junior year. We were quite excited and anxious to do well. We acquired more poise and confidence in our senior year. Then we worried about contracts and we finally signed one.

On June 5, as we look back on our four short years at CSC we can repeat those oft quoted lines, "That's all there is, there isn't any more."

A Message From Senior President

Fellow Seniors:
It is always sad to come to the end of an important phase of one's life. After four years of intimate association with CSC we are reluctant to leave.

It seems almost incredible to think that only a short time ago we entered as "green freshmen" and have gone through a whirlwind of academic and social activities — only to come out a finished product — an enviable stage of refinement, knowledge, and maturity.

Our senior year at college has been a grand adventure and we leave with many treasured memories. College was an invaluable experience and we're sorry it's over. Time has come when we must enter the busy world in our respective fields — but we hope to return on various occasions — and, when we do, we want to find everything "humming."

We, as seniors, must go, and in closing we want to express our sincerest thanks to faculty members, parents, and others who have been so loyal and dependable during our stay at CSC.

May the class of 1953 always look to that favorite motto, "Forward."

Undergrads -- The Day Has Come; Seniors Will Possessions To You

We, the following members of the class of 1953 of Central State College, city of Stevens Point, county of Portage, United States of America, being about to leave this institution, do hereby publish this, our last will and testament.

Amy Kampenga leaves to all underclassmen her father's sympathetic ear. Vivian Hotman leaves her excellent math ability to LaNore Stertz so that her math major will flourish. Dorothy Johnson leaves her perpetual frown to Char Kabot. Bob Beste leaves his differential equations notebook to Gene Hurrihsh, while Frank Hoffman also leaves his statistics and geometry notebooks to Gene Hurrihsh, so he can take a well-deserved vacation.

Phyllis Jarnick will all her free time to Grace Collins, so she'll be better able to concentrate in the library. Oliver Andrews leaves his good salesmanship and the counter's high prices to Roger Wood, so he may succeed as its manager. Dejon Rothman, who says she can't afford to give anything away, is taking all she has along with her. Joyce Moll bequeaths her sense of humor to Dorothy Gerner so she won't have to wear out what she has.

Naomi Hackel wills her room (Sel-don Inn) to Grace Shuls so that she may better benefit by many hours of quiet study. Virginia Cable leaves her English capacity to Sally Scribner. Tom Lund wills his battered old thinking cap to Don Benz. Ross Papke leaves all his old research papers to his roommate, Bill Lacina. John Bruha leaves all the worries and problems of photography to Vernon Stogbauer and hopes he has more success than he did. Sally Bronk leaves all her teachers manuals and lesson plan paper to Sally Miller. Aurelle Marchel leaves to Sylvia Blyn the many hours she spent at the Rural Demonstration School so she can better help hold down the fort. Dorothy Palmer leaves to Chuck Klausme many more happy hours of work at the Eat Shop. Roy Habeck and Phyl Hazelwood leave to Willis Teetzten and Donna Walrath all the many hours of studying at Nelson Hall.

Mary Pfiffner wills a box of new fuses for the Home Ec house to Mary Jane Wagner, so she may be prepared for emergencies. Henry Drechsler leaves his place at the Phi Sig house to Jackie Pielh so that both

concerned may accomplish more schoolwork. Jean Sarbacher bequeaths to Betty Crook all the joys and trials of being Primary Council president. Mary Brittnacher leaves her copies of square dance calls to Mary Bartelt so she can better entertain the people on her rural mail route. Dorothy Wallner wills one of the front Rural Assembly seats to Ray Wilde for all Rural Life meetings. Gene Anderson leaves all his French textbook translations to Dick Strasser. Frank DeGuire wills one slightly used golf ball to Jim Mayek to help him in his future years on the CSC golfing team. Jerry Bartosz wills one battered radio tube to Miss Gertie Hanson.

In witness whereof, this being the content of all worldly riches, we, the above mentioned members of the class of 1953 do hereby set our hand and seal this 21st day of May, in the year of our Lord, one thousand nine hundred and fifty-three.

Summer Trip to Midwest Now Has Full Quota

A full quota of 27 have signed up for the CSC summer "Mid Continent U. S. A." field trip to Yellowstone National Park.

The actual trip will begin on June 21 when the group will travel to Minneapolis. An addition to the originally planned trip will be the Central City, Colorado, opening night production of "Carmen." On July 12, the bus will return to Stevens Point. A week will be spent on campus in preparing for the trip, and two weeks after the return will be used as a culmination period. Robert S. Lewis and Norman E. Knutzen are in charge of the trip. Six credits will be given, three in geography and three in English.

CSC students who have signed for the tour are Phyllis Caskey, Joan Summers, Joan Czerniewski and Pat Derge.

Biochemistry Class Journeys to Madison

Dr. Roland A. Trytten's Biochemistry class made a journey to Madison to see the Biochemistry school at the University on May 13.

The entire morning was spent in the Biochemistry School. The first hour Dr. Burris, a radioactive trace expert, discussed the use of radioactive isotopes in biochemical experiments. The next hour was devoted to the explanation and demonstration of chromatography made by Dr. Frank A. Strong and some of his assistants in the department. The remainder of the morning was spent in seeing the rest of the Biochemistry building, the main attraction being the viewing of a large collection of experimental animals maintained there.

In the afternoon the class went to see the Enzyme Institute where Dr. David Green talked on some of the experiments and findings being carried on in this field. Then, M. L. Jackson of the Soils Department showed the class his models of crystals and gave a talk on crystal structures.

Members of the class taking the trip were Oliver Andrews, Amy Kampenga, David Morgan, Ray Sommers and Donald Viissers.

WACE Spring Meet Held at Green Lake

"Strengths and Resources for Guiding Children" was the theme of the annual spring meeting of the Wisconsin Association of Childhood Education when it met at Green Lake last weekend.

Presiding at the meeting was Miss Gladys Van Arsdale, supervisor of the third grade at the Training school, who is state president of the WACE. George E. Watson, state superintendent of public instruction, spoke at the dinner meeting Saturday evening, while at the dinner on Sunday noon Dr. Wilbur Yauch, head of the education department at the State Teachers college in DeKalb, Illinois, was the speaker.

In attendance at the conference from Stevens Point, in addition to Miss Van Arsdale, were Mrs. Mildred Williams, Mrs. Phyllis Ravey, Mrs. Ethel Lawrence and Miss Bertha Glennon. Primary Council members who attended included Mary Lund, Barbara Weisbrot, Connie Sore, Kay Leahy, Betty Crook, Sylvia Abrahamson, Margaret Miska and Pauline Welsen.

Awards Assembly

(Continued from Page 1)

of these awards were Ray Anderson and Arthur Kline. Jim Newman, conservation instructor, made the presentation. William Kohls, Portage, and Don Wilde, Markesan, were announced as alternates for this award.

Mark Schommer received the Colonel Ferdinand Hirzy award as the outstanding athlete of the year. The award was presented to him by Raymond E. Specht. Colonel Hirzy is an alumnus of Central State.

Other awards in the field of athletics were announced by Coach Quandt. Senior blanket awards for participation in various sports were given to Oliver Andrews and Jack Brandt, Marshfield.

Women Athletes Honored
Honor pin awards were presented to girls who have participated in the activities of the Women's Recreation association. Miss Jessie Mae Keyser, club adviser, gave the pin awards to Rose Marie Christoffersen, Tomahawk, and Myra Buggs, Janesville. Miss Christoffersen, Miss Buggs, Amy Kampenga, Stevens Point, and Donna Extrom, Tomahawk, received bars to put on their letter awards received previously. Mary Bartelt, Marathon, Marguerite Smith, Mellen, Joanne Butts, Tigerton, and Mary Brittnacher, Wrightstown, were recipients of letter awards. Miss Bartelt also received sweater and president's pins.

Publication awards in the form of pins were given to the staff heads of the Pointer, college newspaper, and the Iris, college yearbook. Robert S. Lewis, Pointer business adviser, presented pins to Dave Ross, Stevens Point, editor, and Roland Krueger, Mosinee, business manager.

Eagon Gives Iris Awards
Burdette W. Eagon, Iris editorial adviser, made the presentation of pins to Eunice Bauer, Wausau, editor; James Mulady, Stevens Point, business manager; and Marguerite Smith, advertising manager.

An award was given to the outstanding freshman in the field of speech work. Leonard M. Burroughs, speech department head, named James Stasko, Stevens Point, as the recipient of the award.

One new award for Central State was made this year. The John Henry Newman Honor Key for the outstanding senior member of the Newman club was presented to Henry

Drechsler, Pittsville, by William Grossel, president of the Newman club.

Central State's honorary fraternities, Sigma Tau Delta, Alpha Kappa Rho, and Sigma Zeta also presented awards to their outstanding members.

Wysocli Tops in Writing
Joanne Wysocli, Stevens Point, received the Sigma Tau Delta, national honorary English fraternity, award for exceptional work in the field of writing and outstanding contributions to the student publications and Wordsworth. The award was presented by Jack Poesek, president.

Lee Miller, president of the honorary music fraternity, Alpha Kappa Rho, gave batons for four years work to Frank Wesley, Stevens Point; Sylvia Abrahamson, Tigerton; and Barbara Nelson, Waupaca. Beverly Mueller Guzman, Stevens Point and Janice Gruen, Mosinee, mid-year graduates, will also receive batons.

Sigma Zeta, honorary science fraternity, named Ray Sommers as the outstanding senior in their organization for his outstanding work in the field of science.

Four Year Awards Given
Peter J. Michelsen, head of the music department, gave four year Girls' Glee Club awards to Miss Nelson, Miss Abrahamson, and Joyce Moll, Junction City. He also gave four year band awards to Mr. Wesley and Miss Nelson.

Mrs. Walters, member of Tau Gamma Beta, presented the Winifred Spindler award to the outstanding junior of the sorority to Miss Christoffersen.

Marilyn Gilbert, Appleton, received the Sigma Phi Epsilon award made to the member of the CSC chapter who has made the greatest advancement in the scholastic field. Mr. Purchatzke made the award.

Seniors Get Jug-o-Blood
Mr. Drechsler, president of the Senior Class, received the Jug-o-Blood award for his class for their victory in the blood donor contest. Royce Wade, student chairman of the contest, gave away the jug.

The assembly was sponsored by the Student Council, and Bob Flint, student body president, acted as master of ceremonies.
