## Misses Hanson, Heel Resign and Mr. Sylvester Returns to College

President William C. Hansen announced today the resignation of two CSC instructors and the return of one who has been on leave of absence. The two who have resigned are Miss Gertie Hanson of the geography department, and Miss Helen Heel of the music department, and the instructor who is returning is Walter R. Sylvester, a member of the conservation department staff.

Miss Hanson has resigned her position as a member of the faculty effective September 1. Her connection with Central State college began in September, 1920. She has taught continuously on the staff since that time, except for three and one-half years of study.

Attended Wisconsin U  
In 1923-24 and September, 1928 to February, 1930, she attended the University of Wisconsin to complete work for her degree. In 1938-39, she did an additional year of graduate work at the University, devoting a good deal of time to educational research in school broadcasting. Her first assignment on this staff was in the Training school, grades 6, 7, 8, and 9. In 1927 she was assigned to the Geography Department and has remained in that department since that time.

Miss Hanson has also been the faculty member responsible for the development of the radio program in connection with the college. She has served as chairman of the Radio committee and has assumed responsibility for the complete operation of the radio studios and workshop, depending almost exclusively on student help for the technical assistance needed. Recognized as one of the leading authorities on school broadcasting or radio in the school room, her reputation has gone far beyond state borders in this field and she enjoys an acquaintance with most of the leading men and women in this work in the United States. She has been responsible for organizing many of the Geography programs broadcast by the state network in recent years.

Miss Hanson has made no announcement of her plans for next year, but has indicated that she is interested in trying some occupation other than teaching for a while.

To Direct Workshop  
Robert S. Lewis will succeed Miss Hanson as director of the Radio Workshop and will be assisted by David Silverman, student director.

Miss Helen Heel of the college Music Department has also resigned her position as of September 1. Miss Heel, who is from Gorham, Maine, came here in September, 1948, and has taught music methods and supervised the music instruction in the Training school. She is a graduate of

the University of Michigan, from which she has a master of music degree. She has made no announcement as yet of her plans for next year.

Walter R. Sylvester, who taught in the Conservation Department from September, 1947 until 1951, will return in September to resume his position in the Conservation Education department. Mr. Sylvester took a leave of absence in 1951 to complete his graduate work for his Ph.D. degree. He expects to complete this work before the opening of college in September and will return to his old assignment here. His graduate work has been done at the University of Michigan in the field in which his teaching will be done.

## Nelson Hall Elects Heads for 1953-54

Newly elected officers of Nelson Hall for the year 1953-54 were installed May 21 in the Nelson Hall living room by this year's president, Betty Crook.

The new officers, chosen by the girls of Nelson Hall, are: President, Lou Breyman; vice-president, Felisa Borja; secretary, Claire Mueller; treasurer, Lois Langfield; head manager, Ruth Ann Charlesworth.

Fire chief, Jane Schultz; librarian, Joanne Chapman; judiciary, Charlotte Forth and Mary Walrath; recreation room chairman, Leona Forth; Dining room chairman, Jan Van Ornum; WSGA representatives, Joy Lane and Sally Rose; press representative, Diane Seif.

## Omegas Install Officers In Candlelight Ceremony

Omega Mu Chi held a candlelight installation ceremony for new officers at the home of Dr. and Mrs. L. C. Scribner, 714 Clark Street, on Tuesday, May 26. Ushered into new offices were: President, Jackie Piehl; vice-president, Benita Held; recording secretary, Cleo Gilbert; alum secretary, Marlys Hvass; treasurer, Pat Rickel; assistant treasurer, Pat Giese; Pan-Hell and Intersorority representative, Donna Thompson; chaplain, Bobbie Vaughn; historian, Jan Bergelin and press representative, Carol Holt.

Sally Connor, Ginny Cable, Dorothy Palmer, Ardis Raaths and Jean Sackbaker, as honored seniors, were presented with special favors and gifts from the sorority. A special surprise portion of the party was the presentation of shower gifts to Jo Jersey and Bobbie Hanson, who will be married this summer.

Punch and cookies were served as refreshments. Co-chairmen for the party were Cleo Gilbert and Shirley Sonnenberg.

## Picnic for Seniors And Alums, June 4

A picnic instead of the usual banquet has been planned for this year by the Alumni association for their annual meeting on Thursday, June 4. An invitation has been extended to all graduating seniors to become members of the association and to attend the picnic.

After attending a business meeting at 3 o'clock in the Delzell Hall Union, alumni will proceed to Iverson Park where a 5 o'clock supper will be served for them, for the Seniors and for members of the CSC faculty.

After dinner entertainment will be in the form of the President's Concert to be given by the band in the college auditorium at 8 p.m.

Chairman of the alumni-faculty committee in charge of arrangements is Mrs. Marjorie Kerst, supervisor at the Demonstration school. Her committee members are Miss Syble Mason, Miss Mary Ullman, Mrs. Phyllis Ravey, Burton R. Pierce, and Miss Bertha Glennon.

## Program Is Announced For Baccalaureate

Rev. John R. McGinley of St. Stephen's Catholic church will give the address at the annual baccalaureate services to be held in the college auditorium on Wednesday evening, June 3, at 8 o'clock.

Opening the services, the college band, under the direction of Peter J. Michelsen, will play as a procession, "Grand March" by Ernest Schmidt.

Rev. Orvis Hanson of Trinity Lutheran church will give the invocation, after which the Girls' Glee Club, will sing "You'll Never Walk Alone" by Richard Rogers. This number will be directed by Barbara Nelson, with Gloria Suckow as the accompanist.

Following Father McGinley's address, the hymn, "Onward Christian Soldiers" will be sung by the audience, accompanied by the band. Reverend Hanson will then give the benediction and the College Band will play the Recessional, "The Pilgrim" by M. L. Lake.

Immediately following the services a reception will be given for the seniors, their relatives, and friends who are attending Baccalaureate. The reception will be given at Delzell Hall by the Service committee of the Faculty Wives club and their husbands. Special guests will be Father McGinley, Reverend Hanson, Mrs. Elizabeth Pfiffner, dean of women, and John E. Roberts, dean of men, and Mrs. Roberts.

## Words Worth Will Be Ready Soon

Words Worth, the annual publication of Sigma Tau Delta, national English fraternity, will be out the end of the week, it was announced by Sally Scribner, editor. Words Worth contains creative material contributed by CSC college students, not necessarily members of Sigma Tau.

## Diane Seif Is Named To Iris Editorship

"I won't guarantee that the Iris will be out early, but I'll try to keep up the good work of this year's editor, Eunice Bauer," were the words of Diane Seif, next year's Iris editor. The editorship was announced by Burdette W. Eagon, Iris faculty adviser.

Diane began her yearbook work as a freshman. She employed her art-

## Moment Approaches of Graduation Exercises

Judge A. M. Scheller, judge of the county court in Waupaca county, will speak at the annual CSC commencement exercises to be held on Friday, June 5, at 10 a.m. in the college auditorium when 114 seniors will graduate.

The college band, directed by Peter J. Michelsen, will open the commencement program, playing the processional "Pomp and Circumstance" by Edward Elgar, as the graduates and faculty march in academic dress into the auditorium. The invocation will be given by Rev. Gordon Meyer of Frame Memorial Presbyterian church of Stevens Point. A girls' ensemble, with band accompaniment, will sing "Almighty Lord," Intermezzo from "Cavalleria Rusticana" by Mascagni. Soloist will be Mary Ann Smith.

After the address by Judge Scheller, the college band will play the overture from "The Student Prince" by Sigmund Romberg.

## Degrees to Be Awarded

President William C. Hansen will present the diplomas and degrees to 114 candidates, each being presented by the director of his division. Those in the Secondary division will be presented by Raymond M. Rightsell; those in the College of Letters and Science by Dr. Warren G. Jenkins; and those in Rural, Intermediate, Primary, and Upper Elementary divisions by Dr. Quincy Doudna.

Following the awards, everyone will sing the "Alma Mater." Reverend Meyer will give the benediction, and the college band will close the exercises with the recessional Grand March from "Aida" by Giuseppe Verdi.

Rundle, Milltown, Supervising principal, Milltown.

## College Band and Alumni to Present President's Concert

The President's Concert will be held Thursday evening, June 4, at 8 o'clock in the college auditorium. The college band and guest alumni will play under the direction of Peter J. Michelsen.

"Pomp and Circumstance," by Edward Elgar, the processional, will begin the program. "Andante" from the "5th Symphony" by Ludwig van Beethoven and "Sonata in C Major" by Mozart-Grieg will follow.

Marjorie Loberg, an alumna of the college, will play a piano solo, accompanied by the band. "Norwegian Rhapsody No. 3" by Johan Svendsen, "Overture from the opera 'Bohemian Girl,'" by Michael W. Liff and "Lucy Long" by Fred Godfrey are the next numbers by the band.

A bassoon solo by Edward Kmietek with band accompaniment will follow. Then "La Paloma," a Spanish serenade by Yradier and "My Regards" by Edward Llewellyn will be played by the band. A saxophone solo by Grace Schulz is next on the program. "Czech Polka" by Johann Strauss, "Mosquitoes' Parade" by Howard Whitney and "Alma Mater" conclude the program. The recessional is a march paraphrase from "La Boheme" by Puccini-Alford.

HERE IS THE GIRL who has the answer to that popular question, "Will the '54 Iris be out on time?" She is Diane Seif. Diane was named this week to head the editorial staff of next year's annual.

## Editor's Swan Song

At this, the languid ebbing of the school year, we come to the end of our term as Pointer editor. Reviewing the last 18 issues of the Pointer, our feelings are mixed — with relief and regret, with thankfulness and satisfaction.

We realize that we could have done better; yet, we are quite proud of our labors. We are sorry to leave the editorial joys (big desk and swivel chair) of the friendly Pointer office and the egotistical thrill of seeing our own production in print; yet, we look forward with pleasure to the reading of a Pointer on Thursday morning for the first time.

Above all, we are deeply thankful to all those who have made it possible for the Pointer to go to press:

Our thanks to the Pointer's advisers, Miss Glennon for her inestimable editorial help and to Mr. Lewis for a steady hand on the financial helm.

Our thanks to the hard-working Pointer staff for their consistency and faithfulness under the hand of a hard taskmaster (the editor).

Our thanks to the Stevens Point Daily Journal to whom we are indebted for pictures and assistance.

Our thanks to our publishers for their cooperation, especially to "George" and "Joe No. 2," who so many times went out of their way to help us.

Finally, our thanks go to President Hansen, Mrs. Specht, Mrs. Pfiffner and our many other friends for their fine cooperation and kindly advice and criticisms (much needed by the editor).

Of the Pointer's future we have no worry. We have utmost confidence in the new editor, Shirley Sonnenberg. We offer her our congratulations and best wishes for many happy Pointers in 1953-54. D. R. R.

## Good Luck, Miss Hanson

Thirty years of faithful service to Central State — such is the record of Miss Gertie Hanson, who has announced her resignation as a member of the faculty (effective September 1). Hers is a record of which anyone could well be proud.

Her work as geography teacher and department head well deserves both our thanks and praise. Her labors in the development of the college's radio program have reaped nationwide praise.

Not only as teacher and educational leader, but also as a well-loved friend and adviser, Miss Hanson has endeared herself to the hearts of the entire CSC family. We are thankful to her for her invaluable contributions to the college. We sincerely regret her leaving and wish her the best of luck in the future. D. R. R.

## FAMILIAR FACES

The very familiar, very happy face this week is Eunice Bauer, a senior from Wausau. Eunice is familiar to many as the smiling personality who stood behind Jim Mulady early Monday morning and happily tore wrappings from stacks of yearbooks, gave them to Jim to pass out to waiting students and made certain that Dave Ross got his Iris from her personally.

This last week Eunice has been going around with a happy, relaxed, relieved manner. "Even my room isn't cluttered with all that Iris stuff. It's neat for the first time this semester," she said.

Eunice is familiar to the girls at the Dorm, especially those on second,

Unlike Eunice Bauer, Joan Summers chose the right way to spend Monday nights. She has been on the Pointer staff for three years — first as reporter, then as assistant news editor, and this last year as news editor.

Joan shares her home town with a hodge — and all of Central State knows about it. Her favorite topic of conversation is Rhinelander — Rhinelander pine trees, Rhinelander schools, Rhinelander ball clubs and Rhinelander Shorties.

Besides being news editor, Joan participates in Newman Club, FTA, and Round Table. She is a loyal party member — she likes popcorn parties,

where she had the dubious honor of being floor manager. (We don't know who gave whom a hard time.)

Eunice is leader to a troupe of girl scouts — girl sprouts, she laughingly calls them — and is a member of FTA, YWCA, Gamma Delta and the Dorm Council. She was one of the seniors named on the dean's honor list. And of course, she was Iris editor this year.

Her favorite class this semester was climatology. It was there she learned the fine art of sarcasm. Although she was outnumbered, she did a beautiful job of holding her own, especially on Thursday mornings.

She was one of the first seniors who quit worrying about getting a job. Eunice will teach in Appleton. When asked what grade, she answered, "Just the right age — the frying size!"

## Band and Glee Club Elect New Officers

The newly elected officers of the Girl's Glee club are: President, Nancy Court; vice-president, Diane Albrightson; secretary-treasurer, Lillie Ankiam; press representative, Grace Collins.

The newly elected officers of the College Band are: President, Bill Conway; vice-president, Diane Albrightson; librarian, Carol Holt; and manager, LaVerne Anderson.

coke parties, gossip parties and — parties. Intermediate education is her major and geography her minor. "That minor came purely by accident," Joan said, "but I'll never regret it."

Joan thinks teaching is a very nice way of earning a living. She's already signed her teaching contract for next fall — the fourth graders at John Marshall Grade school in Wausau will have their report cards signed by "Miss Summers." But she's looking forward to the times when she's breaking broncos in Texas, floating down the Amazon, or listening to Irish tenors in Ireland. To date, most of her traveling has been between here and Rhinelander, but beginning with this summer her travels should prove more exciting.

Joan is initiating the forthcoming suitcase days by traveling out west — the Badlands, Pike's Peak and Old Faithful — on CSC's English and geography summer school field trip.

It wouldn't be natural to write an article about Joan and not mention her two constant companions, Pat Derge and Joan Czernewski. Joan (Summers, that is) holds quite an honor among the three of them — that of being the quietest of the talkative threesome. The two Joans are often mistaken for one another, but being good friends, they just take it in their stride.

Joan has a very practical hobby.

## Padded Cell

by Benita Held

The Pointer staff want to say "thank you" to Mrs. Hugh L. Huffman of La Mesa, California, for the delicious box of candy she gave them. Mrs. Huffman is a former society editor of the Stevens Point Daily Journal.

One Primary practice teacher is going to get it in the neck. Her class was going to have a party, so little Fignewton got a new suit. When the day of the party came, Fignewton wore it, but, when he arrived home, his new suit was full of holes cut by a scissors. "Why, Fignewton, what happened at the party?" cried his Mom.

"Oh we had lots of fun playing store, Mom," he explained. "I was the Swiss cheese!" Wait till Mrs. Newton gets to school!

More news along romantic lines — Annette Bras received a diamond from Eugene Rice a couple weeks previous. Eugene works in Milwaukee, at present. Congrats!

The three old men were passing the time of day discussing the ideal way of leaving the world. The first, aged 75, remarked he'd like to go quickly, and suggested a crash in a speeding car. The second, aged 85, agreed to a speedy end, but thought he'd prefer a jet-propelled plane.

"I've got a better idea," mused the third, aged 95. "I'd rather be shot by a jealous husband."

Last week over at the Training School, a quiz was held during a music class. The questions were to be answered by musical terms. When asked, "In what type of building do so many people live?" Mortimer, who should have said "flats," boomed out with "bars." Thus ended the quiz and on with the singing!

We'll sign off with a bit of advice by W. C. Fields, and we quote "If at first you don't succeed, try, try again. Then quit. There's no use being a damn fool about it."

So long — or maybe we should give you the three ways of saying goodbye: Adios, Adieu, and Adienic.

## Tau Gams Elect New Officers for 1953

Election of officers was the main order of business at the Tuesday night meeting of Tau Gamma Beta sorority on May 19.

The new slate of officers is as follows: Rose Marie Christoffersen, president; Ruth Ann Charlesworth, vice-president; Josephine Daniel, recording secretary; Nadine Bahr, corresponding secretary; Mary Bartlett, press representative; Charlene Kabat, Pan-Hellenic representative; Anne Weisbrodt, assistant treasurer; Lois Langfield, historian; and Grace Collins, alum secretary.

## Meadows to Be Scene Of CSC Band Banquet

The annual band banquet will be held Tuesday evening, June 2, at the Meadows for all the college band members, faculty guests and returning alumni. Diane Albrightson is general chairman and in charge of making arrangements.

The following alumni will be returning to the campus for the banquet and will play with the band at the annual President's Concert on June 4 in the college auditorium: Ray Rozelle, Athens; Marjorie Loberg, Mankato, Minn.; Jim Whelihan, Plainfield; Walter Peterson, Marathon; Jack Whitney, Oconto Falls; Sam Wunch, Adams-Friendship; Melvin Wunch, Valders; LaVerne Olin, Park Falls; Norman Hinkley, Portage; and Ralph Abrahamson, Medford.

She's learning how to make paper flowers so if times get tough or her money runs out on one of her trips she can sell them on street corners. She has already mastered carnations and roses so that they even look life-like.

As for her future, there's no Ford in it — just a 1940 Pontiac that needs a new tire and probably a motor check-up.

ALREADY HARD AT WORK on the Pointer's books is Dennis Schrank, newly appointed Business Manager for the 1953-54 school year. Schrank, a junior in the intermediate division, will have to start from scratch having had no previous experience in working on the paper. A veteran, who comes from nearby Dancy, Dennis has one big asset with which to begin his job — a car with which to gather advertising.

## LETTERS TO THE EDITOR

"Hog Wash!!!"

Dear Editor:

Did you know that when you leave these Purple and Gold portals with a diploma in your hand you will be a most inferior student compared to the lads and lassies doing the same at our state U? This we are told by the editors of the Wisconsin State Journal, Madison.

I have only been here one year, but their recent editorials on Gov. Kohler's bill to consolidate the state colleges with the University made my blood boil. I was not concerned with the pros and cons concerning this bill but with the vicious slam directed against the state colleges. Now that the bill has been defeated, I'm sure the State Journal editors have been spared a considerable amount of grey hair.

It seems that if we here were issued the same diploma as the University students, it would be the greatest insult to education that ever took place in our state's history. We are informed that we not only have an inferior curriculum, but inferior instructors, and scholastically inferior students. Boy! Are we in sad shape!

They felt so sorry for the University graduates who would have to be compared nationally with state college graduates. It would be so "degrading." (This word seemed to be the favorite adjective of these all-wise editors. It was used persistently.)

Well, all I can say in print is this: If we are so inferior in knowledge acquired, then how is it that state college graduates are continually successful in obtaining masters' degrees at the far superior University? Why don't they all flunk out? After all, they are "scholastically" way over their heads!

Why does anyone pass examinations at our far superior University? After all, 90% of the students there were educated previously by inferior state college graduates, not University alums.

These are just two questions that I don't believe that the "big print" boys in Madison can answer. I have many more that space doesn't allow for.

We here in the state colleges are paying for an education in dollars and cents, and if we felt that we had inferior instructors and weren't learning anything, you would have found our classrooms vacant years ago.

We are proud of our college, we are proud of our graduates and those who have gone on before them. Their record speaks for itself. We don't like to see this deserving pride smothered in a blanket of empty words from the editorial pages of one of our state's most prominent newspapers.

If what I have written in this letter is not true, then I think we had

## "Did You Know"

by Homer Plumb

I am very pleased to report that no one answered correctly all 10 questions in last week's Did You Know column. Harold Smith came nearest to a perfect score with an 8 to 10 ratio. The answers are as follows:

1. Illinois
2. Christiana
3. 44
4. Los Angeles, Calif.
5. Buchanan
6. Maryland and Delaware
7. Because it is farthest from the bark.
8. Nokomis
9. 200-300 years
10. Sitting Bull

## Catalog Regulation Changes Announced

It was announced this week by Gilbert W. Faust, registrar, that as a result of recent discussions in the Faculty Administration committee, three changes in wording have been made in order to clarify certain regulations listed in the college catalog.

The first change is in regard to grades and points. (See page 32, under the table of grades and points in the catalog.) The grade point average is computed by dividing the number of points earned, with deductions for failures, by the number of semester hours elected. The maximum average is 3.00; the minimum is 1.00. The grade point average is used in determining eligibility for honors and for membership in campus organizations, when scholastic achievement is one of the criteria. It represents the general quality of a student's work.

The point-credit ratio is based on the number of credits earned in courses passed, and on the number of points earned in these courses. The maximum ratio is 3.00 and the minimum 0.00. Students must have a ratio of 1.00 in order to be eligible for graduation.

The second change pertains to admission to the college. (See page 33, second paragraph, of the catalog.) A student who has been dismissed from this college may appeal to the Administration Committee for readmission. A student who has been dismissed from another school must apply to the Administration Committee for admission.

better devote the rest of our lives to prayer for Wisconsin's bewildered and poorly-educated youth, and not be wasting our time and efforts in an inferior institution. Isn't it too bad that we all weren't born into wealthy families, so we could attend a far more superior institution of higher learning? I think CSC is tops and I'm proud to be enrolled here!

# Loop Golf Title Goes To Unbeaten Pointers

CSC's undefeated golf squad finished the season with a bang as they copped the Wisconsin State college conference title at LaCrosse Friday, May 23. The meet was played (against) in a rain that ranged from a light drizzle to almost a steady downpour during the last 18 holes.

Point bested five WSC opponents, including defending champion La Crosse, with a team total of 651. Whitewater was runner-up with 655 strokes, followed by ex-champion La Crosse's 657 effort. Stout ranked fourth with 673, fifth place went to Milwaukee with 707, and Oshkosh trailed the pack with 724 strokes.

La Crosse boasted tournament medalist in Bob Richter. Doug Tanner of Point and Stout's Bob Taka-

saki tied for second, one stroke behind the leaders, with a 36 hole total of 153.

The Point contingent was one of the first to finish the course and had to "sweat" it out until all entrants had finished. All bedlam broke loose in the clubhouse when the Pointers found out they had won. Seven straight victories!!

Following are the Pointers' scores: DeGuire 86-78-164; Ullsperger 86-83-169; Tanner 79-74-153; Mayek 82-83-165; Flint 84-93-177 (only the best four scores counted in the team total).

## CSC Thinclads Outpoint St. Norberts in Tempest

Adverse weather reigned as CSC chalked up its third straight victory of the thinclad campaign by besting St. Norberts at De Pere Tuesday, May 12, 74-43.

The cold and wind-swept meet cost CSC the services of Rhody Marquard, star dashman and broad jumper. Rhody pulled a muscle in his leg during the start of his first event of the meet, the 100-yard dash, and remained out of action for the remainder of the afternoon.

Mark Schommer led CSC scoring with 14 points. He tossed the discus 129 feet, four inches, for first in that event, along with another first in the broad jump, a second in the 100 and a third in the 220-yard dash to lead all Pointer scoring.

Easing along with little competition, Ed Jacobsen handily copped both his specialties to gain 10 points and his seventh and eighth wins in as many starts. Tom Albers aided him by garnering a second in the two-mile and a third in the mile run. Frosh half-miler Bill Ruhsum won his event in his best time of the campaign, a fast 2:09.5.

Nubbs Miller gathered six points with seconds in the 220 and broad jump, while hurdler Ken Roloff garnered eight points with a first in the high jump and a second in the 220-yard dash. Larry Collins added a third in the 440 and bouncing Carl Huberty copped a first in the high jump.

Point swept the shot put as Jack Pierce ranked first, Ollie Andrews second, and Carl Jurgella third. Jack Brandt threw the javelin for a first, beating out second-place Don Herrmann. Brandt also added a second in the discus.

## Pointers Share Second In Tech's Invitational

A sharing of second-place was all the Pointers could muster as Michigan Tech led the field in its own invitational track meet held May 15 at Houghton. Tech's thinclads ran, jumped and threw for 95 points, followed by Point and Soo Tech of Sault Ste. Marie with 45½, Northern Michigan with 21½, and Northland of Ashland in fifth place with 5½ markers. Gogebic followed with five points while Suomi managed a single marker.

Instrumental in Point's showing was the standout performance of Kaukauna-lite Mark Schommer. Mark took up much of the slack left by the injured Rhody Marquard as he dashed his way to firsts in the 100 and 220, tossed the discus for another first, jumped for a third in the broad jump, and finished by running a leg in the winning relay. In all, Mark counted 19½ points, the most any one Pointer has chalked up this season in any single meet.

Ed Jacobsen and Jack Pierce scored Points only other firsts and Jake won the mile in 4:36.2 and did not compete in the two-mile event. Pierce merited a first in the shot with a toss of 41 feet, four inches. Jack also placed third in the discus.

CSC's remaining points were gathered by Bill Ruhsum with a 2:04.1 second in the half-mile, Sid Davidson with a tie for third in the pole vault, John Sandberg with a fifth in the 440, and a three way tie for third in the high jump registered by Carl Huberty.

Point hurdler Ken Roloff fell during the high hurdles event and stayed out of action for the remainder of the day, losing possible places in that event, besides the low hurdles and broad jump.

## Side Lines

by Jerry Baerwald

In keeping with all the rest of the finals, this issue looms as the final edition of our CSC sports report for the 1952-1953 athletic calendar. Skipping formalities, we'll forego our notions, opinions, etc., and instead just gently hang up our shoulder pads, basketballs, and track spikes and say it's been lots of fun being your reporter. Here's to good sports!

## Golf Teams Rack Up Four Straight Wins

ST. NORBERT'S

Frank DeGuire, firing at No. 3, grabbed medalist honors with a wind-swept 86 as Central State's linksmen eased by St. Norbert's golf team by a score of 8-7 in a match played Tuesday, May 12, at DePere.

DeGuire shot nine-hole totals of 44 and 42 for his low total and gained three points toward the team total. Doug Tanner fired an 88 in the No. 1 spot but could gain but one point. Bob Ullsperger at No. 4 also shot an 88 and counted two markers. Jim Mayek's 94 was good for two points at No. 2 and Jim Giordana was blanked at the No. 5 slot.

EAU CLAIRE

CSC's golfers continued their win streak as they swamped Eau Claire 11-4 Wednesday afternoon, May 13, at the Whiting Country club links. The meet snapped a three-game string of one-point victories.

Point's Nos. 1 and 2 men, Frank DeGuire and Bob Ullsperger, each scored a maximum three points, both firing sparkling 77's. Doug Tanner collected one point with an 84 while Jim Mayek shot an 84 for 2½ points. Bob Flint managed a split with his Blugold opponent with a 91.

TECH INVITATIONAL

Central State's golfers ran their winning streak to five as they successfully defended their Michigan Tech Invitational championship at Houghton Friday, May 15. Point squeaked out their fourth one-point win as they edged by host Tech, 15-14. Northern Michigan of Marquette wound up third with 7 markers.

Playing without the services of player-coach Frank DeGuire, Point was paced by Doug Tanner and his 79, good for five points. Jim Mayek, shooting at the No. 3 position, shot an 84 for six markers, while Bob Ullsperger garnered two points with an 85 and Lyle Briscoe shot a 93 good for two points at No. 4.

EAU CLAIRE

Three CSC golfers blanked their opponents as Eau Claire became the sixth straight opponent to fall before the Pointer linksmen. The meet took place Tuesday, May 19, on the Blugold's course.

Medalist for the afternoon was Frank DeGuire with a creditable 78, good for 2½ points. Doug Tanner

## Milwaukee First; Pointers Third In State Conference Track Meet

Highlighted by the efforts of dependable Ed Jacobsen and Jack Brandt the Central State track squad closed its season on Saturday, May 23, by placing third in the State College conference meet held at La Crosse. Milwaukee, the perennial champions, triumphed again, nosing out LaCrosse 79½-76½. Point scored 40 points, followed by Oshkosh, with 23. River Falls and Eau Claire were on the bottom with three points apiece.

"Jake" set a new record of 4:28.2 in winning the mile run and wasn't pushed as he came home in the two-mile in 10:21.6.

Jack Brandt repeated as javelin champ. His best throw was 170'4". Carl Huberty was the other first place winner for John Robert's Thinclads, even though he had to settle

for a tie with five others.

Other Pointers who placed in the events were: Bill Ruhsum, third in the half mile; Rhody Marquard, fourth in the broad-jump; Mark Schommer, fourth in the discus; Ken Roloff, fourth in the high-hurdles; and Dave Jersey, fifth in the two-mile run.

The CSC relay team of Schommer, Larry Collins, John Sandberg and Roloff finished fourth.

## Point Netmen Claim Fourth in State Meet

The Pointers number one double combination, Ken Wasserman and Herb Rosenberg, annexed third place in the state tennis meet held in La Crosse on Saturday, May 23. The Point duo, both of Shawano, downed the Stout combo 6-3, 6-3 before bowing to Oshkosh, a team they had defeated handily previously, in the semi-finals 6-4, 1-6, 7-5, 7-5. Kelly Douglas, Point senior, won his opening round singles match but was defeated in the quarter finals. Dick Toser lost his opening match.

The one point picked by the doubles team was enough to give CSC a fourth place tie in team standings. Milwaukee also annexed one point to tie the Pointers.

The team tie went to the host school, the LaCrosse Indians. Oshkosh took second place and Whitewater copped third place honors. Stout, Eau Claire, and Superior failed to gain a point.

## Spring Sport Award Winners Announced

Track coach, John Roberts, Monday named 15 to receive letters in the thinclad sport for the 1953 outdoor season. Seven of the monogram winners are repeaters from last year, six are freshmen, earning their first letter, while one other is a first-letter sophomore and still another a senior earning his initial award.

Letters are awarded on a point basis, with a set number of points being awarded for each place in a meet. A total of 140 points, according to the point system entitles a participant to a letter.

The following were awarded their letters Monday —

Mark Schommer — dashes, discus, relay, broad jump; Nubbs Miller — dashes, broad jump, relay; Rhody Marquard — dashes, broad jump, relay; Don Herrmann — javelin; Jack Pierce — shot put, discus; Jack Brandt — shot put, discus, javelin; Carl Huberty — pole vault, high jump; Sid Davidson — pole vault, high jump; Ken Roloff — hurdles, broad jump; Larry Collins — 440; relay; John Sandberg — 440; ½ mile; Ed Jacobsen — mile, 2 mile; Dave Jersey — mile, 2 mile; Bill Ruhsum — ½ mile; Tom Albers — mile, 2 mile.

These five men from Central State's champion golf team were awarded monograms Monday, May 25 — Doug Tanner, Rhineland, Junior; Frank DeGuire, Stevens Point, Senior; Bob Ullsperger, Algoma, Junior; Jim Mayek, Stevens Point, Freshman; Bob Flint, Senior from Stoughton.

Tennis Coach Bernard Wiewel designated the following four men as letter winners for this past hard-court season — Ken Wasserman, No. 1, Freshman, Green Bay; Herb Rosenberg, No. 2, Freshman, Shawano; Kelly Douglas, No. 3, Senior, Ashland; Dick Toser, No. 4, Senior, Stevens Point.

## Pointers Swamp Eau Claire in "Contest"

Competing without the services of Ed Jacobsen and Rhody Marquard, Central State received little competition in all events as they swamped Eau Claire 96½ - 33½ at the Eau Claire track meet on May 19.

Stevens Point registered 11 firsts and swept two events entirely in amassing their total. Those winning first place in their events were Larry Collins in the 440; Mark Schommer, with firsts in the 100 and 220 yard dashes; Jack Pierce, who won the shot put; Carl Huberty, with double victories in the high jump and pole vault; Nubbs Miller, with a first in the broad jump; Dave Jersey, with a first in the two mile; Jack Brandt, who placed first in the discus; and Don Herrmann, with a first in the javelin. Point's relay team, composed of Collins, John Sandberg, Ken Roloff, and Herrmann, also took first place.

Point finished one-two in four events, while Tom Albers, Sandberg, Jersey, Brandt, Sid Davidson, Ron Wislinsky, Roloff, Bill Ruhsum, and Schommer earned a second place in nine of the events.

Marquard was sidelined for the meet with a pulled muscle while "Jake" was running in the Carroll Relays the same date as the Eau Claire meet.

## New Teachers Present At CSC Summer Session

A few new instructors will be present in the CSC summer school faculty for 1953 to replace some of those teachers who will have the summer off to do graduate work, to travel or just to relax.

June 15 will begin the summer school session which will end on July 24. Those included are Dr. Glen Rabideau, associate professor of biology at the University of Texas, who will teach Biology 150. Dr. Rabideau attended summer school as a student here in 1933. He was originally from Antigo. Miss Lulu Kellogg, principal, Waushara County Normal school, Wautoma, will teach Education 223, and Robert C. Van Raalte, Waupaca County supervising teacher, will teach Child Psychology and Education 103. Dr. W. Sherman Savage, head of the history department at Lincoln University, Jefferson City, Missouri, will teach History 115 and 230.

### Radio Workshop Conferences

The Radio Workshop, under the direction of Miss Gertie Hanson, has planned an unusual series of conferences, demonstrations, and work periods. Central State and the Wisconsin State Board of Health are co-operating in offering a state-wide Health Education Workshop.

Among the visiting lecturers for the Radio Workshop are: C. J. Krum, visual aid representative for the Encyclopedia Britannica; Mrs. Mary T. Ryan from the State Historical Society, Madison; R. S. Sivington, Supervisor of Historic Sites and Markers, also of Madison; Mrs. Eileen Hazard, Homemakers Program, WHA, Madison.

## Symbolic of Book Learning Age: He Builds House Page by Page

There is a new home in Wisconsin Rapids that is a concrete example of what a man and a set of books can accomplish. This is the home of Richard Berg, a senior here at CSC.

After two years of construction, Berg is preparing to move into his new abode. The new house is 24 by 32, with four rooms and a bath, and was built entirely by Berg! Two years, exactly, it took him of week-end-and-evening work to complete the dwelling. The cost — only about \$4,200.

When he decided to build the house, Berg did so with no previous experience. So he merely bought some books. "If you can read and follow directions, you're all set," was his explanation.

Wiring and all was put in by the Marine vet of three and a half years service. The only thing that gave him any trouble was the plumbing, but that, too, he installed.

Berg's only assistance came from his wife, who served as "General Handyman." Berg pointed out that she is perhaps the "best mortar mixer in town."

A major in general science in the second division, Berg plans to

son; and Miss Arlene McKellar, assistant director of the Wisconsin School of the Air, WHA Madison.

### Health Workshop Added

The Health Education Workshop has a staff which includes: Mrs. Catherine K. Campbell, director; Arol C. Eppie, co-director; Dr. Henry A. Anderson, medical consultant; Miss Mary Neuberger, college nurse; Miss Doris Davis, Home Economist; A. B. Abramovitz, clinical psychologist; Miss Martha Study, nutritionist; and Dr. Raymond E. Gotham, director of the Training School.

A geography teacher will be added to the summer session staff, but no appointment has yet been made.

The college is participating with other colleges in sponsoring a five weeks workshop in conservation at the Trees for Tomorrow Camp in Eagle River, under the direction of Fred J. Schmeckle.

### School Lunch Conclave

The third annual Summer Conference on the School Lunch Program will be held at Central State college. Interested administrators or teachers are invited to attend. Information as to the date and program will be available from Dr. Raymond E. Gotham, chairman of the conference.

The college bus will again be a classroom for a number of students for three weeks during the session. A trip through the western part of the United States has been planned co-operatively by the geography and English departments under the direction of Robert S. Lewis and Norman E. Knutzen.

teach next year only if he can get a position near Rapids. In the event that he cannot, then he'll not teach for the first two or three years. He rightfully feels that it would be a pity to spend two years building a house, only to move to another city.

Other than teaching, Berg sees another house-building project in the future. He can see no sense in wasting this new knowledge acquired, and plans on building a bigger house.

Whether he ever builds another house or not, credit has to be given a man who would undertake to build his own home armed only with a set of books.

### Picnic and Initiation Latest Sig "Ep"isodes

Fraternity fellowship goes on through rain, snow or sunshine. Sunday morning a group of "Sig Eps" from Central State and their dates left amid rain and threatening storms for Devil's Lake State Park. Here they met a group of "Sig Eps" from the University of Wisconsin and held a picnic despite threatening weather.

They enjoyed themselves at many sorts of entertainment such as bridge, hiking, softball and singing.

Recently Sigma Phi Epsilon initiated 12 new members into the fraternity. Those initiated were: John Anderson, Howard Dutcher, Earl Grow, Jr., Roy Habeck, Ed Heuer, Jr., Carly Huberty, Ken Ritz, Donald Leith, Homer Plumb, Charles Sohr, Eugene Weber, and Tom Wirkus. An initiation banquet was held at the Meadows following the formal initiation ceremony.

At this banquet it was disclosed that Sigma Phi Epsilon now ranks fourth in number of chapters among all fraternities of the nation, according to the National Interfraternity Council. Also, another pleasant surprise disclosed at the banquet was President Leroy Purchatzke's receipt of a check for \$100, from the four advisers, to be used for ritual equipment. Gilbert W. Faust made the

## Announce Assemblies For Summer Session

A varied selection of assembly programs has been planned for the 1953 summer school session according to an announcement by Robert S. Lewis, chairman of the assembly committee which includes Miss Pauline Isaacson, Miss Helen Heel and Gilbert W. Faust.

The outstanding program will be the concert on July 13 by Helen Roberts, soprano, and Richard Walker, baritone, famed Gilbert and Sullivan duo singing team, who are members of the original D'Oyly Carte Opera company of London.

This popular and talented husband and wife team arrived in America recently after an extended tour through Australia and New Zealand, where they appeared in concerts in all the principal cities. During the 1952-53 season, they will make another coast to coast tour in the United States and Canada.

### Present Famous Operas

In their program here, Miss Roberts and Mr. Walker will present scenes, as well as songs, from some of the most popular of the Gilbert and Sullivan operas, including parts of "Patience," "Yeomen of the Guard," "Pinafore" and "Princess Ida." Other operas included in their program are "The Mikado," "Trial by Jury," "Gondoliers," "Iolanthe," "Pirates of Penzance" and "The Sorcerer." "Situation Murder," a complete three-act play for four characters, will be given on June 18. Starring in this play are Ed Horner, John Glennon, Jacqueline Soans and Georgene Spelvin, young Broadway (Equity) actors.

### Mose Shows Sculpturing

Carl Mose, outstanding American sculptor, will combine wit and art in his great demonstration program on June 25. With the use of beautiful slides, he discusses modern and ancient sculpture. He will also model the head of a person chosen from the audience.

Dr. W. D. Stovall of the Wisconsin health department will give a lecture on health on July 1.

On July 8, CSC students will be entertained by the Duggill Family Concert company, one of America's greatest and most versatile families of concert entertainers. Mr. and Mrs. Doyle Duggill and seven sons and daughters make up this remarkable company. They have a rich background of Egyptian, Indian, American Indian, African and French ancestry, and all this mixture has been musically set afire by this brilliant ensemble of entertainers.

Also included in the assembly program schedule is Robert Pritchard, pianist, a personable virtuoso, with youthful vigor, who gives his performances color and beauty. His repertoire includes a complete study of music from Bach to Gershwin, by way of Chopin and Rachmaninoff. He will appear on July 3.

presentation on behalf of himself, Raymond M. Rightsell, Norman E. Knutzen and Raymond E. Specht. The banquet was closed by a songfest enjoyed by all.
