Freshmen Aren't the Only New Faces, New Faculty Members Join Staff

The school began this fall the usual way for any new classes but new instructors as well. Among these new teachers are Mr. William J. Riddle, Miss Janey Bagggian, Dr. William J. Riddle, and Mr. John M. Riddle.

Mrs. Bethany Stocker received music in the training school and college classes in music from the University of Wisconsin. She had been music supervisor in the Rivers public schools for 4 years and in Ripon for two years. She has also taught music at a high school where she also taught her bachelor's degree and an M.A. degree in music supervisory science from Columbia University in New York City.

This summer Miss Riddle accepted a public education seminar and study trip from New York University to Europe. Her two week tour included England, Scotland, Belgium, Germany, Switzerland, and France. She planned to come to the University of Wisconsin where Miss Viola Fiedler, who is her sixth grade supervisor at the training school, also taught music. As a graduate of Central State College she is the Junior High music supervisor new to the school.

In the fall of 1951 she has been principal of the Waushara County School. Prior to coming to the University of Wisconsin, Miss Viola Fincher, who is her sixth grade supervisor at the training school, also taught music. As a graduate of Central State College she is the Junior High music supervisor new to the school. She had been principal of the Waushara County School. Prior to coming to the University of Wisconsin, Miss Viola Fincher, who is her sixth grade supervisor at the training school, also taught music. As a graduate of Central State College she is the Junior High music supervisor new to the school.

Robert T. Anderson of the geography department replaces Miss Emma E. Anderson at the end of summer school. He graduated from Eau Claire State College in 1951 and 1952 and 1953 with a B.A. degree from the University of Wisconsin and a Ph.D. degree from the University of Michigan.

As a member of the history department his work is one of the historians in the history department. He also has been on the staff at the Waushara County School.

Enrollment Climbs To 759 As Classes Begin At CSC

When the first full week of classes in 1951 opened, the enrollment at Central State College was 759 students. This is an increase of more than seven hundred percent over the 1952 enrollment. In 1951 there were 275 students enrolled.

Unofficial figures show a total of 700 students, registered at the start of the school year. This is an increase of more than three percent over the 1951 enrollment. The school year is underway for the second time, with a total of 700 students enrolled.

Other enrollments announced for the week are: Milwaukee, 1,825; La Crosse, 75; Monona, 155; Eau Claire, 740; Superior, 372; Oshkosh, 462; River Falls, 569; and Platteville, 541.

CSC Students Watch, Wait Anxiously As Library Exterior Near Completion

One of the most modern libraries in the northwestern Wisconsin area will be nearing completion on the campus.

Located on the west side of the campus, the library will be centrally situated on the campus. The entrance to the library can be gained through the three glass doors, with an additional door to the north of the building.

The library building committee has worked closely with the architects in planning the new library. Committee members include President William C. Hansen, chairman; Neila R. Kemperman, librarian; Dr. Mary Elizabeth Smith, Leland M. Borroughs and Dr. Warren J. Jenkins.

Come April, 1954, if all goes well, the difference of time and space between the old building and the new library will be as near complete as possible, with no more than three months of the year's work remaining to be completed.

Mr. and Mrs. Ray Anderson

One and one make two. Without the one, the other means nothing. Therefore, Bobbie and Andy! Need one say more?

It all happened on August 15 in Clintonville when the lad from White Lake incorporated "Anderson and Anderson - Pushers for the Incorporation of Marriage" - his partner, of course, being Barbara Anderson, see. Hannah. That made Bobbie the envy of all the girls, for she now graduated with an M.R.S. degree as well as a B.S. She has also earned the nickname spelled Barbara Anderson, or so say the girls.

Just for kicks, the married couple went up to the dorm (Bobbie's old home) and told the people who were coming to college in a week or two that they were "married." Then they defined all regulations to the people who were knocking on the door. This is of course, "through the door of trumpet."

Some Facts

At present, the ex-boy father lives with his bride at 1133 Clark st. (door to left) - up to the second floor -

Phib Sigma Epsilon, S club, Sigma Zeta, secretary and treasurer of the track team; University Council, was junior class president royalty waiting Bobbie at the Prom, and is a three year letter man in basketball - plays a mean guard. Bobbie works on the telephone in Weyerse. She belongs to the Omeg quartet and was president of that sorority last fall. All in all, a very talented couple.

As for the future, Bobbie plans to continue being a housewife with a family the size of a basketball team, and to attend a university to obtain his master's. Happiness has gone hand and glove with the Anderson's, and here's hoping it always will.

FAMILIAR FACES

With this season of falling leaves and frosted air we embark upon another step on the ladder of education. For some of you this is the first step and for others of us it is nearly the last. Whatever step it is you are going to find it a step and look ahead. The second step are that are stretching away into the distance - what do they hold for you? Do you know where you are going, or are you progressing toward an in-

In each of your steps marked with a definite purpose or do they have large question marks on? Stop now! What do you want from life ahead? What can you do at college this year that will help you climb those steps with less effort? Think about it! Plan your year and then proceed with sure and eager tread the stairsway to your future.

We are glad to see so many familiar faces back again and we want to welcome the enthusiastic new ones, too. From all of you the Pointer will welcome constructive criticism and improved. And, if any suggestions for stories you would like to see in the paper. This paper is meant to serve you, and we'd like to know what you want!

This year, once again due to the "hurry and the hustle," the Pointer will be published on the average of two weeks. Our next issue is October 15 for the big scoop on all homecoming activities. Don't miss it!

VOL. III

The Central State Pointer

Published bi-weekly except holidays and examination periods, at Stevens Point, Wis., by the students of Wisconsin State College. Subscription Price 50c per year.

Entered as second-class matter May 16, 1927, at the post office at Stevens Point, Wisconsin, under Act of March 3, 1879.

Dr. Doudna Returns from Egypt, Gives Views on Country's Needs

Dr. Quincy Doudna, Central State's dean of administration, returned from Egypt last month after spending four weeks in the land of the Nile as an advisor to the Egyptian ministry of education. His trip was made under the auspices of the U.S. department of State and was designed to further the welfare of American students.

In Cairo he was a consultant in a conference of school principals and supervisors from four provinces of Egypt. He also participated in a trial project to determine how American and Egyptian students can work together to improve the Egyptian educational system.

"The Egyptians are finding that their educational system is not appropriate for their new form of government," the CSC educator said. "We tried to modernize our system to provide for the educational needs of people expecting to enjoy the benefits of freedom that they have never known before."

On the streets of Cairo and Alexandria, according to Dr. Doudna, Egyptians' egocentric outlook is changing to a more tolerant and cosmopolitan attitude. "The American is being accepted by the Egyptians. Egyptians are coming into contact with other races they have never known before."

Advanced Speech Students To Direct One-Act Plays In Auditorium Nov. 18-19

Three one-act plays will be produced by the advanced speech students from November 18 and 19 in the college auditorium. Directing the plays are Ralph Collins, who is in charge of the advanced speech classes.

"A Hundred Dollars" is a comedy-depiction in two acts. Mary Johnson portrays the character of丁 Miss Johnson, with Cleo Peterson as technical director.

"The Pot boiler" is a comedy, directed by Gladys Lehman, with Pauline Silver as technical director.

"Little Lord Fauntleroy" is a comedy, directed by Carol Crays, with Carl Wilkins as technical director.

A Teacher's Prayer

Oh, God, make me a better teacher. Help me to get to know my students and to listen patiently to what they have to say. Help me to understand their situations kindly. Keep me from interfering with the students' growth, and contradicting them. Make me as courteous to them as I would have them to me.

May I not vainly hurl the feelings of others against me. Teach me to laugh at my mistakes or resort to shame and ridicule as I am prone to do. Help me to hold a high standard of behavior and to keep my tongue under control.

Blind me to the little errors of my children and help me see the good things that they do. Give me a ready word for honest praise.

Allow me not to rob them of the opportunity to wait upon themselves, to think, to choose, and make decisions.

Forbid that I should ever punish them because of faults committed. May I not reproach them because of my own unpolished character. May I not gain them all of their wishes that are reasonable and have the courage always to withhold a prize. Since such a thing I know will do me no good.

May I not make so fair and just, so considerate and companionable to my children that they will have a great esteem for me. Fit me to be loved and respected.

May all thy gifts, Oh God, do give me calm and peace and self control. Amen.

—Charles W. Myers, Editor "Highlights for Children"

Freshmen Rate High in Placement Tests

Many of the CSC freshmen received honors in the English and chemistry placement tests given to them this fall.

Senior Speech Students To Plan Play, "Harvest Festival"

"Harvest Festival" is the theme of the Phi Beta Delta quarterly dance to be held on Saturday night, October 7, after the football game with the University of Wisconsin. The program will be directed by Dale Johnson, and the college faculty will furnish the music for dancing.

Committees for the dance: Memorializing and chaperons — Mary Ann Professor: refreshments — Mary Ann Penke, Delores McLean, Carol Heddle; decorations — Rosemary Antell, Mary Ann Penke, Carol Heddle; entertainment — Dietmar Gersten, Mary Jeanne;利于 — Dean Thorn, Penelope Bullock, Doc J. Gersten; posters and publicity — Joyce Seely, Mary Waldrath, Donna Waldrath.

Tou Gamma Beta Tea Entertains Faculty, Coeds With Traditional Theme

"Only a Rose" was the theme of Tea grounds on campus which Central State entertained.

Dr. Doudna Tiff Schedules Extension Classes

Dr. Quincy Doudna has announced the extension class schedule for the semester. Classes for the fall semester, which begins October 1, are as follows:

WEDNESDAY, OCTOBER 4

10:00 A.M. — 12:00 M. — History of Art — Dr. J. M. C. de Haas, Education 211 (Science), taught by Arol Crow, Education 213 (Science).

2:00 P.M. — 4:00 P. M. — History of Art — Dr. J. M. C. de Haas, Education 211 (Science), taught by Arol Crow, Education 213 (Science).

TUESDAY, OCTOBER 3

10:00 A.M. — 12:00 M. — History of Art — Dr. J. M. C. de Haas, Education 211 (Science), taught by Arol Crow, Education 213 (Science).

3:00 P.M. — 5:00 P.M. — History of Art — Dr. J. M. C. de Haas, Education 211 (Science), taught by Arol Crow, Education 213 (Science).
Green Gulls to Visit Pointers; Team to Try to Win One for "Dad"

Coach Herman Kluge brings his charges to Green Bay for the first time, October 2, in search of his first victory over Wisconsin since the fall of 1951. Last week the Green Gulls took a Weekiawanda swing and lost to La Crosse, 41-0.

The Gulls are billed as Dad Nite, with the fathers of the players to be honored during a special ceremony and an after-game lunch.

Milwaukee reportedly has a big line and a fast running game. At times it has trouble handling the ball, a combination of the poor backfield and the strong defense. The proven to the Pointers advantage or disadvantage may well be a matter of selection in which the breaks fall.

Reputation regarding the Gulls' safety, aside, the Gulls have had early season trouble offensively. A combination of not yet come up with any clues as to their patterns of play, other than it will probably employ the single wing as in recent years.

The Pointers, naturally, will be out to impress their Dads in this special game. Indications according to all indications should be close to full strength for the tilt. Probably starters will be Ken Roloff and Mark Schmoker at ends, Jack Crook and Bob Worrall or Jim Loesl at tackles and Dave Hurbut at center.

Jerry Munderloh, Wisconsin's quarterback, is a senior, and Gene Noonan and John Smith at halfback slots.

Stout Will Play Host to CSC

On October 10 in Night Time

The Pointers will try for another victory when they journey to Monomoy, Wis., to engage in Stout Tuesday night, October 10. Even though Stout has had a hard time coming on in the season, be- ing set back at the hands of a powerful Great Lakes aggregation in their season's opener and losing last week to River Falls 22-9, the Me- ter's offense is good enough for blood. This game will cap Stout's home stand and could be a pointer.

It may be a breather for the locals, but any team playing before a home-team crowd is easier to play up against. Stout is far from excep-

Sidelines

By Jerry Berrawchad

Big Ten football may be just starting, but the Wisconsin Pointers already are into mid-season form. In fact, Wisconsin's game will mark the halfway point in the Pointers' schedule and the home slate has just begun, with three contests to go.

The last statement seems insufficient. The Pointers still have a game against Irish trouth and this Saturday, we will be in traditional contest, despite the loss of "Hopa- long." Cassady. Milwaukee.

Clothing Clinic Program
Given in CSC Auditorium
The State Clothing Clinic committee of the Wisconsin Home Economists’ Association presented Miss Edna B. Bishop in the fourth of a series of 1952-53 clothing clinics on Sept. 29 at 9 a.m. in the college auditorium. Miss Bishop is employed by the Advance Pattern Company and is known as the founder of the Bishop Construction Method, a simplified, efficient method of clothing construction.

The clinic was sponsored for the benefit of clothing workers, teachers, and home agents in the east and south central portion of the state. More than 125 people attended.

Miss Rita Youmans, head of the home economics department at the college, presided over the clinic, and assisting her, in charge of registration, was Mrs. Gladys Garrow, Portage County home agent. Rosemary Astell, Phyllis Knoe, Marjorie Dill and Janice Schroeder, home economics students at Central State, also assisted with registration.

Alma Mater
Our Alma Mater proudly stands Like a queen in majesty. We join our loyal hearts and hands One in devotion are we.

Hail to the Alma Mater Strong may you ever be May God above protect and love Through all eternity.

FLASH!
A daughter, Marjorie Ann, was born to Mr. and Mrs. Gilbert Paust on Wednesday. September 30. The baby has a sister, Cathy, who is 19 months old.

ON THE BANDSTAND
Peter J. Michelsen, director of the music department, reports that the CSC band is 50 strong in rank this fall, one of the largest groups under his direction in recent years. Out of this group only 15 are returning "lettermen," while freshmen supply the talent for the remaining 35 members.

The college Symphonette had its organizational meeting last night. Composed entirely of string instruments, the group’s members are Central State college students and townspeople from Stevens Point, Wisconsin Rapids and Nekoosa, with Mr. Michelsen directing the group.

GOOD ANYTIME FOR ANYTHING
The new printed handbook of CSC, especially designed for freshmen and transfer students, was received with enthusiasm by students this fall. This year, for the first time in recent history, it was printed, rather than duplicated.

The purpose of the handbook is to aid all new students in becoming quickly acquainted with the college. It contains information about college activities and services. It also contains a list of the many organizations on campus and their activities.

A new feature of the book was the addition of "Stevie, the CSC Cartoonist," who came here to college through the courtesy of the 1953 Iris. Judy Clancy, his illustrator.

This year, under the editorship of the WSGA, the handbook was also distributed to boys. This is part of the plan to consolidate WSGA and Student Council into one governing body, with participation by all students.

Shirley Bonneman and Virginia Brico were co-chairmen, while John Chapman and Rita Czerniewski acted as assistants. John Mollid did the lettering and the art work was done by Judy Clancy. Mrs. Raymond E. Spetch acted as technical adviser, while Mrs. Elizabeth Piffert, Dean of Women, acted in general charge of all committees.

Traveling Students Journey 4000 Miles On Midwestern Trip

In attempting to correlate the horizons of an area with the geography of an area, combined classes of English and geography students at CSC, accompanied by a 4,400 mile area, including Colorado, Minnesota, Montana, and North and South Dakota on their annual field trip this past summer, Faculty members Robert S. Lewis and Norman E. Kustner accompanied the group. Mrs. Lewis acted as dean of women on the trip.

High lighting the three week trip was the attendance by the group at the opening night of the opera "Carmen" at Des Moines, Colorado. While in attendance, all the girls received free complimentary cakes from the Chamber of Commerce.

The group also attended a church service in the Garden of the Gods at Colorado Springs. The picturesque setting of the Teton National Park was impressive as was the trip through Yellowstone National Park.

Tentative plans are now under way for the next trip in the summer of 1954, which will tour the North and South Dakota and the United States capital. The plans are for the Canadian-Mexican area, with his charge will be Mr. Kustner and Raymond E. Spetch.

Scavenger Hunt Leads Off WRA Semester Activities

A scavenger hunt was held recently by the Women's Recreation Association to acquaint freshman girls with their activities. Refreshments were served after the hunt.

A campfire and marshmallow roast at Irion Park was the agenda for old and new members last night. An interesting feature of this WRA, this semester is a swimming party at P. J. Lake for November 28 to the date for a Halloween masquerade with roller skating.

A square dancing where you can learn or just have fun is coming up, too. A bowling party. One date the girls won't want to miss is the Carneval, scheduled to be held in the college. It will probably be in November, but the date announcement will be made later.

Stevie Steals Hearts Of Incoming Students In Printed Event

The first week of school at CSC was a busy one for freshmen, our students, and faculty members who made efforts in the planning and preparation for the orientation activities. The orientation program began with tests and registration, which the big day ended with deans' meet- ing and the traditional freshman singing led by Peter J. Michelsen.

With Ruth Ann Charlesworth and Sheila Hurl as Big Sister Co-chairmen, the college gym became the registration center for the freshmen, and the evening was spent in square dancing and singing. Refreshments were served.

Shit sight on Wednesday was the traditional welcome program of the various campus organizations. Donald Silverman was the evening's emcee.

Thursday night was set aside for religious organization open houses. The four active religious groups, Wesley Youth Foundation, Gamma Delta, Lutheran Student Association, and Newman club, all participated in get-acquainted parties.

As usual, the annual faculty reception and dance, under the direction of the faculty social committee, was given for both new and old students Friday night at the Hall. Punch was served, and Cliff Hoene's orchestra entertained.

Unscheduled for the orientation week was CSC's football victory over Michigan Tech Saturdays night. The evening ended with jive dancing at the union.

The last event of the orientation week was the Freshman Supper at pellet Hall Sunday night. It was served, and Cliff Hoene's orchestra entertained.

The British Government Adopts "Marshall Scholarships" For Us Study Abroad

As a gesture of thanks for Marshall Aid, the British Government has decided to establish a series of annual "Marshall Scholarships" to enable American students to study at British universities. The awards will be made to United States citizens only, men or women under the age of 25 who have graduated from accredited colleges or universities in the United States. They will be tenable at any university in the United Kingdom, for two years in the first instance, with a possible extension to three years. Twelve awards will be made each year, and places will be found in the United Kingdom universities for successful candidates.

The value of each award will be $5,000 a year, with an extra $2,500 a year for married men.

Applications for the academic year 1954-55 must be received not later than November 1st, 1953.

For further information CSC students are asked to see Dr. Warren Jenkens, dean of letters and science.

The National Poetry Association announces the tenth annual competition of college students' poetry. The closing date for the submission of material by all college students is November 1st. There are absolutely no fees or charges for either acceptance or submission of verse. All work will be judged on merit alone.

Any student attending college is eligible to enter the contest. There is no limitation as to form or theme. Shorter works are preferred.

Each poem must be typed or printed on a separate sheet and must bear the name and home address of the student, as well as the name of the college attended.

Manuscripts should be sent to the office of the association, National Poetry Association, 3110 Sibley avenue, Los Angeles 34, California.
