A table of names of the graduates having accepted teaching positions is also requested to meet there.

**CSC Alumni Association Schedules Meeting, Picnic**

Plans are being made for the well-attended CSC Alumni meeting and picnic now that the outgoing president has submitted his resignation. The meeting, sponsored by the Alumni Association and the College of Letters and Science, will be held at the College Club at 7:30 p.m. on Wednesday, June 6, at Alum Memorial Field.

Dee Hatt will be the speaker of the event. The picnic will begin at 5:30 p.m., when returning alumni and staff get together to review the past year's achievements, and to plan the programs for the seasons to come.

Those desiring to attend the banquet and transportation are asked to notify Miss Joyce Spencer, 4141 Franklin Drive, as soon as possible. The meeting and picnic will be held in the College Club.

A display of photographs taken by Mr. and Mrs. Raymond E. Smith will be on display next week in the Library Theater.

The photographs, of varied subjects, including several prize winners in the annual national meetings during the regular library hours and on Saturday and Sunday, June 3, from 1 to 5 p.m.

All students and faculty members are invited to exhibit their photographs, which are available to the public.

Mr. and Mrs. Smith will give a reception in the Alumni Association's residence, 511 Locust Street, for all guests who have participated in the gathering.

**U of W President Fred Slated As Main Speaker At Graduation Here**

President E. B. Fred of the University of Wisconsin will be the principal speaker at the commencement exercises to be held at the University of Wisconsin here this year. The exercises will be held on Sunday, June 24, at 2 p.m.

President William C. Hansen said that Fred had been selected as the keynote address, and that he plans to deliver an address to the graduates of the College of Letters and Science.

**From Our President**

From Our President

We hope you remember us and come back occasionally to visit. We will not have an opportunity to see you again this term. We wish you unlimited success and happiness in whatever you may be called upon to do, and we will be most pleased to see you occasionally in the future.

**Our President To The Seniors**

One might compare the students of the College of Letters and Science to the customers of a business. However, there is at least one important difference, because it is a fortunate thing to have a customer who is satisfied with the goods or services that have been purchased. It is also an honor to have a customer who is grateful for the work that has been done and has learned to like it.

We may not like to see you leave the college, but we would all be pleased to see you again occasionally. We will have a continuous interest in your welfare. So your congratulations on your degrees! May your future be bright and we hope you will have a continuous interest in your welfare. So your congratulations on your degrees! May your future be bright and

**Dear Editor:**

Many times I have almost written you. Many times the Pointer shows up in our mail-box. It’s like getting a long letter from a friend. It makes me want to produce a splendid paper, your paper. I have a lot to say, it is clear and well reasoned, and the subject matters very interesting.

As you see on the letter heading for this issue, the District office for South Pacific of the Harvard Student Daily, 110 West Margin Street, Los Angeles to Santa Barbara the first week-end of this month. Open House will be held in the room on the way to my home, tomorrow evening.

From Our Senior Class President

In but a few short days our lives at CSC will come to a close. We will be going out into many different walks of life. Yet, as we leave our college, we have many things we have to be thankful for. We are truly grateful to the individuals who made our college days a success. We must realize the many benefits we have gained here at CSC. Many of us are leaving CSC with unlimited horizons and possibilities. We do not know if we should rejoice or shed a few tears now that our formal education here is finished. But regardless of these feelings, our lives here are finished. I am sure that as we go on our way in the future, our hearts and thoughts will often return to CSC, our college home.

**Cupid Corner**

Miss Marjorie Gerhard, a mid-semester graduate of CSC, has recently gotten engaged to Donald Knapp of Nossie, Margie, whose father is Wuscos, is teaching at Neenah.

Ronald Young, a CSC June graduate from Wisconsin Rapids, is enrolled in business at the University of Wisconsin, Madison.

Joan Neale, a CSC sophomore, will be married to George Krienke, who attended college here. On June 11, Krienke is stationed at the naval base in Coronado, California.

Mr. and Mrs. A. J. Keyser, Zanesville, Ohio, announce the engagement of their daughter, Joesiema, to Paul Haley of Fort Atkinson, Wisconsin.

Miss Keyser teaches physical education at Central State College, and Mr. Lewis is a research assistant at the University of Wisconsin, where he is working on a new project. The couple plan a June wedding.

**The Seniors Walk**

By Gladys Lehmann

The smooth, long curve of cement swings in through grass, trees, shrubs visible, and before you swings out.

At 200 North Reserve street our house is. The time between studies is just passing, except food. "I’m called the human garbage can of the house by my sisters." (Mrs. , Harold Tolo)

Days pass, and with their passing um. Months pass, and with their passing um. Months pass, and with their passing um. Months pass, and with their passing um. Months pass, and with their passing um. Months pass, and with their passing um. Months pass, and with their passing um. Months pass, and with their passing um.

With rushing eagerness comes final loneliness of the darkened, deserted campus. At 200 North Reserve street our house is.

Then one day is June, four months after the new white bucks and the homesickness. The walk is filled with shoes — black shoes — new white bucks. With majestic step, the black-robed procession moves along the great walk, the homesickness.

Memorable — things of the past, the friends we have made, the way we feel. Yet, as we leave our college, we have many things we have to be thankful for. We are truly grateful to the individuals who made our college days a success. We must realize the many benefits we have gained here at CSC. When Central State was Stevens Point, Mr. Steiner was a student here. He has done his graduate work, and has taught English at various schools and at Harvard. When he came to our campus, he was the first English Professor, and we're mighty glad he's here. We have only one class in History that he teaches. At that time. Mr. Steiner recalled. "Next fall we will have nine of my classes here." He has added many members to our department." Untill two years ago, Mr. Steiner was also Dean of Men. "My jobs were just this, that, and the other. We have added many members to our department."

New Station Wagon Mode Available For Foresters

By Archie Schmidt

Another substantial gift, from the Consolidated Water Power and Paper Foundation of Wisconsin Rapids has made possible the acquisition of another Ford nine-passenger station wagon for the Conservation department here at CSC. The older station wagon, which has been given by the Foundation in 1952, will be sold. The new car will make possible and greatly aid field work in forestry education.

The recently acquired wagon will be used at the Trees for Tomorrow sponsored by National Audubon Society. A Coast-to-Coast tour. Wisconsin, Minnesota, where he gave a lecture on "The Daily Life of the Beaver," and also the "Hyde of Mongolian birth."

“Pears” Charm Dancers
At Colorful Junior Prom

One hundred forty couples passed under an arch of pink net and strands of pearls Saturday night when they entered the dance floor to attend the annual Central State college junior prom, climaxing social events of the college year.

The theme of the formal dance “String of Pearls” was carried out in the decorations of the P. J. Jacobs High school gymnasium where the dance was held. Huge strands of “pearls” decorated the tile walls. The stage was converted into a cy-prize garden scene for the crowning of the prom royalty, Wendell Frenzel, junior class president, and Diana Bloom.

The stage scene included a vine-covered bubbling fountain, with revolving spot, two white pillars and balconies at the sides. White stairs and railing led to the front of the fountain where white social chairs were placed for the crowning ceremony. Strands of pearls and Spanish moss decorated Cypress tree silhouette, which formed a background.

Past-covered tables which edged the dance floor were centered with dairied, pink net, strands of pearls, and wild roses. The chaperons, guests, and advisors were seated around a white, four-topped pedestal.

The orchestra, which occupied the center of the dance floor was separated from the dancers by potted ferns.

The court of honor was made up of Ken Hyrbut, senior class president, and his fiancee, Marjorie Schmahl; Jack Creek, junior vice-president, and Leon Brewman; Sally Rose, senior secretary, and her escort, Charles Schults; Bob Wyman, junior student council representative, and Marcel Skalski; Paul Zeil and Arlene Golomski, junior decoration committee chairman.

Chaperons for the evening were Mr. and Mrs. Raymond E. Specht, Mr. and Mrs. Irving B. Buch and Mr. and Mrs. Edgar F. Pierson.

“Wordsworth” Release

Date is Approaching

The annual outstanding literary work by CSC students is approaching publication.

“Wordsworth” is a book of poems stories and essays by CSC author of 1951. These writings are collected and published by Sigma Tau Delta, honorary English fraternity, and will be for sale at 25¢ per copy.

The “Wordsworth” staff is: Editor, Diane Seil; advertising editor, Felicia Boris; copy editors, Diana Bloom, Wendy Frenzel, Jack Prichet and Frank Brocker; and typists, Jane Schults and Claire Mueller.

The staff hopes that “Wordsworth” will be here Friday, May 27. Watch for signs.

Gamma Delta, LSA Picnic

Held At Iverson Park

Gamma Delta and LSA combined their efforts and held a joint picnic at Iverson Park Thursday evening, May 13.

Members of the two organizations met at Nelson Hall at 5 o’clock and were then transported to the park.

Swinging, riding on the merry-go-round, and teeter-tottering were activities participated in, with the major event being a soft ball game between the boys and girls. Although the boys were confronted with batting left-handed and allowing the girls four outs, they managed to win by a score of 26 to 2.

A delicious picnic lunch was served in the shelter, and second and third helpings were not unusual.

Following the picnic lunch, a short business discussion on conflicts that arise on the meeting nights of the religious organizations was held.

Group singing and playing games closed the picnic program.

Guests at the picnic were: Rev. Herbert Wunderlich of St. Paul’s Lutheran church, Mrs. Marjorie Kerst of the Campus school, and Mrs. Virginia Punke of the Rural Demonstration school.

Sororities Hunt “Spoils” At Inter-Group Picnic

Nine groups of girls began scouring the town for items such as “a set of twelve shoes”, “a 1941 Woman’s Home Companion”, and “an Enquirer calendar” on the evening of May 17. The girls were members of Omega Mu Chi, Psi Beta Psi, and Tau Gamma Beta sororities, who gathered for an Inter-sorority scavenger hunt and picnic.

After an hour of hunting and searching, the girls liked to Iverson Park to turn in the spoils. The rest of the evening was spent eating roasted marshmallows, singing, and playing games. The sorority faculty advisors compiled the scavenger hunt and judged the items brought in.

Committees for the hunt were: Food, Fran Koch; scavenger hunt, Geo Gilbert; and grouping, Jo Daniel.

Omega Alums Fete Actives

Omnna Mu Chi alumnae feted the Omeg Actives at a picnic in Iverson Park on May 14.

Games were played and prizes awarded. A lunch consisting of barbecued potato salad, coke, and roasting marshmallows, singing, and playing games. The omeg faculty advisors compiled the scavenger hunt and judged the items brought in.

Special guests were: Miss Bertha Grimm, Mrs. Charles Cashin, Mrs. Phyllis Ravey, Mrs. Palmer Taylor, Mrs. Earle Kidder, and Mrs. Hay Hurn.

The committee in charge of the picnic consisted of: Mrs. Richard Schwab, chairman, Miss Joyce Pinkerton, Mrs. David Starcher, Mrs. Howard Hetzer, Mrs. Jack Knopf, and Mrs. Eugene Pick, Mrs. Nora Man Wanx is president of the Omeg Alumni association.

Absent Teachers To Return To Campus After Leaves

President William C. Hansen has announced that Mrs. Mary Sarnes, supervisor in the first grade at the Campus school, who has been on leave of absence to teach classes is elementary education at the University of Wisconsin, will return to campus next fall to resume her position here.

Miss Rita Yonas of the Home Economics department, on leave this year to do graduate work at the University of Illinois, will also be back in the fall as chairman of the Home Economics department at CSC. Mrs. Lorraine Otte, who has been taking her place this year, will join her husband in Madison.

It is still uncertain whether Bur­dette V. Eagan, supervisor in the third grade of the Campus school, will return here. Mr. Eagan is completing his doctorate at George Pea­body College for Teachers in Nash­ville, Tennessee, and has a two-year leave of absence from CSC.

Primary Council Members Attend Teke Sweetheart Contest

Several members of Primary Council attended the annual ACE convention at Lake Delton, Wisconsin, on May 14 and 15. Several of the convention were a science field trip to Devil’s Lake State Park. Second on the agenda dinner address by Dr. Milton Pella, of the University of Wisconsin, and a talk by Miss Gladys Van Arsdale of Central State College on “My Ex­perience in Thailand.

Attendence at the convention from this community were: Virginia Gaylord, Gloria Garfield, Frances Kerst, Jane Krom­mer, Shirley Hutchings, Bonnie Drie­des, Margaret Wetmore, Miss Van Arsdale and Miss Myrtle Jensen.

Judy Johnson Named Teke “Sweetheart”

The local chapter of Tau Kappa Epsilon fraternity has chosen Judy Johnson as their contestant in the annual Teke Sweetheart Contest. Judy, whose home town is Milwaukee, is a sophomore in Letters and Science, with a home economics major.

The contestants, chosen from over 115 Teke chapters will not be judged in person, but by a general description and an 8 x 11 x 16 glass photograph. If elected, Judy will become the “sweetheart” of all the brothers of the Teke chapters.

CSC finishes fourth in conference meet

The CSC tennis line was a distant fourth place in the Wisconsin State College conference tennis meet at Milwaukee last Saturday. The score for the CSC tennis line was 0-2. This marked the third year in a row the tennis junior has won the high-jumping event.

Next to Hubert's win in the high jump the best Pointer performance in points came from freshman Dan Cox, who flipped the discus 122-5/8 feet for second place. Tom Brookley ran the 440 in a split of 58-5 and snapped a 28 year old school record. This was also the fastest encroacher ever whipped off the track -- the Barabbas freshman's best previous time was 58.6, a high school senior in the state meet last year. Brookley's efforts brought a third for Point. Sophomore Jerry Drake also established a school record in the broad jump with a leap of 21'-10" and was also good for third place.

The relay foursome of Jerry Schoon, Larry Collins, Drake and Brookley ripped off the 880 in 1:32.4 for another school record made in '52 and another third place in the meet. Freshman Phil Cole salled 11'-6" his best in the pole vault, and tied for fourth place. Bill Raham won his best in the 880 in 2:55.6. Milwaukee won the championship for the twenty-third time in the 24-year-old history of the event with 91%, followed by Oshkosh with 69.9 points. Then came River Falls with 24. Point with 19, and Oshkosh with 17%.

### LETTING OUT THE AIR

by Carl Huberty

It is at this time that we would like to review the 1954-55 season of sports here at CSC.

The football squad opened the sports campaign with Coach Roberts remarked was a "pretty good year." The Pointers finished the season with a 2-1-2 record, which placed them fourth in the four-team conference State Conference. CSC was only two points behind a conference championship because of two-point defeats. Roberts figures the 54-55 squad kept the sports activity roll -- experience that numerous freshmen had this year have now had and with the help of some veterans returning from the armed forces. Ken Harrito, Carl Wiemann, and Roy Hackbart will be back next year.

Coach Hair Quandt's basketball squad handled its sports activity roll with a 5-2-1 record, which placed them fourth in the conference. Roberts remarks, "We had a young team that competed more than which would have meant a few more victories, but the past season gave many yearlings the necessary experience for a winning team. The boys played good basketball this year, and learned to overcome mistakes which had cost them in the past." The Pointers were seriously handicapped in midseason with the loss of Ken Harrito. Bob Hafner, Quandt definitely expects a more powerfulPointer basketball team next season, which will return the Bo Bloomeier, Bob Hafnet, and Joe Sanka, and the addition of some outstanding newcomers to the squad.

The wrestling team brought added enjoyment to sports enthusiasts during the winter months of the 54-55 campaign. Coach Roberts' grapplers finished the season with a four won-four loss record. Roberts remarks, "Considering the competition the boys did very well. Many lessons were learned while competing with the stronger opponents and this was a great asset to the boys." Aside from the loss of light-heat-weight Ken Riemer, the Pointers are expected to be tough again next season.

The spring sports calendar was featured by the overwhelming success of the annual spring sport -- baseball. After dropping the opener the Pointers returned with a 7-1 record season by a 5-4 margin. The轻松 starters are back with no lettermen and they expect the complete squad to return for a more successful '56 season.

The spring sports schedule will officially start Friday, when the tennis team play their last match against Michigan Technological according to Coach Roberts. The outcome of this match is uncertain. The Pointers will be playing in their home on a "mediocre season." The tennis team will go after the conference championship but Coach Hale Quandt's basketball the line. "Wait till next season." See you fans next year.

### LETTING OUT THE AIR

by Carl Huberty

It is at this time that we would like to review the 1954-55 season of sports here at CSC.

The football squad opened the sports campaign with Coach Roberts remarked was a "pretty good year." The Pointers finished the season with a 2-1-2 record, which placed them fourth in the four-team conference State Conference. CSC was only two points behind a conference championship because of two-point defeats. Roberts figures the 54-55 squad kept the sports activity roll -- experience that numerous freshmen had this year have now had and with the help of some veterans returning from the armed forces. Ken Harrito, Carl Wiemann, and Roy Hackbart will be back next year.

Coach Hair Quandt's basketball squad handled its sports activity roll with a 5-2-1 record, which placed them fourth in the conference. Roberts remarks, "We had a young team that competed more than which would have meant a few more victories, but the past season gave many yearlings the necessary experience for a winning team. The boys played good basketball this year, and learned to overcome mistakes which had cost them in the past." The Pointers were seriously handicapped in midseason with the loss of Ken Harrito. Bob Hafner, Quandt definitely expects a more powerfulPointer basketball team next season, which will return the Bo Bloomeier, Bob Hafnet, and Joe Sanka, and the addition of some outstanding newcomers to the squad.

The wrestling team brought added enjoyment to sports enthusiasts during the winter months of the 54-55 campaign. Coach Roberts' grapplers finished the season with a four won-four loss record. Roberts remarks, "Considering the competition the boys did very well. Many lessons were learned while competing with the stronger opponents and this was a great asset to the boys." Aside from the loss of light-heat-weight Ken Riemer, the Pointers are expected to be tough again next season.

The spring sports calendar was featured by the overwhelming success of the annual spring sport -- baseball. After dropping the opener the Pointers returned with a 7-1 record season by a 5-4 margin. The轻松 starters are back with no lettermen and they expect the complete squad to return for a more successful '56 season.
