Queen's Assembly New Feature
Homecoming Highlights

Homecoming, homecoming, homecoming! This thought seems to be
penetrating the minds of most CSC students these days.

The deadline for float entries is October 15. Entry blanks may be
picked up in the Deans office any time. Floats will again be judged
under two classifications: serious and humorous. Three winners will
be chosen from each division. The judges will be concentrating on four
things. Points, on a ten point system, will be awarded for construction on
the basis of durability, neatness, and moveable parts. Second will be the
legibility of the theme as well as its appropriateness for the group, oc-
casion.

The float's originality is the third point. The fourth point is the art work, including color com-
binations, composition and lettering. In addition to the many floats it is
expected that about six bands will be marching in the Homecoming parade.

As usual, there will be a Home-
coming Assembly, Queen's Dinner, bonfire, and snake dance climaxed
by the Homecoming game and dance on October 25. Half-time ceremonies
in this year will be handled by the Col-
lege band and the band from An-
nenberg High School.

In an effort to promote more
interest in Homecoming, particularly in the election of our queen, Student Council has proposed the idea of a Queen's assembly making it
possible for students to become more familiar with the queen can-
didates before election and to en-
courage participation in the voting.

Both also thanks the Sig Eps by
saying, "This is certainly an experi-
ence and an honor I will always re-
member. It is one of the most
wonderful fellows on this cam-
pus.

There may not be anything to
say about the way to a man's heart, but when the four fra
terities and the S Club met, all of them came up with home econo-
my majors as their Homecoming queen candidates.

The candidates and their sponsor-
ning groups are Karen Krause, "S" Club; Sylvia Groshak, Alpha Beta;
Beta Bath, Karen Sig Epslon; Mary Lauritzen, Phi Sigma Eps-
ilon; and Priscilla Wagner, Tau Kappa Epsilon.

Karen Krause is a sophomore from
Tigerton. She says, "I'm very excited and I think it's all going to be a
lot of fun."

Karen is a member of Tau Gam-
ma Beta sorority, is secretary of the
Home Ec. Club, and a member of Gamma Delta. She was assistant stu-
dent director of "All My Sons", as well as a member of College Theatre.

Krause said also, "It's quite an
honor being selected by the "S" Club and I'd like to thank them."

Alpha Beta Rho chose Sylvia Gro-
shak as their candidate. Sylvia is a sophomore from Wittemberg.

Sylvia was Senior Class President,
FHA President, attended Badger Girl's State, was in GAA band and
on the Student Council.

The Home Ec. Club now claims
Sylvia as their press representative. Sylvia is also a member of the Newman
Club and a floor manager at Nelson Hall. She is an active member of
Alpha Sigma Alpha.

Sylvia says, "I'm thrilled about
being selected as a candidate. I'd like to thank Alpha Beta Rho for this
honor.

"I was almost floored. You couldn't
have knocked me over with a big Eep first pitch." is Becky Ashker's answer to
how she felt when the Sig Eps asked her to be their candidate. Both is from Westfield and a junior.

Both is in Home Ec Club, and
was secretary during her sophomore year. She's an associate member of Sigma Zeta and Tri 
gon. She is an
assistant treasurer of her sorority, Tau Gamma Rho. Besides these 'at school' activities, both list swin-
ing, heating and traveling as favori-
te leisure time activities.

Both also thanks the Sig Eps by
saying, "This is certainly an experi-
ence and an honor I will always re-
member. It is one of the most

Letters to the Editor

Dear Editor:

I think it is about time that something is done about the dress of our female students. If you do not believe me just look around and see the mounds of shorts and skirts being worn (especially in the library at night.)

I know that it was an unwritten law that the female students were not permitted to wear skirts or shorts. But to be forced in most high schools, to say nothing about Berdmore, to wear a skirt or shorts, while they are a place of higher education and a place of study, is correct. This includes proper sports. Yours truly,

Jasmine S. Seufert
From the Student Council

Notice!

The Newman Club of CSC is sponsoring the Le-Nor roller skating rink on Sunday, November 7, from 10:00 p.m. to 1:00 a.m. All CSC students are invited. If you have not yet become a member, you may provide your own transportation and still have a good time; however, your fee will be collected by the Newman Club member.

Campus Opinion

This article, being the first written by me, Gill Green, is in all ways a complete and enjoyable article. I attended Central State College. My article does not have with "school spirit," specifically the lack of it here at CSC. I do not believe that there are one hundred students out of the fifteen hundred that can recite the school song, and less than that know the cheers for our team. And how can anyone define what the school colors are? Ignated, that the football uniforms are not any great help in knowing the colors, but they do exist.

The Pointers have been successful every time they have taken the field this season. But other than that, there are no other mentions of the team. The students can hardly learn those cheers, make that noise to let everyone know that you are a "Pointer pride." At the very least, "Pep Rally" I'll expect some noise in the assembly and on the streets, that our contrasts from these events can be picked up in the main office. I shall do everything to have an organized pep rally and parade of students and teachers to support our team completely.

Let's back our team, so much so that they should lose, man that's going to be a complete impasse. It seems as though there is a deep-seated contempt brewing between the student body and the faculty, and not only the students. The Steiners, Delzell and Dehelle halls. Oddly enough the conflict is in reference to the social activities of the students. The Pointers and the Steiners. The students of Steiners and Delzell halls are not following in the trend of some of the students at CSC. They are not following the plans of the Nelson Nollers welcome on their visits to the Union. While on the other hand, the students of the Nelson Hallers is not backing up the plans of the Nelson Nollers.

Both parties concerned feel as though there should be an informal "get together" between the student body and the faculty where all the problems and issues will be discussed. The students of Steiners and Delzell Halls "known" to one another. There shall be a suggestion box for the "Pointers" office for comments on this subject.

The school spirit in the past has shown an impressive rise, but it is still below the "cured level." "Campus Opinion" suggests a mandatory pep rally to be held on Saturday, November 6, and car papers through town in order to make known that the Pointers are on the war path and that they are busying for their opponents scalp. Until the next issue.

Gill Green,
Deissell Hall
Extension 47

Roving Reporter

By Francine Townsend

The other day while indulging in the usual pastime of watching the news, I ran across the old song, "You and I" by Robert Gurney and Fred Fisher. "Along With The Beautiful Girls." Not feeling qualified to comment on the music, I took a closer look at the lyrics. Written by Nelson Hall, they apparently express a love of the opposite sex. The music Success.

Eugene Seuser

Dear Editor:

I am writing to you concerning a matter of great importance. As a member of the Stevens Point band, I have been active in all games. During the game of August 15th, next year, we will be on the field. But It seems to be a part of the general attitude which is prevalent here at CSC.

The general attitude of some, as they observe the efforts of a few members of the Pointers to some to some of the stated standards, is that "aliibites are over emphasized." This may be true or it may be the idea that the general attitude of the students on all activities can be improved.

A general attitude of this representation it gives at activities which the student is able to observe. Certainly many of our assemblies and our athletic activities are attended by many people from outside of the college. The spirit of CSC will not be on the whole for a long time. Certainly the 230+ plus Pointers and their fans, better work to improve the general attitude of the students.

Let's break our this apathetic attitude and become an active college, a college worthy of the name "Central State College."

CSC

Calendar Changes

Sigma Tau Delta meetings changed from third Wednesday of every month to fourth Wednesday of every month:

4:00 p.m. Homecoming Assembly
8:00 p.m. Homecoming Assembly

10:15 p.m. Veteran's Day Assembly
Three Act Play
November 12
Thanksgiving Assembly
November 25
Christmas Play will be given on December 14 and 15.

Corner at CSC

Russ fiddlers at CSC are suddenly finding life easier. The Music Department has now supplied instrument lenders for over fifty music students. Signs of progress . . .

I do not wish to see what student mall loses his

In a moment of passion in relation to last week's bulletin, we express a wish for a high school sweater with at least four letters on the back. We will wear it with pride.

Happily, the dream is beginning to take form. We are sincerely trying to promote CSC's fairly cleverly at present, one of the points of the administration, no one has any local right to prescribe clothing regulations. And we reserve our sacred right to demand a true student voice in the administration of this matter. That was an act of the administration.

An orchid or two for Pat Collins, who, largely by his own efforts, is working to bring the students of the music department more into the main stream. It will be something more than a name.

Happily, the dream is beginning to take form. We are sincerely trying to promote CSC's fairly cleverly at present, one of the points of the administration, no one has any local right to prescribe clothing regulations. And we reserve our sacred right to demand a true student voice in the administration of this matter. That was an act of the administration.

THE STUDENT'S VOICE

Dear Editor:

Since the last time that I had the opportunity to write a "Students Voice," I would like to sum up the action we have taken.

The regular meeting time has been changed to Wednesday evenings at 8:00 p.m. A problem arose in the sophomore class and three of the five officers elect have not returned to school. In two of the offices, the runner-up to vote for vice-presidency by one vote, assumes that office and Mary Collins, who lost as student council representative the last election, will head that office. The effect of treasurer will be vacated and will fill in at today's election.

The council was reminded of its need to apprise student government representatives, Bob Hansen, the homecoming chairman, and Future Students of America, in accordance with the reminder.

The homecoming, who are now under the student government, appear to discuss the possibility of purchasing new uniforms. They have selected an outfit consisting of navy blue sweaters and matching corduroy skirts. The "B" will be displayed on the sweater and the skirts will be lined with gold. It was established that it is difficult to duplicate parts and for this reason we will settle for navy blue and gold. By this time the homecoming will be in charge and have a budget and a limit of seventy dollars for the purchase of the new uniforms. The idea was quite unique.

A resolution unanimously passed at the student government meeting on November 5th, is an appeal to the homecoming, the Future Students of America, and the homecoming, to arrange a program for this coming year. The recommendation is an organization's chance to participate in the homecoming. It is generally felt that this assembly will not have the opportunity to select the candidates and thus be involved in the assembly. It will then be further decided if this assembly should become an annual event.

An election committee consisting of Ralph Fincher (SOPH), Dale Simon son (Soph), and Bob Dickerson was appointed and opens itself to the student body as a non-council member. This work is interesting and informative.

P.S.

The next meeting is Wednesday, October 14 at 4:15 p.m. For the first time in a number of meetings, there will be a representative from the student government. All meetings are open to the student body, who is invited to submit an agenda item to committees and a non-council committee and in the homecoming. It is further decided that this assembly will be an annual event.

Adjoint: Bob Hansen
Student Council, Pres. P.S.

"Bug-A-Boo-Bop"

The Gamma Beta's "Bug-A-Boo-Bop" will be held the evening of Friday, October 10, at the Campus School Gym. The gym will be open from 8:30 to 12 p.m. The gym will be open with gas light and the entertainment at 10 p.m. will be furnished by "Bug-A-Boo-Bop." The fresh student will feature "bug-A-Boo-Bop."

General chairman are Karen Abraham and Beverly Brun.

CSC Student Constructs His Own Solar Furnace

Allen Lowry is a graduate of Sparta High School and is majoring in Soil Conservation. Allen has won a $250 scholarship from the Boys' State solar furnaces project.

The furnace is about 83" to make, and is made of 55 two-inch square pieces of metal and wood, and the mathematics to make a perfect cone mirror. The furnace heats up to 1,000 degree Fahrenheit. Allen has used it to cook food.

Much research has gone into the furnace. Allen has become interested in that field just a year ago. He started his project in the summer, worked on it all fall, and finished it in the middle of the year. The furnace is put together on it mostly on weekends. Allen plans on working on a science project for next year, and he is thinking about his future plans. He said he plans to continue going to CSC as a Soil Conservation major.

School Motif Seen At Faculty Dinner

The Faculty Wives Service group of Central State College opened its year's program with a dinner for faculty members and their husbands and wives, given September 25, in the Nelson Hall dining room. Thirty-three of the group's 37 members were present, and several of the faculty guests were among the guests.

The dinner was served in the Nelson Hall dining room. Mrs. Albert Harris was general chairman of the event.

The hall was divided into four separate dining areas, and with each course the participating dinner changed areas and found their place at a different table. A school house, school bell, lunch box, and event, and change areas and courses through the dinner. Participants included Mrs. Robert C. Smith, Mrs. Carroll Franklin, Mrs. Wayne Ford, Mrs. Robert K. L Brandt, and Mrs. Fred E. Enderlin. The latter was co-chairman of the food committee.

NOTICE

Wesley Foundation invites you to be their guest tonight at St. Paul's Methodist Church, 1001 W. Sixth Street, at 8:30. This is their first of the year, and all are invited to attend and to have your say in the discussion of a timely and important issue.

Young Dems Activity

Gains Rapid Momentum

On September 14th the Young Dems met and elected officers. A new group of officers was elected. The new officers included the following: President: Muldoon. Vice President: Price. Secretary: Mrs. Newberry. Treasurer: Mrs. Walker. The first meeting was held on September 25th.

New Book-Look in CSC College Book Shop

A new look has invaded the College Book Shop, located in the basement of the library. Not only is the exterior completely rearranged, but the shop is now under the management of Mr. Eugenia Schulz, who holds a B.A. degree and a Doctor of Philosophy degree from the University of Wisconsin. It is the first time that a woman has been in charge of the book shop.

Mr. Burress Finds Us Friendly and Serious

Friendly and serious are the two words Mr. Leland Burress, our new English teacher, used when commenting on CSC students. He said he has been here only one month, but he already likes Point.

His hometown is Wichita, Kansas, and that is where he obtained his B.A. degree, the English major, from Wichita. He then went on to receive a B.A. degree in English from Central State College.

Mr. Burress next went to Boston University where he received his Ph.D. in English language and literature.

At last he was a full-fledged teacher, after which he returned to his hometown and taught his first four years at the University there. He spent one year at Western State University and four years at the College of Emporia.

Mr. Burress is the son of a foreman, and he himself is a foreman. His father is now living in Kansas, and he himself is living in Emporia. He is married and has three children.

Delta Upsilon

Mr. Burress has three boys aged twelve, fourteen, and sixteen. Hunter, youngest, is a member of Delta Upsilon fraternity.

Lee Burress

Lee Burress is the son of a foreman, and he himself is a foreman. His father is now living in Kansas, and he himself is living in Emporia. He is married and has three children.

Ten Books

Mr. Burress has three boys aged twelve, fourteen, and sixteen. Hunter, youngest, is a member of Delta Upsilon fraternity.

Lee Burress

Lee Burress is the son of a foreman, and he himself is a foreman. His father is now living in Kansas, and he himself is living in Emporia. He is married and has three children.
Experts to Discuss

500 To Attend Speech Meeting Here

Seven expert consultants will discuss broad debate, discussion and declamation for forensic-minded lin
dustry students at 10 a.m. Wednesday in the main annual speech and drama institute at the Wisconsin High School Forensic Association and CBC, which is being held at NBC.

About 569 guests from 65 districts will sip coffee and register in the auditorium and get acquainted during a coffee hour. At noon members will be holding and being welcomed to CBC by President William T. Tush, who will hold a speech meeting conducted by the Student Council. The speeches will be served in each host section and by the Student Council, which weed performances of the debaters.

Several members of the student chairman are Mrs. Julia Mallir, Studen
ton; Miss Margaret Hovey, student chairman; Miss Gladys Hoven, student chair
mans, and students; Miss Gladys Hoven, student chairmans, and students; Mr. Richard Heathland, Madision, debate, with Pat Cooper, student chairman.

Little Bits

Three engagements to report this time. First, the University of Wisconsin-Centennial band will be heard by Yvonne, Tom Higgins to Nona Mar
nings, at 9:30 p.m. on Tuesday at the University of Wisconsin, by Benyak. Helen Nowick and Nor
dia Lane and Bruce Zender, Hobby Bjork and Vic
nings, will be held from 8:30 to 9:30 p.m. at the University of Wisconsin.

The Wisconsin State University Hotel, 110.

Voting Being Held Today

By deadline of Friday, October 11, twenty-nine nomination papers had been filed in the office.

For the vacancy of treasurer of the sophomore class, there are three nominees: Sally Benson, Ed

nard and Varda, student chairman.

The junior class, nominating candi
dates for the office of vice-president, has had a
test in three of the five offices.

For the office of treasurer, vice-presi
dent as, as is Millard Em
day-secretary. Emmy Smirth and Grace Bake
den, for the office of treasurer, and Judy Gare, for the office of vice-president, there are three
candidates for a place on the student council.

Those in a position to lead in the election are Fred Freeman, Bill O'Gara, Lee Megow, and Sandy Konrad, who will lead in the election.

For the student council representative, Kay Chesebro, Jay Smart, and Mary
Mac, there are three candidates.

For student council representative, Beth Smith, Robert Thomas, Chrisitled, Peter Smith, and Doris Smith have filed.

Elections will be held TODAY.

Any member, sophomores or junior class will have to select a candidate at the appointed dates to represent them. You may
eat election at the booth near the record office for anyone who's going to east en
drances. Potatoes, participale.

Wisconsin Theatre Group Is Slated To Perform Wednesday

"The King and I" will be present
ed in place of "A Streetcar Named Desire" on Wednesday, October 11, at 8 p.m. in the college auditorium.

Lucy Jane Smith, who is working on the production of the Wisconsin Theatre Group, has been in correspondence with the Wisconsin cities including La Crosse, Kenosha, and Wauwatosa.

The role of the Madison community is to give their best to the student body.

The inter-sorority council is also planning to make this a success, according to the chairman.

Their hope is that everyone will attend and show their interest in the theatre.

A Trip to Remember

Students Tour Europe

Under the expert guidance and tu
multage of Dr. Kruger and Mr. Lewis, the students were taken on a trip to the countries of Europe.

The tour included a visit to the Embassy of France, the Paris Opera, and the Palace of Versailles.

That night they climbed aboard the gondolas again, this time be
docked with the gondoliers and singing gondoliers.

After bargaining at the straw mar
ket in Florence and viewing the Pitti Palace of the Medici, they moved on to Rome. Here they strolled through the Colosseum, Rome's ancient ruin, and the Pantheon.

There were then are few days spent in Paris, where they were able to buy souvenirs of France and enjoy the scenery of the French countryside.

They were then taken to Nice, where they visited the city's famous beaches and enjoyed the beautiful scenery of the French Riviera.

The trip to the small village of Giverny was memorable, and the students were able to see the beautiful gardens of Claude Monet, the famous French impressionist painter.

That night they returned to Paris, where they enjoyed a farewell dinner at a famous French restaurant.

On their last day in France, they visited the Eiffel Tower, the Louvre Museum, and the Palace of Versailles.

A A Fall of Tastes

The city of Paris offered a variety of different restaurants and street vendors, allowing the students to sample all sorts of French cuisine.

The students then returned to the United States, where they were able to spend time with their families and friends before returning to their college campuses.

Religious News

LSDLers meet at St. Mary's Lutheran Church Sunday evening, September 28, for a costupper. Business cen

used around the reading of a pro

posed constitution for the group.

Joyce Thomson, President, Lawer, and La
ty Wright presented the topic "Popu

lar Music," after which the group
divided into buzz sections to discuss the musical, anti-Christian and all-

Christian aspects of today's music.

Actors, directors and comedians were also discussed.

The first of these was presented by Dr. T. C. Kang's paper on Far Eastern geography for mid-October.

Next topic discussed was setting a definite date and hour for future meetings. It was decided to vote on this issue at the next meeting.

The problem of selecting permanent officers was also discussed. It was decided to hold both the Alpha Gamma Mu
ta Alpha and the National honorary society, Judy Ungrodt and Bill Frieman led the Newman Club program to 5:30. They mentioned that a Fraternity of Christian Doctrine program would be started in which Newman Club members would be trained to become catechism teachers, which would include practical experience at St. Stanislaus and St. Joseph parishes on Saturday morn

ings.

YCS groups will also be formed which will meet twice a month. He also announced the beginning of a theology class which will meet on Monday and Wednesday evenings at 7:10. This is a semester course and will be repeated in the second semester.

The Blessed Sacrament has been reserved in the St. Thomas Aquinas Church. Newman Club Rosary is also recited Monday evenings. Father Wilger stated that Newman Club members would be trained to become catechism teachers, which would include practical experience at St. Stanislaus and St. Joseph parishes on Saturday mornings.

The club executive board met last Thursday, October 1, at Newman Hall and discussed the program of the club for the fall semester.

The meeting of October 23 will be for the initiation of all new mem

bers. The meeting will begin at 5:30 at Pacelli High School and will be followed by a free meal.

The initiative is a dignified cere

mony and will be attended by the entire student body.

Our Wesley Retreat will be held at Aubrey Acres on Saturday, October 11. In case of bad weather, it will be held at the Vermont Park Lodge (the one where the picnic was held) At this retreat the plans for YOUR Wesley Foundation will be made for this semester. Plan now to attend. It will last from 9 a.m. to about 4 p.m. If you are planning on attending, please sign up on the Wes
y Retreat Bulletin Board before 5 p.m.

Newman Club

The Newman Club held its first regular meeting on Thursday, Sept

dem, 25, at the Pacelli High School. Father Wilger presided the Newman Club program for the fall semester. He announced that a Fraternity of Christian Doctrine program would be started in which Newman Club members would be trained to become catechism teachers, which would include practical experience at St. Stanislaus and St. Joseph parishes on Saturday morn

ings.

YC groups will also be formed which will meet twice a month. He also announced the beginning of a theology class which will meet on Monday and Wednesday evenings at 7:10. This is a semester course and will be repeated in the second semester.

Central State Comes From Behind to Upset Pioneers, Defending Champs

Central State College playing its first conference game of the year on Platteville 11-1 at Denver Friday night. September 27. At the end of the fourth quarter the score was 16-10 in favor of Platteville.

The first half was far from being played. The score was 10-0 in favor of Platteville. The Pioneers had the ball and led the game by 1-0 until the half, when they lost their lead on three plays later and went on to dominate the last half of the game.

Player of the Week

Our First Player of the Week award went to Ted Lademann, a senior from Laona, and his men's basketball team at the campus as "Timber Ted." He contributed tremendously to the rotation and development of the coaches, athletes, and fans, which also included a player in the weekly basketball game.

Effect Might Revive CSC Spring Athletics

The CSC Spring Athletics Meet was held on the campus of Central State College. The meet featured various track events, including the hurdles, sprints, and long jumps. The athletes were eager to show off their abilities and improve their skills.

Third Conference Test For Pioneers Saturday

Saturday afternoon the Pioneers traveled to Milwaukee to take on the University of Wisconsin at Milwaukee in the Pioneers' third conference football game. CSC went into this game hoping to get the "Old Man" himself and spoil the Card "メンバー" homecoming party.

Milwaukee defeated Nest last weekend at 21-0. This was their first conference victory this year. The Pioneers can't afford to lose this one if they expect to take the conference championship trophy back to Point.

The weekend of October 13th the Pioneers meet Whitewater at Madison. The Quakers, like Milwaukee, had won their first conference game last week when they upset Platteville 24-21. The Pioneers will have no chance to let up on the season to come. An interesting note on the Wisconsin State conference football is that the Pioneers are the only undefeated team but are only third in point to the conference standings. This happened because both Eau Claire and River Falls have perfect 2-0 records in conference play, but lost in non-conference action. CSC has won one and has one tie in conference play and a record of three victories and one tie over all.

Defending Champs Lead Michigan

The "Defending Champs" are well on their way to the championship due to their already perfect 2-0 record of 3-0 victories and 0-2 defeats. In their first two games of the year, they defeated brother teams after their first two games of the season.

In their first game with River Falls they scored a 31-14 win. In their second game against a non-conference foe, the Packers lost to the Defending Champs by the score of 31-14.

After the game, Coach Coussens was approached and asked who looked especially well in the game. He replied, "The first half was a bit of a bust, but in the second half things started to get better."

Defending Champs lost River Falls 31-14.

Homecoming Weekend—Unpack Your Luggage

Next weekend will be Homecoming! Let's all keep our eyes on the line with the experts, including the head coach himself, who will be sneaking through the halls of Diel, Stein, and Nelson with the "proratical" suite in hand for a marvelous weekend, perhaps at the very least, a memorable day. Let's not let this weekend slip by, because no matter how juveille it seems. Or how much you think about it, you're already a part of the homecoming spirit. Let's invite our future football team members to the '01 Ole on the roof, where we will host the "S" Club in celebration of "S" Club Week. Let's make it a great event. Let's remember. "We're in college now."

Tradition Upheld

Pointers Defeat Titans

Thursday, last week, 2,700 people watched the CSC Pointers and the University of Wisconsin-Milwaukee Titans. CSC defeated, Oshkosh 21-20. The tradition dates back to the time when the Titans last defeated the Pointers in football. As the Titans are struggling to make it this season, the Pointers hope to continue their conference championship trophy back to Point.

On Thursday, last week, the Pointers built up a 21-0 lead in the first half and ran up their defense in the second half to put the Titans to the ground and win with CSC in control of the ball on the Oshkosh 24 yardline.

CSC maintained its undefeated record this year and now has an overall record of 2-0 and a conference record of one victory and one defeat. This places them in second place in the conference. Our homecoming game is Friday, Oct. 2, and is expected to have a record of two victories and no defeats.

CSC broke the scoring fest in a 117-yard run from Jack Bush halfway through the first quarter. Ron Heinschel set the scoring performance with a 42-yard run around the left end, Bush passe to Bush for the PAT. However, Oshkosh came right back and scored on the first play of the second quarter, when Tom Malachow kicked a 14-yard field goal. The Titans missed the extra point. Ted Willman brought the ball to the 50-yard line and then kicked a field goal from the 15-yard line. This time Wisk's PAT boot was good and it was 21-8 in favor of Point.

Oshkosh put in a determined bid for victory in the second half scoring their first two touchdowns after touchdowns on the last two possessions of the game.

On defense the Pointers had a host of standouts. Bob Mobak led the defense with 12 tackles, including 6 solo, followed with nine and Heinschel with the back with eight tackles.

On offense, Lademann proved to be the big gun as he rolled out 3 yards away to score a touchdown. It was also laced by a 3-yard field goal.

Scoring Summary

CSC 8 11 9 21

Oshkosh 10 0 2 12

will also be an entertaining one for those loyal students who won't be missing that success.

Student Union Coming Along

Another construction dome around CSC can be observed just north of the library, where the student union is expected to be completed some time next year.

Athletic Building

Soon to Materialize

The new physical education building located on Fourth Avenue and Range, is expected to be completed any day now. The building is being made and it is expected that the future athletic building will be able to begin construction.

Construction will provide many facilities for the students. It will provide facilities for both the girls and one for the boys, which will enable conducting of both classes at the same time. The boys gym, which is being made, will be constructed to allow division into two separate gymnasiums for use in individual classes. The girls gym will be 2,500 people to permit viewing at the site of the event.

Construction of the athletic building was asked for at the time of the construction of the building for the library. After the library was built and so a library was constructed. The new building is 5,000 square and is inadequate in size. It will now provide facilities for the students who are educated for the sophomores, which are a college requirement.

Archery, Steak Fry

High-light W.R.A.

October 10th is the current sports event of W. R. A. The winner will be named in the 20 yard shoot this Wednesday. After the team is announced, the current leaders are Erine Modo, Joan Nolscher, and Elsie Schuyl. The winner will be presented with a small trophy. Co-coaches of the activity are Carlene Dams and Edna Ripe.

W. R. A took advantage of the beauti-

ful fall days we've had and held a fall foliage hike at the park. Co-coaches were Erine Modo and Joan Nolscher, and snack was provided by Maslowaks and Joan Vandervest. Archery party was held September 23. The group made plans to continue with an archery party and a monthly meeting. Included in these plans were some interesting new ideas for the shirt sale. Other activities planned are badminton, bowling, basketball, a homecoming party, and a co-ed dance with the W. R. A and locker room bulletin boards for news of which will be held on W. R. A and join in those in which you are interested. All college women are invited to participate.

The next sports event will be archery. The first practice session will be Monday, October 11 at 7:00 p.m. in the college gym. Beginner or pro, come and learn to love the fun. A double's tournament is planned.

W. R. A's share in the Homecoming activities is its sale of Pom-Poms. Members increased the sale from 15 cents to 25 cents and from October 22, 23 and 24. Be sure to buy a Pom-Pom as they are on sale do Saturday, October 25.

"S" Club Pleads

As customary on many college campuses there is a "S" Club with members that have requested students to refrain from getting into the "S" Club convention. The members would like not to have their letter sweaters and jackets while on the campus. The "S" Club is asking all students to refrain from their usual attire. Let's have our High School impression of the "S" Club corrected. We're in college now.
A hearty welcome back to all who were here last year and hello to all new students. A word of advice to all freshmen: Apply the Blaasi Success Formula and you cannot fail. Drink lots of coffee, smile plenty and take nap courses.

The first Blaasi meeting of the semester revealed gaps in the ranks due to the ravages of graduation and grades. We immediately began proceedings for the procurement of replacements. Those brave souls that purchased accepted our invitation were feted at a tea held at Vermont park. We are sure that these gentlemen of good taste will enjoy the activities planned for them during Homecoming week.

At the second meeting of the semester elections were held with the following results: President, L. Blaasi; Vice President, J. Landre. Secretary, D. Cooper; Treasurer, T. Potlits. The marks a marks victory for the Vegetarians. The Prohib- itionists regained only a very small percentage of the votes. Truth has again triumphed?

A discussion of the Homecoming float resulted in several good ideas. A search has started for materials, some of which promise to be a problem. These days not many people have a large cast iron pot available for holding boiling oil.

Some of the members reported good summer jobs. Bob Nash spent his summer in New Mexico playing back- ground guitar at Indian rain dances.
