Music by Bob Chesbro and His Ten-piece Band

A party honoring the Senior class will be held in the new College Union, June 4, 1959, at 8:00 p.m. The party will be sponsored by the Union Board. There will be dancing from 8:30 to 12:00 p.m. to music provided by Bob Chesbro's ten-piece orchestra. Refreshments will be served; there will be a short program; and the seniors will be free to wander about the building. This dance has been planned to give the Seniors a chance to look over the new building before they leave. They have all received an invitation, and they are entitled to bring a guest.

The members of the Union Board are staying on the campus during the last week and through graduation week with the students. They have planned several surprises for those attending, to help in saying farewell to this year's students. The Band will then provide the music. The Brass Choir will also play "Three Pieces from the Water Music" by Handel and "Three Pieces: Bal, Schottische, Gigue" by Pachelbel. The members of the Band and Choir are William Clark, Frank Greenery, Joseph Mitchell, and Faith Holzinger, trumpets; Shirley Kirsch, tympani; and Dana Gardner, Jean Franzen, and Helen Nowicki, French horns; Bob Gibb, Sandra Smith, and Florence Mansol, trombones; Richard Mayer and Clinton Bailey, baritones; and Richard Streude, tuba.

Danke Schon!

The Pointer has come to the end of its operations for another school year. I wish to express my thanks to the many people who contributed to the Pointer during the past year, including the local businessmen who bought ad space, and the Wozzalla Publishing company who cooperated splendidly in publishing the paper. My thanks also go out to B. MacNeil and T. Anderson, our advisers, who were always ready to help with professional advice. Special thanks also go to Gertrude Ann West, business manager; Rosalyn Barber, circulation manager; June Zielinski, composition editor; and Felissa, sports editor; and to the reporters, typists, and proofreaders, for their cooperation during the year in helping to get the job done.

I want to extend my congratulations to Mary Collins on her appointment as next year's Pointer editor, and extend my wishes that she will find the job pleasant and rewarding.

Editor's Last Words

We have come to the end of our career here at CSC with mixed emotions. We have joy on the achievement of another milestone in our lives, wonderment about the things the future will bring and sorrow because we will leave an environment in which we have spent the best years of our lives and made so many lifelong friendships.

We will be leaving one of the best institutions of learning in Wisconsin. We will be leaving a school who have taught us and shared their knowledge with us so we will be able to better meet the challenges of the world in our quest for the places and rewards beyond.

There will be underclassmen to take our places, who will reap the benefits of this institution. They too will realize that nothing will ever compare with the days spent here at Cetera State College.

CSC Profiles

Cataldo has been on the staff for the entire length of the school year. The former business manager and present assistant of the Pointer. When first asked about his experiences as editor, Cataldo answered with a typical, "no comment," but later added, "It's certainly an experience I never thought I'd have. I found that an editor can't please everyone; there's always someone who doesn't like his work. That's why I tried to be as neutral as possible in my editing."

Abbotsford's "Little Homeward, Angel" is the most significant, with Farrell's involvement with his material, his impassioned molding of what he knows, his love for his own life, his love for his own personality, like cyclones, he grew to an explosive adolescent, his art no longer as good as his student body, an active school, is seen too much activity from a majority of the staff, sa this year.

the Pointer

Published bi-weekly by students and examination retakes at Stevens Point, Wis. Its, the Baldwin of Wisconsin State College, 110 Main Street, Madison, Wisconsin. Founded in 1907. Entered as second class matter at the post office at Stevens Point, Wis., under Act of March 3, 1909.
CSC Home Economics Department

To Train Vocational Homemakers

CSC is now qualified to prepare vocational home-making instructors. This good news was received by Dr. Agnes Jones, chairman of the home economics department, in the form of a report May 15. An approval had also been sent in April.

The approval came as the result of a committee visiting the home economics department March 17-19. The objective of the committee was "to review the existing organization, personnel, facilities and equipment of the home economics department as a basis for making recommendations to the State Board of Vocational and Adult Education concerning the request of Wisconsin State College, Stevens Point, for approval as a college for the preparation of Vocational Homemaking Instructors."

The committee consisted of the following: Miss Kathryn Gill, Supervisory Home Economics Educator, State Board of Vocational and Adult Education, Madison; Mr. John Christensen, Program Special Education, Central Region, Office of Education, Department of Education, Washington, D. C.; Mr. R. L. Hohn, Superintendent, Stevens Point Public Schools, New London; Mrs. Frances Voil, Associate Dean, School of Home Economics, Univer.

The committee reported that, "The recommendations made will not change the present facilities, but they will balance the room, cost, and facilities for training.

What does this mean to our home service department at present?" The committee continued, "As a result of the report made by the committee, the Federal Accreditation list will be revised with the intention of being approved to teach in federally aided vocational homemaking departments. The graduates will now be better prepared to enter the state and transfer to another state without difficulty. Also the ccooonat will be able to provide a uniform program of study and course of study in the home economics departments which are meeting recommended standards on a national basis."
CSC Track Team Places Fourth

In State Meet

The CSC track team placed fourth in the state track meet at Milwaukee with a total of 215 points. UW-M was first with 775 points.

For CSC, Jack Bush and Gary "Joe" Wooters each brought home two second place finishes. Wayne Konkle also won a second place in the 440 yard dash. Dan Rykoski also brought home some points when he tied for fourth place in the pole vault.

The results of the meet will be found at the end of this story.

The highlights of the season were the establishing of new school records by Jack Bush and Gary Wooters. Bush set a new mark in the 100 yard dash with a time of 10.2 seconds and in the 220 yard dash with a mark of 22.2 seconds. Wooters broke the shot 46 feet, 6 inches, and the discus 152 feet, 6 inches, to better the school records in those events. Konkle also turned in some outstanding performances in the 440 and 880 yard runs. Last year's ace, Andy, also had a question mark after his name, and here is it:

Individual events:
- Broad jump - 1. Winter (UW-M) 2. Wouters (UW-M) 3. Fritsch (Whitewater). Distance - 50'4 3/4".
- Shot put - 1. Winter (UW-M) 2. Wouters (UW-M) 3. Connel (UW-M). Distance - 44' 2 1/2".

Central State Walks Off With Conference Title

The Central State College baseball team won the Wisconsin State College Conference Southern Division championship Saturday, May 16. The Packers only needed a split to win the title and they did that by winning the first game 12-5 at Rockford.

UW-M nailed down second place by winning the season and taking a lead and 11-9 in a recent slugfest 20-10.

Third baseman Dick Honeck's grand slam home run was the first inning of the first game highlighted a light rain attack. The time was preceded by singles by Pat Knack and Joe Pease and a walk to Tom Antenti. Phil Cole followed Honeck's hit with another which finished starter Roger Kreuze.

Key inners greeted reliever Dick Honeck with a double. Khack walked to load the bases and Bob Woytuski unloaded the bases with a triple.

Kuase had little trouble with UW-M the first three innings as he allowed only one hit but ran into control troubles in the fifth and allowed five runs. Kuase allowed three hits, 10 walks and struck out eight to gain the victory.

On the fly, Keiths, Paul Brockery, Gene Alexander and Dave Romie shared pitching duties in the second game with Alexander getting the loss.

Pointers scored three runs in the first and six in the second but UW-M came back strong with three in the third, two in the fourth, and two in the fifth and sixth.

Kuase, Romain and Buske each had two hits to pace CSC's attack. Kuase had a homer to go along with his other hit.

CSC next meets the northern division champions, Eau Claire, at Green Bay Field.

VETERAN PROFESSORS TO RETIRE

Fred J. Schmeekle is retiring from the CSC faculty after 36 years of service. This is the first year the many CSC students who were advised by Mr. Righsell in his years as academic advisor director.

"I'm not retiring, I'm resigning" was the comment Mr. Raymond M. Righsell and Mr. Fred J. Schmeekle made when approached on the subject of their leaving the CSC faculty.

Mr. Righsell will be leaving his positions in the physics department and as director of the division of secondary education, after the summer session. He came to the CSC faculty in 1920 and has served under six of the seven presidents CSC has had. What is Mr. Righsell going to do now? "I have no plans, just live from day to day." He and Mrs. Righsell will continue living at their present home at 1052 Clark street.

Mr. Schmeekle has served on the CSC faculty for 36 years beginning as a vocational agriculture teacher. He served as head of the chemistry department for a time and established the conservation department in 1945. The department has grown from one faculty member in that year to five at the present time.

His plans "no doubt will include some fishing" but for awhile he is planning nothing definite. He and Mrs. Schmeekle will leave Stevens Point and move to Eagle River, where he will be director of the summer school session at the Trees for Tomorrow camp this summer. He will eventually do some kind of conservation work.

The contributions these two men have made to the growth of CSC and its students are immeasurable. May the joys they receive in their future endeavors also be numberless.

TAV GAMMS BID ADIEU

The Tav Gam Seniors included Lila Ahlberg, Pauline Ainsworth Albert, Diane Babecki, Mary Lou Davis, Curree Emerich, Rochelle Hanzl, Peggy Johnson, Sue Mills, Carole Probst, Rita Risuen and Darlene Wietschel, Mrs. Marjorie Kretz and Mrs. Lila Hibbs, sorority advisors, treated the graduates to dinner at the Sky Club prior to the party at the Home Management House.

Each Senior was presented a Limoges accompanied by an appropriate dance. On the more serious side, each Senior was given a monogrammed remembrance of the sorority. Ligh refreshments were served. Hydi Gustafson and Judy Cegel were general co-chairs of the Senior party. Jean Mortin was chairman of the program committee; Marilyn Kibbey, decorations; Barb Ransbach, food; Jan Campbell, singers; and Joan Doyle, clean-up.

RAYMOND M. RIGHSELL is retiring from the CSC faculty after 35 years of service. This is the year the many CSC students who were advised by Mr. Righsell in his years as academic advisor director.

Final Concert Goes "Pop"
Music for Moderns

The sound of smooth woodwinds, a sudden blast of brass, and a note on a chime added up to an enjoyable and varied program for the final band concert of this year. The "pep" concert was presented Sunday May 24, at 8 p.m. in the college auditorium.

As is the custom, the conductor, Mr. Paul J. Wallace, relinquished the podium to several music major seniors, Richard Jokela, Robert Cheevers, and Wayne Jacek, who each conducted the band in one number.

Are you wondering what makes our sororities such a co-operative group when it comes to planning intersorority activities? Yes, it's the Intersorority Council, which is made up of representatives from the four sororities on campus. The president is Barbara Junkins of Alpha Sigma Alpha; secretary-treasurer is Bev Braun of Tau Gamma Beta; and Joyce representative is Louise Rasmussen of Omega Mu Chi. This council acts on intersorority affairs but its power is vested in the individual sororities.

Here are some of the latest rulings of the council that affect all sororities and will be of interest to girls interested in joining or present members: a new sorority on campus, P ei Delta Pi, was recognized by Inter­ sorority on April 25 and they appointed representatives to sit on the council; this is the charter year for this young group. Intersorority will have an office in our new student union and the sororities will each have a steel locker in which to keep their materials. There will be a charge of $60 for the use of this room.

With the completion of our new union, an Intersorority Fall Round Robin Tea was agreed upon to be held September 27. It was decided that Intersorority would have special invitations printed to use at all intersorority events. This will be more convenient and very attractive. All the sorority symbols will be engraved on the white note cover.

One of the major events that Intersorority governs is rushing and pledging. Rushing and pledging rules were revised this spring to give sororities more of a choice in planning rush parties to suit their activities and budget. A handbook of rushing rules will be printed during the summer by Mrs. Piffner and will be distributed to all sororities this fall.

Another new ruling that may give more people a chance to be a patroness or adviser for a sorority has set a term of three years for a regular patroness or adviser. At the end of three years, if a sorority wishes to invite the patroness or adviser to another term, she may accept or refuse. The sororities are pleased to have these wonderful people who give their time and effort to the sorority affairs and act as wonderful examples to the girls.

Discussion of a new Pan Hel Council got under way this spring but it is still in the planning stages.

Plans for an "All Greek Dance" next fall were discussed and a dance was agreed upon by the Interfraternity and Intersorority councils. One member of a couple attending this dance must be a Greek member. Watch the school calendar next fall for the date.

An annual Intersorority Dance is sponsored each year and all students are invited to attend. Expenses and work are shared by all the sororities and will be of interest to girls interested in joining, or present members. A steel locker in which to keep their materials. There will be a charge of $60 for the use of this room.

Intersorority is the governing body of the sororities and if any sorority has any question, this is the place to bring it up. It can only work effectively with the support of all of the sororities on campus.

"A wonderful time was had by all" sums up the L.S.A., Wesley, and English department’s annual picnic held May 14 at Iverson Park. Despite the slight cold spell, a scavenger hunt created lots of excitement. A game of softball worked up an appetite and shook down a full stomach, after a big lunch which had been prepared by the food committee. Everyone helped make this picnic a success. Just ask anyone who was there — it was a success!

May 24 was the regular L.S.A. meeting and a cost supper. Take time before and during exams to review your notes and textbook. Good luck all!

Sigma Zeta Has Picnic, Meeting

A picnic supper and business meeting concluded the year’s activities for Sigma Zeta on Thursday, May 21, at Gilbert W. Faussell’s cottage near Wau­gan­ta.

Due to the small number of under­classmen in the group, it was decided to postpone the election of new of­ficers until fall when more could be admitted to the group.
