Gertrude West Receives National Recognition for Play

Gertrude Ann West, a junior from Stevens Point, has received national recognition for a conservation play she has written.

The title of her play is "Tomorrow Begins Today," which was presented during the June issue of The Instructor magazine, a national magazine for teachers. The publisher's explanatory comments indicate that the play presented a "well-developed" dialogue and "good for classroom reading, radio, tape recording or public address broadcasting."

Gertrude Ann is an English major in Secondary education. During both high school and college she has been interested in writing. She was the recipient of an eleven awards for material published in national and local publications, including the National Anthology of High School Poetry and the National Anthology of High School Essays. Locally she has had articles published in Words Worth.

Extra-curricular activities occupy some of her spare time. She is vice-president of the Inter-Sorority council, Psi, treasurer of Sigma Tau Delta, secretary of the College, and a member of both the Inter-Sorority Council and the Sophomore National. In addition to her school work and extracurricular activities, she works her way through school as a secretary in a downtown office.

---

Ten New Teachers to Occupy Posts at CSC

By Karen Knowles

Next year, returning students will find ten new teachers have joined the ranks at Central State College. Filling these positions will be the following:

Mr. Oliver Andrews, will fill a new position in the chemistry department. He received his BS from Stevens Point in 1950, his MS from the University of New Mexico in 1957. Previous to teaching at CSC, Mr. Andrews taught for three years, West Green and was the traveling science teacher for three years. He is married and has three children.

Occupying a new position in the women's physical education department will be Miss Carol Ashall. She received her BS from Winona State College in 1953 and her MS from the University of Oregon in 1958. Miss Ashall has spent a total of five years teaching at Winona Jr. High school, the University of Oregon, Homin Jr. High school and West Green Jr. High School.

The music physical education department is also filling a new position. William P. Bergs who received his BS from La Crosse State College in 1960 and his MS at the University of Wisconsin in 1967 will be their newest addition. He is presently teaching and coaching at the University of Milwaukee.

A new position in the speech department will be filled by Fred E. Dowling. In 1944 he received his BS from- Ohio University and his MS from the University of Wisconsin. He has taught at Ohio Wes-

Change Commencement Plans:

UW Dean to Guest Speak

Seniors from CSC will graduate at 10 A.M. Saturday, June 11, in the F. J. Jacobs gymnasium. Although the announcement indicated that graduation will take place in the new field house, the lack of sidewalks, steep and seating fa-

The main speaker on the program will be John Willard, the Dean of the College of the University of Wisconsin. President William C. Hansen is also scheduled to speak.

Mr. Paul Wallace and his brass choir will provide music for the ceremony. The choir will contribute several other select songs.

Mr. Wallace is a voice student of the University of Wisconsin in Madison, where he is majoring in vocal music. He is also active in local community activities.

---

Mr. Gordon Haferbecker, Dean of Instruction at CSC, has been serving on a citizens' committee appointed by Gov-

Mr. Haferbecker is also a member of the Wisconsin State University Teachers Association and the Kiwanis club.

Central State College

The Pointer

Stevens Point, Wis., May 21, 1969

SERIES VIII

Vol. II

No. 14
Dear Mr. Editor:

I would like to extend my sincere thanks to the entire Pointer staff for the example you set for the students in the Pointer office and "on the beat." Thanks also to President William C. Schreiber for donating our school paper and to our advisers, Mr. Joel Mickelson, Mr. Robert Anderson, and Mr. Raymond Specht, for their guidance. In short, thanks to all who have made this year's Pointer possible.

Sincerely yours,

Edward C. Mosby

Dear Mr. Editor,

An apology should be paid to the photography staff who spent much of their time developing the many pictures that are used in the Iris.

What about next year's Iris? You people who are about to come out of school, please try to work on the Iris staff and put your words into action. Only that way can you realize all the improvements that you want.

A Member of the Staff

Dear Mr. Student Council Minutes

A meeting of the Student Council was called to order on May 24, 1961. The roll call was taken.

Ray Bolgrin gave a report on the 1960-61 Banquet. Banquet chairman Bob Marks reported that he is in the process of making arrangements to have the banquet held at the Antlers on May 25, a Wednesday evening. Paul asked that all reports be ready to hand in.

Approved incoming committee co-chairmen were Bernard Schwanetz and Don Hoffman.

Jon Semperpit was to be changed to constitute Constitution and By-Laws committee.

Bob LaRocque gave the Constitution and By-Laws committee report. No changes were made in the articles and by-laws of the organization. The election of the president from the present council at the first meeting of the regular session of the next April, was not passed. The remaining articles of the revised constitution were passed.

As soon as possible, the existing by-laws will be revised to adapt them to the present situation. Bob LaRocque seconded the motion.

Mr. Editor,

I am writing to express the opinion that the hours at the Library should be extended to 9 p.m. We adjourn the meeting. Joan Doyle seconded. Respectfully submitted, school paper managing editor, Dale Beaulieu, Secretary.

Your point, Mr. Editor, in editorializing on the picture, I believe, was to kill the series as far as its financial support by the whole campus program goes. The film series cannot succeed in the same way, true of giving the college good music, good art or good good choreography; all these fine arts need is support to the campus. The objective of the show is to fill a need that we get in good measure at the Fox Theatre, but to bring to our campus an art form that is in the fullest pleasure is new only as close as the Play Circle Theatre in Madison, the Coronet and Downer in Milwaukee or the Art Cinema or World playhouse in Chicago. The fact that our first series was not as much as a failure was due to the inept quality is a great extent because of the very few student supporters of the series will not, I fear, be able to order this much. That it is successful to this extent is proved by the already five years of showing good films. Help us to keep it coming to the students, faculty and friends who do as like and for the students and others who will come in later years to take pleasure in it.

Sincerely yours,

N. R. KAMPENGA

Editorial

Throughout the 1959-60 school term the Pointer has made an effort to print the news of the college and the opinions of the students and faculty members in an unbiased fashion. I do regret that there were not more "Letters to the Editor." Perhaps next year students will have the time to write their thoughts and opinions on paper so that others may share them. 

Sincere Thanks

I would like to extend my sincere thanks to the entire Pointer staff for the example you set for the students in the Pointer office and "on the beat." Thanks also to President William C. Schreiber for donating our school paper and to our advisers, Mr. Joel Mickelson, Mr. Robert Anderson, and Mr. Raymond Specht, for their guidance. In short, thanks to all who have made this year's Pointer possible.

MCH

Letters to the Editor

Dear Mr. Editor:

I would like to express my sincere gratitude to the staff of the Pointer for their hard work. The Pointer has been a valuable resource for our students, providing us with news and information on campus activities.

Thank you for your dedication and for making the Pointer a success.

Sincerely,

[Name]
A large per cent of CSC's 1960 graduating class has already been placed.

**PLACEMENT REPORT**

The College Union board elects officers May 19 following this spring dinner meeting. Don Henzi is the new president and Gertrude Ann West, secretary.

Students for the freshmen representation were voted upon. The announcement of these members will be made at a later date.

Bob LeBret was appointed chairman of a committee of five; two students, one faculty advisor, the student manager and the Union Director to screen applicants for the student manager opening for next fall. A meeting will be held June 2 at which time the board will decide upon the appointment.

Plans for the senior party, senior reception and coffee hours during exams were made.

The financial reports were presented and acknowledged.

**Modern Dance Elects Officers**

Orchesis, the modern dance club following the retirement of Marjorie Schoeffold, is already organizing for next year's activities. Officers have been elected as follows: Sally Silverman, president; George Kavanagh, secretary-treasurer; Mary Schuh, publicity director. Tentative plans are being made to present a program called "The Juggler of Notre Dame". This spring concert is also being discussed.

**Union Board Elects Officers**

On Awards Day, May 9, Central State college students and faculty honored thirty-four outstanding students for achievements scholastically and in other activities.

Three hundred students attended the Awards Day program in the college auditorium and Paul Becht, student council president, was the master of ceremonies.

Among the recipients was LeRoy Sroda, a senior from Merrill. This award is given for the highest scholastic average among the seniors. Jerry's trophy was won in the college trophy case.

Jane Ann Johnson, junior from Bowers, Michigan who is the president of the Student Union board and Paul Becht, junior from Wausau, were the recipients of special awards. The Student council fellowship awards went to seniors Erikson, Wausau, and Gerald Richard, Menasha.

Richard Cuts, Stratford, received the Joseph V. Collins award as the outstanding senior in mathematics. The award is made in memory of the late Dr. Collins, first mathematics instructor at Central State.

Conservation Awards

Three scholarships were presented to outstanding conservation students. The Fox River valley district of the Wisconsin Federation of Garden clubs is the donor of the cash awards. John Steinke, junior from Stevens Point, received a one hundred dollar scholarship and fifty dollar scholarships went to juniors David Chesmore, Eagle River, and Thomas Breda, Watertown.

The Culver-Rogers award provided as master of ceremonies in the conservation science major went to Gerald Kohler, junior from Stevens Point.

Home economics awards went to Betty Gustafson, junior, Stevens Point, and to freshman James Young, Almon and Helen Ogtmiller, New London. Mrs. Gustafson received the Bertha award.

"Big Four" Flop Again

Time for New Solution

By Colette Dishar

Children have Christmas and Easter to look forward to with anticipation; politicians have Summit conferences, with their practical knowledge they evaluate what has been said at the conferences, then evaluate the candidates. The individual has his personal problems, which — or which man can obtain more of (pieces of) — himself and his side?
CSC Profiles

By Dick Bonee

Bernard Coulthurst

"I really had to leave CSC be- cause there are many courses I still would like to take and many courses I feel should be taken. I might just come back for that reason," states our presence for this week, Bernard Coulthurst. Bernie hails from Stevens Point and is a graduate of P. Z. Jacobs high school. He is enrolled in L & S and has a conservation major with biology and general sciences as his minors. He has lined up a job in Richmond, Virginia, with the Commission of Game and Fisheries. An interesting aside note here is that Bernie has taken the three journalism courses offered here at the college. Journalism is his greatest interest and this is clearly shown by his extra curricular activities. He is News Editor of the Pointer, the publicity writer for the college (to the Point Journal), he is also news editor for the class of 1965, (the paper), alumni secretary of AKL, and also the business managing editor of the college radio station. Ber- nie also belongs to the Newman club.

He rates Dr. Joel Minkelson as one of his better instructors be- cause he is very tactful. Dr. Bernard Wieland is also high on his list and he has this to say about Mr. Wieland; "He's a good politician." Miss Lucille Johnson

Gloria Richard

Probably one of the busiest and most active girls on campus is Gloria Richard. For this week, Gloria Richard, Gloria is from Columbus, Ohio, and at- tended Lincoln high school there. She is a member of Sigma Tau Delta sorority, is the current president of Sigma Delta, and has been secretary of LSA and treasurer of Sigma Delta. In her junior year she was secretary of the class. Being general chairman of the junior prom highlighted her junior year. Gloria is now on the Student council and the Pointer staff. Being on the stu- dent Union board for four years, she is now the student manager. By this you can see that her four years at Central State have been busy and active. For her many activities and duties she was awarded the Fellowship award on Awards Day May 11.

Gloria has accepted a teaching position at a Central Junior high school in Madison. She likes this particular age group because of their burning energy and their need for the direction of it. With the background she has received in practice teaching from Mrs. Hibbs and Mrs. Burroughs she feels confident and capable to start teaching this fall. After teaching a year though, she plans to pick up credits at the Uni- versity of Wisconsin for her gradu- ate work. Gloria is an English major and has history and social science as her minors.

She plans Dr. Mary Eliesabeth Smith and Dr. Lee Burroughs as her favorite instructors. Gloria likes to bowl although she says she does not have too much time for it. Meeting and getting to know peo- ple is one of Gloria's main in- terests.

To the freshmen Gloria says, "College is a good place to find yourself, decide who you want to be, then work to be that per- son."

Now that Gloria is leaving CSC she has this to say, "I have a rather mixed feeling, but I'll be glad to stand on my own two feet and face the world. I'll miss a lot of the kids around here, but one has to leave sometime.

We know the kids will miss you too, Gloria. Good luck! -

Don't you like the lounge? Am I wrong in defending the only place where my boyfriends and I can go other than the Nelson Hall porch? As long as we don't go "too far" who says anything? Do you use your years on it?

Mr. AND.
Mr. Knutzen Says:

"Classroom not Workshop"

By Emily Rung

"Never a day goes by that you don't learn something very fine and valuable from the people you work with."

With these words Mr. Norman E. Knutzen explained his success as a teacher, friend and confidant of young people. As I talked with him in his familiar office (room 107) he inferred further bits of philosophy on meaningful living and teaching. "If you don't love children, don't stay in it..." Mr. Knutzen says the human element is of number one importance in one's work. Humanize what you do.

A class room is not a work shop.

Mr. Knutzen was born in and grew up in Manitowoc, Wisconsin. He worked in a drugstore during his high school years and graduated from Manitowoc high school. After graduation he worked in a drugstore and then entered this college during the second semester. He completed a three-year high school course and then attended Chicago Falls, Wittenberg and St. Ambrose, Michigan. (At 18 he served as a high school principal.)

Mr. Knutzen was invited to join the Glee Club where he taught one year in the English faculty. Then he left to complete his A. B. work at Lawrence from which he graduated cum laude. He was also an honor student at C.S.C.

He taught four years at Lawrence, then returned to the faculty. At this time he began work on his M. A. which he completed in one year at Lawrence and the University of Chicago.

Music has always been a foremost interest in Mr. Knutzen's life and he actively participated vocally in glee clubs, choruses, church choirs and community song groups. He feels that his musical background has been tremendously important in his work in the English faculty.

He has been affiliated with Men's Glee Club twenty-five years of active existence. Mr. Knutzen was one of the original group of twenty-six singers who looked forward eagerly to joining the original group of twenty-six singers who looked forward to the formation of the group. As a result of his interest in music, he has served as an advisor to the Men's Glee Club and the church choirs and community is not being a "recluse" or cut off from the world. Mr. Knutzen has shown tremendous interest on the campus and in the world. "The Glee Club is in one of his aide interests. To enjoy something like this, one is not being a "recluse" or "runaway out on people" but it involves a person to view a little different application of life and to find that much more when he comes to realize this.

His number one past-time is the trips to New England, followed secondly by the Rockies and Upper Michigan. The literary for the New England and French Canadian excursion on which he and a small group will leave June 8th and return June 29th.

I didn't have to ask Mr. Knutzen to know that he favors the New England Circle and Midwest literature courses which he has inaugurated and teaches with a great deal of interest. He feels that his students are able to view education in his courses and that much more when he comes to realize this.

This year the Men's Glee Club is in one of the original group of men who formed the Men's Glee Club.

In the beginning Mr. Knutzen was the first teaching assignment, he taught years of the Men's Glee Club.

"The "M I A M I GROUP" of the Men's Glee Club is shown in the N.A.T.O. Court of Flags near Lake Wales, Florida. A picture of the entire glee club group was printed in the Pointer prior to the Florida trip.

Club Celebrates 25th Anniversary

By James Haagsey

In the fall of 1933 an organization was begun that has been known through the years as "The Archangels of Good Will." This organization is better known as the Men's Glee Club and its name was changed in the spring of 1934 to the "Miami Group." In the past twenty-five years the Miami Group has been extremely successful and the members have been an outstanding group to the College.

Knutzen Honored

Sigma Phi Epsilon fraternity entertained Mr. N. E. Knutzen at a banquet held in his honor at the College union. Mr. Knutzen received a meritorious service award from Wisconsin Delta for his dedicated service to the fraternity during his thirty years at Central State.

The Brothers feel that this award given by the fraternity parallels the recognition given by the College as a whole for his service as Glee Club director, professor and a member of the President's Public Relations committee.

Mr. NORMAN E. KNUTZEN

members, "The wonder of education is seeing the relationship of all things in the training process..."

Mr. Knutzen has truly demonstrated his belief that "the human should express and understand the work." By the tremendous job he has done in the training of the people, the tour conducted the tour and work on the Alumni association, besides his intercourse with the public in his work with music festivals, appreciates concerts, owner and women's glee clubs, high school, church music, PTA groups and conducting summer session and extension classes.

Again he shows his understanding years on the college faculty with equal fervor and dedication.

Mr. NORMAN E. KNUTZEN

GOOD WORK

102 Strong Ave.
Corner at CSC
By Elaine Quints

It seems almost unbelievable that spring has finally forced winter into the background and has come out in full bloom with sunshine and greenery. But sure enough, spring is here and though it is a beginning of many things, it is also an ending of much. A few more days and another school year will have been completed by all of us. Through labs and tests, themes and reports, we’ve wallowed the year long and it’s a satisfying thing to be able to think, “We did it!” I’d like to especially congratulate the graduating seniors, whose long struggle will finally pay off. It’s an exciting thing, I think, to be able to break with all institutions of learning and training, to fly, alone, with an express to see all and hear all in this intriguing world of ours, like a leaf blown free from the branch’s hold by the wind. Live!—that’s the keyword.

Our new physical education building is the most! It’s going to have room for just everything — basketball, baseball, tennis, swimming and archery. I guess freshmen won’t need to dread physical education anymore; it’ll be a pleasure in a place as modern and well-equipped as the new building will be. Miss Mary Jane Schelfhout says she is “retiring to the swamp,” but I’ll bet there are many instructors who envy her “swamp.”

I hope everyone has a wonderful summer. I also hope to see many of my friends back here at CSC in September. I’m sorry that the seniors won’t be back, because perhaps I’ll miss seeing them around. I always think that good-bys are never quite appropriate, so I’ll close by simply wishing you good luck on your final exams.

And, of course, my indispensable quote, by Abraham Lincoln: “I can see how it might be possible for a man to look down upon the earth and be an atheist, but I cannot conceive how a man could look up into the heavens and say there is no God.”
