New Iris Staff Is Announced

Many of the freshmen may be wondering by this time how they will ever keep a record of their many and varied campus activities. The Iris, the Central State yearbook, serves just that purpose. The staff's aim is to organize and bind together all the happenings of the school year to form an invaluable source book of memories for the future.

This year's Iris staff is headed by Annette Herman, editor; Ardis Werner, layout; Darlene Duquaine, copy; and Don Strider, sports. Others on the staff include Dick Simon, Gertrude Ann West, Judy Ryan, Rae Barnes, Sandra Szyszman, Elaine Searl, Lowell Burd, Tom Schuwer and Terry Beining. Meetings are held every Monday evening at 6:30 at the Iris office in the Administration building.

At the present, help is needed in every department—layout, copy, photography, indexing, typing, pasting, and advertising.

New Instructors Greet Students

There are many new faces here at CSC this fall—both behind and in front of the desks of many of the classrooms. Eleven new faculty members have been added to the staff here to prove that the college is really growing. Five new instructors are replacing some faculty members who have resigned.

The art department has added Mr. Herbert H. Sandmann, Watatonsie to its staff. He will do work with the Campus School in art. Mr. Bob Acheson, graduate of Divinity School, has returned here to teach English as a major. Dr. Carl Anderson, instructor in the chemistry department, has been appointed as a chemistry instructor at the University of Wisconsin and has been granted leave of absence to study at Harvard University and at Washington University. Miss Odette Denker has been appointed as a chemistry instructor at the University of Wisconsin and has been granted leave of absence to study at Harvard University and at Washington University.

Mr. and Mrs. T. E. Workman, who have been teaching at the University of Wisconsin and have been granted leave of absence to study at Harvard University and at Washington University, have been appointed as instructors in the chemistry department. Mr. and Mrs. T. E. Workman have been teaching at the University of Wisconsin and have been granted leave of absence to study at Harvard University and at Washington University.

The English department has been strengthened by the appointment of Mrs. Pauline J. Schaefer, who has been teaching at the University of Wisconsin and has been appointed as an instructor in the English department. Mr. and Mrs. T. E. Workman have been teaching at the University of Wisconsin and have been granted leave of absence to study at Harvard University and at Washington University.

The Music department has been strengthened by the appointment of Mrs. Pauline J. Schaefer, who has been teaching at the University of Wisconsin and has been appointed as an instructor in the English department. Mr. and Mrs. T. E. Workman have been teaching at the University of Wisconsin and have been granted leave of absence to study at Harvard University and at Washington University.

The Math department has been strengthened by the appointment of Mrs. Pauline J. Schaefer, who has been teaching at the University of Wisconsin and has been appointed as an instructor in the English department. Mr. and Mrs. T. E. Workman have been teaching at the University of Wisconsin and have been granted leave of absence to study at Harvard University and at Washington University.

The Science department has been strengthened by the appointment of Mrs. Pauline J. Schaefer, who has been teaching at the University of Wisconsin and has been appointed as an instructor in the English department. Mr. and Mrs. T. E. Workman have been teaching at the University of Wisconsin and have been granted leave of absence to study at Harvard University and at Washington University.

The Spanish department has been strengthened by the appointment of Mrs. Pauline J. Schaefer, who has been teaching at the University of Wisconsin and has been appointed as an instructor in the English department. Mr. and Mrs. T. E. Workman have been teaching at the University of Wisconsin and have been granted leave of absence to study at Harvard University and at Washington University.

The French department has been strengthened by the appointment of Mrs. Pauline J. Schaefer, who has been teaching at the University of Wisconsin and has been appointed as an instructor in the English department. Mr. and Mrs. T. E. Workman have been teaching at the University of Wisconsin and have been granted leave of absence to study at Harvard University and at Washington University.

“Greetings and Welcome Back”

This is a message of greeting to all new students in the College this year and a hearty “Welcome Back” to all who have been students here formerly.

Central State College, again taken quite a sport upward and so we will of necessity be more crowded than we were last year. We hope that our faculties have been sufficiently improved to prove that we are not too annoying. I especially wish to urge all new students, and that is almost one-half of the group, to get started promptly on your work. You are now out from under the faculty restrictions in many cases and you have an opportunity to demonstrate that you can be a good student. We don’t have many regulations governing our students which are not more or less the regulations you will find in any adult community. It gives you some advantage to prove that you are grown up and can begin to make your own decisions. This includes, of course, the decision to do your assigned college work, which is the prime reason you are here. You want your college work to make something of your ability and I am sure that you want that. You can do this and at the same time enjoy your college life. Hundreds of college students do that every year in this College. We want you to be successful and we want you to be happy, but a good deal of it will depend upon your attitude and your effort.

WM. C. HANSEN
President

Marcel Marceau To Appear Here

Marcel Marceau, acknowledged to be the world’s greatest living pantomimist, will make a special appearance here on Wednesday, October 26, at 8:00 P.M. at Piccolli high school. This appearance will be sponsored by the College Assembly Program committee, the celebrated French artist will make Stevens Point one of the major stops on his third North American tour which opened with a record-breaking run at the New York City Center on September 6. Accompanying him will be pantomimist Pierre Verry of M. Marceau’s French company who, as Preserver of Cards, was seen with the Master on his first trip to the United States in 1955-56, and subsequently, on his second tour in early 1958.

Marceau, who has been hailed throughout the world as the foremost interpreter of one of the oldest, least practiced and most difficult of the performing arts—the Art of Gesture—will offer a program featuring his famous “Big” sketches. He will also present some of the style exercises and pantomimes with which American audiences are familiar. These have become familiar not only through the theatre, but also via his television appearances on major network spectacles, including, most recently, the Diah Show. A new program is scheduled, but Marceau, by special request, will also include some of the old favorites, notably “Youth, Maturity, Old Age and Death” and “The Public Garden.”

Marceau’s current visit to this continent as part of his third world tour was preceded by two full years of international successes in the major cities of South America, Europe, and in Israel. The recap performance of his mimomax, including Gogol’s “The Overcoat,” with his entire company Company du Mime Marcel Marceau was a sellout performance both at the University of Wisconsin and at the University of Wisconsin, Madison. He has been announced here as the Central State College’s special guest.

The play opens Thursday, October 27, and will run through Sunday, October 30. Tickets can be purchased at the College Union before the show or at the door. The price is $1.00 per person. This is the only time that Marcel Marceau will appear in Wisconsin this year.

Dawson Directs “Born Yesterday”

Roles for the three-act comedy, “Born Yesterday,” by Garson Kanin have been cast.

The play was first presented in New York in 1946. It was a very popular play and enjoyed one of the longest runs on Broadway for a non-musical comedy.

The story concerns a crooked millionaire, Harry Brock, played by William Goble, who is about to go to Washington to be haled before a special legislative committee. He takes along with him a beautiful, but dim-witted girl named Billie Dawn, played by Gerry Huebner. Billie is an ex-chore girl. Brock hires an idealistic young magazine reporter, Paula Verrall, played by James Gehlke, to teach Billie some of the social graces.

Paula falls in love with Billie and the conflict begins. Billie then rebels against Brock’s crooked schemes...

Sound interesting? Well it certainly is and it will be well worth your while to go and see what happens. You’ll enjoy a wonderful show with the following people:

Hein, Mary Rodeheaver; Paul Verrall, James Gehlke; Bob Hill, Robert Wunderlich; Bob Bellou, Wayne Gardner; Eddie, Dalellit Mires; Harry Brock, William Goble; Tom Keough, Billie Dawn, Gerry Huebner; Ed Devery, Robert Black, Gertrude Acheson; Mr. & Mrs. Hodges, Pat Kamiński; Don Young, Walter Callen; and Walter, Jim Chickerling.

“Born Yesterday” will be presented November 1, 2, and 3.
Memories Linger On....

Many of the upperclassmen were taken unaware when they returned to CSC and found that the "Big Switch" had taken place. Most of the returning Pointers were not too happy with the thought of girls in Steiner and men in Nelson hall.

Personally the "Big Switch" is the most satisfactory solution to the acute housing problem facing the college at the present time. However, it is very hard for a senior girl to try to explain to a younger girl that she lived in 103 or 108 Nelson hall. The poor freshman is thoroughly confused.

Actually, the strongest objection from both sides, that is, both the coeds and men, is based mainly on psychological factors and the thought of these girls possibly going to leave never again go to his room in Steiner or Nelson hall to see theeither he or she ever again. The main point is that they can cope with the new situation.

Although the days of returning to Nelson hall for the coeds and to Steiner for the men as former residents are gone forever, many of the former rooms and grounds have not changed. It is true, though, that several more rooms and a new dormitory building have been added since the program began.

LAH

Letters to the Editor

Dear Editors,

In the three previous years during which I've been a student at CSC, a particular area of extra-curricular activity has always been neglected. It's because we study all the time or find the Union more pleasant and our relationships with our fellow students...may not be as strong as they should be. It is hard to say exactly what we need to do to restore the balance. Instead of being preoccupied with the idea of what can be done to improve the situation, let us focus on what can be done to improve the situation. Perhaps a campaign to encourage students to involve themselves in campus activities would be more effective. Perhaps we need to create a new sense of community among students. Perhaps we need to change the way we organize our activities. Perhaps we need to develop a more positive attitude towards the college and its mission. Perhaps we need to work together to create a more positive environment for everyone.

JUDY UNGRODT

Schedule All-Campus Tennis Tournament

Mr. Joseph Schuler and the Committee of the College announce the opening of an all-campus tennis tournament.

There will be four divisions, including men's single; men's double; mixed doubles and women's single.

All interested persons are asked to sign up in the Kenyon by Tuesday, Sept. 27.

The Committee hopes to have 12 players in each division so that there will be a true representation of the entire college in the tournament.

Dean Radke States Policy on Parking

The fall term at CSC has begun with new students, new faculty members, and a large number of new cars, one of them being the parking situation.

Mr. Allen, secretary of the Stevens Point Police and Fire Commission, wrote in President Hansen concerning this subject. He also requested that students and faculty members encourage students to park in accord with the parking regulations of the university.

He stated further that "The police..."

October Elections Include Referendum

Class elections will be held October 6, 1960. The freshman class, with four candidates, will elect their president, secretary, treasurer, and attendance officer. The junior class will elect their president, vice-president, secretary, treasurer, and attendance officer. The senior class will elect their president, vice-president, secretary, and treasurer. A referendum will be held to decide whether or not the students wish to have a stronger class council ring.

EVERYONE HAVE SOME REAL SPIRIT!

Memories Linger On...

The history-scientific department has been divided into two divisions at the time of this writing. With Dr. Frederick Kell and Dr. George Dixon; economics, Dr. James Jensen, and political science, Dr. John Walsh; and one division will cover the history-scientific divisions of the university.

There are four majors in this department, with the addition of a major in sociology.

There are five minors in each field.

THE KENNEL during a quiet period of the day.

NEW INSTRUCTORS

(Cont. from Page 11)

Miss Inez Schneider has been appointed instructor in the English department. Miss Schneider has a master of arts degree in English from the University of Wisconsin and has been teaching at the University of Wisconsin, Madison, for three years.

The English department has been strengthened with the addition of three new majors, Dr. Robert M. Douglas, from the University of Minnesota, who has a doctor's degree in English; Dr. Donald L. Stewart, from the University of Wisconsin, Madison, who has a doctor's degree in history, and Dr. William C. Holley, from the University of Illinois, who has a doctor's degree in political science.

Dean Radke states policy on parking

have been instructed to place warning tickets on cars violating parking restrictions directly for one week, after which time violations will be issued.

At the present time there are seven parking areas available to the students. The parking lot behind Nelson hall has space available and is also one of the largest parking areas. The north end of the parking lot, which is limited to students, also has limited space available. The parking area on the other side of the lot is also a popular parking area. The parking area in front of the library is also limited to students and is also popular.

If a student wishes to have a parking permit, he must contact Mr. A. G. Bond, principal of P. J. Jacobs High school, who will assign him to a particular parking area. If students park their cars in any parking area, they will be issued a ticket.

Mr. Orland E. Radke has asked that students please cooperate in the matter. Parking students may save themselves money and the college a problem.

Dr. Fred Dougall, Tempe, Ariz., is an associate professor of English at the University of Arizona and has taught at Ohio Wesleyan University, and the University of Arizona and the University of California, Berkeley. He has also taught at the University of Arizona and the University of California, Berkeley.

Corvallis, Ore. Mr. Swedberg has taught at the University of the South, College of the Ozarks, and the University of Idaho. He has taught at Ohio Wesleyan University, and the University of Arizona and the University of California, Berkeley.

STANDING ON THE threshold of their college careers, two students enter the new million dollar physical education and health building.

Organ Recitals Are Scheduled

Miss Malia Jabokcns, instructor of music at CSC, will play two organ recitals in October, one in Stevens Point and the other in Wausau. The Stevens Point recital is scheduled for Monday, October 3, at 8 P.M., at the Trinity Lutheran church, St. Stephen's Lutheran church, Wausau, is the site of her Monday, October 17, recital. This will also begin at 8 P.M.

The program will be as follows:

"Auf meinen lieben Gott (Partita)," Buxtehude; "Et Pugna," Buxtehude; "Tow Choral Preludes: Non numem, der Heiden Heiland und Wachet auf, ruft uns die Stimmen," Bach;

"Fantasia et Paga in G minor," Bach;

"Le Banque Celeste," M s i a i n; "Divertissement," Vierne; "Choral in D minor," minor;

"A Fantasia," Chopin;

Point Chamber Starts Watson Memorial Fund

Last year the Charles P. Watson Memorial Scholarship fund was started by the Stevens Point Chamber of Commerce to aid worthy athletes and students at Central State College. The fund was an immediate success. Awards were made to young men who had both scholastic and athletic abilities but lacked money to attend college. The recipients of the award this year are as follows:

Don Richardson, Bob Thayer, Don O'Neill, Dennis Schmidtke, Owen Schreidersier, Gary H erold, Mike Lienebstein, Bill Kuns, Richard Muehler, Dennis Bath, and Richard Newton.

Mr. Watson, a former athlete, was a member of the faculty at CSC from 1913 to 1946.

Home Ec. Club Is Reorganized

The Home Economics club, CSC's professional organization for home economics majors and minors, opened the 1966 school year with its September 12 meeting in the Union. President Margaret Epplc led the business meeting. Committees were organized for future events. Bulletin board chairs are Florence Marzoff and Carol Mieske. Lois Draeger will be in charge of the glass display case in Mrs. Jones' office.

Maxine Albrecht was appointed chairman of the Homecoming float committee and will be aided by members Jean Henn, Betsy Delorme and Sallie Nues. Plans were made for a picnic at Bukolt park on October 17 to honor the freshmen home economics students. Roselyn Bartun and Judy Varney will serve as co-chairwomen, and this will be held regularly on the second Monday of each month.

After the meeting, Mr. George Ziegler, landscape painter and specialist from the department of horticulture at the University of Wisconsin, spoke to the club on landscaping with special emphasis on the Home Management house lawns. A committee consisting of Martha Wrech, chairman, Liela Peterson, Barb Bals, and Cheryl Winkler were chosen to make a scaled diagram of the lawns. Mr. Ziegler will act as consultant to the Home Economics club's project to landscape the Home Management house lawns.

The home economics department of Central State will be host to vocational teachers of the surrounding district on Saturday, September 26. The event is a clothing workshop. It serves as a refresher course and is one of a series held in the interest of home economics teachers. At this meeting the fitting of garments will be stressed.

Show 20th Century Films At Union

One of the greatest Emmy and Loek, award winners for historical achievement in television programming in a weekly series will be presented in eight one-half hour sequences throughout the semester. These educational historical movies are the actual programs from the merited series "Twentieth Century." These will be viewed in the Union lounge at 8:30 P.M., which should give ample time for period registered organizational meetings beforehand.

The object of these educational movies, which are presented by the Union board, is to provide educational value and entertainment as well. As there is no charge for viewing these films, a large attendance is anticipated. The first of these films, "Battle of the Bulge," was shown Wednesday, September 21.

Check the dates and times of the following shows and plan to attend:

September 26: " Patton and the Third Army.

October 5: "A Hell of a Battle.

October 19: "The Remagen Bridge.

November 2: "Bumna Road and the Hump.

November 30: "End of the Battle Wagon.

December 9: "The Delaunquets L."

December 14: "The Delaunquets II."

The attendance at these movies will indicate if there is a demand for a continued series.

WDSN Recives New Equipment from WLS

WDSN is on the air! This is not surprising since Central State's own radio station has been in operation for many months. However, the changes that have been made in the studios of the station are surprising and excellent as well.

For the improvement of your listening pleasure the following equipment has been added:

Two new turntables and four microphones courtesy of station WLS in Chicago; a new control board courtesy of station WNM in Neenah-Medford; a boom microphone which will extend twelve feet high and twelve feet long; a cartridge tape recorder which records and plays in stereo and automatically lines itself up in the first word on the tape; a battery operated professional tape recorder which will be used on the IMC series, "Theatre in Stereo"; and a smaller microphone which will be used in the Home Management house lawn. Art Display In Library Theater

Our art department here at Stevens Point and the library theater are currently sponsoring an exhibition which can be enjoyed by everyone. At present and until October 8, the works of Helmut Summ are being displayed. However, paintings of many artists will be shown throughout the coming year.

Helmut Summ, a fifty-two year old native of Hamburg, Germany, received his high school education here in Wisconsin at Kohler and Sheboygan high schools. He attended the Universities of Wisconsin and Marquette and studied under Umberto Romano and Carl Peters. This year he has participated in the Religious Art exhibition at Concordia Seminary in St. Louis and currently is represented in a traveling exhibit sponsored by the American Watercolor Society.

Among his numerous awards are the De Pree Art Festival prize and the Wisconsin Art Center prize.

More information may be obtained in the Library theater, where you may also find the interesting, colorful, and bold works of Mr. Summ. There, too, you may enjoy the benefits of his travel as you see depicted his interpretations of "Pleasant Square" and "Venice Reflections."

THE POINTER

Pointers Win Grid Opener

Pointers defeated Eau Claire in Wisconsin State College Conference opener for both Grids at Geethe field.

Coach Dausine Conegozy’s team attacked for a quick touchdown on the first time they got their hands on the ball, and until the third quarter to score their second six-pointer.

The Central State backfield of Bill Kuse, Jack Bush, Dick Newton and Mike Newton showed lots of running and passing talent and this versatile quartet.

The Pointers also had an effective passing attack led by Kuse mostly after completing long ones at the half first, they tried only two passes the entire second half while concentrating on protecting their already precarious lead.

It appeared that Central State might have an easy time of it Saturday when they moved 60 yards in seven plays to score the first time they got the ball in the opening period.

Don Nicherson took the opening kickoff back to the CSC 42, dropped it on the one and fumbled. The Peobidians recovered at the 25 and on the third straight down to the Eau Claire 24 for a 34-yard gain at the 10. A penalty Bush, the Waspe speedsterAverage A student in sociology, attended a nd This may be a "dog’s school," but it is a substantial one, where you learn to do things in an organized way. Now is the time when we are learning the art of organization and administrative work.

There was a nice crowd at the beginning of the Assembly program last Wednesday. It was too bad so many students found it necessary to leave before the program was over. Was it born hours were wasted about or did someone broadcast too long? You’ll never believe this unless you’ve played the game too! For an evening of fun, dig up an old crackerjack record that you like, and hang palm-down on the table. The crispness of business, “Rise, rise, rise.” The corner of the table must be left open so it can get in and the floor, room, people, the better, but the minimum. This knowledge could prove most beneficial. The next time you have to do it讲话 of the day, and the new or your cardinal does rise off the floor, let me know. I’ll give you further directions.

Mr. Keith Briscoe as the new assistant director of the College Union.

Mr. Briscoe, who majored in physical education and recreation, in his junior year he presided over the Campus Council, and was an active member of the CSC Student Council. He was the organizer and president of the Union photography classes and revived a sports club, which he headed for two years.

Mr. Briscoe is deeply impressed with the high degree of student voting in the Student Union, and declames this fact as “the best in the state system.” He feels the Union’s success is attributable in a high degree of cooperation among the students.

While not slaves to over a paper-stacked desk, or answering a constant stream of phone calls, he still manages to find plenty of work to do.

Among the probable activities are herald work in the second half of the year, archery, evening outings, coupon, ice skating, sailing, tennis, and cycling. This organization will be directed by Mr. Briscoe and sponsored by the Union Board of which Mr. Don is president. Notice is hereby given to Mr. Briscoe in his office, room 208, before the first third of the Union.

Those wishing to serve on the committee should contact the chairman. The first meeting will be held at a time to be announced. Mr. Briscoe will choose a committee of seven to fifteen persons from those names submitted.

The novel idea of either a Mountain State Carnival or a Winter Carnival are being planned, with Monte Carlo night or a Winter carnivals being student activities, business, religious club. Membership holds no regular meeting.

To choose a committee of five students, with advance ticket stay at Point.

Sorority activities will be student directed and supervised, and they will be student governed.

The feminine interests will be continued with several helpful demonstrations and suggestions given by a Patricia Steven Fashion coordinator. The suggested topics for discussion are makeup, hair styles, pose and purchase clothing for individual proportion.

The men will not be left out of the picture as they are invited to appear in the annual “Recall.”

The new semester is right around the corner and this year is sure to be the best yet. The students are eagerly looking forward to the All-Grreek dance on September 24, and the Homecoming are only two future events which the Greek-letter organizations are anticipating.

All-Sigma began its year of activities officially on Tuesday September 13, with a while ceremony in the North Dining room of the Union. Advisor Miss MaJa Jeholomns, Chaplain Leola Bahn and Marilyn Weiskind led the members of Alpha Sigma in a toast to all women and remembrance of sorority aims.

A “Mid-Harvest” party for college women and faculty was presented on Sunday, September 19, in the Union cafeteria. Mr. Jeholomns, Vice President Margaret Epple, and President Joel Ungrodt received guests as patrons Miss Pinekel Belkog, Mrs. Neta Bannister, Mrs. Edgar Peters, Miss Elizabeth Monier, Mr. Burdette Eason, Mrs. Henry Runks and Mrs. Ray Speidt pouredAlpha Sigma were drawn as Alice Wonder-land characters. On the tea area was surrounded by yellow streamers, “stone” wall columns and figures of Alice in Wonderland characters.

The Alpha Sigma Harvest Festival, “Dogpatch,” will be held on September 30. Guests may come to this informal dance in couples or individually.

Alpha Sigma, Rosario Estacio and Lois Klaas, have returned from a year’s absence. Rosario worked in Milwaukee during the past year and Lois taught second grade on Appleton. Room membership director and pledge mistress Frances Klaas was married to Joe Pease this past summer and has transferred to the University of Wisconsin. Elaine Swart will fill that office for the remainder of Francine’s term.

Pai Delta Psi called their first meeting of the new school year to order on Tuesday, September 13. The sorority presented the Attle at the Activities assembly on September 14 to acquainted, and worked with their organization and present their version of college life as depicted through slightly altered Mother Goose nursery rhymes.

The theme of the Psi Delta’ September 18 tea was “Autumn Guersey.” Entertainment consisted of a song by Mr. Wiltz, two vocal solo by Joyce Thorsen. Bar and piano music played throughout the afternoon by Carolyn Holz.

Omega Mu Chi and Tau Gamma Beta will present their teas on Sunday, October 2, in honor of new college women.

Two Gamma Mu Chi sisters entertained their guests at the home of their advisor, Mrs. Elmer Kerst, in Park Ridge. After entertainment they had a bush, and the senior members, Mrs. Joel Michaelides, and Mrs. James Jenson, a short business meeting was held followed by a buffet dinner.

After a very eventful summer the Omega Mu Chi sorority girls have returned to school ready for another year. Among the new faces was Mary Haugby and two vocal solo by Joyce Thorsen. Bar and piano music played throughout the afternoon. Carolyn Holz.

It was sad... when that great ship went down and the last thing to leave the sinking ship was a bottle of Coca-Cola. That's because all hands stuck to Coke to the end. Now there's popularity! That's the kind of loyalty the sparkling lift, the good taste of Coke engenders. Man the lifeboat, have a Coke

Alpha Kappa Rho Honor Society

Honorary Fraternity News

Sigma Tau Delta

The purpose of this organization is to foster an interest in creative writing at this college by encouragement of intelligent and appreciative study of literature. The members are chosen on the basis of recommendations of the executive committee, which considers their scholarship, character, and ability to fulfill the purposes of the organization. The members must be juniors or seniors, who are major in English, and have completed at least 15 hours of English with a B average, and who show an interest and ability in literary criticism and creative writing.

Meetings are held once a month, business is conducted and program of original writings, informal Talks on timely subjects, or reports on books or authors is given.

The first meeting will be held the third Wednesday of October so be watching the bulletin board for announcements.

CHARLES ROSS

L.S.A.

The first meeting of L.S.A. (Lutheran Student Association) was held in the form of a banquet in Trinity Lutheran Church with a total of 168 new students, officers, and guest faculty members attending. This is an annual meal presented by the women's group on behalf of the church for the Lutheran students.

A welcome was extended by Richard Stewaltala, president, to all former members and freshmen. He introduced the faculty members and the other officers. Pastor Fred Mandel and his wife were introduced to the group. They will be serving at this parish this year, especially assisting the college group. Group singing was enjoyed.

September 25, Sunday, is the day of the cost supper, 50¢, for all interested. This will be at the church and will be followed by a time of sharing and thinking through our basic faith. What do we really believe? How do we express this? Watch for posters of announcement and be sure to sign up on the L.S.A. bulletin board.

Also, don't forget the Ashram to be held October 14, 15 and 16. This weekend retreat promises to be very inspiring! Also the weekly classes led by Mr. Mandel will be starting in early October. Plan to set aside one hour a week for an educational and inspirational period. Watch for posters of announcement.

Students Wives Club

Hold First Meeting

Next Week

The Students Wives club will hold their initial meeting of the current year September 26 in the main lounge of the College Union. This being "guest night," the meeting will be open to all members and their guests.

The evening's event will be highlighted by the presentation of a style show, given by Campbell's Department Store. This will be followed by a "get acquainted" social hour.

Reservations for the evening's activities may be made by contacting Mrs. David Brown.

Are you in a mood for some cookies and candy just like "Mom used to make"? If so, then we have the solution to your problem. The Students Wives club is sponsoring a cookie sale October 6 in the snack bar. See you there?

Attend the Recall
The College Union

The Family Room of the Campus

Coed Laughter Leaves Nelson

By Tom Kelly

No longer will the gay laughter of the fair sex ring in Nelson hall... at least it shouldn't. Nelson hall, traditionally the women dorm at CSC, has been invaded by men this year. All the past years Nelson Hall has been the haven of girls who wanted to live in by 11 P. M. and had no sheep to go. This year they will have to be satisfied with Steiner hall.

What does this move mean? To some it means the loss of tradition, a way of life. To others women it means better quarters. To women graduates who drank by Nelson hall unexpectedly, it means an embarrass-

The real reason for this move is that the women, being cramped in Nelson hall, had to move to Steiner which is more spacious. Also the situation that more freshman women registered than men this sem-
