**WSC Homecoming That Time Of Year**

It's that time of the year!

**Homecoming**

When, where, what, who?

by Barbara Strickle

**The Queen's Dance**

The Freshmen are expected to attend the Homecoming Dance this year. At the present time, however, the name of the dance has not been decided. The dance will be held October 19th, with the theme, "From Hollywood to High Street," and the cost of admission is $1.00 for students and $1.50 for non-students.

**Cinema Art Series Film**

R. A. Hatchet, assistant director of the Student Union, reports that the Cinema Art Series, formally known as the Library Film Series, is currently part of the co-curricular program directed by the Union staff.

The objectives of the Cinema Art Series are: to maintain a high level of film entertainment by departing from the "Hollywood" type of films, to supplement academic classes, and to cultivate leisure time of a high nature.

The first film of the year is The Confessions of Felix Krull, a German film with English subtitles. This film, which is based on Thomas Mann's best novel, is scheduled for October 3rd, with showings at 3:35 p.m., 6:30 p.m., and 8:30 p.m. in the Library Theater.

The handsome European favorite, Horst Buchholz, plays the role of the picturesque Felix Krull, part Don Juan and part Mark Twain. Krull meets the irresistible Zaza, played by Liezlie Hulce, one of the many lovely creatures Krull encountered wherever he went. This bold story is that of the follies of a man, with a disarming and seductive manner of every adventure. His adventures take him from Imperial Germany at the turn of the century to a Paris hotel, backstairs and "front." The college staff and students are admitted without charge by presentation of I.D. cards. The general public is welcomed for an admission charge of 50c.

Some of the remaining films for this year are as follows: Oct. 10, Brandy for the Passover (Green Britain); Oct. 17, Casablanca (United States); Oct. 31-Nov. 1, La Strada (Italy); Nov. 8, Seven Days That Shook the World (Silent: USSR); Dec. 5, The Treasure of the Sierra Madre (United States); Feb. 7-8, Don Quixote (Great Britain); April 2-3, The Young and the Damned (Mexico); May 14-15, The Seige of Lisbon (U.S.R.). Other films will be added throughout the year.

**Music Dept. Produces "Carousel"**

by Mary Oertel

If I'm the one writing the words, you'll never walk alone when I marry Mr. Sweeney.

I stopped in aove —from somewhere in the distance came strains of the men's and women's chorus. Slowly, silently, I spilled.

Rehearsal for the Music Dept.'s production "Carousel," directed by Mr. Tom Culson, to be presented Nov. 14-15. Singers — dancers are all getting into the act. The leading roles are played by Sally Jordan and Billy Bigelow are Janice Nichols and Tony Cutler; Carrie Pepperidge and Kneen Fowler will be played by Mary Richner and David Dick. Additional members of the cast are Mark Anderson, Jon A. Laedoe, and Madeleine Kelly. Members are still being added.

Hum de dum "Blow Hook Blow — Geraniums in June and Bustin' in All Over."

**FRESHMEN:**

Oct. 4, Red Letter Day

by Elterh Roth

Freshmen Elections to be Held

Friday, Oct. 4 is a date that all freshmen should mark in red on their calendars for this day is designated for class elections. Voters will be represented by a president, a vice-president, a secretary, treasurer, and a representative of the Student Council. The polls in the Union Building will be open from 9 a.m.-4 p.m. to give every freshman an opportunity to vote for the man or woman of his choice.

**Committee Members Needed Now**

As president of the Union Board (De-Lyle Bowers), we're wondering if you have any news that you'd like to get into the Pioner? We're looking for committee members.

"We need a "Campus Club" for camping, bicycling, hiking is starting..." We need people to coordinate our plans for participating in planning activities. Say, we hear there are already long-range plans for Thanksgiving weekend, the Winter Carnival...

"Wouldn't you like to serve on a committee?"

And here's that TIFP dance?..." Thank Gosh It's Friday... Say, we need a great ideas committee..."
Necessary Enjoyment...

School spirit is an enjoyable and necessary factor of college life. Any real student who attended the Pointer Jubilee could see that it was enjoyable and should definitely continue as a necessary item in a WSC student's life. The spirit with which the organizations participated in this event definitely portrayed a "carnival" atmosphere. As one who has attended previous Pointer Jubilees, I can say for myself that the improvement from year to year has jumped markedly — getting bigger and better each year.

It shows a group of students who planned and organized well, and also organizations who were willing to co-operate.

Another school highlight, Homecoming, is a approaching, let's show our team we still have the spirit.

"Focus"

By Sue Stanke

A jutting peak of steel and glass, the new science building stands majestically on the North Campus of WSC. The thrills and chills to be obtained from trying to adjust to a partially furnished building, where English classes are held in chemistry rooms, where students resourcefully paint globes of paint that somehow manage to drip from the entrance way, and where haphazard receptacles act as traffic cops, are not to be overestimated.

A new experience for any college cord is running the "gauntlet" of exigent males that sit outside the building between classes, watching all the girls go by. (This is an extensionlibrary front step girl-watching."

The first time a cord encounters this line-up of self-appointed girl inspector she is apt to gape, stare intensity at her feet, and scuttle into the building. A seasoned veteran of this girl-watchers club soon learns to stare back coolly, and retaliate with one sweeping, appraisal, successful glance of her own, just before she tosses her head and sweeps gracefully into the building, past those rude, crude boys. Just attending class has just moments of excitement. Like wondering if the professor who is absent mindedly fumigates with the gas jet as he lectures in perhaps toying with other, more malicious ideas — such as permanency robbing himself of his inattentive and habitually tardy students.

Most exciting of all is the daily fight for a seat in class. No one who has not been assigned to a room seating 25, where 34 students are present, will ever understand the urgent, mad dash for that particular class.

Chairs are at a premium. Witness one scene where two young men glared at one another over a solitary seat, while a third student, ignoring the other two, strode towards an empty front row seat, with the malign intention of carrying it to the back of the room and making it his own. Only the quick action of another young man who yelled "Hey! That belongs to a girl!" prevented the dustcarrowed deed. Chivalry is not dead. The young man put the chair back, and trotted off to catch one from another classroom.

Which class soon will go through almost the same "Chair, who's got the chair?" routine? The survival of the fittest prevails. One is either quick — or without a chair.

Life in the science building may be hectic, disorganized and inconvenient — but it is never dull.

Pointers Swamp Plateville, 34-0

With an explosive offense led by Larry Holmes and a fantastic defense that had eleven leaders, Stevens Point swamped Plateville 34-0. A 43-yard punt from the Pointers and River Falls in the WSCC win.

Bucky Day blocked a Plateville punt and Ron Wildman recovered for the Pointers on the Plateville 19-yard line. Two plays later, Sonny Redders skirted right end for an other touchdown and a 13-0 extra point.

Midway through the second quarter Holmes again electrified the crowd by taking a handoff on his own 21 and raced 76 yards for a touchdown, the 10th of the Cardinals' latest. Larry Holmes' received the opening kickoff and raced 99 yards as Sonny Redders added the lead.

Pointers Strong For First Place

with Mike Sibisky

Intramural Touch Football season directed by Robert Krueger, find four teams tied for first in the American League as the competition enters its third week. Supporting 21 records are the Tekes, Stanley Steamers, Slager Raiders, and the E.O. Platlers. The latter knocked the Stanley Steamers out of sole possession of first place by whipping them 24-12 last Thursday night. The Original Mets round out the present American League standings by leading the cellar dwellers with an 0 record. In the National League, both the Billikins and the Phi Sigs are tied for first, each having a 3-0 record. The Phi Sigs have dominated this league as far as their great scoring feats.

 UW-M lost its first tussle of the season to Ferris Institute, then set for a tie in meeting Oshkosh two weeks ago. Lack of scoring punch on both occasions has put a halt to the Cardinals' latest winning efforts.

Intramural Golfers Vie For Honors

by Mike Sibisky

The Intramural Golf League, under the direction of Bob Krueger, is now in full swing, with eight men's teams vying for championship honors. Members of the teams are: Larry Dels Ash, who have already established themselves as leaders with opening round scores of 39-37. All action takes place at either the Stevens Point Country Club or the Wisconsin River Golf Course. Both establishments maintain nine holes.

The champion is determined as follows: 18 holes must be completed by Oct. 4 to qualify. Most of the contestants have been discouraged since Sept. 16 to gain their prized acceptance to the Big 8.

Miss Viets "Pin Up" Sweetheart
Miss Marquette Viets, daughter of Mr. and Mrs. Hamilton Viets, of Stevens Point, was recently selected as a member of the Royal Court of Sweethearts of Tau Kappa Epsilon International Social Fraternity.

Marquette was selected as the local Sweetheart of Epsilon-Nu Chapter at Wisconsin State College and was then entered in competition on the international level. The international finalists were selected from among 200 entrants by the noted TKE bandleader, Lawrence Welk, who based his decisions on beauty and apparent attributes; personality, intelligence and poise.

Marquette, along with nine other finalists, will appear on the official Fraternity Sweetheart Calendar for the 1963-64 school year.

Marquette was also selected as the International Headquarters "Pin-Up" Girl by the TKEs on the administrative staff at the fraternity headquarters in Indianapolis, Ind.

Marquette is a WSC sophomore, a member of Omega Mu Chi sorority, the Dean's Honor List, A.W.S. Board, and has served as a cheerleader.
