Success to All...

Let it not be said that the Pointer slipped up on extending a warm welcome to the new freshman who have "invaded" the old and new walls of our campus. For many of us, the campus has been a wonderful and exciting experience, one you will never forget — and I sincerely hope you won't! For all, it has no doubt been bewildering and frightening. But all in all, we hope, other things will take your interest, along with the serious task of studying. Among the interests, I hope you will, "the young" Pointer, for it is a student publication! Just as new to the campus this year, is its weekly publication. With the help of the entire student editing staff, this paper can add in effective communication and make it a successful year for all.

At the office, a staff member was forced to do three weeks work that would ordinarily have been assigned to two people in July and August. This also affects for incoming freshmen registration. The office was simply unable to get all the forms and necessary papers on to the students.

W.S.C. Students Join Search For Lost Amherst Boy

By Mike Rogers

Approximately eighty students from Deere and Prairie Needles residential halls participated in a search to find a young boy who was lost in the vicinity of Amherst.

The boy, John Thomas Kealer Jr., son of Mr. and Mrs. Donald Kealer of Blce, R.I., Amherst, was reported missing Wednesday afternoon and a search began later that evening. At 12:30 a.m. Thursday it was requested that a search party be organized on campus to assist in the search which was to take place at 5 a.m. Thursday morning.

Approximately forty people from the residence halls arrived at about 7 a.m. in the area where the boy's bicycle had been found earlier.

Portage County Sheriff Emil Meshak and other authorities organized the party and the search began shortly afterwards in the dense underbrush and swamp area.

The group was called to a halt at 7:45 a.m. when the boy was located as he emerged from the woods onto the road near by and was placed in an ambulance.

He was taken by ambulance to St. Michael's Hospital where he was treated for cuts and bruises as well as shock and exposure.

The students involved in the search were commended for efforts to find the missing boy.

Pointers Defeat Blue Devils, 32-0

by Mike Dragovich

Stevens Point State College opened the 1963 football season by soundly beating Stout State College on Saturday evening, Sept. 14.

It was a wild, circus-type football game featuring a total of seven pass interceptions and six fumbles.

The Pointers, whose offense for the most part was stymied by early season poor timing and a strong Blue Devil defensive line, rose to the task by capitalizing on Stout's mistakes, and scored with the opportunities these misses provided.

Although the Pointer offense displayed tremendous potential, it was the defensive platoon which essentially provided the large margin of victory. It held Stout scoreless with hard jarring tackling, which spilled the Stout backs back and again for a loss, or no gain. It forced Stout to lose the ball four times on fumbles, and it returned two pass interceptions for touchdowns.

The Pointers, however, displayed versatility in their offense which will go a long way in establishing the Pointers as a contender for the Wisconsin State College Conference championship in 1963.

Although Stoutcontented itself early with fullback George Rivers whose power halfback, and up the middle bent the Stout defense for 100 yards in 19 carries for a 5.3 average. This provided the offensive highlight of the game. Dick Emerich displayed good quickness and a threat as a backfield runner from his right halfback position.

Valent the newcomer, tall Jim Port Fighting, helped in several outstanding outcomes, including a 10-yard touchdown pass from Lee Bogatin in the fourth quarter.

Fine offensive blocking was contributed by All-State center Dennis Arthur, guard Bucky Bay, and tackles Ken Krueger and Dave Schroeder.

The Pointers scored in every quarter against the Stout Blue Devils. In the first quarter, linebacker Dennis Rohschaub recovered the first of four fumbles on the Stout three yard line. Five plays later Rivers punched over from the one yard line. Sonny Redders' conversion gave the score 7-0, 4:45 left in the first quarter.

Moving through the second quarter, Stout quarterback Mike Heiber went over from the one yard line, but he was ruled down for an eight yard loss on the 10-yard line. Orange agendas were played on the fourth down, and Heiber took a pitchout from Larry Schiper. Schiper threw the ball through a big hole over 10 yard tackle into the end zone. His own conversion made the score 14-0 with 7:19 left in the first half.

The most spectacular play of the game occurred in the third quarter. Dennis Rohschaub intercepted Schiper's pass on the 29-yard line, and returned it to midfield. Before being tackled, Rohschaub lateralled to his left, and end Jim Zojnicz, who continued untouched to the end zone. Redders' kick was wide, and the score was 20-0 with 31:47 left in the third quarter.

In the fourth quarter the Pointers struck twice. Lee Bogatin, who replaced the injured Balousek, passed 16 yards to end Jim Heibach for a touchdown. Redders' kick was wide again, and the score was 26-0 with 10:40 left in the game. With only twelve seconds remaining on the clock, reserve defensive halfback Jim Leventein intercepted a Stout pass on the left flat, and ran untouched 26 yards to the end zone. Redders' run for the conversion was ruled illegal because the ball was handled first by Ashby Fish who was holding for the place kick. The final score was Stevens Point 32, Stout 0.

Fine Season Foreseen By New Coach

by Dick Disher

Robert Jones succeeds Orville Rice as head coach of the Cross Country team. He has had experience in track as assistant coach at Waukesha and at the UW in Madison, and views the up-coming season very optimistically.

Jones feels that although there are only two lettermen returning, some of the new boys just might be enough to have a winning season. The two returning lettermen are George Morrisey and Chuck Unkeart, both juniors.

He noted that freshman Mike Havilla, who has done well in the mile and two-mile events in high school, and Tom Frank look good in practice.

He feels that these four boys can bring home some very valuable points and that the team has a fair chance of taking the conference championship. As for the season's first meet with Oshkosh, he predicts a moderately simple win.

The schedule for this season is as follows:

Sept. 28 — Oshkosh (T)
Oct. 1 — Lawrence (H)
Oct. 5 — UW-M (H)
Oct. 16 — Beloit Invitational (T)
Oct. 19 — La Crosse (T)
Oct. 26 — Conference (at Whitewater)
Nov. 2 — Platteville (T) • not certain.

Football Schedule

Sept. 18 — Stout (H) 7:30
Sept. 21 — Platteville (T) 7:30
Sept. 28 — Oshkosh (T) 7:30
Oct. 5 — La Crosse (T) 7:30
Oct. 12 — U.Wis-M (H) 7:30 (Homecoming)
Oct. 19 — Supervisor (T) 7:30
