MISS BEATA SOWKA

Dr. Schmeller Appointed Aide To WSC President

President James H. Albertson has announced the appointment of Dr. Kurt Schmeller as assistant to the president here at WSC.

The appointment will become effective Sept. 1. When the appointment was made, Dr. Albertson said, "I am pleased that I was able to promote from within the institution in filling this position. I believe that Dr. Schmeller will make a fine contribution as he assumes responsibilities associated with this important post."

As assistant to the president, Dr. Schmeller will aid Dr. Albertson in the administration of the functions of the office of president, including direction and coordination of institution studies. He will assist faculty members in preparing proposals for research grants and will seek foundation support for proposed projects.

He will also assist the president in coordinating the work of all administrative units of the college — academic, business, and student services.

In addition, Dr. Schmeller will represent the college when the need arises.

Dr. Schmeller, an assistant professor of English, came to WSC in the fall of 1962 from Princeton University where he had received his M.A. and Ph.D. degrees. Previous he had earned a B.A. degree from Bates College in Lewiston, Me. He is a graduate of Ripon Central High School in New York.

At Bates, he was a member of Phi Beta Kappa, was graduated magna cum laude, received highest honors in history. In graduate school he was a Woodrow Wilson fellow, a Danforth Foundation graduate fellow, and an honorary Philip A. Roffe fellow.

Dr. Schmeller will continue to teach on course in history each semester.

During the summer of 1963 he was the recipient of a Wisconsin State Research Grant for study in the topic, "Economic Recovery of West Germany, 1945-50."
Letter To The Editor

From: ARLENE SMITH

Subject: Student Council

Continued from page 1)

The entire traffic problem in the school will be handled by the school organization, the Student Council, which will meet and discuss traffic problems during lunch hour.
The council has already planned a trip to the State Capital, where they will discuss traffic problems with officials from the State Department of Highways. The council has also planned a trip to the Nation's Capital, where they will discuss traffic problems with officials from the Federal Department of Transportation.

Letter To The Editor

From: John D. Kaperter

Subject: John D. Kaperter Receives Summer NSF Grant

John D. Kaperter, instructor in the department of geology, has been awarded a grant by the National Science Foundation to study the geology of the Superior region. The grant will provide an opportunity to study regional field studies of important geological areas, including precious metals deposits in the Superior region of the United States and Canada, and to provide for a graduate student to participate in the study of deposits.

Space-ships Depart For Moon in WSC Planetarium

Ten - nine - eight - seven - six - five - four - three - two - one - oh! The blast off is here! The thundering rockets will be heard for miles as the first manned space-ships depart from the WSC Planetarium.

The Council will present a survey student opinion of the Faculty. It will determine such things as which instructor student feels is best and the reasons why.
The questionnaire will be distributed to the student body in the near future.

The space-ships will be on their way to the moon, where they will make a landing on the moon. After landing, the space-ships will return to Earth. The Council will present a survey student opinion of the Faculty.

Pointers Beat Superior In Pop-side Victories

Superior offered only token opposition here Saturday afternoon as Stevens Point State College opened the State College Conference play of its 1964 baseball schedule with a pair of one-sided victories.

The Pointers, starting with 11 to 0 on Friday, ran away with it in the opener against Ripon, then completed the double with a 12-5 triumph over Superior on Saturday.

In the second game, the Pointers scored seven runs in the first inning, went on to build an 11-run lead in the fourth, and put the nail in the coffin by driving in two more against the Raiders on a two-run single by Jim (Butch) Dyer and Dan in the sixth.

In the opener, Superior had the runs in the first inning, went on to build a 11-5 lead in the fourth, and put the nail in the coffin by driving in two more against the Pointers on a two-run single by Jim (Butch) Dyer and Dan in the sixth.

The Pointers clinched the victory by scoring three runs in the third, and two in the seventh.

In the second game, the Pointers scored only one run in the second, three innings and were ahead, 6-0, after five. A six-run out burst in the sixth clinched the victory.

Backed by the avalanche of runs, hurlers Billy Grams and Larsen had no trouble controlling to their second straight victory. Grams walked, fanned five innings of the first game, allowed one run and three hits, went six and struck out six.

The junior right-hander showed some of his control over the previous week.

Larsen worked the third, innings of the nightcap, gave up two runs and three walks, and walked a batter in the seventh. A hard-throwing right-hander Al Dehesti of Superior also got the brunt of the blame.

The Pointers, employing a two-run first, superior circuit, bases on fort two-run circuit, bases on four runs, carried seven on a two-run single by Dan Muinde of Oshkosh in the third. The Pointers, employing a two-run first, superior circuit, bases on four runs, carried seven on a two-run single by Dan Muinde of Oshkosh in the third.

In this inning, the Pointers scored three runs in the first inning, went on to build a 11-5 lead in the fourth, and put the nail in the coffin by driving in two more against the Pointers on a two-run single by Jim (Butch) Dyer and Dan in the sixth.
