WSC DEBATERS recently traveled to Denver, Colo., to participate in the Rocky Mountain Speech Conference Debate Tournament at the University of Denver. Varsity debaters and their coach are from left to right: DeLyle Bowers, a senior; Dr. Fred Dowling, the coach; Charles Fischer, a senior; Gordon Malick, a sophomore, and David Arneson, a junior.

United Council Moves Against Discrimination

The United Council of Wisconsin State College Student Governments recently moved that the state college administrations withdraw approval from any housing units in which discriminatory practices occur.

At a meeting in Platteville, the student governments said that they recognized the absence of adequate legislation in Wisconsin in the area of civil rights.

At this winter meeting of student governments, a resolution was also passed reinforcing and clarifying a previous resolution stating that state college students 21 and over, be freed of campus

housing regulations when they live off campus.

Other topics of discussion included student courts, honors program, homecoming procedure, student insurance program and election procedures.

The United Council was organized three years ago by the student governments of the nine Wisconsin state colleges to exchange ideas, reflect opinions of life, interests and problems, and to serve as a liaison group between state student governments, college presidents and the Board of Regents.

Representative-Treasurer Elected For Union Board

At a recent meeting of the Union Board, several campus events were discussed, and Janice Lathrop was elected treasurer and senior representative to Union Board.

President Al Babler announced that a Constitutional Committee has been set up and will be made up of the Executive Board, Jerry Grassel and Charles Fischer. Chairman for the committee is Babler.

Committee reports were given by the Social Committee. They said they were planning to sponsor a Dinner Dance soon and are also trying to set up a Stunt Night.

Dorothy Igl, chairman of the

Cultural Committee, announced that they have been looking into the possibility of Sunday night movies. It was also announced that they intend to hold a coffee hour after "Write Me a Murder."

Public relations chairman Carol Gunderson had the Board members choose the emblem which will be put on the blazers. Game tournaments will be held at the end of this month, it was announced by Sue Lindberg of the Games Committee, and DeLyle Bowers announced that the Outing Committee is planning to hold a photography contest.

A motion was also made and seconded that the Union Board meetings be held each week in room 27 of the Union.

Murder, Mayhem Seen In Play By Frederick Knott

"Whodunit?"

Murder and mayhem in a stately English manor house will come to WSC when the College Theater presents Frederick Knott's "Write Me a Murder" at 8 p.m., Feb. 26-29 in the college auditorium.

The cast includes: Roddingham, Jeffrey Rodman; David Roddingham, Michael Worman; Charles Sturrock, Jerry Hartwig; Julie Sturrock, Connie Seipel; Mr. Tibbet, Paul Benson; Constable Hackett, Mike Brown, and Truman Flowers and Thomas Halford, the two men. The director is Miss Alice Peet of the speech department.

Tickets for the play can be picked up daily at the box office in room 113 of the main building between 9:30-11:45 a.m. and 1:30-3:45 p.m.

Paper Company Holds Student Art Exhibit

Twenty-seven WSC art students have given WSC another first! The first is an off-campus student art show exhibited until Feb. 29 in the Administration Building of the Nekoosa-Edwards Paper Co., Port Edwards.

The exhibit is sponsored by the WSC Student Art League and includes two-dimensional works which may be seen during the company's office hours.

Debate Team Wins Five, Emerges Ninth

The debate team of WSC took part in the Rocky Mountain Speech Conference Debate Tournament at the University of Denver, Colorado, recently, and emerged in ninth place, winning five out of twelve debates.

WSC met with twenty colleges and universities from throughout the Midwest, including the Air Force Academy, the University of Nebraska, the University of Colorado, and the University of Montana.

This debate was a switch side tournament, that is, each team first debated one side for one hour, and then debated the other side for another hour. The proposition was: "Resolved: that the Federal Government guarantee to all qualified high school graduates an opportunity for higher education."

Stevens Point was represented by two teams: DeLyle Bowers and Charles Fischer, winning four and losing two debates and David Arneson and Gordon Malick, who won one and lost five.

Last weekend the same varsity four competed in a tournament at Wisconsin State College, au Claire. Thirty to forty teams represented colleges from areas as far south as Texas. Stevens Point won five out of ten debates.

Next weekend the novice team will debate at Northern Illinois University, DeKalb, Ill. The members of this team are George Means, Jon Peterson, Mary Jane Lodes, Pam Anderson and Randy Porubcan. The final debate tournament of the school year will take place March 13-14 when the novice and varsity teams will compete at the University of Wisconsin.

The debate team has won 60 per cent of its debates, competing in eleven tournaments. According to Dr. Fred R. Dowling, the debate coach, this percentage represents a "reputable effort on our part" as we are often debating out of our class with much larger and well-known colleges and universities.

Woodchopper's Ball Features Nature Indoors

Members of Alpha Kappa Lambda, professional conservation fraternity, are planning on bringing Mother Nature's trees and animals out of the elements for the annual Woodchoppers' Ball to be held from 8:30-12 p.m., Saturday, Feb. 22, in the College fieldhouse.

This year, a new feature will be added. Along with the pond and waterfall, will be a tree tunnel. This will be on the order of a nature trail including fox, raccoon, rabbits and ducks right out of Mother Nature's habitats.

Chairman for the dance is John Wenger and co-chairman is Jim Congdon.

Music will be provided by the Lynn Winch Orchestra. Admission is \$1 for couples and 60¢ single.

King, Queen Votes Cast By Students

Not 21? Don't feel bad. You're probably in the same boat as a good many other people at WSC.

Even if you've never been to the polls before, they'll let you cast your first vote for Winter Carnival king and queen! The polls will be open from 8 a.m. to 4 p.m., today at the Kennel in the Union.

Candidates are Tom Corrigan and Sue Holthusen sponsored by Tau Kappa Epsilon; Alan Babler and Kay Rasmussen, Delat Zeta; Del Stueck and Barb Jakubowski, Alpha Sigma Alpha; Chuck Collins and Kathy Menzel, Phi Sigma Epsilon; Dennis Arthur and Kay Stein, Ski Club; Bob Kerr and Mary Haustreitor, Alpha Beta Rho; Ken Multerer and Sal Sherman, Sigma Phi Epsilon; Charles Kahren and Sharon Smith, Omega Mu Chi, and Peter Kust and Fat Cundinger, Alpha Kappa Lambda.

Hockey Sounds Echo Tonight At Goerke Field

This evening, Goerke Field will resound with the echo of puck against hockey stick as the Junior Hockey Team takes on the Old-timers at 8 p.m.

Featured in this game will be Stan Martin, coach of the Junior team, who will be playing against them on the Old-timers side. Martin was a player for a Canadian hockey team.

At this time, the king and queen candidates will also be introduced.

Draw the line where?

What's this world coming to?

The other day I woke up and do you know what? I was actually relieved! I had one WHOLE day to do nothing but study. I don't remember how it happened but then who was going to argue.

Most students start college with the idea that study is the word — but then comes meetings, concerts, lectures and games. Things are getting more complex right along and there doesn't seem to be any let-up until closed week at the end of May.

On the average, each student has two meetings per week and from the activities of the last two weeks, there have been lectures, concerts or games on two or three of the evenings left. Now, do we loyal Pointer backers participate in the activities which this college so generously provides, or do we sit in our rooms or the library earnestly studying? Either way we'll get it from someone.

With an institution which is growing in leaps and bounds as this one is, one can understand that problems of this type will come up and certainly are driving the students at a faculty to a slow nervous breakdown and vitamin deficiency.

How can this be solved? One can not slow down, this is a mechanized world we're living in and time is of the utmost. Vitamins can do only so much — so what's left? We can only budget our time for the amount of time available — 24 hours. What happens after that can only be left behind.

R. B.

Weather . . . be good

If the weather man doesn't foul us up anymore, this year's Winter Carnival should go off with good results. So far, the pancakes, hairdo and pipe smoking have come off as scheduled.

Much time and effort has been poured into this annual event by the various chairmen. Those of us who stand back and haven't done a thing to put this over can at least help by attending all the events.

Over the young years of Winter Carnival existence, it has brought a stronger tie with the faculty and students. With the faculty as judges of the events we, as students, see them in a different light, and confidentially, I really believe they like it too.

It will give those chairmen and individuals who have worked so hard on the plans for this busy week a wonderful feeling if everyone would turn out to support this year's "Frosted Fantasy."

Nothing sets pulses pounding and feet racing in residence halls, apartments and rooming houses across campus like these two little words.

And the contents of these dispatches! What joy! What despair, what doubts, what love, what odd items they contain. At one time or another, you hasn't received a similar message:

"Dear Charlie: Pardon me for writing, but I am the girl you invited up for Homecoming, remember? Would you please ask your alcoholic frat brother — the chubby one who came, chin level and kept imitating Peter Lorre — if he would please return my glove? He insisted he was Launcelot or something that night when he grabbed my glove off the table and walked around with it tucked under his belt all evening — for good luck, he said. Honestly, Charlie, your friends are just too much."

Indians Tromp Point In 103-65 Bombing

After witnessing a 103-65 bombing received by WSC's Pointers last Saturday night here at the Fieldhouse, it was not difficult to understand why the La Crosse Indians are in the number one spot in the state college conference race.

The Pointers looked good in the first few minutes of the game, taking a 6-1 lead over La Crosse. The Indians, however, soon tied the game at 9-9, and went on to take a 20-15 lead ahead of WSC. Field goals by Grant White and Wes Zuege helped cut the margin to two points, 20-18, but the deadly shooting of La Crosse gave them seven straight points and a 27-18 lead with 9:46 left in the first half.

Fighting to keep in the game, the Pointers came within four points of the Indians, 35-31, on a long shot by Bryan Wirth. However, La Crosse couldn't be throttled and with 1:39 left in the half, the Indians led 44-33. Half time showed an eleven point lead, 46-35, by La Crosse.

In the first half, the Pointers hit 13 out of 41 attempts from the floor for 32 per cent, while the Indians scored on 17 of 35 attempts for 48.5 per cent. La Crosse also collected more points on the charity line in the first half, hitting 12 of 19 attempts. The Pointer scored on 9 of 15 charity tosses.

After an impressive demonstration by the weight-lifting class, the second half got under way with La Crosse taking the tip-off. La Crosse scored six straight points to give themselves a 54-35 margin over the Pointers. At this time, Larry Tranberg, a La Crosse forward and leading scorer, left the game momentarily as a result of a slight head injury.

A basket by Jerry Lawetzki, a pair of free throws by Duane Downie and a field goal by Downie in the next few minutes of play brought the Pointers within 14 points of La Crosse, 55-41, the closest since the opening few minutes of the second half.

The Pointers failed to muster a rally, and the Indians kept on

increasing their lead. With 14:16 in the game, a basket by Gay Robarge gave La Crosse a 23 point lead, 68-45. A little later in the game, the Indians took a 30 point lead, 84-54, on a basket by Bill Horn, the La Crosse center. The red-hot La Crosse team couldn't be slowed down, and they increased their lead at 37 points, 96-59, in the final minutes of play. The end came, and the score was 103-65, with La Crosse over Stevens Point by 38 points.

The cold Pointers shot only 22.5 per cent from the floor in the second half and had an overall average of 27 per cent as contrasted to 50 per cent by La Crosse. WSC had a total of 31 fouls, and La Crosse had 30. A total of 80 free throws were shot. WSC made 21 and missed 18, while La Crosse made 29 and missed 11.

Coming back strong in the second half to defeat Superior State College, 94-74, here last Friday night, the WSC Pointers stepped into a tie with Superior for second place among the state colleges.

Superior took an early lead in the first few minutes of the game, but the Pointers tied the score with 11:50 left in the half and took the lead. Superior rallied, regained the lead, and held it to lead 45-41 at half time.

Although Coach Krueger of WSC had been alternating his players regularly in the first half, he sent his starting five in to spark the Pointers out of their slump in the second half. The fired-up Pointers clearly showed improvement in their hitting and began to narrow the margin. Bill Borchardt, leading scorer for both teams, gave Point a 48-47 lead with a field goal still early in the second half.

With 15:47 left in the game, Superior took the lead momentarily over WSC. The Pointers quickly regained it and led by 11 points with 9:42 left in the game. WSC widened the margin steadily until they led by 22 points with only a few minutes left to play. When the buzzer sounded, the Pointers had a 20 point lead and a 94-74 victory over the Yellowjackets.

Shooting a hot 52.5 per cent from the floor in the second half, the Pointers finished the game with a 46 per cent over-all average, having found the hoop on 37 of 80 attempts. Superior, scored on 37 of 66 attempts for a 40.7 per cent average from the floor.

Bill Borchardt led the Pointers with 22 points, while Jerry Lawetzki followed with 18 points. Grant White and Mike Fortune netted nine points each and Wes Zuege, the Pointer center, hit for eight.

Four Superior men tallied in the double figures to score 57 of their 74 points. Charles Bernard led with 19 points; Mike Rokey had 17; Jim Sevals hit 11 and Jay Hill netted 10 for Superior.

Point Grapplers Bow To Blue Devils, 18-15

A decision at 177 pounds by Stout State ace Glenn Hardy earned the Blue Devils an 18-15 victory over Stevens Point in a dual wrestling meet at the fieldhouse Saturday afternoon.

The loss left Coach Bill Burns' grapplers with a 4-2 record in dual competition.

Both teams were shot handed for the meet Saturday, the Pointers forfeiting five points at 130 and Stout doing the same at heavyweight.

As a result, the meet was tied, 15-15, going into the final bout on the program, the 177-pound dual between old rivals, Hardy and Pete Seiler of WSC.

Hardy extended his mastery to five straight wins in the last two years, this time posting a 4-1 decision.

It was only Seiler's second loss against nine victories this season — both at the hands of Hardy who is defending SCC champion at that weight.

WSC was without the services of freshman Rick Riley at 137. The Wisconsin Rapids boy was sidelined due to severe facial cuts suffered in an automobile accident last Thursday night.

Win for the Pointers were posted by Tod Wise at 123 and Larry Ironside at 167.

Wise improved his record to 7-1-0 by edging Bob Mericle, 5-3, getting his points on two take-downs, an escape and riding time.

Mericle, trailing by a 4-2 score, managed an escape in the final period.

Ironside tied the meet score by pinning Bob Lefis in 6:39 transfer from Wisconsin Rapids after holding a 6-3 lead. The UW now has won three in a row since becoming eligible the second semester.

The Pointers got a draw at 137 when Rich Somers battled favored Lee Alcock to a 0-0 stand-off. Alcock had taken first in the Pointer Invitational meet earlier in the season.

Stout got a pin from Tom Scott at 147. The victim in a speedy 1:33 was newcomer Carl Neubauer of the Pointers.

At 157, the Blue Devils' Louie Benitz took a 2-0 decision over Rick Kalvelage, scoring on a third period escape riding time.

Forfeit winners were Jerry Robers of Stout at 137 and Bernie Christianson of Point at heavyweight.

Pointers Set Four Records Despite Defeat By UW-M

Stevens Point State College's swimming team showed enough individual brilliance to shatter four school records in a dual meet at Milwaukee Saturday.

The strong Cardinals came out on the long end of a 64-31 score, taking first place in eight of nine individual events.

Coach Bob Jones' tankmen were paced again by Bill Gelwicks. Coming through with a great effort which left him in a state of exhaustion, Gelwicks won the 100-yard free style in :52.8 and took second in the 50 free style in :24.2.

Both times were new WSC records and the time in the 100 yard also cracked a UW-M pool mark, considered quite a feat in view of the Cardinals' strong swimming tradition. In the 50-yard event, Gelwicks was only two tenths of a second behind UW-M's Jim Reineck who won in 24 seconds flat.

Two other Pointers set school records though failing to finish first. Dick Larsen took second in the 200 backstroke event in 2:27.6, and Ken Wingender came home third in the 200 butterfly in 2:51.0.

The Pointers managed to split in the two relay events. The quartet of Jerry Calvi, Terry Smith, Tom Mader and Joe Conachen splashed home first in the 200 backstroke event in a good 4:07.2. UW-M, however, won the medley relay in 4:15.0.

WSC managed five seconds and four thirds while the Cards took four second and a like number of thirds in the events.

Pointer seconds went to Ed Peters in the 200 free style (2:14.6), Gelwicks in the 50 free style, Larsen in the 200 backstroke, Aubrey Fish in diving and Gelwicks in the 500 free style (6:28.0).

Thirds for WSC were taken by Greg Enfer in the 200 individual medley, 2:48.5), Mader in diving, Wingender in the 200 butterfly and Rick Rothman in the 200 butterfly (2:53.5).

UW-M was led by Tom Xavier who took a pair of firsts, while Gelwicks led the Pointers with his first and two seconds.

The Pointers return home to take on Michigan Tech in a dual meet in the fieldhouse pool Saturday afternoon at 2 o'clock. The team will also take part in the conference meet at River Falls, Feb. 28-29.
