In the spring gathering is the creation of a club open to all students interested in geography. Students interested in geography will be conducting the geography department at 7:30 p.m., Thursday, March 22, in the auditorium of the college union.

The geography club is involved with the students and will have interested students and their areas of geography has been successfully fulfilled. This geography club initiated by the faculty will be organized by the students and will have students as officers. The assembled may elect executive officers, president, vice-president, and secretary-treasurer; who will be responsible for future plans and activities.

As part of this initial program, there will be a lecture with color slides, entitled, "Geographical Transition Through the Intermontane West," by Dr. William M. McKee of the WSC geography staff.

**Student Council Sponsors Student Government Week**

To stimulate student interest in student government, the Student Council is sponsoring a Student Government Week in conjunction with election week.

The Council holds that only by educating the students as to the role they can, and do play in the administration of student affairs, the student government become an integral part of school activities.

In participation of Individual students lies the strength of the organization of student government," the Council stated.

Therefore, during the Student Government Week, the Student Council will attempt to influence the students by the purposes, composition and responsibilities of the student government by speaking to various student organizations and providing opportunities for the students to meet their representatives and the candidates for class offices and Student Council.

A schedule of events during the week of March 9 includes:

March 9 - Petitions due for class and office candidates.

March 9-12 - Campaign to inform students of the purpose, and responsibilities of candidates by Student Council representatives speaking at organization meetings.

March 11 - Free coffee to members of the Student Council for the various offices.

March 11 - The Annual Snack Bar and announcement of winners.

**Nature Film Spotlights Outstanding Lens-work**

"The Living Wilderness," an all-color nature feature, is spotlighting extraordinary close-up photography of the national parks from coast to coast. The film will be shown at 8 p.m., Saturday, March 7, in the auditorium at Wisconsin State University.

Walter B. Berlet, inventor of the Berlet lens attachment and one of the nations outstanding naturalist-photographers, will narrate the cinematic story of life in the heart of the Rockies. More than eight years in production, the film covers the states of Wyoming, Montana and Idaho. It includes film footage, now treasured, of trips afield into the wilderness with one of the greatest naturalists and conservationists, Claus Morie, who died recently.

Viewers are given new visions into the life histories of many species of birds and animals which are threatened with extinction and their causes. The motion picture includes such depictions as a buck elk showing his harem, the struggle for existence of huge buffalo in their original habitat; the belted gerard breeding season antics bull elk and the stalking of a mountain lion as Berlet explains the important role this majestic feline plays in wild-life management. One of the pictures shows bull elk charging into the camera.

Tickets will be sold at the door, announces William M. Dawson, director of the Arts and Lecture Series.

**Former Schoolmaster Explores Religion As Ultimate Science**

A one-hour lecture exploring religion as an ultimate science will be given on Thursday, March 22, by Geith R. Plummer of the Christian Science Board of Lectureship.

The lecture, beginning at 8 p.m. in the Union Lounge, is sponsored by the Christian Science Organization.

Mr. Plummer was formerly a schoolmaster in New Zealand and his native Australia, and a joint headmaster in England. **Pointer Grapplers Emerge In Second**

Stevens Point failed to win an individual title in the State College Conference wrestling meet 'here over the weekend. Coach Bill Burns' grapplers came through with a fine second place standing in the team results.

Host Superior, with four individual titles, dethroned River Falls as SCC champion. The Yellowjackets rolled up 74 points to far outdistance the field.

The Pointers were second with 45 points while La Crosse and Oshkosh tied for third with 40 each. Trailing were Platteville at 191 pinned Roger Michaelson of Stevens Point, 8-5; 3rd ten walld (UW-M), 2-0; 3rd nemesis Glen Hardy of Stout, standing in the team results.

Awards were Plattenville's Bill Watter, 19, and Eau Claire, 9 Yellow jackets rolled up the 500-yard free style in 5:56.6, the 50-yard free style in 23.5 and the 100-yard free style in .52.4. The old SCC records were 6:01.5, 23.0 and .55.4, respectively.

Also taking first places for the Pointers were Dick Larsen in the 200-yard backstroke and Aubrey Fish in diving.

Larsen won in an excellent 2:26.4, setting a new WSC record in the process. Fish outdistanced the field in his diving specialty. (Continued on page 4)

**Gelricks Shatters Records, Steals Conference Spotlight**

Bill Gelwicks took three first places in a record-shattering performance which stole the spotlight in the State College Conference swimming meet at River Falls over the weekend.

La Crosse walked off with team honors by piling up 56 points. Favored UW-Milwaukee was edged out of second place by Oshkosh, 48½ to 48. Stevens Point was a strong fourth with 38, followed by Platteville with 104 and River Falls with seven.

Coach Bob Jones was highly pleased with his team's showing. WSC took five first places in the meet, two more than champion La Crosse.

"Many of the boys swam fast er in this meet than they have at any time this season," the La Crosse coach said. "And we did a better job than UW-M's entries in those events," Jones commented.

The Pointers took valuable points away from UW-M, enabling La Crosse to take top honors.

Gelwicks, who has done an outstanding job all season, set conference, school and River Falls pool records in winning three events.

The young star won the 500-yard free style in 5:56.6, the 50-yard free style in 23.5 and the 100-yard free style in .52.4. The old SCC records were 6:01.5, 23.0 and .55.4, respectively.
