**Merchant Of Venice**

**Staged In Auditorium**

"The Merchant of Venice," one of Shakespeare's most popular plays, features Portia one of his most attractive heroines. Despite the dark shadow cast by Shylock's desire for revenge, the play is essentially light and gay. Condensed to two acts, the play is directed by William M. Dawson, of the WSC speech and drama department.

Tickets are available at the box office of the main building from 8:30-11:45 a.m. and 1-3:30-6:30 p.m.

The leading role, that of Antonio the merchant of Venice, will be played by Jon Whitty, with Janine Mortenson, Gary Morgan, and Rick Soczka, Gary Morgan, respectively.

Jeff Rodman has been cast as Shylock. Other male cast members include Truman Flowers, Joseph Dunne, Ron Keown, Steve Waltcher, Mike Krasinski, Kesaunee; Kathy Kaszn, Brandon; Gary Morgan, Amherst; Sue Carow, (back) Merc; Roberta Slater Steven Point; Jim Mueller, Medford; Laura Slusarski, Stevens Point; Della Elen, Beaver Dam, and Mary Jane Leary, Stevens Point.

**Minneapolis Symphony To Play Next Week**

The Minneapolis Symphony Orchestra, directed by Stanislav Skrowaczewski, will perform on May 6 at 8 p.m. in the college fieldhouse.

**WSC Men's Glee Club Bound For New York**

Aboard a chartered Greyhound bus at 7 a.m. May 30, the WSC Men's Glee Club will be New York bound to participate in a Nationwide Sing of the Associated Male Choruses of America at the World's Fair.

The chorus will consist of 200 singers from 100 groups. The tour will run through June and will be broadcast and recorded.

Penahlove will be present at the New Music Arena, which is an amphitheater with a seating capacity of 15,000.

**Dean Radke Announces New Plans**

New plans and proposals for food and service on the WSC campus have been announced by Orland E. Radke, associate dean of students, this week.

Dean Radke said that the main change he involves trying to "create a situation where they (the students) can stay on campus for the seven day week" instead of the usual five.

He announced that Miss Joan Doyle, head resident of Hyer Hall has been invited to serve as chairman of the committee between Ace Food stores and the student body. With this in mind, the hope is to create an atmosphere of family style dining in the residence halls.

The opening of the Allen Food Center is announced, and it is planned that both of these efforts will be served and will relieve the load now carried in residence halls and will be attempted.

Mr. Radke also said that freshmen and sophomore men and women will be added to stay in the residence halls this coming school year with the idea that as many students as possible will be able to stay much more quickly; they will be served and living in the many rooms of the new Union.
Regular Fellows...

Do leaders woo public opinion by displaying their outstanding qualities before the public and then retreat to their column one. Instead, the "regular fellow" technique is used. Remember how often we've heard the cliche "I'm just folks." There's a great deal of the self-sacrificing spirit behind that statement, because of certain outstanding abilities, and yet they must win our approval by proving how average they are.

Joan wants to set up idols, but he has the tact to make the conflicting desire to tear them down, to make them conform. The Greeks and Roman demanded human failings even of the gods, and yet they achieved an equal basis with divinity.

What a waste of time it is to worry about the superior talents of unusual men, when we can relax and appreciate their qualities. Robert Bull, a high school course Monday through Friday who does not plan to slam the door on learning is you who were in on the export.

This year, under the leadership of President Albertson, who has sprung ahead in several areas of that, in previous, years, were never attempted.

The organization has made arrangements with the Winchester River Country Club for any campus member who decides to make course Monday through Friday and who has a handicapped but who can provide free tickets and clubs for any girl who wants the chance for greater participation.

"The plain man is the basic clod

From which we grow the demi-god;

And in the average man is curled.

The hero stuff that rules the world.

Ability to Communicate

A college education is not merely a means of moving up a step or two on the economic ladder declares President James H. Albertson of Wisconsin State College in an outline of WSC's announcement on Tuesday.

WSC's president, who came here in 1962, said a student must, by necessity, learn vocational skills. However, Presi dent Albertson declared that we choose our leaders and develop other skills and qualities in order to effectively take his place in the world of tomorrow. 

The new goals call for that place greater emphasis on the liberal arts, President Albertson, in his inaugu ral address, said, means a re-organization of the faculty to a re-appraisal of the undergraduate curriculum.

Since his inaugural address, a Long Range Goals Com mittee has been meeting with the president in an effort to come up with specific goals that work may begin on curriculum re-evaluation.

The new goals call for the development of the student as an individual as well as a breadwinner.

Using the new goals as a yardstick, the future WSC graduate will be a person who understands the his tory of forces and ideas that have affected societies down through the ages. This ideal graduate also must have con cepts of democracy and social justice as well as a sense of responsibility to his fellow man. He, of course, must have a chosen field, which he can work in as.closest to his highest ability.

Ideally, he also develops creativity, is aware of the im portance of physical fitness, realizes that learning is a life-long process and does not plan to slam the door on learning on his first day.

The new goals stress the need to develop the student's ability to communicate. This will be accomplished by developing the ability to write and talk lucidly, Emphasis also will be placed on writing and speaking with clarity and force.

The president emphasizes that students should rec ognize that all fields of knowledge are related. President Albertson said, "Too often students are not held respon sible for English composition in all classes. All faculty members must rathe the quality of their student's writing as significant."

The accepted goals are developmental of intellectual curiosity, recognition of the importance of knowledge and mankind and the understanding and practice of the arts, philosophy and scientific disciplines.

"A student must be able to think clearly about what he, a person, is and about his life's purpose," stated President Albertson.

Meanwhile, President Albertson has restructured faculty and administration, a number of changes that will all be implemented and that curriculum evaluation may go forward.

Pointers End Win Streak
Lose SCC Doubleheader

Steven Point State College's baseball streak came to an end in a four game series here Saturday as Plattville took both ends of a State College Conference doubleheader.

A three-run rally in the bottom of the sixth inning wiped out a 1-0 Pointer lead and gave Platteville a 7-5 decision in the nightcap.

Coach Bob Krueger's club is seeking its first win of the season but did not make the trip to Wisconsin State University for the weekend.

All of the scoring took place in the fourth inning of the first of the two.

Platteville took an early lead in the second game with four runs in the first two innings. WSC netted one in the first when Buddy Woller walked, stole second, continued to third on a throwing error by the catcher and scored on a perfect squeeze play by right fielder Jerry Dearing.

The Pointers trimmed the gap to 4-3 with two runs in the first of the sixth.

Platteville was blanked from the second inning on by Larsen who had relieved starter Al Reichert after four runs had scored in the sixth, WSC took a 5-4 lead by scoring twice. Dunn and DeBruin opened the frame by rapping singles. The next two batters were retired but Vogel and Fitzgerald each came through with a clutch single to drive in the two runs.

WSC's advantage proved to be of short duration, however, as the Pioneers broke through for three runs in the bottom of the sixth.

The Pointers committed four errors in the second game for a day's total of seven. Plattville won two in the third.

Swimmers Out-Distanced By Tittians

WSC's golf team got the 1964 season off successfully by defeating Beloit and Lawrence last week. Both the WSC trackers were out-distanced by the Tittians, 75-55 in a dual track meet Saturday.

Coach Hal Grant's golfers topped Beloit, 96, and edged Lawrence, 87. The meet was played under scratch rules with one point going to the winner of the most holes, best nine-hole score and best 18-hole score. The match actually was decided by the No. 5 players, Kathy Curran for the Pointers and Gus 10 of 15
