President Announces Student Government Days

A proclamation signed by President Albertson last Friday officially announced the observance of Student Government Days which will be held at UW-Stout next week, Mar. 3-11.

Sponsored by the Student Council, the purpose of Student Government Days is threefold: first, it is planned to bring to the notice of the student body the problems facing the WSU campus. These include the formation of a student honor system, and the evaluation of student activities on campus.

Candidates running for offices are required to present their programs to the current members of the Student Council. This will provide the WSU student body with a chance to react to the candidates and their ideas. This is of utmost importance.

The week's schedule includes meeting, coffee service. In group discussions, all designed to fulfill the above mentioned objective, sessions are set for 10:00 a.m., 3:00 p.m., coffee and discussions will be served at the Snack Bar, University Center.

**The University Casino**

There is a group of students on this campus with special privileges. These students are not members of any organization or service that gives them a reason for so much privilege.

These people are allowed to put their feet up on the tables and chairs in the University Center. They are not reporters or students or editors, but are usually chattering away and eating food on the floor. Don't you wish we were all allowed to do this?

Without going any further you know I am referring to the most privileged people on this campus, those who are the "privileged ones." I have seen few girls in this room, the language is not quite complimentary to them.

There is GAMBLING going on in this room (?). Page 54 of the student handbook makes clear the University's standing on this subject.

I feel that each student should be treated equally. Either the whole student body should be allowed such free and liberal use of the University Center (which would be folly) or these "privileged ones" should be made to conform to the norms.

Next time you are in the Center, stop for a look at this card room.

**President's Proclamation**

**FEBRUARY 26, 1965**

by Don Hammes

I hereby proclaim the days of Mar. 8-11 as Student Government Days at Wisconsin State University at Stevens Point.

In that the Student Council is made up of 0.7% of the student body, and is invested with numerous duties and powers concerning student participation in college affairs, I would emphatically urge that each student use of the University Center be the best possible representation of said student body.

It is my personal belief that student government can and must play an active part in campus life. Only through the support of the entire student body can this be accomplished. It is because of these beliefs that I am happy to make this proclamation.

Sincerely,

JAMES H. ALBERTSON, President

**Winter Carnival Scores**

Dear Editor:

It has come to our attention that some of the events of Winter Carnival were run with biased management. Some members of the student body would like to see a run-down of total points for each event as to first, second, and third places. The names and the points given for each place are to be kept a secret for the students. I think the students should know what happened. I think this would clear up some misunderstandings that have been directed around campus.

AN INTERESTED STUDENT

Kurt Lauchio, Winter Carn­val Chairman 1965, does not feel that publication of all the scores of the W. C. events is justified. However, he will be happy to discuss the scores with anyone in the office of the University Center Board. Room 29, University Center.

Winter Carnival Scholarship

It has come to our attention that some of the events of Winter Carnival were run with biased management. Some members of the student body would like to see a run-down of total points for each event as to first, second, and third places. The names and the points given for each place are to be kept a secret for the students. I think the students should know what happened. I think this would clear up some misunderstandings that have been directed around campus.

**Idealistic Generation**

**Dear Editor:**

Today during one of my classes, a fellow student had occasion to allude to the school paper, THE POINTER. Referring to it as "the weekly scan­ dal sheet," he asked me for publishing certain letters in the '"PODUM" dealing with world peace and current affairs.

He commented that he couldn't see what business youngsters "the age of nineteen and twenty" had expressing their certain and cure-all opinions. Apparently, he was quite dis­ pised of the pundit political and the "trash" (translated: student letters to the editor) which were being published. Rather upset over this stud­ ent's misunderstanding of the attitude of "youngsters of nine­ teen and twenty" and possibly other people's misconceptions, I would like to make a few humble suggestions because I am eighteen and have not yet reached the certain­ and-cure-all stage (twenty).

Perhaps the certainty and the cure-all opinions to which my fellow student referred is the natural response of the new generation. Born with the "we'll conquer the world" attitude of each new generation, college-age people want to read, study, trade and express their feelings on nearly any and all subjects. This is neces­ sary because it is the fire for forging tools of progress; this attitude results in the type of "trash," submitted to the editor, and it is pub­ lished because it encourages controversy and thought.

Isn't one of the purposes of college to develop people who can think on their own feet— who can argue, reason, and make decisions? What better way to accom­ plish this goal is there than the editorial page of the school paper?

Please, have patience with me, fellow student. Us, an idealistic generation faced with situations unimaginable even by the generation of forty years ago. Given time, we will out­ grow our need for action and ideal solutions; we will reach your level of maturity and twenty who will continue to carry on a spirit of inquisitive­ ness and idealism.

Student

JAN RAMUSEN

**PODIUM POLICY**

The Podium is dedicated to the expres­ sion of opinions in the form of editorials, editorials, letters, and columns. Letters may not exceed 300 words. The Editor reserves the right to edit letters for length or content. Letters or editorials that exceed 300 words or are not judged suitable for publication will not be altered in any way. The Editor will not publish letters that are not well written. Letters or editorials that are not well written will not be published. The Editor reserves the right to print any and all letters to the Editor, 'Dear Editor.'
**The Man From U.C.B.**

by Warren

The primary reason for the existence and utilization of the earned blazers worn by the University Center Board is simply this: to let the students know who they are, and what they may do to contact them directly. Photo Withings provides a means of direct communication whereby the student or member of the public can then contact them directly at any time with questions relative to the Board or their activities.

Campus, they can then contact them directly at any time with questions relative to the Board or their activities.

A general policy statement is given relative to the Board or their activities.

Another prime purpose of the blazers is to project the image of the UCB to people both inside and outside the University Family. This function becomes more important in the academic year, when it becomes more useful as a uniform symbol of the UCB crest.

Another prime purpose of the blazers is to project the image of the UCB to people both inside and outside the University Family. This function becomes more important in the academic year, when it becomes more useful as a uniform symbol of the UCB crest.

Smith Hall To Sponsor Dance

Smith Hall will sponsor an all-campus dance at the Allen Center on Thursday, March 11. The dance will be informal and will run from 8 p.m. to 11 p.m. The Fabulous Raging Storms will provide the rock 'n' roll music. The group played here earlier this year and was a big success.

Refreshments will be served and there will be some added surprises. A donation of $.25 per person or $.50 per couple will be asked to cover expenses.

**J O B S  I N  E U R O P E**

The American Student Information Service announces that there are still more than 20,000 summer jobs available in Europe for U.S. college students. The jobs are being filled on a first come, first served basis and the ASIS is granting $30 travel grant to each of the first 5,000 applicants.

Some positions pay $200 a month with no previous experience or foreign language ability required. Room and board are often included. The most requested jobs are in resorts, offices, factories, and restaurants; on ships and farms; in child care, linguistics, camp counseling, and sales work. Interesting summer work not found in the U.S. is living as a guest of well-to-do European families in return for teaching their children English.

Job and travel grant applications and detailed job descriptions (location, wages, working hours, photographs, etc.) are available in a 36-page booklet which interested students may obtain by sending $2 (for the first 5,000) or $3 (for the remaining 1,000) to Dept. IV, ASIS, 22 Ave. de l'Liberte, Luxembourg, C.I.S., Grand Duche of Luxembourg.

**LIBRARY RECEIVES GIFTS**

A gift of $300 was made to the University Library of W.S.U. by Stevens Point Consolidated Papers in Wisconsin Rapids. The grant was in appreciation of the good service and attitude study conducted for the firm by two university students, Jane Barber and John Altenburg, under the direction of Mr. Haferbrock, Vice-President for Academic Affairs, and Mr. Proctor, Director of Public Relations at Consolidated Papers, said that the study was very helpful and asked that the money be used for library books in business administration.

A second gift of $100 was received for the University Library of Sentry Insurance from their Foundation, this money was added toward the purchase of books in insurance and related fields. For several years Sentry has given a similar sum for this purpose.

Speaking Of Sports

by Duane Clark

Hats off to the Purple and Gold cagers of W.S.U. for putting on such a tremendous display of determination and spirit last Saturday night at La Crosse and River Falls. Even though the Pointers lost a heart breaker by a single point to the La Crosse Indians Friday night, they walloped River Falls on Sunday afternoon to claim their eighth victory on Saturday night. They were indeed flying in every direction on the River Falls at tackle; the Indians may well have said, as the Pointers clipped the Falcons' wings by fourteen points.

Incidentally, La Crosse State University has only one bounders, and plenty of teamwork, for the Pointers have won the conference, including Oshkosh, with 11-0 quite an accomplishment. It isn't so much the fact that the Indians are the only bounders in every direction on the River Falls at tackle; the Indians may well have said, as the Pointers clipped the Falcons' wings by fourteen points.

Grapplers Cop 4th Place

Bernie Christiansen added quite a bit of pizzazz on his road to glory as he conquered first honors in the heavyweight and division of the State University conference held at Platteville last weekend. The bearded "big boy" from Elderon did it the hard way by pinning all three men he wrestled. These three victories gave him a "Champion" season record to 14-2 with thirteen pins.

Four other Pointers placed in their respective classes to enable Stevens Point to get fourth place in the team standings. Northop captured second place in the 177 pound class by defeating Foley of Superior in a very fine match. Dieter Sommer felt very pleased with the fourth place finish and felt that everyone did a fine job in each weight class.

Four Pointers placed in their respective classes to enable Stevens Point to get fourth place in the team standings. Northop captured second place in the 177 pound class by defeating Foley of Superior in a very fine match. Dieter Sommer felt very pleased with the fourth place finish and felt that everyone did a fine job in each weight class.

Final standings were:

Superior 107, Oshkosh 33, White 25, Stevens Point 36, Platteville 32, Stout 22, River Falls 21, La Crosse 35 and Eau Claire 2.

The person who lost a light meter at the Winter Carnival games on Saturday, Feb. 20, may claim the same by calling Jerry Lawetzki with 26 points and reserve guard sophomore Jim Fitzgerald with 17 points paced the Pointers while Terry Schmidt with 21 points was high man for La Crosse.

Coach Robert Krueger's Pointers averaged an earlier season defeat last Saturday as theyopped a victory from the River Falls State Falcons. The win gave the pointer's cages an 8-7 conference standing and an 11-15 record in all games. The Pointers used a starting lineup of White and Ochs at guard, Fortune and Lawetzki at forward and Zeng at center while River Falls started Snyder and Pritchard at guard, Bloomquist and Lee at forward, and Kramer at center.

It was an especially close contest the first half of action as both teams went into the locker rooms with a total of 3 points. In the next 10 minutes it was a different story however, as the Pointers pulled away to a 26-14 lead. At the final buzzer, the score stood at 86-66 in favor of Point.

The Purple and Gold will be looking for their 8th conference victory this Saturday as they travel to Platteville to battle the Pioneers. This will be the final game for the Pointer cagers.

in the National Association of Intercollegiate Athletics (N.A.I.A.) Tournament which is - SCHOOL SPIRIT! This is what that team has behind it which many other teams in the conference including ours, don't have. It is not that the students of Stevens Point "don't care." It is that the students win or lose; the fact is that last Saturday night, the Indians started three of the four fencers to La Crosse State Indians. As the score indicates, it was a nip-and-tuck battle all the way.

In the first half of the fastest action, the Indians, under head coach Cliff DeVo, had as much as a ten-point lead. However, before the half ended, Krueger's Boys were on top of the Indian totetpole, 35-38. It wasn't long after the two teams came out of the dressing room for the second half of the action that DeVoll's cagers pulled way to an eleven-point lead of 65-51 with only ten minutes left to play. For the remainder of the game, the Indians maintained a four to six-point margin until WSU's last-second bid.

La Crosse outshot the Pointers, hitting 30 of 69 tries for a .45 percent average as compared to WSU's 33 for 74 efforts, a 45 percent markman- ship; capped a victory from WSU at 86-66 in favor of Point.

The title of the retreat will be "New Creatures in Recreation." Speakers are to be Mr. Don ald Rosenberg, Executive Secre tary of Christian Education in the North Wisconsin District, and Pastor James Buckman of Neenah, Wis. Activities sched uled include swimming, skating, and a hayride.

Anyone interested may register until Mar. 4 at the cost of $5.
