The Pointer Invitational

170 Pointers traveled to Michigan on Friday, May 12, to compete in the Michigan Tech Invitational and won off with the best performance in the history of the program. A total of 277 points were scored. The team, led by Coach Joe Green, placed first in the 170-pound weight division, winning all six matches. The team was the first Michigan Tech team to win a national title.

The TRIPPERS disembarked at Boulk Park ready to enjoy the food and entertainment awaiting them.

These fugitives had some difficulty finding the right route. "I told you we shouldn't have turned right back there," said the pointer.

Opportunity for Scholarships

The Educational Director of Pointer Magazine and the International Student Association announce that applications for university scholarships are available in the Student Union. The scholarships are for full-time students who meet certain eligibility requirements. Applications should be submitted by May 31. For more information, contact the Scholarship Office at 555-1234.
