WSU Students Receive Foundation Awards

The Washington State University Students Foundation, Inc., has selected 37 students for financial assistance for the 1967-1968 academic year.

A new program to recognize exceptional students and stimulate academic achievement is also being implemented. This program was established at the University by faculty members in recognition of the need to foster academic excellence. The new program is aimed at students who have not previously been recognized for their academic achievements.

The program will be administered by the Dean of Students, and will provide financial assistance to students who demonstrate academic excellence.

The program will be available to all students who meet the eligibility requirements. Students who are interested in applying for financial assistance should contact their academic advisor or the Dean of Students for more information.

The program will be evaluated on an annual basis to ensure that it is meeting the needs of the students it is intended to serve.

The purpose of the program is to support students who have demonstrated academic excellence, and to provide them with the resources they need to succeed academically.

The program will be administered by the Office of Academic Affairs, and will be funded by a combination of state and federal funding, as well as contributions from the University community.

The program will be reviewed on a regular basis to ensure that it is meeting the needs of the students it is intended to serve.

THE PODIUM
Speculation Stirs
About Student Senate

There has been a growing amount of speculation in relation to a "stacking" of votes in Student Senate.

This speculation has intensified with the recent appointment of two new people to the Senate. School wide Senate elections will be coming up again after this year, and it is quite reasonable to question why these appointments, for seats which have long since been filled, are being made so far in advance.

A study of the agenda for Senate before May reveals plans to vote upon several important issues; reorganization, the constitution, and the finance of the Student Senate, which constitute the power of the presidency.

We feel that these recent appointments could influence the balance of voting in the acceptance of the reorganization plan and the constitution, favored by Senator President Warren Kowalski.

Though this represents a mixture of facts and conclusions, it will be interesting to watch future Senate developments, beginning with their meeting at Nesy Hall, Thursday at 6:30 p.m.

If You Ask Me

WSU Library Complimented

"What a wonderful library...your facilities are so much better than any other library I have been in." These were the words of Dr. Henry H. Williams, Dean of the College of Agriculture and Home Economics at the University of California. Dr. Williams was speaking about the newly remodeled library.

The library has performed in such a way that it has won the admiration of all who have visited it. The new facility is much better than the old one.

The library has been much improved by the change from the old building to the new one. There are many more books and the reading room is much larger.

The library is a fine facility and it is a credit to the university.

during Monday afternoon, the audience fell in line but not only on their own lack of concentration, but also on the concentration of large numbers of others who were present.

The library has been much improved in appearance and is much more attractive than before.

Track Team Takes Second Dual Meet

The West Wisconsin track team took its second dual meet of the season Tuesday night over the near Blue Devil track and field.

Prairieland's Tom Jefferd completed a 200 yard win and won his second consecutive 440 yard race after Steve Luebke, the state runner-up for the old state league.

Miss Pauline Luebke, who placed third in the 1000 yard run and third in the 220 yard race.

By Tom Luebke

Due to the warm weather, the rink was crowded with spectators the entire day on Wednesday. A large group of fans gathered around the rink to watch the "first" of the family in the state's history. Carl C. Luebke, his son, and his son's son, were the only spectators present.

SOMETHING NEW

Two more winter sports exceed their seasons on Saturday. One ended on a bright note while the other's finish was rather dark.

The swimming team finished in second place in the conference meet, the highest in history for a UW-Stevens Point team. "I don't have enough words to describe how we won this weekend," stated Coach Lynn Blair about the effort exerted by the team at the conference meet. "They did a tremendous job."

Making Way for the Packers in their second place finish was Bob Skoronski, senior and co-captain of the team. The owner of a great point of pool area variety has ended his collegiate career, but not before he had overall listed some new conference winners. Picked as the Most Valuable Swimmer in the Central last year, Skoronski is once again a strong candidate for the same honor this year. His versatility can be noted by the records he now shares in many events. His loss, and that of co-captain Joe Conachen, also a senior, will have very much been missed. Both of them have led the Pointers' victory over the Wisconsin-Oshkosh crew, 71-66, last week. They won the same margin over the Racine 9th graders, 66-58, Saturday afternoon. In a meet which lost the next match, Skoronski lost the 50 free, 26.12, and the 100 backstroke in 58.47, 58.12, and 1:00.82, respectively.

The SWU-River Falls meet was held on Saturday afternoon at the Fieldhouse on Thursday. The Pointers took down the 400 yard freestyle relay team for the first time in a meet.

180 Vets Receive Checks

At Wisconsin-Stevens Point, 180 veterans received a check for $100 each from the federal government. The checks, which are paid out for military service, were given to the veterans on the state university's campus.

The students completed their service between 1941 and 1945 and have been on the federal government's payroll since 1948.

The students are paid $100 for their service each month, plus $100 for each month of service, and $100 for each month of service.

The students have completed their service and have been paid $100 for each month of service.
