WORLD EVENTS

1. **7/18/76 NADJA ON HER MEDAL WAY** — Nadja Comaneci from Romania performs an excellent balanced jump on the horse vault during compulsory events and optional exercises at the 1976 Olympic Games in Montreal. Nadja proved to be the outstanding girl in gymnastic events, earning several "perfect" scores for her performances.
2. **1/1/76 A TV FIRST** — Louise Lasser, female star of the new comic soap opera "Mary Hartman, Mary Hartman" rehearses a scene for the show's premiere this month.
3. **6/1/76 FIRST SPANISH MONARCH VISITS U.S.** — King Juan Carlos I of Spain, accompanied by Queen Sofia, arrived in the United States for an official state visit.
4. **11/9/76 OUCH!** — Running back Norm Bulaich of the Miami Dolphins reacts as he receives a swine flu shot from Marlene Teichner of the Dade County Health Department in Miami, Fla.
5. **1/12/76 DAME AGATHA CHRISTIE DIES** — Miss Agatha Christie, the famous detective writer, died at her home in Wallingford, England. She was 85 years old.
6. **5/24/76 BRITISH CONCORDE LANDS** — A British Airways Concorde SST lands at the Dulles International Airport near Chantilly, Va., to inaugurate commercial SST passenger service between London and Washington.

7.

7. **6/16/76 DEMONSTRATORS BATTLE POLICE** — Part of a crowd of 10,000 black high school students clash with police in Soweto, South Africa after the students protested the mandatory use of the Afrikaans language in the schools. As rioting spread, the pupils sang "God Bless Africa" and waved their fists shouting "Power."
8. **7/29/76 THE JENNER RUSH** — Bruce Jenner of the United States rushes to the finish line to place first in the fourth heat of the 400-meter run of the Olympic decathlon competition at the Montreal Olympic Stadium. Later in the year Jenner was named Male Athlete of the Year by the Associated Press.
9. **4/25/76 KISSINGER IN KENYA** — Secretary of State Henry Kissinger and Kenya President Jomo Kenyatta are flanked by costumed dancers who performed at the State House in Nakura in honor of Kissinger's visit. During Kissinger's two-week tour of black Africa, both dignitaries affirmed cooperation between their countries.
10. **9/30/76 CHINESE MOURN MAO** — Commanders and fighters of the Chinese People's Liberation Army, with boundless profound proletarian feelings, pay last respects to the remains of Mao, their most esteemed and beloved leader.
11. **8/4/76 JUNKYARD RIVER** — The Big Thompson River looks like a junkyard in this picture taken in Drake, Colo. Three cars in the foreground and a wrecked house on the remains of a bridge over the river are leftover signs of the heavy flood damage inflicted on the tiny town by the weekend flash flood.
12. **9/1/76 INSPECTION** — Kathryn Wildey, left, of Spokane, Wash., and Cheryl Swartz of Saginaw, Mich., stand at attention as they are inspected along with male members of the Cadet Corps. Horizon

I came to UWSP because it's only thirty-four
miles from Wausau, that's my home.
Jim Grabau

I came to UWSP to seek truth, to find reality.
Ann Fiereisen

I feel I am here to warm a
seat at the Grid.
Sue Clark

I came to UWSP to eat SAGA food.
Arnold Zzirno

The people I've met have opened my mind up on a lot
of subjects that I hadn't really thought about.
Judy Laake

The people here are not afraid to talk to you, they'll help you when you need help. You've got the 'Square' atmosphere where everyone gets together to socialize and the Union where everyone is really friendly. You can walk up to people and start talking to them. I've been to several other schools where if you do that, they look at you like you're some kind of nut. If they don't know you, they don't trust you. Here it's completely different.

Jim Grabau

My initial goal at Stevens Point was to get an education in Natural Resources, but after I flunked my first biology test, I decided to change my goal in search of a business education.
Mike Krach

The people I've met and the situations I've been in at UWSP have made me aware of how the real world lives, ... with true universal insanity.

Nancy Gartzke

This campus is doing things,
it's moving ahead. It has a
great deal more than some
other schools have to offer.
It's not a huge impersonal
campus, sprawling over the
landscape, yet it's not a
small town school either.
It's just what I'm looking
for, a stepping stone to
bigger and better things
Morgan McArthur

I've met a lot of great people and I've
learned a whole bunch about myself and
others.
Johnni Evans

Actually, my choice of UWSP was a pick in the dark. I didn't know anything about the school. I just picked it randomly, but I'm glad I did.

ROTC

"Leadership training", is the basis of the Army ROTC on campus. This program combines the learning experience of managing people and developing responsibility. After participating in a two year ROTC program in college, a student will graduate as a commissioned officer with a college degree.

On the Stevens Point campus the ROTC program has seen a marked improvement in enrollment in the past year. This increase in interest is reflected in the attitudes of the students as well as the leading officers of the program.

Semester Abroad provides a way to earn college credits and meet new people while gaining insights into their ways of life and attitudes.

OF FINE ARTS

A R T

Approximately two hundred majors and eighty minors comprise those in the field of art on the Stevens Point campus. This department offers a Bachelor of Science degree in the Fine Arts, a Master's degree in Studio Art and the opportunity to earn a doctorate degree in Art Education. These students may either go into the teaching of Art and Art History or pursue a professional career in the field. In either case the art curriculum supplies the student with a very good background in the nature of skills and theory. Course offerings include

a range of basic design courses, many aspects of art history and classes which center on a student's specific interest.

Goals in this department center on challenging a student's creativity. The teachers don't just teach but also exhibit their work and research specific fields of art. This striving to improve the quality of education encourages the generation of original thought which is the essence of creativity.

THE HOT FISH SHOP

Misleading name for an exceptional restaurant.

We've lived with our good name too long to change it. But it's a bit misleading because it fails to suggest that here you'll find not only exquisite seafood, but piquant appetizers, robust steaks and chops, and delectable, delightful

desserts. All fit for a gourmand. All obviously prepared with love and imagination by cooks who are masters at their craft. And served with solicitude in a remarkably gracious setting. So come enjoy. Even if you hate fish.

"Though the mills of the gods grind exceedingly slow, yet they grind exceedingly fine... Habit is a cable; we weave a thread of it every day and at last we cannot break it. Hmmm! I wonder what that has to do with anything."
