Homecoming at WSU

A Songfest began this year's Homecoming Week activities. Representative students from organizations on campus performed favorite songs of many, such as "Guantanamera." Students attending, participated in a sing-a-long.

As the queen candidates met with their sponsors on Wednesday night, individual rallies were held. Banners, posters, and slogans created an enthusiastic atmosphere for the rest of the week's campaigning.

A blazing, record-setting, forty-foot six inch high bonfire showed the freshmen's fire and spirit for Homecoming. Although the ashes died out, the student spirit was kept alive for Thursday's, "Yell like Hell Night." Pep and enthusiasm were created for Saturday's game. The queen candidates were introduced to the student body at that time.

A nationally known folk-singing group, the Rooftop Singers, provided the Friday night entertainment. Campaigning was finished, votes were counted, and excitement was building as the announcement of the queen drew near. Our 1966 Homecoming Queen was Miss Kay Johnson, sponsored by Baldwin Hall. Her court included Miss D'Anna Lewis, sponsored by Tau Kappa Epsilon, Miss Patty Lyon, sponsored by Sigma Pi, Miss Pat Barry, sponsored by Sigma Phi Epsilon, and Miss Gerry Campos, sponsored by Sigma Tau Gamma.

Saturday's parade was a great success in spite of the rain, Sigma Pi won first place in the humorous division with a float featuring a movable rabbit. Sigma Tau Gamma won first place in the serious division.

The rainy weather did not dampen enthusiasm at the game either. The Pointers swamped the Yellow Jackets of Superior by a score of 36-0. A dance, Saturday night, concluded the week's activities.
Campaigning for Queen Candidates began early. Tau Kappa Epsilon offered an all-week vigil for their candidate.
Students labored to achieve a bonfire of record height.
Rain failed to stop W.S.U. fans from cheering the Pointers on to victory.

Sigma Pi fraternity placed first in the humorous division with their huge "Bugs Bunny" float.
The Niemski's added their enthusiasm to the Homecoming parade.

The Pointers romped through the mud to achieve a 36-0 Homecoming victory.
The Rooftop Singers provided a climax for the Homecoming activities.

Kay Johnson, sponsored by Baldwin Hall, was crowned 1966-67 Homecoming Queen.
Homecoming Queen Candidates for 1966-67 included; Pat Barry, Gerry Campos, Kay Johnson, D’Anna Lewis, and Patty Lyon.

"Pointers Wash 'em Yellowjackets" was the theme of Pray-Sims Hall's dorm decoration.
"Snow Blast" was the theme of last year's Winter Carnival, which was dedicated to Miss May Roach, professor emeritus of W.S.U.-S.P. The week began with the traditional torch-run from Madison, February 11. Sunday followed with a reception for Miss Roach, the torch-light ceremony, and a kick-off dance. The week included a series of interesting events: a style show, legs contest, hair-do contest, pancake-eating contest, and pipe-smoking competition. A ski and toboggan party and chariot race were held at Iverson Park. Friday proved to be a day of expectation and excitement, with Ice Sculpture judging, the Woodchopper’s Ball, and the coronation of King Ken Peterson and Queen Barb Wheeler. Saturday was a day of fun and frolic, with such death-defying contests as the "Sadie Hawkins Race", a log sawing contest, tug-of-war, shovel race, volleyball competition, and log throwing contest, which tried even the toughest "aficionados". Sunday climaxd the eventful week with a program held at the Fieldhouse, featuring comedian Biff Rose, and folk group, "The 3 D's". Presentation of trophies and beard judging occurred during the intermission. The trophy, for most overall points in the women's division, was presented to the Alpha Phi's. Sigma Tau Gamma won the trophy for most points earned in the men's division.
Bronson LaFollette, attorney general of Wisconsin, lights the Winter Carnival torch on the Capitol steps in Madison.

The ice sculpture of Snoopy and his horn, by Sigma Tau Gamma, won first place in the men's division.
W.S.U. women showed their superiority in the "Sadie Hawk-in's Day" contest.

Miss May Roach, to whom Winter Carnival was dedicated, is shown lighting the 1966-67 torch.

The Alpha Phi's ice sculpture, "Blasted Fish Tale", won first place in the women's division.
The pancake-eating contest drew many "eager" participants.

"Brandy", Mr. Leafgren’s Saint Bernard, was mascot for the “Snow Blast”. Paul Braun escorted Brandy to the various activities.
Winter Carnival Games included outdoor volleyball competition.

(Photo by: S. Brunner)
Crowning of 1967 Winter Carnival King Ken Peterson and Queen Barb Wheeler, was performed by last year's King Jerry Glocke and Queen Fran Lewis. Ken and Barb were nominated by Pray-Sims Hall. (Photo by: H. Witz)
Bitf Rose provided entertainment for the "Snow Blast's" Climax Program.

Dick, Duane, and Denis, known as the "3 D's", appeared at the Fieldhouse as a climax to the 1967 "Snow Blast".
The first main event of the school year was the Pointer Jubilee. It was held in the University Center's Frank Lloyd Wright Lounge, and was sponsored by the UCB. Their purpose was to acquaint students with the activities on campus. Displays were presented by the "Greeks", Student Senate, and other organizations.

One of the most popular booths at the Jubilee was the Alpha Phi Jail. For five cents, one could send anyone to jail for five minutes.

The roulette wheel of Alpha Phi Omega was another favorite. Here, the students had a chance to match their skills against the odds of probability for dice and pinups. Delta Zeta sponsored a fortune telling booth where one could reach the realms of the unknown.

In true conservation style, Alpha Kappa Lambda brought a live animal display, consisting of a fox, badger, and a raccoon. The UCB showed slides to illustrate the growth of WSU. The Student Senate explained their activities with pamphlets of their program, budget, and constitution.

While all this was going on in the Lounge, there was also action in the Paul Bunyan Room, where the Birmingham's kept the place rocking. The Gridiron was the camp ground of a friendly tribe. The "Indians" served refreshments to the "pale faces".

In all, the Pointer Jubilee was a success and was enjoyed by everyone.
Delta Omicron (ABOVE) and Delta Zeta (BELOW) prepare for Pointer Jubilee.

The Indians keep the spirit alive.

Alpha Phi Omega spins the wheel for prizes.
The search for a friendly spirit begins.

The Home Economics Major

Learning to cook and sew does not begin to describe the ideals and opportunities in Home Economics. The 285 majors in the Home Economics Department are becoming specialists in foods and nutrition, dietetics, education, or tailoring. Neither is Home Economics limited to women. The food service management curriculum provides experience for men in quantity food production and administration.

The Home Economics Department Of WSU-SP, which has its headquarters in the east wing of Old Main, was established in 1902 making it one of the oldest in the nation. But with its well qualified faculty, present remodeling, and future expansion plans, the department is a forward looking institution. It provides Wisconsin and the nation with Home Economics teachers, extension worker, researchers, fashion coordinators, school lunch directors and consumer educators. Graduates also work in public relations, social welfare, and communications media.

Before THE day, Graduation, a Home Economics major spends many hours in classrooms and laboratories. Areas of study include: Color and Design, Selection of Textiles and Clothing, Human Development, Family Economics, and Home Management. These core requirement are complimented by courses depending on the sphere of concentration and individual interests. A major in Home Economics may be obtained in the School of Education or in the School of Applied Arts and Sciences.

DeCormier Folk Singers

The rich voices of the Robert DeCormier Folk Singers could be heard throughout the fieldhouse of the Wisconsin State University on September 23 of 1966. The group consisted of 14 men and women vocalists, and 3 instrumentalists. The group presented a program of songs of various nations.

Folk music is the core of the DeCormier’s repertoire. They started the program with North American folk songs such as, “Turn, Turn, Turn,” “Blowing in the Wind,” and “Cotton Fields.” The DeCormiers then sang through the treasures of other countries. These included “Guantanamera” and “Cock Robin.” The program closed with songs of the American Negro.
Princeton Chamber Orchestra

The Princeton Chamber Orchestra performed at the fieldhouse on Saturday April 8, 1967. The orchestra, one of the finest of its kind anywhere, consists of 21 of the greatest professional musicians. Many of them were once members of leading symphony orchestras and chamber music ensembles. The orchestra has been praised by both the press and other musicians.

Hungarian-born Nicholas Harsanyi is the music director and conductor of the Princeton Chamber Orchestra.

The orchestra plays music drawn from all periods including baroque, classical, romantic, and contemporary. Among Saturday's selections were some by Pergolesi, Britten, and Elgar.
On November 2, 1966, the Minneapolis Symphony Orchestra performed at WSU’s Fieldhouse. Under the direction of Stanislaw Skrowaczewski, the orchestra presented the works of famous composers, the majority of the program being taken from music’s Romantic Era. Among the pieces presented were Tchaikovsky’s “Symphony No. 6 in B Minor,” Beethoven’s overture, “Consecration of the House”, Opus 124, the Funeral Music of Lutoslawski, and Suite No. 2 from Ravel’s “Daphne and Chole”.

The Orchestra, one of the oldest in the United States, dates from 1903, and since that time has been under the direction of such well-known conductors as the late Dimitri Mitropoulos, Antal Dorati, and Eugene Ormandy. In addition to many home appearances and tours, the Orchestra has also made recordings of its music.
Rudolf Serkin

Rudolf Serkin, said to be one of the world’s great pianists, presented a concert on November 16 in WSU’s Auditorium. Serkin’s program at WSU included Bach’s “Fuge in A Minor”, Beethoven’s “Sonata in F. Minor”, Busoni’s “Toccata”, and “Four Clavierstucks”, Opus 119 by Brahms.

Besides his concert schedule, tours, and recordings, Serkin is also head of the Curtis Institute piano department, director of the Marlboro School of Music and Festival, and has been an integral part of the Casals Festivals in both France and Puerto.
The music of the Bartok Quartet was heard on WSU’s campus on Feb. 3rd of 1967. The quartet presented selections by Hayden, an original composition, and a selection by Brahms. The Bartok Quartet has traveled extensively throughout Europe appearing on radio and TV networks in many countries such as Italy, Germany, France, Finland, and Poland.

Besides their many quartet activities, the men hold first chair positions with the National Philharmonic Orchestra in Budapest.
The Bernard Shaw Story

The Bernard Shaw Story performed by Bramwell Fletcher was presented in the Auditorium on Sat., Jan. 7th. Bramwell Fletcher revealed the personality of Bernard Shaw in his private and public life, from youth to old age. The performance left the audience with a picture of Shaw as a great man and artist.

The production is divided into two parts. In the first part we saw Shaw's early life — his boyhood and his years as a newspaperman, a critic, a novelist in London and a playwright. In the second part we saw Shaw, a mature man, looking at the problems that beset civilization.

(ABOVE) Bramwell Fletcher portraying Bernard Shaw
(LEFT) Bramwell Fletcher
Evelyn Lear

On May 8, 1967, Soprano Evelyn Lear presented the final concert of the WSU Stevens Point Arts and Lectures series in the WSU Auditorium. Miss Lear, since her American debut as "Lulu" with the San Francisco Company in 1965, is acknowledged as our new talent among American sopranos. It was in Germany that she was first discovered and she has now become one of the singers most in demand, in Europe.

In her performance at WSU Miss Lear sang selections by Haydn, Mozart, Schumann, Wolf, Strauss, and other great authors.
William Warfield

The Arts and Lectures series was proud to present William Warfield on Saturday evening, Feb. 25, 1967. Warfield, a bass-baritone, is considered one of the top vocal artists of today.

Warfield has toured Europe with the Philadelphia Orchestra as a soloist. Because of his outstanding performance, Mr. Warfield has become associated with the role of Porgy in Gershwin's "Porgy and Bess". Mr. Warfield has also been featured on many TV and radio programs, in movies and he has also made a number of best-selling recordings.

His performance at WSU included "If Music be the Food of Love", "Since from my Dear", Negro Spirituals, and other pieces. The audience readily responded to the pieces which he sang for his encore.
Bernarda claims to her guest, Prudencia, "A daughter who is disobedient stops being a daughter and becomes an enemy."

The auditorium of WSU was the scene of the play “The House of Bernarda Alba” by Garcia Lorca. The Players presented the play on Oct. 19-22, 1966. The production was directed by Alice Peet and designed by Frieda Bridgeman.

The theme of Bernarda Alba is one found among many Spanish writers; that of family honor. The Spanish personality has the characteristics of placing great importance on maintaining traditions at any cost. From the Golden Age of Cervantes and Lope de Vega to the present, the subjects of virginity and adultery have been treated seriously by Spanish authors with the idea that the violation of the code would only lead to tragedy. This Spanish idea can be seen portrayed in this play, as we see Bernarda meticulously protecting her five daughters.

The dashing bandit, El Gallo, “dies” convincingly during the abduction.

The young lovers pledge love eternal.

“The Indian Who Dies” suffers the pains of his profession.

Director .................. Dr. Seldon Faulkner
Choreographer ............. Neal Peters
Musical Director ........... Dr. Don Vogel
Designer ................... Mrs. Freida Bridgeman
The "Fantasticks", directed by Dr. Seldon Faulkner, was presented by The Players on December 7 - 10. The play, based on Rostrand's play, "The Romancers", was a musical comedy concerning young love, parents, the world, and human nature.

The 'boy next door' discovered the emotion of love while reading "Romeo and Juliet", and fell in love with the 'girl next door'. The fathers of the couple feigned disapproval of the proposed match, but at the same time schemed to have the youngsters wed. To keep the young people apart, the fathers staged a feud and even built a wall between their houses.

To create an irresistible romantic mood, the fathers hired a desperado to abduct the young lady. But the young man decided he wasn't ready to settle down yet, and wanted to see the world first, so he left her. The girl soon had the same idea, but the bandit, with a change of heart, told her what an evil place the world really was. But she wasn't convinced until her lover came back, beaten down by the world. On his return, the couple were happily reunited. (Photos by Dr. T. K. Chang)
Witch Boy begged to leave his supernatural home to marry the woman he loved.

The preacher petitioned God to forgive the repenters.

"Dark of the Moon" is the story of a strange love between two people of two different worlds— a girl named Barbara Allen and a witch boy called John. The witch boy falls in love with Barbara and desiring to be human in spite of warning, makes a bargain with the Conjur Woman to change him into a human if Barbara remains faithful to him for one year. The town folk on discovering the truth about John's non-human nature, take part in a church rape upon Barbara to save her from her witch-husband. Meanwhile two she-witches make a bargain with the Conjur Man that if John tries to break his bargain they will be granted the life of Barbara and he is changed back into a witch.

Only on a night when the moon goes dark could two such people fall in love and only in the brightness of the moonlight could the fantasy of their love end. (Photos by Dr. T. K. Chang)

Valere and Jacques put forth opposing ideas on how Mariane should be brought to the house to meet Harpagon.
The University Theatre presented Moliere's farcical satire on May 3-6 in WSU's auditorium. It was the story of a widower, with a grown son and daughter, whose only concern was his ten thousand crowns. Unknowingly, the misers, Harpagon, and his son were romantically competing for the hand of Mariane.

When Harpagon announced his intention to marry a poor country girl, his son realized that it was the girl he himself loved. When Cleante's plan to dissuade his father's intention failed, his servant suggested stealing Harpagon's money. Harpagon would then be forced to choose between the girl and the money. Harpagon chose to have his ten thousand crowns returned, with the result that each man had what he treasured most. (Photos by T. K. Chang)

Director & Producer ................. Don Vogel
Conductor .......................... Robert von Nuys
Choreographer ..................... Neil Peters
Choral Director .................. Kenyard Smith
Technical Advisor ............... Alice Peet

Frank, Adele, Sally, and Frosh meet again at the jail.
"Die Fledermaus", a comic opera by Johann Strauss, was presented by the WSU Opera Workshop on November 10-12, in the WSU Auditorium. It is based on "Revillon" by Meilhac and Halevy and was first produced in Vienna in 1874, the location and time of the opera's story.

Baron Gabriel von Eisenstein was sentenced to eight days in jail for a minor offense, but was persuaded by his friend Dr. Falke, to postpone surrendering and to attend a costume ball that was given by Prince Orlofsky.

Seeking revenge on Eisenstein, Falke also invited Rosalinda, the baron's wife, Adele, her maid, and Frank, the prison warden. All appeared under assumed identities.

During the ball, Eisenstein made love to his own wife under her assumed name, and she stole his watch as evidence of his misbehavior.

After the party, Eisenstein finally reported for jail, and found Adele and a still tipsy Frank already there. Rosalinda arrived soon after, and eventually everyone's true identity was revealed. Falke then confessed that the evening was all his plotting and a good practical joke on everyone. (Photos by Dr. T. K. Chang)
Trouble in Tahiti

CAST

Dinah .......................... L. Palmer
Sam ............................. R. Holquist
The Trio .................... L. Williamson, B. Nehring, R. Hermanson
Director & Producer .......... Don Vogel
Conductor ..................... Robert Van Nuys
Technical Advisor .......... Alice Peet

"Trouble In Tahiti" was a music-drama commentary on the emotional and social conflicts faced by a young married couple in a typical American city. In the early days of their marriage, Sam and Dinah were happy and much in love. After ten years of marriage, they drifted apart from one another, each with his own interests. They were not even able to talk civilly to one another.

Sam focused his life on his job, his handball tournament, and his hold on the illusion of youth. Dinah’s life consisted of attending dull movies, buying new clothes, and sitting in long sessions with her analyst. Their attempts at reconciliation were rare and futile. The opera closed leaving them as they were found — in the midst of a dull, unhappy life.

Dinah mimics a scene from another dull afternoon movie she has just seen, called "Trouble In Tahiti".

88
Sam makes a feeble gesture of reconciliation to Dinah, but as before, accomplishes nothing.

After his winning the handball tournament, Sam and Dinah make an attempt to talk things out, but it ends in harsh words.

Producer & Director .............. Don Vogel
Conductor .......................... Robert Van Nuys
Technical Advisor .................. Alice Peet
Choreographer ...................... Neil Peters

Dr. Gregg professes his love to Lola.

The announcer promotes the sponsor's product, "Billy Boy Wax."
“Gallantry”, by Douglas Moore, was a satire on modern-day serialized television soap-operas. It took place in a hospital and centered around a love triangle which included Dr. Gregg, Lola, a nurse, and Donald, a patient who was also a hospital employee. Dr. Gregg, a married man, loved Lola, but Lola loved Donald. Because Lola spurned his love, the doctor attempted to kill Donald while he was under anesthesia on the operating table. His attempt was thwarted by Lola, and the serial then ended for the day.

The show was sponsored by Lochinvar Soap and Billy Boy Wax, and was interrupted by the inevitable commercial.
Last Lecture Series

The Last Lecture Series presented, among others, the dynamic speeches of Dr. Beck, Dr. Fortune and Mr. Houlihan. "Sensory Processes of the Schizophrenia" the topic of Dr. Beck's lecture, dealt with the interrelationships of the measures and the differences found in the schizophrenic and non-schizophrenic.

Dr. Fortune stressed the importance of a person realizing his self identity. He said there is a need for a person to test his beliefs against other people's ideas. This, he feels, will strengthen his own convictions and will make one sure of himself.

Love, religion, and careers were the subjects of Mr. Houlihan's lecture. Mr. Houlihan expressed the importance of faith in God. God understands each one of us separately and uniquely. Man must follow his beliefs to success.

Dr. Beck compares the sight of the schizophrenic with the non-schizophrenic.

Dr. Houlihan stresses the importance of everyone's individuality.

"I believe we should have a Marxist or a Communist here to speak," states Mr. Fortune.
Mr. Vern L. Kagarice, trombone and tuba player entertains for a Faculty Recital.

Student and Faculty Recitals

The WSU-Stevens Point Music Department presented both student and faculty recitals during the school year 1966-67. Presenting faculty recitals were: Mr. Kagarice, trombone and tuba player with Jack Cohan as the pianist; Mrs. Gerson, soprano; and Mrs. Geesamore, violinist and others.

Miss Salzman, pianist; Miss Wanichek, soprano; Mr. Walters on the clarinet, and others took part in the senior student recitals.

Miss Mary Winchek performs at her Senior Student Recital.
Football

The Pointer football season began on September 17th, with a 13-9 loss to Whitewater. The loss marked the third straight year that the Pointers have lost to the Warhawks by four points or less.

The Pointers were predicted to rebound from opening losses and latch onto a winning streak, which they certainly did. The defense was one of the best in the conference. It continued to progress as the season advanced.

The Stout game, which was expected to end in defeat, brought us a very close victory, 21-20. This game was further proof that the Pointers deserved a conference championship.
The Pointers try for a first down in the starting minutes of the Platteville game.

The Pointers loss to River Falls dashed all hopes of a championship. But, even in this loss, one bright aspect of the game was apparent—the offense. The offense was improving with every game, but improvement came too late.

The Pointers ended the 66-67 season in third place behind Whitewater and River Falls. Thus the season which started on a sour note ended with an optimistic attitude for next year.

John Harris (30) holds while Jim Peters kicks an extra point.
Jim Liebenstein, with the ball, has difficulty advancing against Platteville.
Peter Bratz adlibbed while calling plays during the games.
Tigges evades the opposition for yardage.

Pointer player and the ball connect for a touchdown.
Cross Country

The 1966 Cross Country squad, coached by Robert Bowen ended their season with a 4-4 record and was 4th in the conference with 70 points.

The runners selected by their teammates for special honors were Joe Gehin, most improved; Dale Roe, most valuable; and Paul La Mere, Captain. Dale Roe was also elected to All District N.A.I.A. first team and Paul La Mere received honorable mention.

A final push for victory.
Basketball

Four one-point, unfavorable decisions marked the WSU-Stevens Point basketball team with a losing season. The Pointers ended the season with 7 wins and 13 losses overall and 5 wins and 11 losses in Conference action. The team finished 7th in the conference standings.

In non-conference tune-ups the Pointers showed flashes of potential as they defeated Winona State 82-74, and St. Mary’s College 80-77. WSU hosted River Falls in the conference opener. In the SUC debut the Pointers set a new single game school scoring record — 110-90. The team suffered their first loss to Stout State. This defeat was followed by two more — Eau Claire and Oshkosh, and one win over La Crosse. After dropping four games, to Stout, Eau Claire, St. Norberts, and Platteville, the Pointers downed conference champions, Oshkosh, to end their long losing streak. They lost the next game to La Crosse and finished their season by defeating Superior 90-83.
Bill Wesenburg arches a shot while Vic Koppang (50) and Andy Schaffer (54) move in for the rebound.
Dennis Carberry (42) desperately attempts to block the shot.
Coach Krueger explained that the team was young, ten sophomores and one freshman. The highlights of the season were defeating Oshkosh and taking second place in the Belle City Holiday Tournaments.

This year's captain was Chuck Ritzenthaler. Jim Fitzgerald was voted most valuable player.
Wrestling

The Pointer Wrestling Team, for the first time in history, failed to place an entry among the top three in any of the 11 weight classes. In doing so they finished in a tie for last place in the State Collegiate Wrestling Meet held at Stout. Three Pointers won their opening matches but none advanced beyond the quarter finals.

At River Falls the team had a three dual meets and wound up winning two. Pointers beat Carleton 31-13, Eau Claire 23-15 and dropped a 32-4 verdict to River Falls.

During the Eau Claire meet, Steve Brown put the Pointers ahead by pinning his opponent. The Pointers faced a 14-3 defeat after five matches, but came on strong winning the last four matches to take a hard fought 19-14 triumph.
Bob McClelland attempts to escape from the clutches of his opponent.
Gary Schneider, during a practice session before the Stout Meet, practices on the long horse.

Gymnastics

John Schiess easily executes a hand stand on the parallel bars.
Steve Koester, all around, greatly improved the Pointer’s score by this show of skill on the parallel bars.

The Stevens Point Gymnastics Team was coached by Bob Bowen and Virgil Thiesfeldt. Many of the members of the team were freshmen, with no previous experience in the sport, and it was thought they would have a dismal season. To the delight of many, the Pointers had a very respectable season and it looks as if the team will be a power house in the future for Point. Standouts for the team were freshmen Gary Schneider, Jim Spink, Steve Koester and the only letterman, Tom Rohm.
Swimming

In the Titan Relays at Oshkosh Stevens Point finished 6th in a field of nine teams. The Best of the Pointers finishes was the 800 yd. free style team of Bill Gelwicks, Doug Ever, Jeff Pagels, and Bob Bulik.

The Pointer’s also whipped Oshkosh 55 1/2 to 40 1/2. Stevens Point won 12 events and added 3 seconds. Bill Gelwicks double victory helped the team immensely. These were in the 200 yd. individual and the 500 yd. freestyle. Joe Conachen and Doug Evers made a great showing in the 100 yd. free style and 1,000 yd. free style, respectively.
Dave Stebnitz exhibits his record-breaking form.

The Pointer's competed in the 11th Annual NAIA Swimming and Diving Championship at Buffalo, N.Y. and set three new school records. Dave Stebnitz led the Pointer delegation by setting two record times. Ron Senkins was the only other Pointer who placed in the top 12 in an event. He accounted for the other school record.

The Pointers ended in second place in the conference.
Terry Wallschlaeger and Larry Schillings take a breather while Coach Blair looks over the results of the finished game.

Dave Anderson makes a successful return during a singles game.

Tennis

The netters started off the season in fine form by beating Winona 7 to 2. Then as the season moved on the Pointers lost to LaCrosse and Whitewater. They then evened the score at 3 wins and 3 loses beating Northland College 5 to 2 and Eau Claire 7 to 2.

This year’s tennis team showed an abundance of individual and team spirit and this was a decisive factor in the Pointer wins. The members of ’66-’67 tennis team were Ed Terzynski, Herb Waymire, Tom Wallschlaeger, and Tom Cattanach. The members of the double teams were Bob Bulik - Larry Shillings and Tom Collins - Bill Sparr.

112
Coach Quant views one of the Pointers during a golf meet at the Stevens Point Country Club.

Golf

The Pointer Golf team started off the year at a disadvantage because of the inclement weather which made for bad playing conditions.

As the season progressed the team managed to overcome the natural handicaps in order to defeat Ripon. The Pointers then lost to Whitewater but finished the season by beating St. Norberts and Northland Colleges.

The members of the '66-'67 golf team were Gary Habeck, Jerry De Nuccio, Tom Hatch, Fred Jaskie, John Praais and Dick Schauer.

Jerry DeNuccio drives for a hole-in-one.
Chuck Ritzenthaler (below) warms up between innings.

Baseball

This year's baseball squad found nine returning lettermen with 44 more men trying for the team. With this great array the season looked quite promising. Coach Clark felt the prime strength on this team would be the pitching. Besides starters Al Larsen and Chuck Ritzenthaler, Clark saw Ron Grundeen as his biggest asset as a reliever. Defense was stated as a weakness but the hitting and pitching more than compensated.

The Pointers started off what was to become one of their finest years by beating River Falls in the opening game 4-3 and then really putting on the pressure to win the second game 7-1. Ron Grundeen was awarded the win for the second game.
Coach Clark studies the opposing pitcher for a weakness.
“Otto” Hanson crouches behind the plate, waiting for the pitch.
In the following game the Pointers defeated Northland College 4-2 in a close contest which wasn't decided until the eighth inning when Kildow was driven in by Larsen.

In the fourth conference game the Pointers traveled to Superior to take on the defending champions of the State University Conference and walked away with two big wins, 12-0 and 6-4.

Things changed in the following game when the team came up against a strong pitching performance by St. Norbert's. This resulted in a defeat for the Pointers.
Track

The season opened with two indoor meets both of which the Pointers won. These were against Milwaukee and Stout.

The Pointer Track Team participated in the fourth annual U.S. Track and Field Federation Meet at Madison this year. Although no team scores were kept the Pointers took one first place.

Their first loss of the season was against Carthage College of Kenosha. Carthage took the final relay event to win 63-55. In the Lawrence Quadrangular held in Appleton the Pointers finished third behind Oshkosh and Lawrence. The Pointers got one first place and that was a record breaker by Larry Whiffen. He set a new school record when he threw the Javelin 192'7".
The Pointers won the 18th annual Michigan Invitational Track and Field Meet held at Houghton. Point runners accounted for two of the three new records established there. Paul LaMere set a record in the two mile run with a time of 9:44.5. Dale Roe set the other record by running the mile in 4:26.9.
Intramurals

Intramural sports are headed by Mr. Clark of the Phy. Ed. Department. There are many sports involved and many students participate in them. They include most of the residence halls and all of the fraternities. Being in these events teaches the student about responsibility, team work, and enjoyment.

For the second year, Phi Sigma Epsilon became the champions in intermural football, this time by defeating Baldwin Fourth West, by a score of 13-6.

First floor Sims became the Horseshoe champions in Intramurals this fall. They defeated third floor Sims in the final match.
There were some twenty teams which participated in intramural basketball. They were from all the men's residence halls and all the fraternities. Many of the games were hard fought and the results were often close. In the final play-offs Sims Second Floor won the championship from Sims First Floor.
Bob Holquist sets for a “must” freethrow.
Intramural bowling this year was held Point Bowl Lanes every Wednesday night. Twenty-eight teams were involved. All matches consisted of two games with total team pins deciding the winner of each match.

Ten teams participated in intramural paddleball this year and the winners were the Niemski's. They met the winner of the match between the Delta Sigs and the Phi Sigs. The Phi Sigs won that one and the right to play the Niemski's.
Volleyball

Forty-nine teams participated in the co-rec volleyball intramurals. In the quarter finals the Bloomin Boomers defeated the Sugar Smacks, Six Pack beat the Baldwin-Neale Six, Spoofers eliminated the Sextet and the Spiked Bunch beat the Hydroes. In the final competition the Phi Sigs won the Championship.
Softball

Intramural softball playoffs began on May 15. The league leaders after the first two weeks were as follows: Fast Pitch—Jippos (Twin League), Loaders (Yankee), Delta Sigma Phi (Angel); Slow Pitch—Pray 2nd (Phillie), Smith 2nd North (Cub), Loaders (Cardinal) Phi Sigma Epsilon (Dodger), Hansen 4th West (Giant), Pray 3rd (Met), and Mamma West (Pirate).

Bill Clark of the Jippo's turned in the outstanding performance for this season, pitching a perfect game against Hyer 1st.
Swimming
Conference Champs

When the Pointers came up against Platteville for a triple-header, they were close contenders for the Conference championship. In fact if they could win two games the title would be theirs. That is just what the Pointers did. The final scores were 6-0 and 7-3.

Next the Pointers had to play Milton College to win the NAIA District 14 championship. But luck wasn't with them. They lost 2 of the three games. The third game went into extra innings but still the Pointers could not find victory.

Under Clark's direction the Pointers wrapped up their season with a 11-2 record and a conference championship.

ORGANIZATIONS
THE IRIS has been concerned with putting out a yearbook that best represents WSU-Stevens Point. To keep up to date on new techniques in layout, and photography, the staff sent representatives to Philadelphia and Madison to attend press conferences. Staff members tried to produce one of the most unusual yearbooks Stevens Point has ever had. They concerned themselves with the likes and dislikes of the student, and tried to present him with a yearbook he will always enjoy.

THE NEW POINTER, our university newspaper, has just completed its 73rd year of service to the school. This year, the student staff of reporters, photographers, copy, circulation and layout workers were headed by an eight man editorial board under the direction of an editor-in-chief who was selected by the university publications board. Published weekly, the "New Pointer" served the students, faculty, and administration as the voice of campus life. The staff is made up of any students interested in journalism.
The PANHELLENIC COUNCIL is composed of representatives from the four social sororities and encourages these sororities to participate in all school activities. The purposes of this council are to maintain fraternity life and inter-fraternity relations within our university, to further intellectual accomplishments, to cooperate with the administration in the maintenance of high social standards, and to compile rules governing rushing, pledging, and initiation on campus.

The INTER-FRATERNITY COUNCIL is an organization that consists of representatives of the five social fraternities on campus. Its purpose is to represent the fraternities in all matters that concern them generally and promote campus activities by participating in events such as Winter Carnival, Homecoming, and Pointer Jubilee. It also furthered Greek interest by sponsoring Greek Week.
THE UNIVERSITY CENTER BOARD aims to insure contact between students needs and Center administration. Members of the board planned, financed, and carried out programs of every size and interest to satisfy the extracurricular appetites of the student body.

The center board presented cultural and educational activities as well as recreational and entertaining programs in line with student opinion. Activities presented included; art exhibits and lectures, formal dances and Winter Carnival, hootenanny-rock dances, and outing safaris.

Seven committees constitute the center board's organization and backing. These committees include: Special Events, Social, Cultural, Public Relations, Outing, Games, and House Committee.
University Center Board Committees

THE STUDENT SENATE serves as the representative Student Governing Body of the University. The purpose of the Senate is, to promote the general welfare of the student, stimulate the students to be responsible citizens, and facilitate communication between and among the student body, the faculty, and administration.

Early in October, the Senate appointed members to student-faculty committees. This is one of the most important functions of the Senate in regard to policy-making. The committees, with voting power, consisted of Student Welfare, Athletic committee, Financial Aids, Arts and Lectures, Student Activities, and Convocation and Commencement. These committees handled policy recommendations which are then sent to the Student Affairs Council, the faculty, and President Albertson.
Student Senate Welfare Committee FRONT ROW: J. Trzinski; K. Morris; J. Bartig; J. Smithback; S. Drake. 2nd ROW: J. Little; T. Westenberger, Chairman; Allocations Committee: J. Conachen; C. Heise; G. Kemmeter.

Student Senate Safety Committee FRONT ROW: C. Acor; P. Anderson; Academic Committee: D. Olson; 2nd ROW: W. Gelwicks; J. Breneman; Representation Committee: G. Gibb; B. Gosz.

Student Senate Internal Affairs Committee FRONT ROW: B. Hutchinson; J. Bowen, Chairman; P. Burger. 2nd ROW: M. Ustruck; J. Halada, Director; S. Anderson; L. Wojtalewicz.

Organizations 147
**YOUNG DEMOCRATS** is an organization devoted to bringing a realistic view of politics to the campus. Programs featuring State, Local, and National personages were held. In addition, active participation in all elections was encouraged. The Young Dems. are the official youth arm of the Democratic party, participating in a wide variety of state and national party activities. Publication was started of a Y-Dem. Newsletter. A delegation attended the 1966 State Y-Dem. Convention at River Falls.

**YOUNG REPUBLICANS** were active in the county and state and were represented at the yearly Y-Gop convention. This organization helped pass out literature at homes concerning Republican candidates for office. Students were selected to attend the initial “Opportunities Unlimited” leadership conference held in Madison. Y-Gop exists to interest students in government and gives them a chance to be active in politics.
The International Student Organization purposes to promote friendship, understanding, and social interest among the students at WSU. The American students helped foreign students get as much experience as possible in American culture, and the foreign students introduced their nations to American students. The members became acquainted at a Welcoming Party, Christmas Party, picnic, and a spring banquet.

The Podium Society’s aims are to train students for participation in Inter-Collegiate Debating activities, to promote intra-campus speech activities, community service speech activities, and to cooperate with high school speech activities in the area. Last Fall, the University Debaters held highly successful debates and intra-campus speech events. Speech programs were held during the Spring session.
The 550's is a social organization made up of students who are veterans with six or more months of active service with any of the U.S. forces. The name, 550's is taken from U.S. Public Law #550, which is the Korean GI Bill. Over the years many traditions and awards have been established by the 550's at W.S.U. They include the annual "SEED" award, the Fall Corn Roast, the Spring Liquidation-of-Funds Party, and the Miss Military Contest.

SJASEFI, a social organization, was formed to create better fellowship among its members, to cooperate with all organizations at WSU, and to promote school spirit. To be a Siasefi, one must excel in scholastic achievement and adhere to the principals of sectorianism. Among the social events of the year the Siasefi's sponsored and participated in were homecoming, Winter Carnival, parties, dances, teas, fifty degree parties, olympics, safarias to Plonia, and the Spring Formal.
POCKET BILLIARDS LEAGUE was formed last year out of popular demand by students interested in the game. Excellent facilities were available on campus for the league. This organization was open to any person who had the spirit of team competition. A growing unit, they planned to form teams of women students to develop a finer competitive spirit among the members.

THE POWDER BUFFS offered to the students of WSU, from the beginning skier to the expert, a chance to participate in the sport of skiing.

Last year, over semester break, the Powder Buffs went to Indianhead for a few days, and during second semester the group participated in more week-end skiing excursions.
† **BRIDGE ASSOCIATION** is a newly formed organization on the WSU Campus. It was formed to promote bridge for those students interested in the game. Their membership was open to any student, staff or faculty member having a minimal knowledge of the game. Exciting weekly games were played between members of this social organization.

† **OFF-CAMPUS STUDENTS ASSOCIATION** is one of the newest organizations on campus. It was organized to give Off-Campus students the chance to take an active part in educational, social, and athletic activities. The members were given the chance to voice their opinions as a group. Members participated in the Homecoming and Winter Carnival events and sponsored bake sales, lectures, and school dances.
† ASSOCIATED WOMEN STUDENTS is the largest women’s organization on campus, as all women students are automatically members. The purpose of AWS was to promote a program of activities of special interest to college women, to provide opportunities for leadership and to encourage high standards of social conduct. AWS activities during the year included a Big-Little-Sister Picnic, style show, song fest, and the Senior Banquet.

† ASSOCIATED WOMEN STUDENTS HONOR SOCIETY was established by the Associated Women Students to recognize senior women for their leadership, service, and excellent scholarship. The group conducted tours through new buildings and were hostesses for visiting high school students and other visitors wanting a tour of the campus. The major project of the year was the co-ordination of the high school visitation program.
Under **Baldwin Hall Council**'s leadership, Baldwin was able to take full advantage of the hall’s programs and activities, which supplemented the university’s cultural and athletic endeavors. The hall paper, *The Spectre*, brought residents news from all over campus along with articles of amusement and satire. With this foothold on tradition, Baldwin Hall looked forward eagerly to the challenge of a growing Wisconsin State University.

**Delzell Hall Council**'s primary purpose is serving the residents of Delzell. The duties of this governing body is not only formulating the rules, but planning and participating in projects which benefit the residents and the community. Annual projects members have participated in are Homecoming and Winter Carnival. Social events included hootenannies, parties and carolling for St. Michael’s Hospital.
† **HANSEN HALL COUNCIL** has gone all out to set tradition with active participation in the various yearly events. Art projects, guest speakers and a newspaper brought the students together for informal discussion and group activities. Second semester, the special events committee held an orphan's day which consisted of taking orphans to a basketball game and having various other activities for them.

† **HYER HALL COUNCIL** encourages individuality, leadership, and acceptance of responsibility by choosing a Cavalier-of-the-Month, who is noted for his accomplishments. Hyer Hall is also noted for its "Hyer-Archy", a hall newspaper published every three weeks. Though the smallest dorm on the campus, it is noted for its spirit and participation in Campus competition. Hyer men were also leaders academically, as seen by the unusual number of honor students who lived in the hall.
Neale Hall Council serves many purposes. It involves the residents of the dorm in learning experiences. It organizes hall programs to appeal to the girls' interests. It initiated the "Female Plus" program which brings speakers from the campus and the community to the hall. The council provided opportunities for leadership and organizational experiences by sponsoring skits and collecting gifts for the handicapped. Other plans included rummage sales and tournaments.

NELSON HALL COUNCIL'S purpose is to provide social, cultural, and educational benefits to the girls and to instill in each, a sense of responsibility and unity in working to develop socially and scholastically. Special effort has been made to involve all residents in Hall activities. The establishment of social, cultural, special events and budget committees, whose membership is enlisted outside of Hall Council, assures greater resident participation.
† PRAY — SIMS HALL COUNCIL'S purposes are to promote the education of the individual through formal academic work, and to encourage the individual to pursue a continued course of self-inquiry. Probably the most important purpose is to encourage a feeling of unity and belonging among the residents, a spirit of tradition within the hall, and a feeling of pride in the hall as a unit.

† ROACH HALL COUNCIL'S purposes are to stimulate intellectual, cultural, and social interests and to create a friendly, congenial atmosphere for every woman in the hall. Taking an active part in campus activities, members participated in all social aspects of WSU. The Council also sponsored several service projects, one of which was a drive conducted for the Indians. They also sponsored scholarships in memory of the two girls fatally injured while attending this school.
† SMITH HALL COUNCIL is an organization representing and working for the residents of Smith Hall. The council consists of the hall officers and the various committee heads appointed to provide more unity in the dorm. Most important of the Council's many functions was providing recreation for the residents both in the hall and between halls.

It also acted as the resident's voice before the Student Senate, RHC, and the Administration.

† THE STEINER HALL COUNCIL offers the hall residents a voice in the government of their hall. Through this council they work to make Steiner more than just a residence.

Members had been active in sponsoring programs such as a good food service, Homecoming, hootenannies, and ABC Bowl competition. Plans for the future included revision of the hall council constitution, and Inter-hall parties, aimed at bringing more prestige to the men of Steiner.
Residence Hall Council FRONT ROW: R. Tolley; S. Harder; B. Halde­man; K. Kitchell; G. Rake; Treas.; L. Koranda; E. Bartel; C. Howard; C. Szutkowski 2nd ROW: L. Lange; P. Holzer; R. Krueger; P. Piekarz; J. Griffith; O. Klosterman; C. Hanson; R. Stuber 3rd ROW: G. Gibb, Vice Pres.; R. Gosz, Pres.; S. Schutte; D. Wittig; J. Bowen; J. Zahn

RESIDENCE HALL COUNCIL is an organization comprised of two representatives from each hall, with program activities for every resident. Last year the council had continued its movie program, ABC Bowl competition, All Hall Ball, Creative Contest, and various dances throughout the year. Highlighting the year was R.H.C. week, which consisted of talent, fun, and the finale or the ABC Program. RHC has grown from a productive infancy into a major campus force.

COUNCIL OF RELIGIOUS ORGANIZATIONS is composed of two representatives from each of the religious organizations on campus. Its purpose is to coordinate the religious activities and to sponsor inter-denominational programs including an orientation for the new students into the various religious organizations.

Council of Religious Organizations J. Cutler, Vice Pres.; P. Kaland, Pres.; D. Moscinski; K. Alexander; D. Hopkins, Treas.; Father H. Hall; D. Annis; D. Mueller; K. King

Organizations 159
WESLEY FOUNDATION, though fundamentally a religious organization, was not a "Sunday School" for students. It was concerned with the problems of everyday life, and the role religion plays in our student society and in the world. A variety of speakers were invited to weekly meetings and weekend retreats, where discussions were also held. The Rev. Richard Steffen is director of the Foundation.

The CHRISTIAN SCIENCE ORGANIZATION'S purpose is to bring religion to the students on campus. They held weekly inspirational meetings run by members who selected passages from the Bible and Science and Health, with Key to the Scriptures by Mary Baker Eddy. The latter part of the meeting was open to discussion of Christian Science healing and their religion. Their annual project was the appearance of a guest lecturer.
† **CANTERBURY HOUSE**, the campus organization for all Anglican students, provided a center for discussions, and for talks by various speakers. It was also used for counseling with the chaplain, for recreation, study, or meeting with friends.

The House participated in ecumenical relations with other religious organizations on campus and together they ran “The Coffee House”, located in the basement of the Canterbury House. The chaplain was Father Harris T. Hall.

† **Newman** is essentially a worshipping community of administration, faculty, students and chaplains united to give relevance to religious and moral values.

Chaplains to Newman parish are Father Albert I. Thomas, and Father Robert H. McKillip.

Non-credit courses on marriage, scripture, philosophy, and various aspects of theology were offered by Newman.

To insure student participation and direction of the parish program, a 28 member council was selected to form the administrative backbone.
UNITED CAMPUS CHRISTIAN FELLOWSHIP consists of the United Church of Christ, United Presbyterian Church, Evangelical United Brethren, Disciples of Christ, and the Moravian Church.

Members seek to confront the university community in its total life with the necessity of commitment to the Gospel of Christ, and to inspire students to witness to that faith.

They helped to start the "Encounter" coffee house. The advisor for last year is Rev. Richard Hill.

THE INTER-VARSITY CHRISTIAN FELLOWSHIP is an organization dedicated to presenting the relevance of Christianity to students, to strengthen spiritual life and present the Christian responsibility in world evangelism.

Weekly meetings consisted of various Bible-centered activities and discussions headed by clergymen and laymen on topics of current student interest.

FRONT ROW : M. Giffin; C. Brooks; M. Walczak; M. Simmons; S. Gregerson; J. Widoe, Pres.; J. Spangberg, Sec; M. Hoell; T. Tessmer; K. Castner 2nd ROW : C. Moss; C. Wrzesinski; B. Hoell; T. Tessmer; K. Castner

THE JUNIOR PRIMARY COUNCIL is an organization open to freshmen and sophomores intending to major in Primary education. It is designed to acquaint the members with their future profession. First semester meetings were devoted to programs dealing with some of the latest developments in education. Programs this year included “Operation Head Start,” psychometric testing, and remedial reading. The organization presents an honor scholarship each year to an outstanding member.

THE SENIOR PRIMARY COUNCIL consisted of juniors and seniors majoring in Primary or Kindergarten-Primary Education. Basically a professional organization, programs were devoted to service and social activities. Monthly programs were held to acquaint the members with trends and problems of teaching. Guest speakers and films were used to give interesting views and to promote discussion.
† THE GERMAN CLUB is primarily a social club which seeks to promote the study of German-speaking countries, their language and cultures through movies, speakers, and the practice of conversational German. They also enjoyed each other’s company through parties and get-togethers at member’s houses.

† THE FRENCH CLUB is an important organization dedicated to the development of a student appreciation of the French language, culture and people.

Monthly meetings offered opportunities for all with knowledge of the French language to speak and enjoy conversation in a second language.

At each meeting, a guest speaker spoke on some aspect of the French culture. Several parties a year were planned.
SPANISH CLUB is one of the four foreign language clubs on campus. Its purpose is to provide the interested student with information concerning the people and culture of Spain. The Spanish Club also sponsored speakers and discussions through which the entire campus became better acquainted with the culture of Spain.

THE HOME ECONOMICS CLUB’S purposes are to present the opportunity to explore the vast areas of the work of the home economists, to learn to be cooperative and share experiences with one another, and to help a deserving freshman by presenting her with a scholarship. Members of the local chapter attended conferences of Home Economic College Clubs at different campuses in the state.
ECONOMICS AND BUSINESS ASSOCIATION was formed to give the Business and Economics student a first-hand look at what is ahead of him in the way of a career. To further this goal, they visited large corporations, had guest lecturers, saw films, and received pamphlets. There was also the fun of fellowship and memories never to be forgotten of trips, banquets, and parties.

THE GEOGRAPHY ASSOCIATION has as its object to foster an interest in geography for students at Stevens Point. It is further interested in promoting a wider scope to geography by having interesting and authoritative speakers, and in promoting a better union of students through the use of educational and recreational field trips pertaining to their field.
MATH SYMPOSIUM is an organization of students interested in mathematics. Monthly meetings were held to discuss topics of interest to the members, which were presented by students and faculty members. The Math Symposium also maintained a math library in the office of one of the advisors. Each year the funds remaining in the treasury are used to enlarge the library.

POLITICAL SCIENCE ASSOCIATION, a fairly new organization on campus, has continued to fulfill its purpose. On February 25, 1965, it was formed to provide Political Science majors and minors with speakers, discussions and activities that will broaden their education in this field. It has since expanded to include others who are interested in this area.
SECONDARY EDUCATION ASSOCIATION is affiliated with the Wisconsin Education Association and the National Education Association. Its purpose is to acquaint prospective high school teachers with the problems and issues that they will encounter. The program featured the observance of American Educational Week, educational films, and speakers who discussed certain aspects of high school teaching.

THE SPEECH AND HEARING ASSOCIATION provides the opportunity to gain knowledge not obtained in the classroom. Its purpose is to gain more contact with the professional world in speech Pathology and Audiology. The club provided an annual Christmas Party for the young children who came to the speech and hearing clinic for therapy. In addition the members of the organization enjoyed a monthly speaker.
Women's Recreational Association
C. Raddant, Pres.; B. Kudla; C. Janz; J. Zebro; P. Pagenkopf, Sec.; D. Urban, Vice-Pres.; C. Spychalla; M. Nolan

Women's Recreation Association is an organization of women who get together informally to enjoy sports and other recreational activities. Through WRA women participate in inter-mural competitive sports. Included are bowling, golf, swimming and badminton. WRA offered these plus "sports days" at other universities. This unit is designed to interest and delight the student.

Pointer Band under the direction of Mr. Braeuer has performed at various campus activities. During the football season members performed for the half-time show and they provided a pep band for the basketball games. During the concert season, the band played two formal concerts. The highlight of the concert season was their performance at a sight reading clinic for over three hundred high school students and over forty band directors.
\[WSU BRASS CHOIR\], directed by Robert Van Nuys, has enjoyed a busy season during the past year. Members presented a spring concert, and were also chosen to play for the University commencement exercises. The ensemble traveled to many Wisconsin high schools and presented concerts. In October, the choir toured Michigan, and in January, the group performed in Minnesota.

\[STEVENS POINT UNIVERSITY CHOIR\] is composed of music majors and other students who are interested in singing. Choir members are chosen through auditions at the beginning of each semester, under the direction of Mr. Kenyard Smith. The choir met as a class three times a week, and studied style and voice technique. Last year, the choir presented its annual Christmas program and Spring Concert. In March, members participated in a tour of the Wisconsin area.
**Girl's Glee Club**

**Front Row:** B. Seidl; K. Kuhl; S. Ray; M. Kroll; M. Untz; M. Nelson; T. Palmquist; D. Budzynski; L. Bowen; J. Severson

**Second Row:** L. Tonn; L. Marcel; M. Quade; C. Warning; M. Bartell; M. Buc­ticki; S. Wade; J. Nickel; L. Schroeder; C. Schultz; J. Spangberg; S. Zingg

**GIRLS GLEE CLUB** is an organization affiliated with the Music Department. This fall the girls gave a concert with the Chamber Orchestra and in the spring gave another concert. Girls can choose to sing in this chorus for credit or not. Mr. Kenyard E. Smith is the new director.

**Men's Glee Club**

**Front Row:** P. Braun; J. Berg; S. Gonske; B. Locker; N. Knutson, Director; L. Kostuh, Treas.; D. Klabon; G. Cowles; K. Ziarek; R. Presl, Vice-Pres.; 2nd Row: J. Seefeldt; T. Schumacher; L. Kreuger, Sec.; J. Keefe; L. Abrahamson; J. Fox, Librarian; R. Bootz; S. Haag; G. Kiedrowski; D. Bushman

**3rd Row:** L. Walck; L. Sanders; K. Hillery; I. Hagen; K. Skalski; S. Wutke; M. Goessling; P. Metzger; M. Luce; J. Swaney; C. Hitz; J. Weekly; E. Sorensen

**MENS GLEE CLUB, “Ambassadors of Good Will”** is a tradition at WSU. It is organized as separate from the Music Department with the prime purpose of singing, and is open to any male student who likes to sing. The group went on a tour in Florida during spring vacation. Other activities include a Spring and Christmas concert and concerts in many Wisconsin high schools. The director is Norman E. Knutson.
† THE GUILD STUDENT GROUP OF THE AMERICAN GUILD OF ORGANISTS advanced the cause of worthy music, elevated the status of church musicians, and increased appreciation of religious music. The members attended recitals both in and out of town, and lectures given by members and advisors.

† "THE PLAYERS", formerly "College Theatre", changed its organization name in view of the tremendous growth of the school. Their major accomplishments were the presentation of four dramatic productions and the "Tuesday Afternoon Thing", which proved a very successful experiment. One of the highlights of this group's events was the presentation of Mary Shumway's "The Archer".
**THE STUDENT ART LEAGUE** promoted interest in the fine arts at WSU through participation in various art endeavors. The student was offered the chance to pursue his area of interest on an informal basis outside the classroom. Throughout the year, members held exhibitions on Campus and in the city area. Members have also had frequent displays of painting in the Fox Theatre.

**ALPHA GAMMA** is an honorary organization open to all students majoring or minoring in one or more of the Social Science fields. Emphasis was placed upon the individual and members were selected on the basis of the person's enthusiasm, capabilities and potentials, rather than on academic achievement alone. This organization is devoted to bringing a knowledge and an awareness of contemporary trends in the Social Sciences through the sponsorship of discussions, debates, and speeches.
† **ALPHA MU SIGMA**, a new organization on campus this year, is a fraternity for Pre-Med students. Formed by several students, this organization is open to anyone in the “Pre-Medical field.” The organization serves largely on an advisory capacity by getting information about graduate schools, and keeping up on the latest requirements needed, and providing general information about the schools.

† **DELTA OMEGON**, a fairly recent addition to our campus is an International Music Fraternity. This organization for women only, presented student recitals during the year including one for all American composers. Guest speakers lectured on various music subjects. Each year they award a Senior Honors Pin to the senior member who has the highest scholastic average. During the year, caroling parties and dances were also sponsored.
† **DELTA PHI DELTA** is the Alpha Omega chapter of the National Honorary art Fraternity on campus. A great accomplishment this year was the second place award won in the Delta Phi Delta National Slide Exhibition. Their entry consisted of eight slides showing the best work of the members. Their aims were to promote art, stimulate scholarship, develop professional interests, and help increase art interests in the community.

† **GAMMA DELTA** is the International Association of Lutheran students. The goals of Gamma Delta were; to worship the Triune God, to study and proclaim the Gospel, to set forth Christ’s God, and to set forth the way of life by Christian example and teachings.
† PHI ALPHA THETA is the national history fraternity on campus. It is open to all who have 12 credits in history, one grade better than a "B" average in those courses and has a "B" average in two-thirds of his non-history courses. Its purpose was to unite the history students and to further their ideas by sponsoring speakers, discussion groups, and by encouraging research.

† PHI MU ALPHA SINFONIA has provided pep bands at football games and has had guest speakers at open meetings. The Xi Omicron chapter was devoted to advance the cause of music in America, and to encourage welfare and brotherhood of students of music and loyalty to the Alma Mater. A spring banquet and picnic are held annually and another project is the aid given to the music department.
† SIGMA MU TAU is a small professional organization used to acquaint students majoring in Medical Technology with the field of work they have chosen. Educational movies were shown at meetings and occasionally guest speakers lectured on various topics. Also, visits were made to laboratories to give the student a first hand example of what he will be doing in the future.

† SIGMA TAU DELTA is the national professional English fraternity. It's program this year centered around discussions on Who's Afraid of Virginia Woolf?, and The Pawnbroker. The fraternity is designed to encourage an intelligent and appreciative study of literature, to stimulate a desire for continual achievement, especially in authorship, and to foster creative writing on campus.
† **SIGMA ZETA** was organized at Shurtleff College to promote scholarship on campus and provide non-curricular training in the sciences.

The Zeta Chapter of WSU was the sixth Chapter to be formed. This society promoted scholarship among students and the mutual aid of its members in obtaining information in the field of scientific knowledge.

The Zeta Chapter sponsored the Wisconsin Junior Academy of Science conference held annually.

† **ALPHA KAPPA LAMBDA** is the professional conservation organization at Stevens Point. Its main purpose is to further conservation practices and education throughout the state. The members took part in projects that dealt directly with conservation. AKL also participated in major school functions such as Winter Carnival and Homecoming. They also sponsored a Watermelon Feed, Vension Dinner and Smelt Fry.
The purpose of Psi Delta Psi is to promote friendship, fun, and service. A local sorority, they are planning on becoming nationally affiliated. They have possession of the scholarship trophy for the last two semesters. The sorority participated in both spring and fall rush. The Psi Delt’s were also active in Homecoming, Winter Carnival, and Panhellenic Formal. Part of their service projects were collecting for UNICEF, and sending packages to Viet Nam. The sorority has a booth each year at the Pointer Jubilee, takes part in Greek Week, and is active in Panhellenic Council. The Psi Delta Psi’s look forward to another year of growth and prosperity.
Alpha Phi

Alpha Phi, is one of the oldest social sororities for women, was founded at Syracuse, New York in 1872. It now has installed more than 100 collegiate chapters.

Alpha Phi participated in the Homecoming events adding color and spirit to the traditional parade. Sigma Phi Epsilon chose Miss Pat Barry, while Sigma Tau Gamma chose Miss Gerry Campos as their Homecoming Queen candidates.

Alpha Phi placed first in Winter Carnival ice sculpture and won the over-all women’s division Winter Carnival trophy for the third consecutive year.

The chapter joined with Phi Sigma Epsilon fraternity in the 1967 Mothers March of Dimes. Alpha Phi, in cooperation with Seifert’s clothing store, sponsored the Spring Fashion Show. Models were chosen from each sorority and from each women’s dormitory on campus.

For the highest percentage of donation to the Bloodmobile, the chapter was awarded a plaque of recognition. The chapter participated in the annual Songfest held April 17. Alpha Phi had successful Rush and Pledge periods, initiating 12 new members in the fall class and 14 new members in the spring class.
Alpha Sigma Alpha

1967

Wisconsin State University
Stevens Point
Alpha Sigma Alpha

Alpha Sigma Alpha Sorority has the distinction of being the oldest national sorority on the W.S.U.-Stevens Point campus. This sorority strives to develop the individual and maintain this quality in each Alpha Sig member. Through a training program which involves the areas of spiritual, intellectual, physical, and social development, this individuality is achieved. It bears the pearl and ruby as its jewels; its colors are pearl white and crimson with palm green and gold as its supplementary colors, and its flowers are the asters in fall and the narcissus in spring.

As a member of Panhellenic Council on this campus, Alpha Sigma Alpha worked with the other organizations at school. The members gave service to their school as active members and leaders of other organizations. To the community Alpha Sigma Alpha offered its service through its Philanthropic Project, which is working with the mentally retarded children. The members planned small parties for the retarded children at Washington School here in Stevens Point, and they also made favors and gifts for retarded adults. Alpha Sigma Alpha strives to work together with school and community.
Zeta Chi chapter of Delta Zeta Sorority began the year campaigning for sisters who were Homecoming Queen candidates. Miss D'Anna Lewis was sponsored by Tau Kappa Epsilon fraternity and Miss Patricia Lyon was sponsored by Sigma Pi fraternity. Homecoming week also found the Delta Zetas at Bukolt park building their float. Our float placed second in the serious division.

For one of our philanthropic projects the Delta Zetas' helped the Portage County Anti-Tuberculin Association prepare material to be sent to the county about Christmas seals. During the Christmas season our sorority adopted a welfare family and played Santa Claus with gifts of toys and food for the family.

A holly sale was the big money-making project this year for the Delta Zeta's. Many students went home for their vacation with "boughs of holly". Also around Christmas time, the sorority sponsored their annual "Snow Swirl" for the student body.

Sorority life was not all work, for there were many parties during the year with other sororities and fraternities. We also had many sorority suppers before our meetings.
Alpha Phi Omega

Alpha Phi Omega, the only national and international service fraternity on campus, has the purpose of assembling college men in the fellowship of the Scout Oath and Law, to develop friendship and to promote service to humanity.

The past year has been a busy one indeed for the fraternity. During Homecoming A-Phi-O served by taking charge of the Queen campaigns and elections. Once again the Used Book Exchange offered students the opportunity to buy and sell used paperbacks. The fraternity served as judges for the Winter Carnival games and conducted the King and Queen elections.

Alpha Phi Omega also was involved in assisting local Scout troops, the Bloodmobile, Peace Corps representative, constructing a new Ride-Guide, and conducting the "Ugly Man on Campus" contest.

In addition A-Phi-O provides a variety of social activities for the brothers and their friends.

The men of Alpha Phi Omega are truly proud of their accomplishments this year, achieved in a spirit of fellowship and brotherhood, which is characteristic of the organization.
In May 1966 fourteen members were initiated into the Delta Sigma Phi fraternity at Stevens Point W.S.U., who now formulate the core of the colony on this campus. Delta Sigma Phi became recognized by the Interfraternity Council late in the fall of 1966.

In the fall the first pledge class was brought into the fraternity. When the Winter Carnival came in February, the Delta Sigma Phi colony was then 21 men strong. Although, they did not finish first in all around competition, their men did bring home firsts in the chariot race, shovel race, beard percentage contest, and thus enabled them to finish fourth out of all men's competition.

In March of 1967 the Brothers took part in the Midwestern Conclave held at Oshkosh by the Epsilon Beta Chapter. Before they left for the conclave the brothers managed to give a 100% effort for the blood drive in Stevens Point. For this they received a plaque. The Delta Sigs went to the conclave a "pint low" but managed to win the percentage contest trophy for the most representatives. By winning the first place trophy for all around sports events, greek alphabet contest, and other events, the Delta Sigs from Point won not only a trophy but also a Green conclave barrel.
Phi Sigma Epsilon

Phi Sigma Epsilon, Kappa Chapter, at Wisconsin State University, Stevens Point, is the oldest fraternity on campus. Founded in 1931, the "Phi Sigs", are a dynamic organization who sincerely believe that brotherhood is the primary goal of their fraternity. With this idea in mind, the fraternity has grown and prospered in all fields of endeavor. During this period, it has constantly been a leader in Homecoming, Winter Carnival, Intramurals, and other campus events. Presently, they are all-school Intramural Champions and are again leading in all-school sports. Also, academically, the Phi Sigs possess the prestige of having one of the highest organizational grade points on this campus. Thus, the men of Kappa Chapter have done whatever they could to enhance the social pleasure of the whole school. This combination of academic prowess, social interaction and primarily, its concept of brotherhood has made Phi Sigma Epsilon a well-balanced organization and one of the most illustrious on this campus.
Sigma Phi Epsilon

Sigma Phi Epsilon became a national fraternity on this campus in 1952. From the original chapter organization, known as Chi Delta Rho, formed in 1931, the fraternity has grown to its present membership of 47 men, not including its 18 member pledge class. The fraternity's official flowers are American Beauty roses and violets which represent its colors of red and purple.

Action is the word for the Sig Eps regarding all activities. Yearly, the fraternity participates in school activities, such as Homecoming, Winter Carnival and the Songfest. The Sig Eps also take part in community projects.

Sigma Phi Epsilon sponsored Miss Pat Barry in this year's Homecoming Queen Competition. The fraternity was awarded second place for their float.

During Winter Carnival, the Sig Eps took second place in overall competition. They were awarded first in the beard-growing contest and winter games. They received third place for their ice sculpture. The fraternity was represented by Diane Orlando and Jack Finger in the King and Queen competition.

Members participated in charitable activities with the community this year, including the Annual Heart Fund, Muscular Dystrophy Drive and the IFC Overseas Orphan Program.

194
This was the first full year for Gamma Lambda Chapter of Sigma Pi to participate in campus activities, as on May 21, 1966, the former Theta Delta Phi local fraternity became Sigma Pi national fraternity.

At Homecoming, Sigma Pi sponsored Miss Patty Lyon of Delta Zeta sorority as its queen candidate. The Homecoming float, entered by the fraternity, captured first place in the humorous division.

This fall, Sigma Pi introduced the “Little Sister” pledge program, in which girls on campus became acquainted with a fraternity. Forty-nine girls became “Sig Pi Little Sisters”, and after a “mock” pledge period, they were treated to a party at the Hermitage.

During Greek Week, the chapter participated in the Muscular Dystrophy Drive and other activities.

On December 10, the brothers held their second annual Luau at the fraternity house at 1700 College Avenue. The house was transformed into an Hawaiian setting for the occasion.

On February 26, the chapter celebrated “Founders’ Day”, honoring the four founders of Sigma Pi, which was established in 1897.

The fraternity participated in Winter Carnival and held a “Parent’s Day” in the spring.
Sigma Tau Gamma

Sigma Tau Gamma Fraternity was formed in 1920 at Central State Missouri College. It now has a nationwide chapter membership of 60. The fraternity became active on the Stevens Point Campus in 1964 when local Alpha Beta Rho became national Sigma Tau Gamma.

In the past year Sigma Tau Gamma participated in homecoming with queen candidate Gerry Campos and the first place float in the men's division. The first semester saw a pledge class of 10 men and the second semester a 20 man class was pledged. The Stevens Point male cheerleading squad was made up of Sig Taus. To encourage scholarship, the fraternity raised its grade point requirement to pledge to a 2.25. Later in the year a Vietnamese child was adopted and is now being supported by the members. In the Winter Carnival our queen candidate was Cindy Weyn, third place runner up. The Sig Taus placed second in games and first in men's ice sculpture to win the Men's Greek competition and the overall Winter Carnival competition. This was the second year in a row. April saw the parents day banquet followed by the White Rose Formal on May 13.

Through its campus participation, social activities and academic achievements, Sigma Tau Gamma, hopes to continue to live according to ideals of its founding fathers.
Tau Kappa Epsilon

Epsilon-Nu chapter of Tau Kappa Epsilon enjoyed a successful year at W.S.U. Stevens Point. A major part of the TEKE’s energy was devoted to their service project. Members served as Big Brothers to children of “Parents Without Partners”. P.W.P. is an organization of divorced, separated, or widowed mothers who have to care for children on their own. The fraters met informally with the children twice a month. Epsilon-Nu chapter plans to eventually be affiliated with the National Big Brother Association of America.

The TEKE’s participated in other minor service projects. Included among these projects were; raking leaves at River Pine Sanitorium, participating in the Cerebral Palsy Drive, raising money for the Stevens Point Youth Organization, and serving as hosts for high school visitation programs at W.S.U.

The chapter also found time to represent school spirit by showing active participation in Homecoming and Winter Carnival. The TEKE’s were represented in Intramural sports and several Songfests.

During the year, Dick Schaal was selected as a finalist for the Top International TEKE Award.

The TEKE’s were proud to have Miss D’Anna Lewis of Delta Zeta sorority to represent them as their 1966-67 sweetheart.

Tau Kappa Epsilon enjoyed a very successful year, which consisted of a well-rounded combination of business and pleasure.

Who's Who Among Students in American Universities and Colleges is a national honor organization which recognizes leadership and scholarship achievement. A university faculty-staff committee chosen by the Student Senate Honors Committee selected these fifteen seniors on the basis of their outstanding effort and achievement in curricular and co-curricular activities.

Certificates of recognition were presented to each of the students and their biographical sketches were published in the 1967 edition of the annual directory of students chosen for the award.

"An editor's work is done!"

This is page 272. You have just reviewed the school year 1966-1967 as displayed by our staff. Before you close this book and lay it on the shelf, ask yourself whether you were a living part of WSU-Stevens Point or just an enrollment statistic.

The previous pages represent those people, places, and elements, that make WSU-Stevens Point.

With just a few lines I would like to thank everyone who has helped produce this book; and I would also like to wish luck to Diana Goff, the Editor of the 1968 Iris.

Tom Kujawski
Editor
A Man of Vision...

James H. Albertson
1925 - 1967
the builder:

Work to plan and to blue-print on a quiet mind,
Work to begin and to finish with tired pride-
There is wholesome living.

Life is for the builder, for the dreamer who has work to do.
The greatest builders were simple craftsmen:
Lincoln the rail-splitter;
Omar, the tent maker;
Jesus, the carpenter.

ABOVE: President Albertson, always in the "swing" of things, participates in homecoming activities.

RIGHT: With Dean Jenkins, President Albertson breaks the ground for the classroom building.
With John Thomson, Governor Knowles, and Mary Williams, President Albertson discusses the plans for new dorms. (Photo by Point Journal)

The rail-splitter rebuilt a house divided against itself;  
The tent maker, a philosophy;  
The carpenter, more stately mansions.

Now April is here, the season of budding leaf and flower;  
September will come again and again, and his influence and power  
To build a great University will be with us.  
That will be the builder’s hour.

Len Marcisz presents President Albertson with a Sno-A-GO-Go button for 1967’s Winter Carnival.  
(Photo by Point Journal)
Go, plow a field;
  turn the steaming satin sod;
Go, reap the harvest . . .
  Lift body and soul to God.

Leland M. Burroughs
