Iris—1949

### THE NAME OF THE GAME

Registration ... that's what it's called ... anyone or almost anyone can play ... rules are simple and fun ... two chances each year ... three main rules ... you must be thoroughly disgusted when you go to the Wisconsin Room because the freshmen have registered before the upperclassmen ... you must stand in a line that doesn't move ... you must stand in a line for two hours, finally get to the front and find that the only section of a class that is needed is closed ...

... besides the three easy rules all the regular procedures must be gone through ... fill out the packet ... see so-called advisors who know almost as much as the students ... correct the computers ... fight with the deans ... stand in line for pictures ... stand in line to get into the Wisconsin Room ... sit on the floors ... stand in more lines ... go to classes at the same time ... study for exams that just happen to be assigned for this time ... but it all gets better ...

# Football

*Pat Fee*

The Pointer football team ended the season much better than they began it. With an overall record of 3-6-1, in team standings, the Pointers placed fifth in team rushing, eighth in passing and last in total offense. On defense the Pointers were seventh against rushing, fifth against passing and sixth over-all on defense.

Mike Breaker was the leading conference punter with a fine 37.8 average for 57 kicks.

Bob Rohde was named the most valuable player for the Pointers. The three year letter winner picked up over 1,300 yards rushing in his career and averaged over four yards per carry.

#### Pointers

34	13 Platteville

# Cross Country

The freshman dominated Harriers showed great potential this season. The Pointers finished 8 and 6 in dual competition and ended 5th in the WSUC championship. Top finishers for Point were Don Hetzel, fourteenth, and Paul Haus, sixteenth.

The runners are coached by Bob Bowen. Paul Haus was most valuable, Don Hetzel was voted most improved and Terry Amonson was chosen as captain.

The drive and fight for those ever precious points.

The Pointers ended their season with a 90-88 loss to Stout, in the state semi-final playoff at Menominee. The team finished 19-5 overall, and tied with Stout for the WSUC crown.

Quinn Vanden Heuvel, the outstanding player in the title game, sank 31 points, a season high for one game by a Pointer.

Jeff Pagels

Bob Maass

Tom Rozga

This season Coach Lynn (Red) Blair's swimming Pointers came up with a 77-0 Conference record and a 14-4 overall season, the best in the history of the school.

The Pointers placed 2nd with a total of 97 points at the State Conference Meet held at Superior, being nosed out of 1st place by La Crosse, whose total points were 99. Points hopes for the CHAMPIONSHIP were shattered by two judges' decisions which went against them. One disqualification in the preliminaries and one in the finals in which Rod Shraufnagel was given 3rd place even though he finished four tenths of a second faster than the second place finisher. With only two seniors graduating, hopes for next year look promising.

# Wrestling

*Heavyweight Dan Hillebrand clinches a victory for the Pointer wrestlers in a 17-14 win over UWM.*

The Point grapplers went through a rebuilding year with only three returning lettermen. The team had the potential but lacked the depth and balance needed for a winning season.

The wrestlers ended their dual meet season with a 2-11 record. The conference meet found the Pointers trailing in last place. The best showing at the conference meet was from Jim Sobocinski, a Milwaukee freshman wrestling at 177. He lost the championship in an overtime by a 4-2 score. Also placing at the WSUC meet were Dirk Sorenson, third place at 115 and Bob Hayden, third at 160.

Most valuable went to Jim Sobocinski. Jim Notstad was named honorary captain. Wayne Gorell was the wrestling team coach.

Members of the 1968-69 Pointer wrestling team are Dirk Sorenson, Ron Campbell, Dan Rodzell, Russ Bue, Eric Opperman, Bob Hayden, Jim Notstad, Jim Sobocinski, Dave Garber, Mel Glodowsk, Don Hillebrand, Dennis Riedel, Dan Nelson and John Loomis.

*top left: Dick Purchatzke

*above: John Schiess; below left: Mike Casey; below right: Mike Weinstein*

# G Y M N A S T I C S

Front: Coach Bowen  
 Row 1: L. Hetzel, R. Sciborski, J. Schiess. Row 2: L. DePons, M. Weinstein, M. Casey. Row 3: S. Koester, D. Purchatzke, M. Kinney, P. DeChant, G. Schneider.

Hopes were crushed this season as the Pointer gymnasts were set back by injuries and an ineligible participant. The Pointers finished the season with a conference record of 4 and 4 and an overall record of 7 and 7. The team took fifth at the conference meet, missing second place by 6.77 points.

Team Captain and most valuable player was Gary Schneider, an all around performer. Most improved was Paul DeChant.

The intramural sports program is a very rapidly growing and highly successful program. It provides fun and competition to all university men, on campus, off campus and fraternities. At present it includes all of the major sports, plus many others, such as handball, horseshoes, table tennis. Expansion to include co-ed activities is in the near future.

The intramural program is run by Mr. James Clack of the physical education department.

Overall campus winning teams for the school year were Baldwin Hall, second east in the dorm division and Phi Sigma Epsilon in the fraternity division.

Iris—1908

Iris—1936

# 75 DYNAMIC YEARS

---

---

Row 1: J. DeNuccio, D. Prudlo; Row 2: D. Warren, C. Wiechowski, T. Tracy, M. Peterson.

Don Warren was again selected as the most valuable player. He is shown here demonstrating his winning style.

# Golf

Pointers trampled all competition to win the annual Pointer invitational. Trackmen finished fifth in Conference Indoor Meet.

# Track

Row 1: J. Freiman, Ass't. Coach, R. Schraufnagel, B. Boerner, R. Alm, J. Dahlke, C. Uthagrove, M. Walczak, M. Stark, T. Buatz, M. Chepp, P. Hauns, M. Metcalf, manager, K. Truaska, manager. Row 2: T. Murry, R. Lessard, J. Aulik, D. Krause, G. Becker, M. Goodspeed, M. Stasziak, D. Bathke, R. Whitt, T. McKay, T. Lubner, T. Rassmussen, G. Bartel. Row 3: Coach D. Hoff, D. Leith, G. Kirk, B. Wendrock, B. Reichwald, D. Boll, M. Eshenbauch, K. Urban, G. Check, T. Amonson, J. Nostad, P. Haus, J. Piering, B. Linzmeier, Coach D. Behnke.

The Pointers' young track team fared well this season. A total of six records were shattered this year. Three of these fell at the NAIA championships.

Jerry Piering claimed the 120 yard hurdle mark with a time of :14.8 seconds and the 220 yard dash with a time of :21.8 seconds. As a member of the 440 yard relay team he had a hand in breaking the old record with :42.15 at the NAIA meet. Tom McKay, Tom Lubner and Ron Whitt were the other members of the relay team.

Lubner broke the old time of :9.86 seconds in the 100 yard dash with :9.7 seconds. George Check, team captain, broke his own record in the triple jump, bettering his mark by more than a foot. The new distance was 46' 2 3/4".

Ray Alm ran the three mile event in 15:01.1 minutes. The final record shattered was broken by Bill Reichwald in the pole vaulting event. His leap of 13' 3 3/4" set a new standard.

Row 1: J. Setzer, D. Caruso, T. Walkner, J. Harris, S. Bentley. Row 2: K. Mattison, R. Nutes, M. Menta, G. Jack, G. Meyer, D. Peterson, G. Mand, S. Groeschel, D. Peterson, T. Ritzenthaler, K. Fuchs, M. Anderson, D. Bohm, R. Grunden, G. Berkhahn, T. Johnson, B. Henning, J. Keyes.

Catchers M. Anderson and S. Bentley prepare for the season.

#### WSUC RECORDS

SP	5- 3	Whitewater	2-0
SP	1- 1	La Crosse	4-3
SP	1- 2	Platteville	2-3
SP	2- 3	Oshkosh	12-2
SP	1- 9	Eau Claire	5-7
SP	11- 0	Stout	2-8
SP	2-19	River Falls	1-6

The game is watched through many eyes, if not the team, then its many fans.

# Baseball

Row 1: M. Dowling, Coach Lynn (Red) Blair. Row 2: T. Cattnach, W. Shutte, H. Waymire, T. Wallschlaeger, E. Terzyniski, W. Ullrich, J. Vanden-Heuvél.

The Stevens Point tennis team placed 7th in the Conference this season, with an overall record of 4-5. This year the team decided not to select a Most Valuable Player.

This procedure of sweeping the courts was indicative of the weather the Pointer Tennis Team had to cope with this season.

# LSD

Have you ever wanted to see what LSD is like? I'm not talking about that hallucinatory drug—I'm talking about our president, Lee Sherman Dreyfus. The effects of this trip are not harmful. Dr. Dreyfus is a very pleasant man.

His views on college issues are ideas which can keep students reasonably happy. He would like to see the students involved in academic affairs such as curricular and faculty employment. He wants the "Student Senate to grow in independence and maturity so that all recommendations that come from it are truly representative of student opinion and are well thought out, looking at all sides of the situation and are not influenced by members of the faculty." He would like to see a wider range in the kinds of living conditions. Dr. Dreyfus wants the approval to build one hundred two-story apartments and he has the approval to build one 11 story tower (upperclassman priority). He doesn't have any objections to having beer in the union, but he would rather see beer licenses issued to establishments closer to the campus. Allowing the eighteen year olds to vote is another issue that has his interest.

The president has been meeting with the black students bi-monthly to hear their gripes and to debate ideas.

*left: G. Haferbecker, vice-president of Academic Affairs. E. Sigmund, (not pictured) assistant to Academic Affairs.*

*below: left to right: W. Stielstra, vice-president of Student Affairs; E. Lane, Assistant Dean of Students; L. Gibb, Dean of Men; H. Godfrey, Dean of Women.*

**Dr. Yambert**

## COLLEGE DEANS

*P. Yambert*  
*Applied Arts and*  
*Science*

*B. Eagon*  
*Education*

*W. Hanford*  
*Fine Arts*

*W. Jenkins*  
*Letters and Science*

**Dr. Paul Yambert**, Dean of the College of Applied Arts and Science, has been appointed Dean of Outdoor Laboratories at Southern Illinois University-Carbondale beginning in June of 1969. He will also be a professor of conservation for limited teaching assignments. He will be responsible for the development and utilization of research, and public service. Specifically, he will work with the faculty and representatives of state and federal agencies in helping them use outdoor facilities owned and controlled by the university. Dr. Yambert's new position will allow him to work in the fields he enjoys most: outdoor education and conservation.

Dr. Yambert was born in Tennessee and received his degrees from the University of Michigan. He taught high school before coming to Stevens Point in 1957. In 1961 he was promoted from professor of conservation to Dean of the new School of Applied Arts and Science. Dr. Yambert has been the only person who has held this position at this school. He directed the operations of the natural resources, speech pathology and audiology, home economics, business education, medical technology and the military science departments. He has stated, "I feel we have collectively worked hard in getting applied arts and science to where it is better accepted throughout the university."

During his 12 years here he has won the outstanding faculty member award and has served as acting dean of fine arts and acting vice-president of academic affairs.

Outside the campus, his efforts have mainly been in areas concerning clean water. He has volunteered his services as chairman of both regional and state advisory boards and trustee for the Wisconsin Conservancy Chapter. One of his special projects is working toward the preservation of the Plover River as a wild stream.

# IN MEMORIAM

Miss Carolyn Sands, born October 15, 1937, died February 10, 1969, at St. Michael's hospital where she was a patient for three weeks. Miss Sands was a faculty member of the home economics department. She joined the staff in 1961.

For several years she was a decorating consultant and last fall she was given the position as part time assistant to the campus planner. Her main assignments were designing rooms and determining decorating schemes. Miss Sands specialized in this kind of work in 1965-67 while on a two year work improvement leave to the University of Wisconsin. She and another faculty member were working on writing a text book.

Miss Sands received her B.S. from Iowa, her M.A. from Minnesota and her M.S. from the University of Wisconsin.

She was an advisor for the Delta Zeta sorority and she was a Sunday School teacher at the Frame Memorial Presbyterian Church. A memorial fund has been established.

Father Harris Tremaine Hall, born, May 8, 1904, Washington D.C. died April 17, 1969 in Stevens Point. Father Hall was the vicar of St. Anselm Chapel, Canterbury House. He attended St. Stephen's College N. Jersey and later was graduated with a B.S. degree from Princeton University in 1925. In May 1929 he was ordained into the Episcopal priesthood. He worked in various states until 1955 when he became rector at St. Peter's Church in Ripon and in November 1965 he came to Stevens Point.

In his campus work he was active in organizing the University Christian Movement and had been doing draft counseling, a project that led to the establishment of the draft counseling center on the campus.

Father Hall was well known for his enthusiasm, energy, and boundless optimism. He was probably most noted for his concern for the war in Vietnam and the use of violence to try to enforce our will in the world. He was also equally concerned for civil rights, racial equality, elevation of poverty, and the rights of women.

Besides being the assistant professor of the sociology department, **Dr. A. Maahs** has many accomplishments and experience accredited to his name. His degrees include a B.A., M.L., B.D. and a Ph.D. which he received from the University of Pittsburgh. He was a professional lecturer for fifteen years. Having been a professional photographer he has filmed thirty motion pictures in various parts of the world, one of which was produced by 20th Century Fox. Dr. Maahs was an army officer for twenty-six years; he held the rank of Lt. Col. In 1946, Wartburg Press published his book entitled "Our Eyes Were Opened." He has had more than fifty stories and articles published.

Dr. Maahs teaches sociology I and 138 which is a course in Ethnology. He also teaches a course in population, open only to juniors and seniors. Outside of the community he teaches a night course on minority, in Rhinelander, Wisconsin.

**Dr. Jimmie Franklin** is an assistant professor of history. He received his Ph.D. from the University of Oklahoma. He came to Stevens Point in 1966.

He has written articles which have been published and he also has written a manuscript "Born Sober: A History of the Prohibition in Oklahoma, 1907-1957." This manuscript has been accepted by the University of Oklahoma Press and will appear later in 1969 or early 1970.

Dr. Franklin has done considerable speaking to various audiences, concerning the Negro in the United States. He also serves on the program committee for the Southern Historical Association (1969). This September he joined the history faculty of the University of Washington. This year he was chosen as one of the outstanding men of the country. He was nominated by his undergraduate alma mater, Jackson State College.

He has established a Negro history program which will be offered this fall. It is the first of its kind in the WSU system.

*Dr. Gerald Johnson*

*Dr. Monica Bainter*

*Robert Searles*

**Dr. Gerald Johnson** is the chairman of the department of Speech Pathology and Audiology—Deaf Education. He received his B.S. and M.A. in Speech Correction from Western Michigan and his Ph.D. in Speech and Hearing Science from Michigan University. Before coming to Stevens Point, he was employed by the Public Schools Speech and Hearing Clinician, Barry County Schools, Michigan. Later, he was Supervisor of Speech and Hearing Clinic at Michigan University. After receiving his Ph.D. in 1963, he came to Stevens Point. A short time later he was promoted to associate professor and in 1969 was given the position of full professor of the Speech and Audiology department. The department is the only one of the State Universities that offer a M.S. degree in Speech Pathology and Audiology.

Some of the articles he has had published include:

"Environmental Reorganization for Cases of Primary Stuttering," **ASHS**, 3 (1961), p. 325.

"Stuttering Therapy and Relapse," **Western Speech**, 2b (1962), pp. 229-231.

"The Effect of Cutaneous Stimulation by Speech on Lipreading Performance,"

**Wisconsin Education Research Journal**, 4 (1965), pp. 106-107.

"Speech and Language Characteristics of Project Headstart Children,"

**Wisconsin Journal of Educational Research**, 6 (1967), pp. 69-71.

"Identification of Speakers by Listeners Hearing Samples of Whispered Speech,"

**Educational Research Journal**, Proceedings of the 7th Meeting, 1967, pp. 39-40.

Dr. Johnson enjoys fishing, hunting and most other sports. He is also interested in natural and life resources.

**Monica Bainter** is the chairman of the Physics department. As far as we know, she is the only woman in a public university in America holding such a position. She is also the only female presently on the national council of the American Association of Physics Teachers.

When she enrolled in college of St. Theresa, at Winona, Minnesota, she planned to study Latin and history. While taking her mathematics courses, she found it satisfying and she changed her major. Miss Bainter also has a major in music and lacks only one credit for her major in history.

She first taught school in Spring Valley, Minnesota, then she became a high school principal at New Richmond, Wis. During world War II, she enrolled at the University of Wisconsin where she completed her education courses. While in Madison she also taught math. In 1947 she came to Stevens Point and in 1955 she received her Ph.D. in physics from the U.W. She now heads an eight member faculty. The department serves about 500 students and is growing rapidly. Besides heading the department Miss Bainter also teaches physics and courses to graduate students.

**Robert Searles** is the assistant professor of Biology and the director of the Museum of Natural History. He received his B.S. from WSU-Stevens Point and his M.S. from the University of Michigan.

Before coming to Stevens Point he taught high school biology, conservation, and geography in Delvan, Fort Atkinson and Black River Falls. In 1962 he came to Stevens Point and in May 1965 he was elected teacher of the year by the student body. In the school year 1965-66 he left the campus to study art, journalism, museum operation and broadcasting. Upon returning he was promoted to assistant professor. In 1967 he started the Museum Lecture Series and directed the establishment of the first Museum of Natural History in the State University System.

He has written short stories that have appeared in **NATIONAL WILDLIFE** and **WISCONSIN TALES and TRAILS**. He had published a "Directory of Interpretive Materials" for the association of Interpretive Naturalists.

His hobbies include walking, canoeing, landscaping, slide lecturing, cabinet making, wood sculpturing, antique collecting and restoration, paper weight collecting, reading and collecting books, literature, history, geography and cats. Mr. Searles is also a taxidermist.

**Dr. Waldmer Dahl** is the associate professor of German and Russian Languages and Literature. He was born in Austria and spent most of his life in Russia where he received his Ph.D. in Linguistics. In 1943, he wrote a book entitled "Self Taught German." In 1966 he joined the faculty here at WSU. He spent last summer in Germany collecting data and tape recording for his German dictionary, which he is presently writing. He is currently receiving a state grant to help him with his research. He teaches all courses in German culture and civilization. In the summer of 1970, he will be teaching graduate courses in the Russian language.

Since he has been here he has helped various students find homes in Germany in which they could stay for a year. He said, "Developing a major in Russian remains my most important objective, thus fulfilling any teacher's obligation to his students."

**James Wesolowski** is the assistant professor of the speech department. He received his B.S. in 1960 and his M.S. in 1962 from the University of Wisconsin. He received Sophomore honors and Senior honors from the U.W. and he belongs to Phi Eta Sigma and Phi Beta Kappa. During graduate school he received Delting Fellowship, Departmental fellow and a Ford Foundation Stipend. In 1968, at the National Speech Association of America, he presented a paper entitled "The Development of Public Libel in Broadcasting Regulation." He also wrote an article entitled "Obscene, Indecent, or Profane Broadcast Language as construed by the Federal Courts."

*It's Hell* Week!

# ALPHA PHI

Where there is action, you can always count on the women of Alpha Phi to be the first ones on the scene. This past year the Alpha Phi's were glowing when one of their sisters, Lois Wood, was elected as the Homecoming Queen.

Throughout the entire year the Alpha Phi's have practiced their motto of "Union Hand in Hand" by working together on such events as Homecoming, Winter Carnival, and ushering for the Arts and Lecture Series. Their Dinner Dance held at the Country Club, was a successful climax to the fall semester.

The next time you hear a siren, it's just the Alpha Phi's revving up their engines.

# ALPHA SIGMA ALPHA

The Alpha Sigs are monkeying around again. Not only do they swing among the bars, but in school events also. This is exhibited by their wild participation during homecoming and winter carnival. The Alpha Sigs won first place in the women's division.

They have had supper parties with other sister sororities, pledge exchanges, and parties with the different fraternities.

Working hard is important, too, for the Alpha Sigs which can be seen by their philanthropic projects.

## THETA PHI ALPHA

The women of Theta Phi Alpha look as if they are going up, up and away on this stairway to the stars. Their first steps were taken when they were formally installed and initiated as Alpha Theta chapter on October 26, 1968. Other steps were taken when they baked cookies to send to the soldiers in Viet Nam for Christmas, gave blood for American Red Cross, supervised a mentally retarded Girl Scout troop and assembled the weekly newsletters. They are going to continue reaching up to the stars.

# DELTA SIGMA PHI

Neither rain nor snow can dampen the spirit of these thirty-seven and a quarter Delta Sigs as they face the blinding elements of nature during the "obvious" grinding trek through Point. Even their domicile in the background glows with their cheery (but alas frozen) countenances. Expecting the worst as seen in their military maneuvers in the white "sand," they will always emerge as the individuals seen in the above ice sculpture.

As can be noted, the Delta Sigs house is always open—that's the way we're sure you'll like it.

# PHI SIGMA EPSILON

"Load them up" is a famous Phi Sig chant that roars through the bars. I wonder where these Phi Sigs are going to?

Their high spirits grow as does their fellowship and better understanding of men. This way they promote a closer bond among men students.

Phi Sigs have participated in Homecoming, Winter Carnival, and other school events. This year their fraternity chugged to victory in the all-school Intramurals.

Besides the usual bashes, the Phi Sigs have their annual White Tea Rose formal in May.

# SIGMA PHI EPSILON

This year the Sig Eps filed out of their old cells and reunited to form a stronghold to protect their first house. This new atmosphere kindled the spirit to launch their successful participation in homecoming events. Lois Wood, 1968 Sig Ep sweetheart, was crowned homecoming queen.

The bars were once again infested with the Oshkosh Sig Eps, Christmas spirit, and wine, women and song. But, of course, we can not forget the wildest of the wild and freest of the free wapituli parties with the Siasefi's not to be told on the printed page.

The daylight of their strength rushed forward as the brothers piled up victories in the campus wide tournaments of football, handball, and golf.

What's to be expected in their next getaway?

# SIGMA PI

The Sig Pi's are always on the look out—mainly for girls and any other relative opportunities. This is evident by their "Little Sister" program, which started things off this fall. The Sig Pi's sponsored Miss Susan Uttech as their Homecoming Queen candidate. Miss Uttech reigned over the Sig Pi's annual Homecoming, "Beef and Burgundy" dinner party.

The highlight of second semester was when the Sig Pi's captured a first place in Winter Carnival. Miss Diane Lippmann and Paul Hauns were sponsored for King and Queen. The festive week ended with a dinner and dance.

In the spring, the "Orchid Ball" was held, which was a great success again.

It is believed by Sigma Pi, that through striving for scholastic excellence, participating in campus activities, as well as community, the fraternity is contributing to the educational atmosphere and growth of WSU-Stevens Point.

# SIGMA TAU GAMMA

The brothers of Sigma Tau Gamma have gathered here to show their great spirit and enthusiasm for festive occasions. The reception for this hypothetical wedding was held in the true Polish tradition, and would have been the setting for our photograph, but the photographer, for some reason, was quite unsteady.

Our festive spirit and enthusiasm spreads to other aspects of college living, from fraternity work projects to the pursuit of knowledge. Our work projects have included the ever popular spring car washes, harvesting rutabagas, fitting irrigation pipes, and delivering newspapers to the campus.

There is no typical Sig Tau. We come from all parts of the state, represent almost all departments, involve ourselves in most phases of campus life, and permeate the academic world to varying degrees. We have music majors and cons majors, athletes and scholars, revolutionists and evolutionists, short hairs and long hairs, protestors and detesters, dark socks and white socks, loaders and leakers, and diversity.

This wedding may be fantasy, but the spirit of Sigma Tau Gamma is real and stimulating, adding what we can to the excitement of campus life at WSU.

# TAU KAPPA EPSILON

Mum is not the word when it comes to this organization. Everyone is shouting "TKE's are tough." They have been striving for this recognition for the past 12 years through social, school, and service functions.

Not to be outdone in any way, even by the Polish, this group of fellows made fine marks in the intermurals, homecoming, winter carnival, and Greek Week.

Parties are as traditional as their pledge paddles. Social activities include big-little brother parties, pledge exchanges, beer suppers, and costume parties.

"Above all this fraternity stands for men."

## ALPHA PHI OMEGA

Alpha Phi Omega, the only national and international service fraternity on campus, has the purpose of assembling college men in the fellowship of the Scout Oath and Law, to develop friendship and to promote service to humanity.

The past year has been a busy one indeed for the fraternity. During Homecoming, A-Phi-O helped in conducting the Queen campaigns and the elections. Once again the Used Book Exchange offered students the opportunity to buy and sell used paperbacks and records. The fraternity helped judge the Winter Carnival games and conducted the King and Queen elections.

Alpha Phi Omega also was involved in assisting local Scout troops, the Bookmobile, taking care of the Ride-Guide, being in charge of the "Ugly Man on Campus" contest, and conducting a "Clothes For Wisconsin" drive for needy families.

In addition, A-PHI-O provides a variety of social activities for the brothers and their friends.

The men of Alpha Phi Omega are truly proud of their accomplishments this year, achieved in a spirit of fellowship and brotherhood, which is characteristic of the organization.

# Faculty and Staff

- Alvin A. Abott, Assistant Professor of Political Science
- Margery V. Aber, Assistant Professor of Music
- Richard C. Ackley, Instructor in Sociology
- Howard C. Adams, Jr., Associate Professor of Foreign Language
- Seung Chul Ahn, Assistant Professor of Economics
- Rene C. Alltmont, Assistant Professor of History
- Frank T. Alusow, Associate Professor of Speech
- Hiram Anderson, Jr., Lecturer in Economics
- Hudson Milo Anderson, Associate Professor of Education and English
- Raymond K. Anderson, Associate Professor of Natural Resources
- Robert T. Anderson, Associate Professor of Geography
- Oliver A. Andrews, Associate Professor of Chemistry
- Robert P. Artigiani, Assistant Professor of History
- Diane Bailiff, Co-ordinator of Wood County Indian Tutoring Program
- John D. Bailiff, Associate Professor of Philosophy
- Monica E. Bainter, Professor of Physics
- John Baird, Instructor in Music
- Mary Ann Baird, Lecturer in Home Economics
- Imre N. Bard, Instructor in History
- Therese Bard, Instructor; Staff Librarian
- John W. Barnes, Associate Professor of Biology
- Robert Baruch, Assistant Professor of Drama
- Robert W. Bastian, Assistant Professor of Geography
- Frederick M. Baumgartner, Professor of Natural Resources
- William C. Baurecht, Instructor in English
- F. Paul Baxter, Assistant Professor of Natural Resources
- Lloyd H. Beck, Professor of Psychology
- George C. Becker, Professor of Biology
- C. Alan Beeler, Instructor in Music
- Richard C. Behnke, Assistant Professor of Physical Education
- Leon E. Bell, Jr., Assistant Professor; Vice President for Business Affairs
- Donald A. Benz, Associate Professor of Education
- Paul Ben-Zvi, Instructor in Art
- Daniel I. Berman, Instructor in English
- John N. Bernd, Professor of Education
- Verlene Bernd, Lecturer in English
- Mary Lou Biddlestone, Instructor in Physical Education
- John R. Billings, Associate Professor of Philosophy
- Raymond F. Bishop, Sergeant Major, U.S. Army, Instructor in Military Science
- Philip R. Bjork, Assistant Professor of Geography
- Gerhild Bjornson, Assistant Professor of English
- Dean G. Blair, Associate Professor of Music
- Lynn A. Blair, Assistant Professor of Physical Education
- David E. Blank, Assistant Professor of Political Science
- Allen F. Blocher, Associate Professor of Physics
- Melvin Bloom, Associate Professor of Foreign Language
- Patricia Ann Bloom, Lecturer in English
- Thomas K. Bloom, Assistant Professor of English
- Richard J. Boutelle, Instructor, Instructional Media Services Staff
- Robert O. Bowen, Assistant Professor of Physical Education
- James A. Bowles, Assistant Professor of Natural Resources
- Kenneth W. Boylan, Associate Professor of Mathematics
- Lawrence R. Brandt, Assistant Professor of Geography
- Frieda E. Bridgeman, Assistant Professor of Drama
- Eugene N. Brodhagen, Associate Professor of Physical Education
- Kenneth J. Brown, Assistant Professor of Mathematics
- Nancy, Brown, Instructor in Mathematics
- Theodore D. Brown, Instructor in Music
- Evelyn Bruckner, Instructor in Education, Laboratory School
- Fred M. Buehler, Instructor in Library Science
- David B. Buehrens, Assistant Professor of English
- Mary Jo Buggs, Instructor in English
- Martha M. Bunge, Instructor in Home Economics
- Venita Burling, Faculty Assistant, Laboratory School
- William P. Burns, Associate Professor of Physical Education
- Robert W. Busch, University Center Program Adviser
- Marilyn Butz, Lecturer in Business Education
- William J. Cable, Associate Professor of Mathematics
- James K. Campbell, Instructor in Education, Laboratory School
- Spencer V. Carey, Captain, Adjutant General Corps, U. S. Army, Assistant Professor of Military Science
- Richard G. Cary, Instructor in Mathematics
- Mark Cates, Associate Professor of Political Science
- Jagdish Chander, Associate Professor of Physics
- Jyotsna Chander, Lecturer in Mathematics
- T. K. Chang, Professor of Geography
- Gerald E. Chappell, Associate Professor of Speech Pathology and Audiology
- Kalyan Chatterjee, Assistant Professor of English
- Dakshinamurthy Chitharanjan, Assistant Professor of Chemistry
- Robert P. Christeck, Instructor in Chemistry
- Darrell A. Christie, Instructor in Economics
- Phyllis Christie, Lecturer in Mathematics
- Eugene J. Clark, Instructor in Sociology
- James E. Clark, Assistant Professor of Physical Education
- Alicye L. Clawson, Professor of Physical Education
- Claire F. Cleary, Instructor in Physical Education
- William H. Clements, Professor of Education; Director of Institutional Research and Studies; Director of Wisconsin Consortium of Research Development
- Fay F. Clifford, Instructor in Home Economics
- Bruce Cody, Instructor in Art
- Joanne J. Cogswell, Instructor in English

Special thanks to Jim Pierson

## Specifications

The 1968 edition of **The Iris** was printed by the offset printers type process by Taylor Publishing Company, Dallas, Texas. The paper is 80-pound matte finish lithofect. The hard case bound cover is of gold monks cloth embossed with navy. The binding is smyth sewn, rounded and backed. All photographs were processed as high-lighted 133 line screen halftones. The pages of school history were printed on 30% black. The body copy was printed in Vogue. Garamond print was used for identifications and Century for the index. Headings were done in varied styles of Futura Demibold. Press run was 5000 copies.

**Time it was,  
And what a time it was,  
It was . . .  
A time of innocence,  
A time of confidences.  
Long ago . . . it must be . . .  
I have a photograph.  
Preserve your memories;  
They're all that's left you.**
